

Notice of meeting of

Health Overview & Scrutiny Committee

To: Councillors Alexander (Chair), Aspden, Fraser, Sue Galloway, Simpson-Laing, Sunderland and Wiseman (Vice-Chair)

Date: Wednesday, 2 December 2009

Time: 5.00 pm

Venue: The Guildhall, York

AGENDA

- 1. Declarations of Interest** (Pages 3 - 4)
At this point Members are asked to declare any personal or prejudicial interests they may have in the business on this agenda. A list of general personal interests previously declared are attached.
- 2. Minutes** (Pages 5 - 20)
To approve and sign the minutes of the last meeting of the Health Overview and Scrutiny Committee held on 23 September 2009.
- 3. Public Participation**
At this point in the meeting, members of the public who have registered their wish to speak regarding an item on the agenda or an issue within the Committee's remit can do so. The deadline for registering is **5:00 pm on Tuesday 1 December 2009**.
- 4. Executive Member for Housing and Adult Social Services**
The Executive Member for Housing and Adult Social Services will be in attendance to report on forthcoming priorities and to discuss the Committee's Work Plan in relation to his portfolio. [Copy of presentation attached]

5. **Update on Dental Services in York** (Pages 21 - 36)
This report provides Members with an update on the provision of NHS dental services in York.
6. **Childhood Obesity Review - Scoping Report** (Pages 37 - 46)
This report outlines the suggested scope and timetable for the childhood obesity review, which aims to address whether current service provision is effectively reducing childhood obesity in the city. [Copy of presentation attached]
7. **Work Plan 2009/10** (Pages 47 - 48)
To consider the Committee's Work Plan for 2009/10.
8. **Urgent Business**
Any other business which the Chair considers urgent under the Local Government Act 1972

Democracy Officer:

Name: Jill Pickering

Contact Details:

- Telephone – (01904) 552061
- Email – jill.pickering@york.gov.uk

For more information about any of the following please contact the Democracy Officer responsible for servicing this meeting

- Registering to speak
- Business of the meeting
- Any special arrangements
- Copies of reports

Contact details are set out above

About City of York Council Meetings

Would you like to speak at this meeting?

If you would, you will need to:

- register by contacting the Democracy Officer (whose name and contact details can be found on the agenda for the meeting) **no later than 5.00 pm** on the last working day before the meeting;
- ensure that what you want to say speak relates to an item of business on the agenda or an issue which the committee has power to consider (speak to the Democracy Officer for advice on this);
- find out about the rules for public speaking from the Democracy Officer.

A leaflet on public participation is available on the Council's website or from Democratic Services by telephoning York (01904) 551088

Further information about what's being discussed at this meeting

All the reports which Members will be considering are available for viewing online on the Council's website. Alternatively, copies of individual reports or the full agenda are available from Democratic Services. Contact the Democracy Officer whose name and contact details are given on the agenda for the meeting. **Please note a small charge may be made for full copies of the agenda requested to cover administration costs.**

Access Arrangements

We will make every effort to make the meeting accessible to you. The meeting will usually be held in a wheelchair accessible venue with an induction hearing loop. We can provide the agenda or reports in large print, electronically (computer disk or by email), in Braille or on audio tape. Some formats will take longer than others so please give as much notice as possible (at least 48 hours for Braille or audio tape).

If you have any further access requirements such as parking close-by or a sign language interpreter then please let us know. Contact the Democracy Officer whose name and contact details are given on the order of business for the meeting.

Every effort will also be made to make information available in another language, either by providing translated information or an interpreter providing sufficient advance notice is given. Telephone York (01904) 551550 for this service.

যদি যথেষ্ট আগে থেকে জানানো হয় তাহলে অন্য কোন অর্ধতে তথ্য জানানোর জন্য সব ধরনের চেষ্টা করা হবে, এর জন্য দরকার হলে তথ্য অনুবাদ করে দেয়া হবে অথবা একজন দোআবী সরবরাহ করা হবে। টেলিফোন নম্বর (01904) 551 550।

Yeteri kadar önceden haber verilmesi koşuluyla, bilgilerin terümesini hazırlatmak ya da bir tercüman bulmak için mümkün olan herşey yapılacaktır. Tel: (01904) 551 550

我們竭力使提供的資訊備有不同語言版本，在有充足時間提前通知的情況下會安排筆譯或口譯服務。電話 (01904) 551 550。

اگر مناسب وقت سے اطلاع دی جاتی ہے تو ہم معلومات کا ترجمہ مہیا کرنے کی پوری کوشش کریں گے۔ ٹیلی فون (01904) 551 550

Holding the Executive to Account

The majority of councillors are not appointed to the Executive (40 out of 47). Any 3 non-Executive councillors can 'call-in' an item of business from a published Executive (or Executive Member Decision Session) agenda. The Executive will still discuss the 'called in' business on the published date and will set out its views for consideration by a specially convened Scrutiny Management Committee (SMC). That SMC meeting will then make its recommendations to the next scheduled Executive meeting in the following week, where a final decision on the 'called-in' business will be made.

Scrutiny Committees

The purpose of all scrutiny and ad-hoc scrutiny committees appointed by the Council is to:

- Monitor the performance and effectiveness of services;
- Review existing policies and assist in the development of new ones, as necessary; and
- Monitor best value continuous service improvement plans

Who Gets Agenda and Reports for our Meetings?

- Councillors get copies of all agenda and reports for the committees to which they are appointed by the Council;
- Relevant Council Officers get copies of relevant agenda and reports for the committees which they report to;
- Public libraries get copies of **all** public agenda/reports.

HEALTH OVERVIEW AND SCRUTINY COMMITTEE

Agenda item 1: Declarations of interest.

Please state any amendments you have to your declarations of interest:

Councillor Fraser	Governor of York Hospitals NHS Foundation Trust and as a member of the retired section of Unison; Member of York Healthy City Board.
Councillor Wiseman	Governor of York Hospitals NHS Foundation Trust; Member of York Healthy City Board.

This page is intentionally left blank

City of York Council

Committee Minutes

MEETING	HEALTH OVERVIEW & SCRUTINY COMMITTEE
DATE	23 SEPTEMBER 2009
PRESENT	COUNCILLORS ALEXANDER (CHAIR), ASPDEN, FRASER, SUE GALLOWAY, SIMPSON-LAING, SUNDERLAND AND WISEMAN (VICE-CHAIR)
	IN ATTENDANCE: ANNIE THOMPSON – LINKS PARTNERSHIP CO-ORDINATOR CAROLYN MURPHY – LINKS STEERING GROUP JOHN PATTINSON – NHS NORTH YORKSHIRE & YORK PAT SLOSS – NHS NORTH YORKSHIRE & YORK HEATHER SIMPSON – NHS NORTH YORKSHIRE & YORK JOHN YATES – OLDER PEOPLE’S ASSEMBLY JACK ARCHER – OLDER PEOPLE’S ASSEMBLY DEBBIE MITCHELL – CITY OF YORK COUNCIL BILL HODSON – CITY OF YORK COUNCIL

10. DECLARATIONS OF INTEREST

Members were invited to declare at this point in the meeting any personal or prejudicial interests they might have in the business on the agenda.

Councillor Fraser declared a standing interest as a member of the retired section of UNITE the TGWU ACTS section in relation to any discussion on NHS employees.

Councillor Simpson-Laing declared standing declarations as a member of UNISON and as an employee of RELATE working with residents of Askham Grange.

11. MINUTES

RESOLVED: That the minutes of the last meeting of the Committee held on 8 July 2009 be approved and signed by the Chair as a correct record.

12. PUBLIC PARTICIPATION

There had been one registration to speak under the Council’s Public Participation Scheme from John Yates, of the Older People’s Assembly on item 6 (LINKs – Public Awareness and Consultation Events) and on item 8 (Feasibility Report – Childhood Obesity). Further details are set out under the individual minutes.

13. MENTAL HEALTH PRESENTATION

John Pattinson, Project Manager for Mental Health Transfer at NHS North Yorkshire and York gave Members a short presentation on the future of mental health provider services in the area.

