**Describe the steps you intend to take to promote the four licensing objectives:**

**a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)**

In order to give proper priority to the four licensing objectives the Applicant is happy for (1) all sales of alcohol (from the venue and by way of delivery) to be ancillary to food (2) alcohol not to be sold at the venue between 23:00 and 01:00 (3) the only sale of alcohol between 23:00 and 01:00 to be by way of delivery service and (4) all of sales to be in sealed containers – see also below.

**b) The prevention of crime and disorder**

The applicant will have a zero tolerance policy towards any crime, disorder, violence and anti-social behaviour. All members of staff will be fully trained (regarding the sale of alcohol, the conditions attached to the licence and the opening times) and alcohol will not be sold at all if there is any doubt about whether a customer appears to have drunk excessively, may be violent/anti-social or under age. Records will be kept for at least a year and made available upon a reasonable request. This training (for all members of staff) will be assisted by clear policies on standards of acceptable behaviour and training records, which are to be kept updated and refreshed for both existing and incoming members of staff. The applicant is also happy to meet all the current standard requirements in relation to properly maintained and working CCTV, including ensuring that the recordings display the correct time/date and are available for inspection.

**c) Public safety**

Public safety will be maintained by strict entry (and willingness to serve) policy at the property and on deliveries and the keeping of a Refusals Register and an Incident Report Register. Again, these records will be kept for at least a year and made available for inspection on reasonable request. Further, all deliveries of alcohol will be by someone aged over 18. All deliveries will be to a specific address (not a street) and there will be strict ID checks for all delivery sales. Effective ID evidence will mean a current passport, a photocard driving licence or a document with the PASS logo (or the current equivalent). There will also be a First Aid box available and an Accident Register. The only public entrance/exit will always be kept clear and accessible by all.

**d) The prevention of public nuisance**

Prominent clear and legal notices will be displayed at the premises requesting the public to request the needs of local residents and to leave the premises and area quietly. There is only one door and this will be closely monitored. Any complaints that are received will receive the applicant's immediate personal attention and any issues that do arise will be dealt with promptly and effectively. The police will be called (if necessary). Similar care will be taken with deliveries to other addresses. As already stated, all members of staff will be made fully aware of the conditions attached to the Premises Licence (which will be prominently displayed at the Premises) and the business's opening hours.

**e) The protection of children from harm**

As explained above, a very strict age ID policy will be applied at all times, both at the premises and on deliveries – although it is fair to say that the vast majority of the applicant's customers are adults. The staff training referred to above will focus very carefully on ensuring that alcohol is not served to children. None of the alcohol that will be sold (either on premises or via deliveries) will be available for the customer to pick up or touch until all checks have been completed. Checks will be undertaken to ensure that no member of staff is unsuitable for dealing with children. There will be no grey areas where children are concerned – no proper ID, no service.

Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or seminudity, films for restricted age groups or the presence of gaming machines.
  10. Please list here steps you will take to promote all four licensing objectives together.

  14. This is the address which we shall use to correspond with you about this application.
  15. **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of **two** ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service**

As an alternative to providing a copy of original documents, stated above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
