

DECISION SESSION - COMBINED EXECUTIVE MEMBER DECISION SESSION

TUESDAY, 3 JUNE 2025

DECISIONS

Set out below is a summary of the decisions taken at the meeting of the Combined Executive Member Decision Session held on Tuesday, 3 June 2025. The wording used does not necessarily reflect the actual wording that will appear in the minutes.

Members are reminded that, should they wish to call in a decision, notice must be given to Democracy Support Group no later than 4pm on the fifth working day after this meeting.

If you have any queries about any matters referred to in this decision sheet please contact Angela Bielby.

6. GYPSY AND TRAVELLER ACTION PLAN – ANNUAL UPDATE

Resolved: That the Executive Member for Finance, Performance, Major Projects, Human Rights Equality, and Inclusion and the Executive Member for Housing, Planning and Safer Communities:

- 1) Note the work undertaken since the report to Executive in May 2024.
- 2) Approve the action plan for the next 12 months (Annex A of the published report).

Reason: To set out measurable actions for the coming year which aim to improve the outcomes of Gypsy and Traveller communities.

7. HOUSEHOLD SUPPORT FUND 7

Resolved: That the Executive Member for Finance, Performance, Major Projects, and Equalities ratifies the Household Support Fund (HSF7) scheme that was approved by officer decision on 25 March 2025 and as set out at paragraph 12 – 17 and in detail at Annex B of the published report.

Reason: To help alleviate the ongoing cost of living pressures for financially vulnerable residents.

8. AIR QUALITY ANNUAL STATUS REPORT 2025

Resolved: That the Executive Member for Environment and Climate Emergency notes the contents of the published report (including the improving trend in air pollution in recent years and progress made with delivery of measures in CYC's Air Quality Action Plan) and approve the Annual Status Report and its submission to DEFRA in line with statutory requirements.

Reason: To ensure that the Executive Member is aware of current air quality position in the city and progress made with air quality improvement measures.