He explained how community services would be transformed driven by national, regional and local drivers. He detailed the services that were involved and the area covered together with proposed dates when the strategy would be prepared and plans implemented (further details are set out in the presentation which is attached as an annex to these minutes).

Members questioned the following points:

- Keeping the status quo had been suggested as an option when the transformation had first been mooted and this had been confirmed as a possibility. Was this still the case?
- The implications of joint services with the Council and PCT;
- Further updates were required as development progressed;
- Work on the transformation did not appear to have moved far forward.

RESOLVED: That an update on progress of mental health provider services be provided for the Committee in March 2010.

REASON: To keep the Committee updated on the future of mental health provider services in the area.

14. FINANCE AND PERFORMANCE IN ADULT SOCIAL SERVICES UPDATE FOR 2009/10

Consideration was given to a report which provided an update of the 2009/10 position for both finance and performance in Adult Social Services, the main area covered by the Health Overview Scrutiny Committee.

It was reported that the net approved budget for Adult Social Services was £38.6m and, after identifying £665k of in year savings to address cost pressures in the year. It was currently projected that Adult Social Services would overspend by £589k the main areas being an increase in customers supported at home, increased direct payment take up, increases in the number of Mental Health placements and as it had not yet been possible to deliver an agreed budget saving to deliver additional customer income.

Members requested further details and questioned the following points:

- The underspends due to staffing vacancies at Elderly Persons' Homes;
- Projections for the number of people accessing services required by 2010;
- The drop in performance in relation to care packages;

- New signposting service the affect and impact on Performance Indicators;
- Costs of services and NHS contribution;
- Need for ring fencing of monies allocated to PCT for carers respite breaks.

Officers referred to a request made at the Executive meeting on 22 September for scrutiny committees to review the reasons for and options for a number of items that had an impact on the Council's budget. In relation to this Committee this was the demand levels for adult community care. The Chair questioned the method of feeding these requests through to scrutiny committees.

RESOLVED: (i) That this information report be noted;

- (ii) That the Scrutiny Officer email the Committee with details of the request made at the Executive meeting on 22 September, together with details of the impact of the new signposting service. ¹.

Action Required

1. Email information as requested.

TW

15. LINKS - PUBLIC AWARENESS AND CONSULTATION EVENTS

Members considered the first two reports arising from the LINKs' Public Awareness and Consultation Events (PACE). These reports detailed the information gathered and the recommendations arising as a result of their investigations on the following topics from their workplan:

- The future of Mental Health Services in York and North Yorkshire (Annex A).
- The provision of hospital facilities for people with long term conditions (such as neurological conditions) (Annex B).

John Yates, Older People's Assembly, referred to the options given in relation to how members would wish to receive the PACE reports in future. He stated that to ensure the public were kept as fully informed as possible on these issues he felt these reports should continue to be formally issued as part of the Committee's agenda.

The Scrutiny Officer referred to Recommendation 14 of the Neurological Service report, which referred to Home Care workers being made more effective and fit for purpose. The report had recommended the Committee receive regular reports on how many members of staff had undergone differing types of training.

Officers confirmed that home care assistants received training to a particular level but that no specific funding was set aside for end of life training care.

Members questioned the evidence received, which had resulted in the report's recommendations. They also questioned the type of training suggested in recommendation 14 and who it was proposed would receive the training as residents received visits from a variety of services.

The LINKs Co-ordinator confirmed that prior to the report being prepared they had received a great deal of evidence not just isolated cases, which had enabled them to compile their recommendations. She confirmed that she could provide the Committee with a further breakdown of the evidence received.

The Committee were asked to consider the following:

- i. Their response to recommendation 14 in the report regarding Neurological Services (Annex B refers)
- ii. Any comments they may wish to make on either of the reports (Annexes A & B refer)
- iii. Whether they would like to look at any element of either of these issues in further detail by way of a scrutiny review (but avoiding duplication of work).
- iii. How they would like to receive the PACE reports in future (i.e. formally via Committee meetings or informally via e-mail dependent on whether there are any recommendations within the reports that the Committee needed to address).

- RESOLVED: (i) That future PACE reports be considered formally with them being reproduced within the Health Overview and Scrutiny Committee agendas.
- (ii) That LINKs be requested to clarify the type of training required in Recommendation 14 of their Neurological Services report and this information be reported back at the next meeting of the Committee.

REASON: To enable the Health Overview and Scrutiny Committee to keep up to date with the work of the York LINK.

16. LOCAL INVOLVEMENT NETWORKS (LINKS) - PROGRESS UPDATE

Consideration was given to a report, which updated the Committee on current progress in establishing a Local Involvement Network (LINK) for the City of York. The report also outlined the steps and measures that needed to be taken to ensure that LINKs established an effective working relationship with the Committee and other key strategic partnerships.

The Scrutiny Officer confirmed that work had been progressing well and that the real challenge now was for LINK to make a difference to the delivery of health and social care in York and to continue their excellent relationship with the Scrutiny Committee.

RESOLVED: That the update information on LINKs be noted.

REASON: In order to remain up to date on the health and well being of the citizens of York.

17. FEASIBILITY REPORT - CHILDHOOD OBESITY

The Committee considered a report which referred to concerns that had been expressed regarding two of the National Performance Indicators relating to obesity among primary school children ((NPI55) and obesity among primary school age children in Year 6 (NPI56). It was reported that arising out of this Cllr Sue Galloway had registered a scrutiny topic regarding obesity levels in children, a copy of the topic registration form was attached to the report at Annex A.

Officers confirmed that consultation had been undertaken and that the majority of comments had indicated support for progressing the topic to review.

John Yates, confirmed that he had been concerned with health, particularly in relation to older people and that he felt that it would be unwise to attempt to separate a study into child obesity from its association with adult eating patterns. He referred to the already large knowledge base on child obesity and questioned how the Committee could add to this. He went on to refer to the consequences of obesity on health in general and future mobility. He felt there were other ways in which the Committee could convey their message including better liaison with the Hospital, University etc.

Members considered the evidence presented in the report and confirmed that as this review covered a topic that would require the collection of evidence from a large number of bodies that it should be undertaken by the full Committee rather than a smaller cross party task group.

Members confirmed that the proposed remit did include looking at the continuity of services into adulthood. They stated that they felt that this would need to be a cross cutting review which could involve the following:

- discussions with major supermarket chains in relation to labelling etc;
- information from the PCT in relation to their cooking healthy courses;
- eating habits in nurseries;
- discussions with parents, young people and the Youth Council;
- Details of school travel plans;
- Information on the Healthy Schools initiative – possibility of influencing;
- All Together Better project work in both Scarborough and York.

RESOLVED: (i) That based on the evidence presented within the report the Committee proceed with the obesity review in order to explore the points raised within the topic registration form and the comments in Annex B of the report.

- (ii) That approval be given to the draft remit for this review at Annex D of the report.
- (iii) That a scoping report and a timetable for this review be presented to the December meeting.
- (iv) That representatives of the PCT and York Hospital be invited to the December meeting. ¹.

REASON: That childhood obesity is currently a topic of considerable public interest and any findings the Committee may make could go towards improving the health and lifestyle of the young citizens of York.

Action Required

1. Invite representatives to next meeting.

TW

18. ANNUAL HEALTH CHECK AND NEW REGISTRATION PROCESS - UPDATE

Consideration was given to a report, which updated Members on the Annual Health Check for 2009/10 and informed them of the Care Quality Commission's new processes for regulation of NHS Trusts.

As the regulation of health and adult social care services was currently undergoing changes this would also involve new registration standards being introduced that would apply to NHS Trusts for the first time. All NHS Trusts (including Primary Care Trusts as providers) must be registered with the Care Quality Commission from 1 April 2010. Following registration Trusts would be asked to make a declaration of their compliance with the new registration requirements in January 2010.

It was reported that 2009/10 was a transitional year for the NHS between the previous system of the Annual Health Check and the new system of registration and periodic review.

Representatives from the Care Quality Commission were to attend the Centre for Public Scrutiny's networking event in Leeds on 24 November and arrangements had been made for Councillors Sue Galloway, Simpson-Laing and Wiseman to attend.

