

## Annex B Bishopthorpe Ward

<b>B1</b>	<b>Location</b> Sim Balk Lane near Main Street (raised by Cllr Galvin and Parish Council)
<b>Nature of problem and requested solution</b> Move a disabled parking bay when the Post Office moves	
<b>Background information</b> The Bishopthorpe Post Office is moving from Main Street to the Newsagents at 26 Sim Balk Lane. The Parish Council have requested that the mandatory disabled bay on Main Street which serves only the Post Office be moved at the same time. There are a number of marked parking bays at the new location, one of which could easily be converted to a disabled parking bay. This has a convenient lamp column which could be used for mounting the necessary sign. Cllr Galvin and the Parish Council will advise on the timing of the move.	
<b>Recommendation</b> That a new mandatory disabled parking bay be created at the new site when the Post Office moves. The sign for the current bay could be reused.	
	
<b>Costs</b> Lines for disabled bay £60 Advertising £200 Pole removal from existing bay £150 <b>Total £410</b>
