

## Lower Ebor Street Petition Front Sheet

Re: Petition for ResPark Scheme – Lower Ebor Street

Please find enclosed a petition signed by residents of Lower Ebor Street in support of implementing a 24 hour ResPark Scheme to prevent inconsiderate parking by non residents.

There are 58 properties affected by parking, this does not include residents of 1 & 6 The Maltings who have access to a residents car park and R32 parking on Lower Darnborough St. The majority of households have now signed the petition, and we would appreciate you adding it to your report for consideration as soon as possible.

Any assistance you are able to provide to expedite this request along with additional signage to prevent caravans from accessing the street, would be greatly appreciated.
