4. CORPORATE CONTRACT FOR THE USE OF ENTERPRISE CAR CLUB BY CYC STAFF AS A BUSINESS TRAVEL OPTION

Resolved: That Option 1 be approved and a contract be entered into between City of York Council (CYC) and Enterprise Car Club as set out in the report, replacing the rolling contract that is already in place with the supplier.

Reason: The Car Club has provided a key business travel option for CYC staff since its adoption in 2013 and demand has grown annually through use of a centralised pool of vehicles open to all members of staff who hold the relevant documentation to drive. CYC's use of the service also underpins the operation of the service in the city, providing a sustainable transport option for the general public and other organisations across the authority.
