EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

Meeting: Executive

Meeting Date: 17/03/16

Item Type: Executive Decision - a 'Key Issue' - decision leading to savings or expenditure of £500,000 or above

Title of Report: Community Stadium

Description: Purpose of Report: Prior to a recommendation to Council on 24 March, this report presents the finalisation of the delivery of the Community Stadium and Leisure facilities contract.

Members are asked to;

1. Provide authority to award the contract for the design, build, operation and maintenance of the facilities.
2. Agree the financial costs for the delivery of the contract.
3. Any other appropriate decisions relating to the effective delivery of the project.

This item will now be considered by the Executive on 15 December in order to align the decision making process to enable ratification of the decision at Full Council on 17 December.

Due to ongoing negotiations this item has been slipped to 11 February Executive.

This report has now been deferred to the March meeting of Executive as further preparation/ analysis is required before an update is provided to Executive Members.

In order to allow the Community Stadium recommendations to be considered at the 24 March Council meeting the March Executive meeting has been brought forward from Thursday 31 March to Thursday 17 March.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are

significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Engaging with children, young people and families is an intrinsic way that services within the scope of this proposal operate. This proposal is built upon existing feedback from children, young people and families which has informed the developments of strategies such as the children and young people's plan, the remodelling of children's centres and young people's services for example.

Remodelling our early help arrangements is a significant undertaking and engagement forms a critical element in the successful development of a new operating model.

Specific consultation on this proposal, to date, has focussed on engaging with existing staff and partners. This has been done in order to learn from the wealth of experience held by our workforce on the front line of supporting families in need of early help.

As the model develops and is implemented further engagement with staff, partners and families will be a regular feature of the new arrangements.

To date consultees have included:

- CYC staff (with a focus on CSES and CANS)

- Health Visitors and school nurses
- Police Community Support Officers

Title of Report: Inquiry into the Flooding in York over the Christmas Period

Description: At their meeting on 28 January, the Executive considered an urgent Item on an Inquiry Into the Flooding In York Over the Christmas Period. At that meeting Members resolved:

- (i) to confirm the decision to hold an inquiry;
- (ii) that the Chief Executive, in consultation with the Inquiry Chair, being delegated the power to make minor amendments to the draft terms of reference subject to the terms being brought back to the Executive on 11 February for final approval.

Reason: To allow appropriate lessons to be learned to inform future planning.

At the Executive meeting on 11 February, Members will be asked to approve the draft terms of reference for a review of the floods in York over the Christmas period 2015.

In view of the timescales for the appointment of a Chair, it will not now be possible to consider the Terms of Reference until the Executive meeting on 17 March.

Title of Report: Holgate Road (Iron Bridge to Acomb Road) Cycle Scheme

Description: Purpose of Report: To report on the consultation and road safety audit, and seek approval to advertise the Traffic Regulation Order for changes to parking. If no objections are received, seek approval to implement the measures.

The Executive Member is asked to approve the proposals in principle and authorise the advertise of the Traffic Regulation Order. If objections are received, the scheme will be reported back to Executive Member for a decision.

This report has been deferred from the 11 February meeting to the 7 April meeting as, after receiving additional information in relation to the proposed resident parking element of the scheme, officers feel that they need to extend the consultation to gain a more appropriate response to the measures, therefore they are unable to produce a report in time for the February meeting.

Title of Report: Speed Management Engineering Programme 2015/16

Description: Purpose of Report: To seek approval to proceed with schemes at sites where an amended design would overcome objections or where adverse feedback is not considered to be significant. Where this is not possible further feasibility work is recommended.

The Executive Member is asked to approve the proposed speed management schemes and authorise officers to undertake the advertisement of speed limit orders as necessary, and to implement the proposals if no objections are received. Any measures which receive objections would be reported back to the Executive Member for a decision at the next opportunity.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the

savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Making Representations: Contact report author

Process: Public consultation on the future uses of the Burnholme school site was carried out in the winter and spring of 2014. Further consultation with users and local residents will be undertaken regarding the design of the community facilities prior to the submission of a planning application. Public consultation will also be undertaken on the other uses of the site and how the space can be best utilised.
