

# XXXXX Primary School Travel Plan

XXXXX Primary School is taking part in the Bike-It Project delivered by the sustainable transport charity Sustrans and funded by Cycling England. This exciting project aims to introduce children and their families to cycle related activities and will be supported by our Sustrans Bike-it Officer, Jim Cole. As part of this project, a small group of adults and children are reviewing our School Travel Plan.

Our travel plan aims are:

- To provide safe and enjoyable routes to and from school.
- To reduce vehicle traffic and the number of car journeys people make to and from school.
- To encourage exercise through walking and or cycling to school.
- To find out from children and adults what we can do to support our aims.

Our group is determined our plan should support real improvements for XXXXX Primary on a continuing basis. We are looking for a few more people to join our group. Please contact XXXXXX for more information.

To help us review the plan we need as much information as possible from parents. Please take a few minutes to fill in and return the following brief questionnaire.

## XXXXX Primary School - Parent/Carers' Travel Survey
