This report presents representations made following the statutory consultation for a Traffic Regulation Order (TRO) proposed Residents Parking Bay and 'No Waiting at any time' Restrictions – Queen Street.

Representations were received during the statutory consultation process therefore a decision is needed to progress the making of the order.

6. Residents parking and limited waiting restrictions advertised as 'R66 Wellington Street' (Pages 35 - 102)

This report considers the representations received to the statutory consultation and Notice of Proposal, advertised on 15 November 2024, along with further representations received when extending the statutory consultation for the amendment of the Traffic Regulation Order, on 4 July 2025, which proposed to implement Resident Parking (ResPark) restrictions (advertised as R66: Wellington Street) to include properties on Heslington Road (part), Wellington Street, Willis Street, Gordon Street, Wolsley Street, Apollo Street, Apollo Court, Alne Terrace, Belle Vue Street, Belle Vue Terrace and Barbican Road (part) along with mixed use limited waiting parking bays on Heslington Road and determine what action is appropriate.

7. Proposed diversion of public footpath Nether Poppleton 1 (Pages 103 - 150)

This report discusses diversion of a section of the public footpath Nether Poppleton 1 from the north side of the existing hedgerow to the south side.

The application to divert part of the public footpath was made by the land owner, to enable solar development.

8. Walker Lane, Wheldrake – Proposed One-Way Street (Pages 151 - 174)

This report is intended to review the responses from the Statutory Consultation for the proposed introduction of a one-way travel on Walker Lane from Main Street to North Lane and provide a recommendation option.

A property owner requested Walker Lane, Wheldrake, a two-way road, be changed to a one-way road. The decision is requested as damage was being caused to an adjacent residential property by vehicles failing to negotiate the adjacent junction into/out of the narrow roadway, and, because of the narrow width of the road, opposing vehicular conflicts could occur with an associated risk to any pedestrians also.

9. Urgent Business

Any other business which the Executive Member considers urgent under the Local Government Act 1972.
