War Memorial Gardens - damage

The geese population in York

- No definitive data
- Approx 250 counted on 29th September 2015 between Rowntree Park and War Memorial Gardens
- 500 plus birds in the city
- Rough 50 / 50 split between the two main species
- The geese are comfortable within the urban environment

City Walls - Station Road

Current actions

- Essentially the same actions for the last 15 years. Approach has been
 - Egg treatment
