

Economy, Place, Access, and Transport Scrutiny Committee Work Plan

Quarterly finance and performance monitoring reports:

To include along with papers for the relevant committee date, but not to be treated as a substantive agenda item. We can still raise questions/comments about them though by exception if Members wish to; perhaps then following up with specific agenda item in future.

Possible Task and Finish Groups to run in parallel. *Detailed scope needs working out between interested Members prior to committee approval.*

- Grass verges, etc?

Interested Members: Cllrs Hook, Steward, and Taylor.

- Broadband installation issues?

Interested Members: Cllrs Hook and Nelson

Role of Executive Members:

- Expected to attend items relevant to their portfolio area

- Committee Members to maintain sight of Executive business and flag up specific issues/reports to bring to committee for scrutiny, pending space on the workplan.

Other notes for info:

To give sufficient notice we should aim to confirm these no later than 2 calendar months prior to each meeting. We should aim to keep to two substantive items per meeting to give the Committee sufficient time to properly consider an item.

Place

- Make It York - normally receive annual update but - *what would we specifically want from them? Possibly something on relationship with market traders and plans for the market.*
- York BID - normally receive annual update - as above, and is the scrutiny of their business membership sufficient given our limited meeting time?
- Recycling (particularly garden waste / composting) and how the Council can increase rates, as well as education about recycling opportunities, across the city.
- York Central: once the Master Developers start progressing their plans, could this committee have a role in giving early steer on them for relevant items?
- Garden waste collections: review of implantation of charging arrangements (when ready)
- Review of bags to bins initiative
- Neighbourhood Caretakers: can Scrutiny inform these plans?
- Budget savings: 2024/25 budget includes £900k savings in service delivery, transformation, and procurement across Place Directorate – can Scrutiny review any proposals lined up for services under EPAT's remit?
- Yorkshire Water / Sewage dumping and plans to improve their performance
