Dear North Yorkshire Council

We write in response to your email to Claire Foale of 07 November 2025 notifying us of the consultation period on the North Yorkshire and York Local Nature Recovery Strategy (LNRS) Publication.

We would like to confirm that we support the publication of the final LNRS for North Yorkshire and York and note the intention to publish the first iteration of the LNRS for North Yorkshire and York in early February 2026, subject to the necessary approvals.

Your sincerely

Alison Cooke
