Section 3**Supporting information for nomination**

Any information entered in this section only may be copied and passed onto the owner of the property you are nominating. Definition of an asset of community value can be found in the guidance document.

Why do you feel the property is an asset of community value? Please give as much information as possible.

The Lord Nelson is of significant community value, this is the only public house that serves the traditional centre of Nether Poppleton Village.
It makes a real contribution to the local community and is a valuable and well frequented social and leisure facility. This is a much appreciated facility which is particularly family friendly in the warmer months due to its large rear garden. This facility is also popular with caravanners. It is a meeting point for local residents, community groups and sports teams and often holds events to raise funds for charities.
It is situated within the Nether Poppleton Conservation area and is around 300 years old, as such it is an important part of the village and adds character to Main St.
The Parish Council considers that the The Lord Nelson boosts the social wellbeing of the community, and as such, is valued as an asset to this locality.