The Committee were asked to consider whether they wished to take part in providing evidence about aspects of Trusts' performance separately from Trusts' declarations, which would be required as part of the registration process from December 2009.

RESOLVED: (i) That the update report on the annual health check and registration process be noted.

- (ii) That the 3 members of the Committee attending the event on 24 November (in conjunction with the Scrutiny Officer) be delegated the task of collating evidence about aspects of the Trusts' performance. This will then be reported back to a meeting of the full Committee.¹

REASON: To enable the Health Overview and Scrutiny Committee to carry out their duty to promote the health needs of the people they represent.

Action Required

1. Evidence to be reported back to Committee.

TW

19. HEALTH SCRUTINY NETWORKING

Consideration was given to a report, which informed the Committee of recent events attended by both Members and Officers outside the formal meeting cycle of the Health Scrutiny Committee.

Details of the following events and meetings were reported:

- Planning for Healthier Communities (29.04.09)
- Regional Health Scrutiny Officers' Meeting (13.05.09)
- The Centre for Public Scrutiny (CfPS) Conference (09.06.09 – 10.06.09)
- NHS North Yorkshire and York Board Meeting (20.06.09)
- LINKs (Local Involvement Networks) Development Event (30.06.09)
- Regional Health Scrutiny Officers' Meeting (07.07.09)
- Meeting with Chief Executive of NHS North Yorkshire and York (10.07.09)
- Meeting with LINKs (17.08.09)
- Health Scrutiny Information Day (18.08.09)
- September Regional Health Scrutiny Officer's meeting (10.09.09)

RESOLVED: That the update report be noted.

REASON: To keep Members informed of events attended that are relevant to Health Scrutiny.

20. WORK PLAN 2009/10

Consideration was given to the Committee's Work Plan for 2009/10.

The Chair reported that an update on the provision of NHS dental services in York had been expected at this meeting. He stated that unfortunately the Assistant Director of Commissioning and Service Development at NHS North Yorkshire & York had recently left this post. Confirmation of a new

postholder was awaited and the item had, therefore, been slipped to the December meeting.

RESOLVED: That the draft Work Plan be approved subject to the addition of the following items:

- 2 December 2009 – Update on Dental Services;
- 2 December 2009 – PACE End of Life report;
- 2 December 2009 – Neurological report – clarification on recommendations from LINKs;
- 2 December 2009 - Childhood Obesity review – scoping report
- 3 March 2010 – Mental Health transfer update ¹.

REASON: To update the Committee on their Work Plan for the coming year.

Action Required

1. Update Committee's work plan.

TW

CLLR J ALEXANDER, Chair

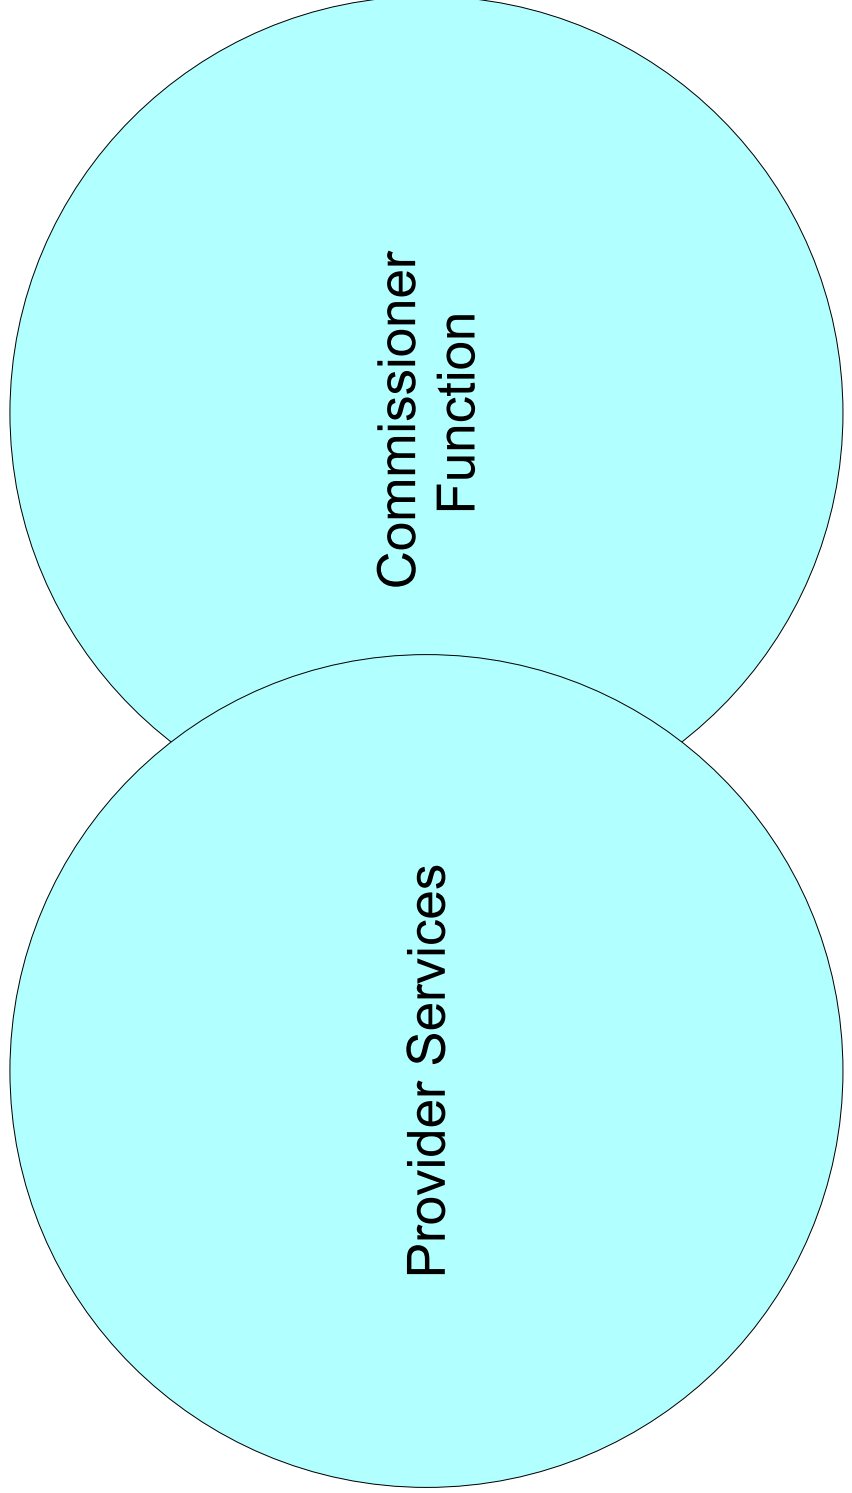

[The meeting started at 5.00 pm and finished at 7.05 pm].

The Future of Mental Health Services

Transforming Community Services

Transforming Community Services

Whats driving the idea?

National policy drivers

Commissioning A Patient Led NHS
World Class Commissioning
NHS Operating Framework 09/10
Transforming Community Services – (forthcoming)

Regional drivers

Healthy Ambitions
Y&H suicide rates

Local Drivers

Healthier Lives - PCT strategy 2008-2013
Population based commissioning for services

