<b>Comments/Observations:</b>							
<b><u>Decision:</u></b>							
Director approved (Option A) to agree to continue operation of route 13a to enable a comprehensive, criteria based, assessment of bus services to be undertaken and reported on in Autumn 2015.							
Reason: Route 13a is, in terms of the portfolio of subsidised bus services, comparatively well used. If savings are required, there are other bus services which could be withdrawn ahead of this route which would have a lesser impact on York's bus users.
