

Executive Member for Transport and Planning

Economy & Place Scrutiny Committee – 2 August 2017 at 5:30pm

Key Issues (17/18)

- **Park and Ride**
Role out of Park and Ride and Contract – major investment for the city
- **Outer Ring Road**
Upgrading of key roundabouts to improve traffic flow
- **Scarborough Bridge**
Is taking off the current narrow and stepped pedestrian bridge and making it ramped bridge
- **A19 Pinch point Phase**
The proposed scheme to improve southbound traffic flow at the A19/ Crockey Hill junction (by widening the road to create an extra lane outbound through the junction) will be constructed in Jan-March 2018 (with preparatory works/ utility diversions in late 2017).
- **P&R Advance Signage**
Installation of new directional signs to P&R sites on the main approaches to York (A64, A19 North, A19 South, A1036, A1079, and A59).
- **Tour Bus Conversions**
Work to convert five City Sightseeing tour buses to electric drive is ongoing,
- **Traffic Signals Asset Renewal**
Ongoing scheme to improve Traffic Signals.
