Organisation I work for:.....

1. What do you think prompts carers to become aware and recognise themselves as carers?

2 Do social care, health and other professionals in York recognise carers and treat them with respect?

3 Who else in the City needs to be carer aware to make sure carers get the help they need?

4 What information do carers need?

5 How do they manage to get it?

6 Where do they get it from?
