Title of Report: York Learning Accountability Agreement 2025/26

We have also been advised that to meet financial procedure rules we must also document approval to receive the recurring grant funding that will make up part 1 of the documentation.

The statement is a mandatory part of the legislation linked to our current funding arrangements but must make clear reference to a document, written by West and North Yorkshire Chamber of commerce called the Learning Skills Improvement Plan (LSIP) and the key priorities of the council.

This document is this year's version of a document approved for 2024-25 and our response is largely based upon the strategy for adult learning and skills engagement that we consulted on in July 2022 and just defines targets based on the LSIP and national skills requirements.
