LICENCE:- TO SELL ALCOHOLIC LIQUORS FOR CONSUMPTION AT  
THE BEER FEAST AT ST LAWRENCE'S CHURCH.

To whom it may concern:-

I would like to lodge a formal complaint about the granting of a licence to serve Beer and alcoholic liquors at St. Lawrence's Church Beer Feast. The last time it was here it impacted greatly on my quality of life, because of a tannoy system amplifying the sound of someone's voice and the loud music playing late into the night. Also the noise from caravans camping in our car park, (My house looks over the car park and graveyard) where the very large marquee is erected over the graves. Children and dogs running around the garden of remembrance. No Emergency vehicles would be able to get in

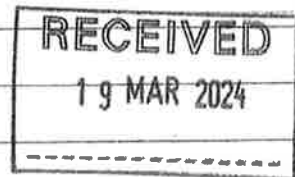

2  
if anything happened in any of the six arms houses,  
that house old and vulnerable people. visitors to the  
cottages could not get in to park and visit the  
residents because the carpark was full of campers  
and half the gate was manned by people taking  
tickets off the people who came in the church drive.  
The road is dangerous and not maintained properly,  
so more heavy lorry's filled with beer kegs will  
only make it worse. The older parishioners can't  
walk on it now to get to the church service.  
So more heavy traffic on it will only make it  
worse.

Best Regards

Dear Sir, madam.

I am writing to object to the Camra Beer Festival, that is due to take place at Lawrence church, Lawrence Street later this year. I live in one of the cottages that are situated at the rear of the church. When these events take place they seriously affect my quality of life. For example, the car park to the rear of the cottages is full to capacity, meaning we have no privacy. The

noise is unbearable,  
especially at night when I am  
trying to sleep. One of my  
main concerns is, what if  
I need an ambulance or the  
fire service, they do not  
have access to my cottage.  
This festival should not be  
held on the church grounds  
as it is not appropriate, and  
while it is taking place I have  
no quality of life.

I hope you  
take my concerns seriously.

yours Sincerely
