**5. Consideration of the Representations Received to the Formal Consultation to Implement Residents Parking and Limited Waiting Restrictions in the Heslington Road Area Advertised as 'R66: Wellington Street'**

**Resolved:** To approve Option 2, extending the statutory consultation period by a further 21 days. Press notices, onsite notices and residents' letters advising of the extended consultation end date will be issued.

Anyone who responded to the previous statutory consultation will not need to submit a new representation. Details of the updated fees associated with purchasing permits for residents parking schemes will be included so that residents can make an informed decision.

**Reason:** While the statutory consultation process was followed, the Executive Member felt that the level of response to both the informal and formal consultations was insufficient to make a representative decision today.