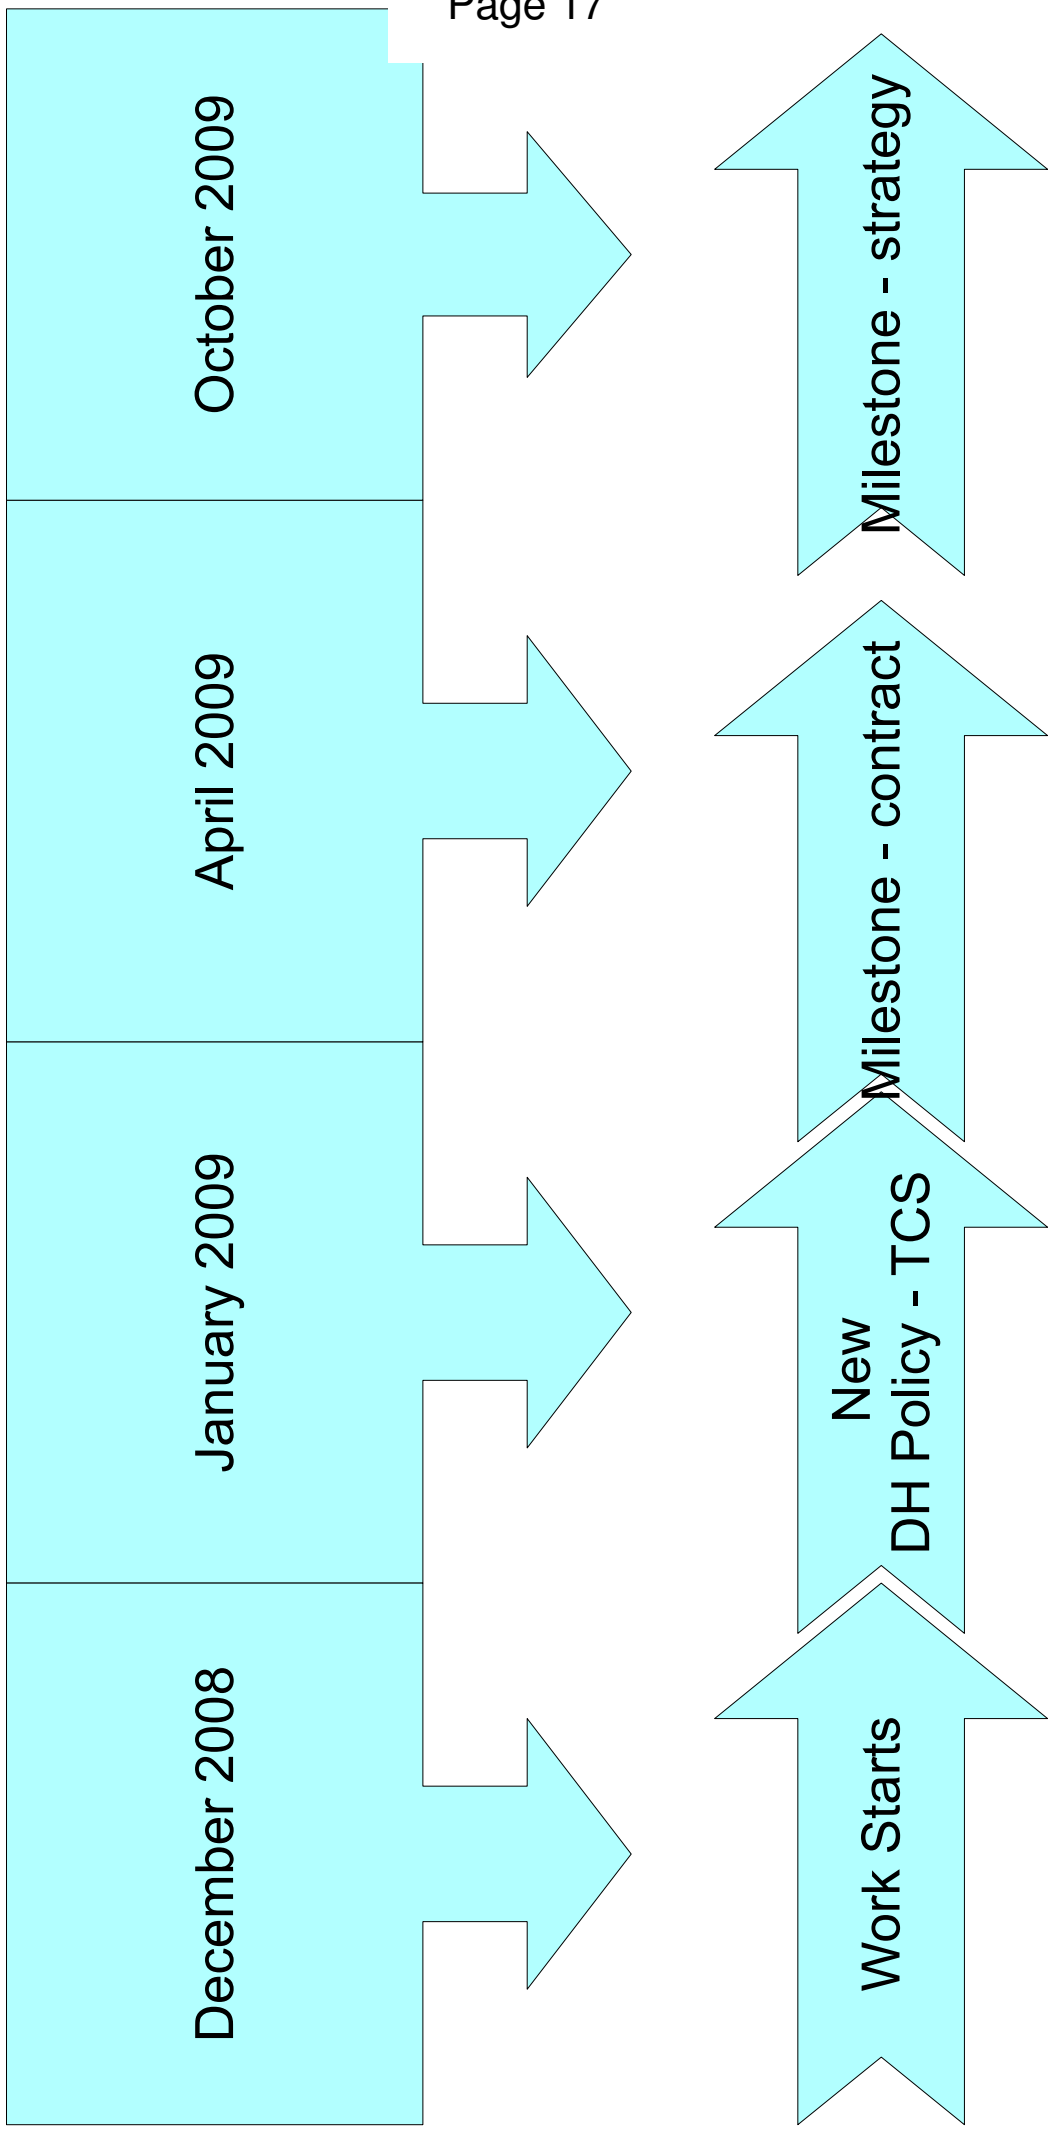

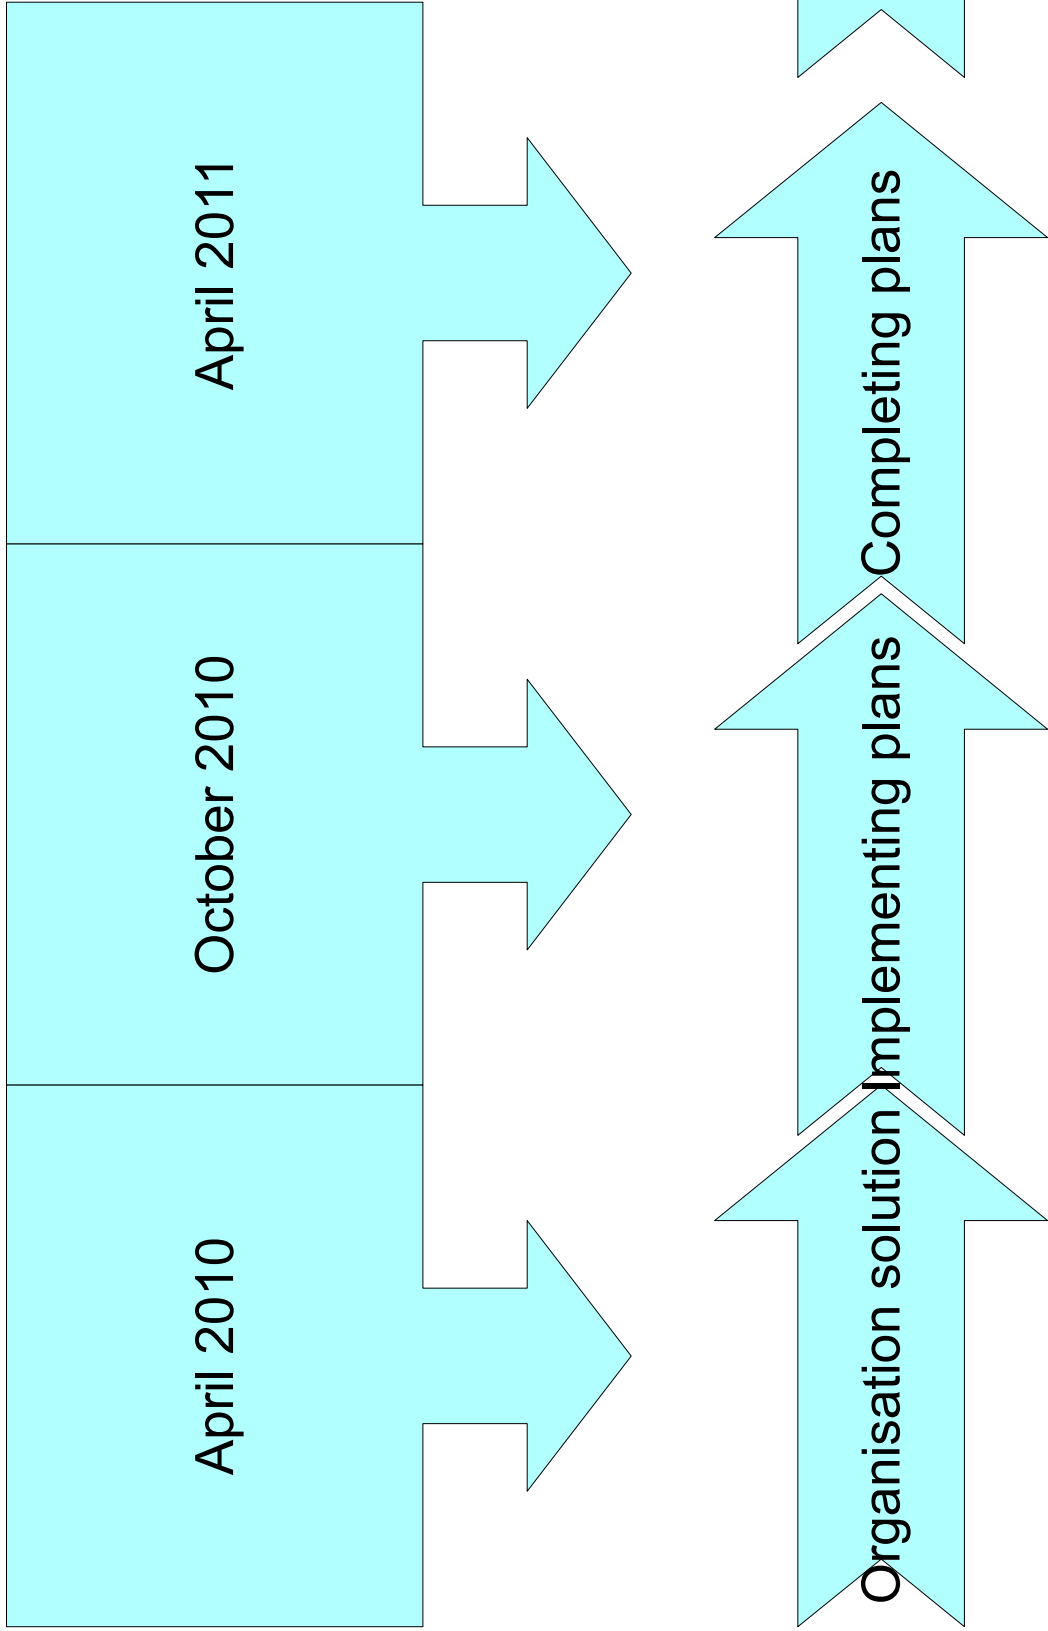

What services are involved?

- Mainstream mental health services
- Child & adolescent mental health services
- Older peoples services
- Some specialist services

Where have we got to?

- Re-establishing steering group/ project board
- Re-alignment with 5 programmes of the PCT Business Plan
- Working through reiteration of strategy
- Work through options for organisational form
- To procure, or not to procure – getting VfM?
- Process manage 'transfer'

Health Overview & Scrutiny Committee

2nd December 2009

Report of the Interim Head of Civic, Legal & Democratic Services

Update on Dental Services in York

Summary

1. The purpose of this report is to provide Members with an update on the provision of NHS dental services in York.

Background

2. Members of the Health Overview & Scrutiny Committee receive regular updates from NHS North Yorkshire & York regarding dental services in York; the last of these was on 11th May 2009.
3. The most recent information from NHS North Yorkshire & York is attached at Annexes A, B & C to this report. Lorraine Naylor, the Acting Assistant Director – Primary Care, will be in attendance at the meeting to present the paper and answer any questions Members of the Committee may have.

Consultation

4. This report is part of ongoing consultation between Members and NHS North Yorkshire & York in relation to the provision of dental services in York.

Options

5. Members have the following options:

Option A Continue receiving quarterly updates regarding dental provision from NHS North Yorkshire & York

Option B Stop receiving quarterly updates regarding dental provision from NHS North Yorkshire & York

Analysis

6. Although receiving regular updates is invaluable in keeping Members informed of progress concerning dental provision in the area, Members may wish to consider whether this will have an impact on other work scheduled on the current work plan.

Corporate Strategy 2009/2012

7. This report relates to the 'Healthy City' theme of the Corporate Strategy 2009/2012.

Implications

8. **Financial** - There are no known financial implications associated with the recommendations within this report.
9. **Human Resources** – There are no known Human Resources implications associated with the recommendations within this report.
10. There are no known equalities, legal, crime & disorder, information technology, property or other implications associated with this report.

Risk Management

11. In compliance with the Council's risk management strategy there are no known risks associated with the recommendations in this report.

Recommendations

12. Members are asked to:
