4. Health & Safety Annual Report 2017/18

Resolved: (i) That the Annual Report be noted, including the council's response to managing and responding to significant H&S risks including national risks around fire and terrorism.

(ii) That the performance of the Shared H&S Service be noted.

(iii) That a report on actions being taken to ensure consistency in the use of Personal Protection Equipment (PPE) by council workers and contractors carrying out highways repairs and other street works in York be brought to the September Decision Session.

(iv) That the position that verbal and aggressive behaviour towards council staff and contractors working on the council's behalf will not be tolerated be endorsed, given the marked increase in the number of related incidents reported in 2017/18.

Reason: So that the Executive Member and residents can be assured that H&S services are appropriately managed and resilient and that the council has

proper arrangements in place for managing and responding to H&S risks.

5. Food Service Plan 2018-19

Resolved: That the food service plan be approved.

Reason: To ensure that the council has a plan to fulfil its obligations under the Food Law Code of Practice.
