Proposed widening to provide additional lane on A1237 westbound entry to roundabout.

Proposed widening to provide additional lane on A1237 eastbound entry to roundabout.

Reduction in central hatching to provide increased length of two lane entry to roundabout.

Proposed widening to provide additional lane on A1237 westbound exit from roundabout.

**DRAFT**

Possible closure of A1237 westbound layby

- Key Design Constraints:**
- Statutory Undertakers apparatus in verges.
  - Pedestrian/cycle subway.
  - Limited space within highway.
  - Pedestrian/cyclist facilities.
  - Existing drainage capacity.