- i. Note the update from NHS North Yorkshire & York
 - ii. Decide whether they wish to receive further updates on dental provision in York from NHS North Yorkshire & York

Reason: In order to carry out their duty to promote the health needs of the people they represent.

Annexes

Annexes A, B & C Update on dental services from NHS North Yorkshire & York

This page is intentionally left blank

Report To: City of York Council Health Scrutiny Committee - Nov 2009

Report From: Assistant Director of Commissioning and Service Development

Report Subject: Dental Services

1. Introduction

This paper provides updated information to the OSC about the numbers of patients accessing NHS dental services and the length of time patients are on the dental access database before they are allocated to a dentist.

The information provided relates to the Selby & York area only and information on the number of dentists in the area providing NHS services.

The information is derived from nationally negotiated dental contracts and in the case of the access database records, which are kept by the PCT.

- **The number of dentists in the York area**
- **The number of new dentists in the York area**
- **The number of dentists providing NHS treatment in the York area**
- **Information on the number of residents who do not see a dentist**
- **To investigate the possibility of showing the information on 'waiting times for patients still on the list' as a mean average over a length of time rather than at a specific point in time**

2. Numbers Of New Patients Seen

Table 1: The number of new patients seen by NHS dentists in the City of York area during the in the previous 24 months by quarter ending 1st April 2008;

Patients seen in 24 months	Total
Quarter ending June 2008	82,268
Quarter ending September 2008	90,046
Quarter ending December 2008	95,227
Quarter ending March 2009	98,627
Quarter ending June 2009	100,444
Quarter ending September 2009	101,824
Variance since June 2008	24%

Explanation – (as per previous report):

The Department of Health has set performance targets for each PCT on the number of new patients who have seen a dentist in the previous 2 years. Targets are not set by localities within the PCT as patients can be seen by any dentist.

3. Residents Who Do Not See A Dentist

For planning purposes, this remains an estimated 40% of the population do not use NHS dental services on a regular basis.

The City of York population 2006 mid year estimate was 191,800 if we take off a small number for people without dentition, 40% is the equivalent of 75,920 people, some of whom who may be accessing dental care either through the emergency dental service, the NHS salaried service, private dentists or not at all.

3. Access – New Patients Assigned to a Dentist

Table 2: The numbers of patients assigned to a dentist from the database for the period 1 April 2009 – 10 November 2009;

Locality	April 2009	May	June	July	Aug	Sept	Oct	TOTAL
Selby & York	685	348	500	424	100	947	362	2,057

4. Demand for NHS Primary Care Dentistry

Table 3: The numbers of patients who have been added to the database for the period 1 April 2009 – 10 November 2009;

Locality	April 2009	May	June	July	Aug	Sept	Oct	TOTAL
Selby & York	1,349	1,705	1,482	1,222	1,539	1,293	1,132	9,722

5. Waiting times

The OSC requested the information as provision of a mean average over a length of time for patients still on the list.

The table below highlights the waiting times of patients awaiting a NHS dentist as at 10 November 2009;

Waiting Time	1 month	1 to 2 Months	2 to 3 Months	3 to 4 Months	4 to 5 Months	5 to 6 Months	6 to 7 Months	Over 7 Months	Total
Selby & York	986	1,296	1,474	1,316	1,477	1,491	194	65	8,299

NHS NYY recognises that due to recent promotion of NHS dental services after procurements undertaken across the patch, an increase in additions to the list has been seen. While patients have been assigned soon after contracts are awarded, a stepped start to some contracts will affect patient allocation in the early stages.

NHS NYY acknowledges that as new contracts mature, practitioners will receive their full allocation.

6. Supply of Primary Dental Services

There are currently 17 NHS Practices in the City of York area, and these are commissioned on the basis of UDA activity.

The PCT has no commissioning relationship with private dentists.

There are approximately 5 fully private practices.

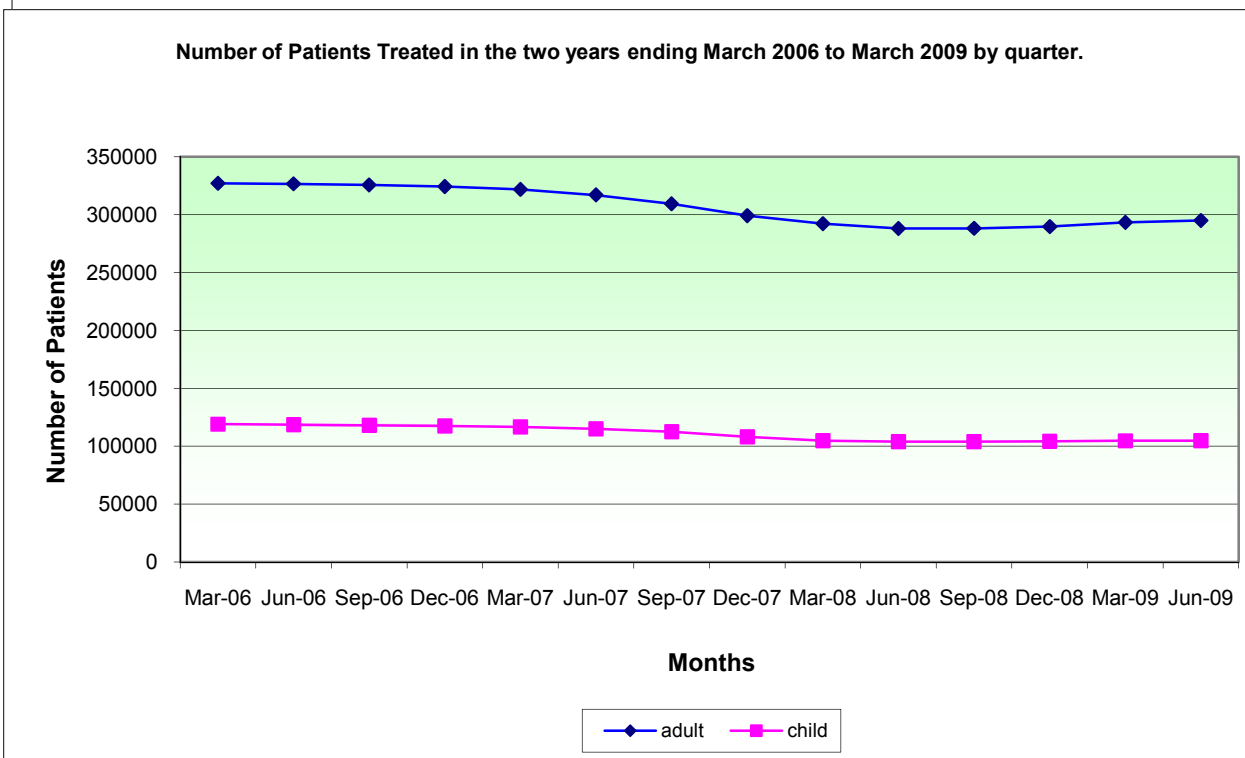

NHS NYY has undertaken a workforce survey with the Local Dental Committee and will share the information with the OSC once results are analysed.

1. Purpose and scope

The maps below show the locations of PDS and GDS contracts in and around York which have contracted levels of UDAs and UOAs for the year 2009-10. TDS contracts are shown on a separate map

2. Methodology & Notes

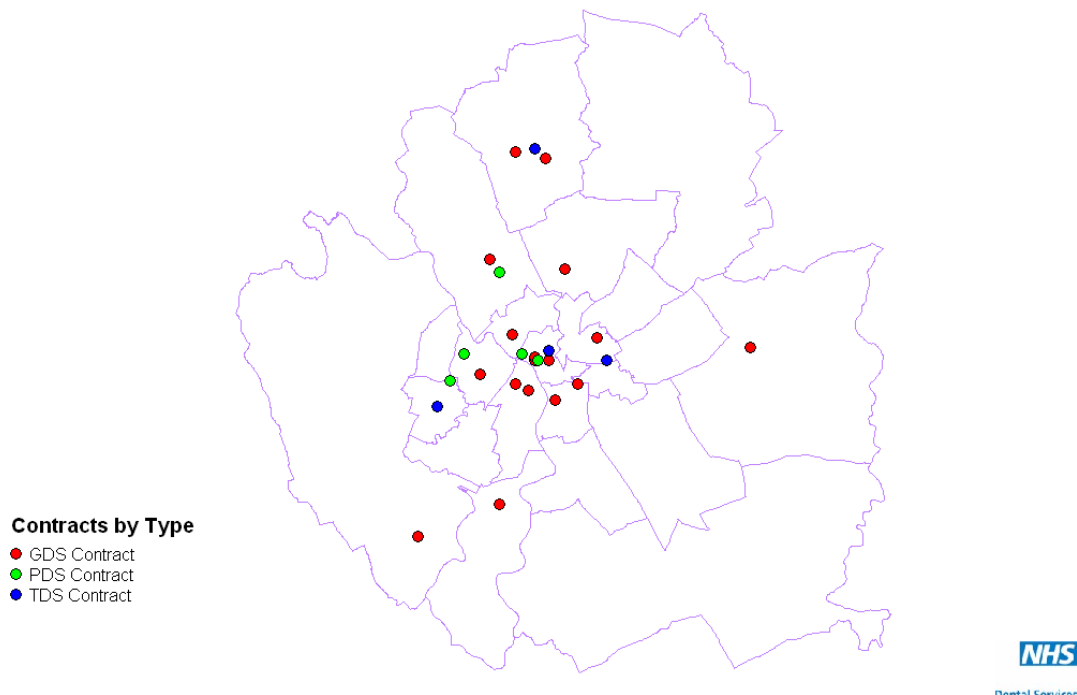

The contracts shown have been extracted from the 5NV North Yorkshire & York PCT Contract Summary Report, which is issued monthly. From this report all GDS and PDS contracts with Contracted UDA April 2009 to March 2010 greater than zero have been used in the contracted UDA maps. Similarly all GDS and PDS contracts with Contracted UOA April 2009 to March 2010 greater than zero have been used in the contracted UOA maps. All TDS contracts have been used, as these contracts have no contracted UDA or UOA values.

Contract locations are based on the Principal Practice & Correspondence Address as stated on from the Payments Online (POL) system.

3. York PCT: Contract Maps

The map below shows all contracts located in York as selected, which are managed by North Yorkshire & York PCT.

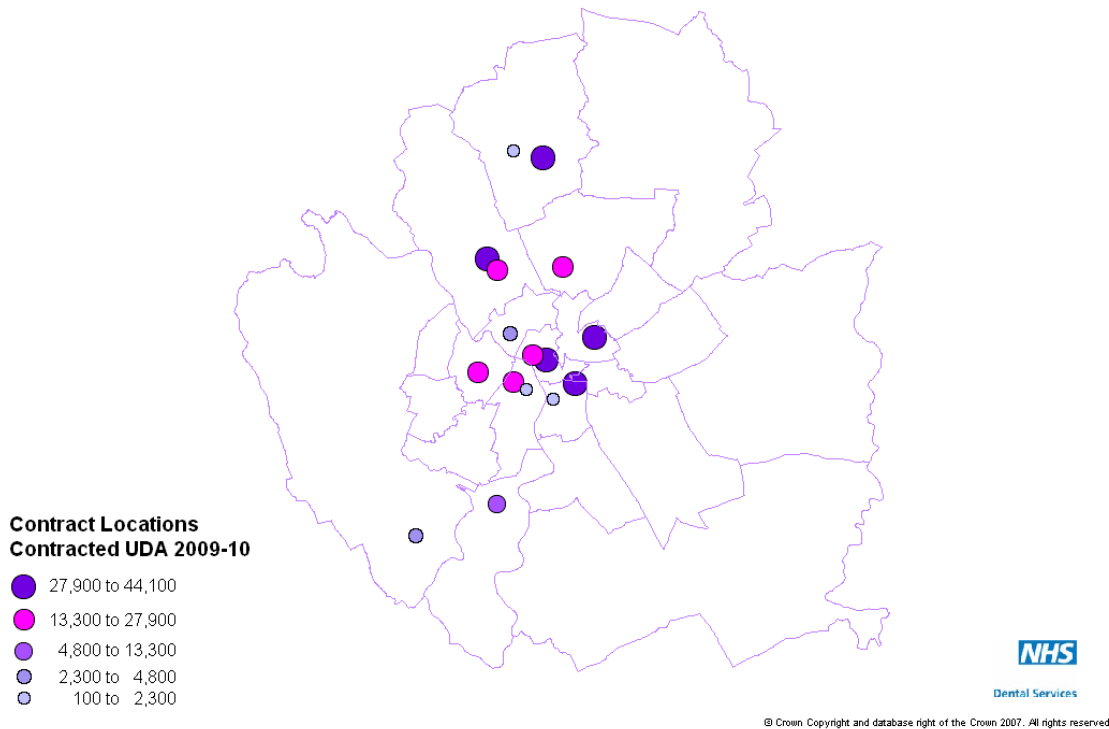

Map 1: Contracts by Type

© Crown Copyright and database right of the Crown 2007. All rights reserved

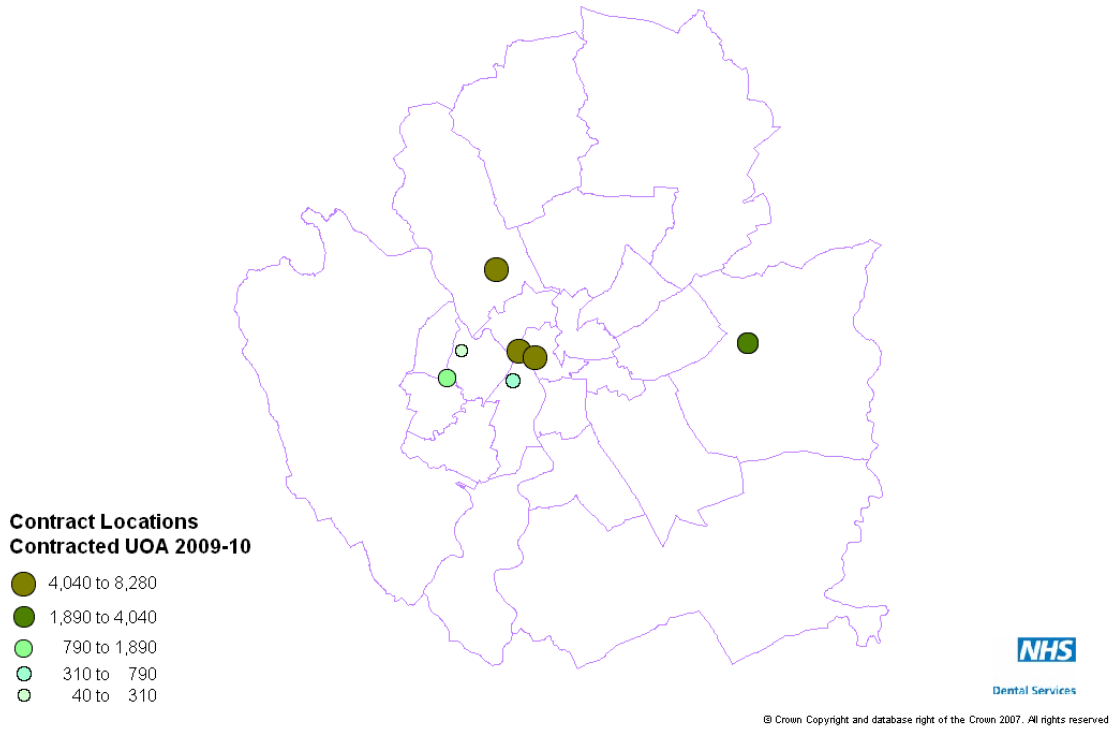

The map below shows PDS and GDS contracts located in York which have Contracted UDA April 2009 to March 2010 greater than zero. Those contracts with the highest levels of Contracted UDA April 2009 to March 2010 are shown with the larger symbols on the map.

Map 2: Contract Locations by Contracted UDAs

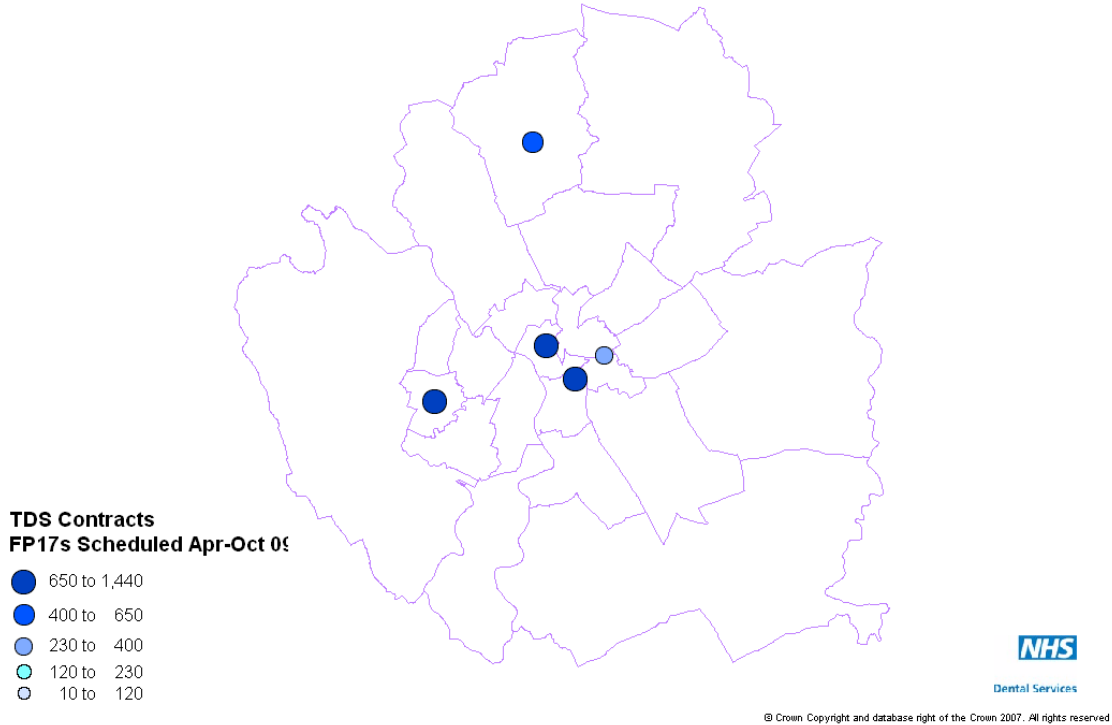

The map below shows PDS and GDS contracts located in York which have Contracted UOA April 2009 to March 2010 greater than zero. Those contracts with the highest levels of Contracted UOA April 2009 to March 2010 are shown with the larger symbols on the map.

Map 3: Contract Locations by Contracted UOAs

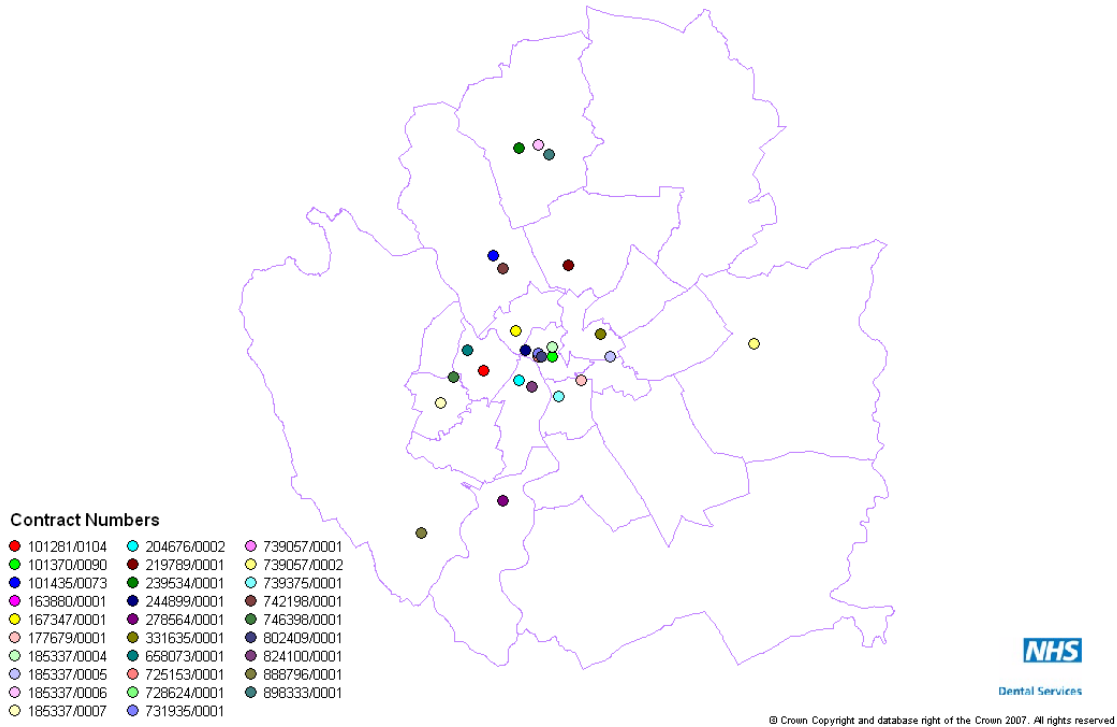

The map below shows TDS contracts located in York. Those contracts with the highest levels of FP17s scheduled April 2009 to October 2009 are shown with the larger symbols on the map.

Map 4: TDS Contract Locations by FP17s scheduled

The map below shows all contracts in York with their contract numbers colour coded as a reference.

Map 5: All Contracts and Contract Numbers

Health Overview & Scrutiny Committee**2nd December 2009****Childhood Obesity Review - Scoping Report****Purpose of Report**

1. This report outlines the suggested scope and timetable for the above review, which aims to address whether current service provision is effectively reducing childhood obesity in the city.

Background

2. Councillor Susan Galloway originally registered the topic in July 2009. A feasibility study and a draft remit were submitted to the Health Overview & Scrutiny Committee in September 2009, and after due consideration it was agreed to proceed with this scrutiny review based on the following remit:

Aim

3. To address whether current service provision is effectively reducing childhood obesity in the city.

Key Objectives

- i. To look at statistical evidence collected by the School Health Team in relation to NPI55 and NPI56 to discover the extent of childhood obesity in the City.
- ii. To explore the impact of current initiatives such as healthy eating, 5 a day and 30 minutes of exercise 5 times a week etc on tackling obesity.
- iii. To explore external factors that may contribute to childhood obesity.
- iv. To learn more about the All Together Better Programme and The Healthy Weight, Active Lives Strategic Implementation Group and the methods they are using to reduce childhood obesity.
- v. To look at the continuity of services into adulthood.
- vi. To explore how monies are spent on tackling obesity.

Consultation

4. To date the following have been consulted:

- The Executive Member for Children’s Services
- The Executive Member for Housing & Adult Social Services
- Director of Housing & Adult Social Services
- Assistant Director (Partnerships & Early Intervention)
- LINKs Steering Group
- Various representatives of York Hospitals Trust
- Various representatives of NHS North Yorkshire & York

Timetable For Review

5. The following scope and timetable for the meeting has been prepared by Members of the Committee:

Date	Relevant Key Objective	Task
02.12.2009	Background information & key objective (i)	<p>Formal meeting of the Health Scrutiny Committee</p> <ul style="list-style-type: none"> ➤ Approval of Scoping & Timetabling <p>To look at statistical evidence collected by the School Health Team in relation to NPI55 & NPI56 to discover the extent of childhood obesity in the City</p> <ul style="list-style-type: none"> ➤ Presentations and/or briefing reports from representatives of NHS North Yorkshire & York and/or York Hospital and City of York Council to provide background information to the topic and information in key objective (i) as set out in the remit above. <p><u>Suggested attendees</u></p> <ol style="list-style-type: none"> i. 		<p><u>Format of the Public Event</u></p> <p>The Chair and/or scrutiny officer will give a presentation summarising the information received to date. Attendees will be given the opportunity to provide any further evidence or comments that they wish to give prior to a draft report & draft recommendations being prepared.</p>
03.03.2010		<p>Formal meeting of the Health Scrutiny Committee</p> <p>➤ Interim Report regarding Childhood Obesity - progress & evidence gathered so far</p>
TBC	All	Formulation of draft recommendations to be included in the draft final report
TBC	All	Task group to consider draft final report & recommendations
TBC	All	Full Committee to consider draft final report & recommendations
TBC	All	Final report to SMC
TBC	All	Final report to Executive

Options

6. Members have the following options:

Option A Approve the scope & timetable set out in paragraph 5 of this report

Option B Amend the scope & timetable set out in paragraph 5 of this report

Analysis

7. Members of the Committee have already, informally, indicated that they are happy to approve the scope and timetable above. In light of this representatives from both York Hospital and NHS North Yorkshire & York have been invited to today's meeting to give presentations on key objective (i) of the review.
8. Members do have the option of forming a small cross-party task group to undertake a review. This may have the advantage of giving Members further scope to work more immediately and flexibly on a review topic. Any task group would report back to the full Committee with their findings for approval.
9. Members are also requested to look at some potential dates to undertake the work set out in the scope and timetable in order that the Scrutiny Officer can arrange for the information to be provided by the suggested attendees.

Corporate Strategy 2009/2012

10. This report and the review being undertaken are directly linked to the 'Healthy City' theme of the Corporate Strategy 2009/2012.

Implications

11. **Financial** – There is a small amount of funding available within the scrutiny budget to carry out reviews. There are no other financial implications associated with this report; however implications may arise as the review progresses.
12. **Human Resources** – There are no Human Resources implications associated with the recommendations within this report.
13. **Legal** – There are no direct legal implications associated with the recommendations within this report; however implications may arise as the review progresses.
14. There are no known equalities, property, crime & disorder or other implications associated with the recommendations in this report.

Risk Management

15. In compliance with the Council's risk management strategy there are no risks associated with the recommendations in this report.

Recommendations

16. Members are asked to:
- i. Approve the scope and timetable set out at paragraph 5 of this report
 - ii. Decide whether they wish to set up a task group to undertake the work
 - iii. Set some dates for either a task group or the full Committee to undertake this work

Reason: To ensure compliance with scrutiny procedures, protocols and workplans and to progress the review.
