

Notice of meeting of

**Executive Member For Education & Children's Services and
Advisory Panel**

To: Councillor Carol Runciman (Executive Member)
Councillor Glen Bradley (Chair)
Councillor Keith Aspden (Vice-Chair)
Councillor Viv Kind (Opposition Spokesperson)
Councillor Ian Cuthbertson
Councillor David Livesley
Councillor David Scott
Councillor Janet Hopton

Co-opted Statutory Members:

Dr G M Clayton, (Parent representative)
Dr David Sellick, (Church of England representative)
Miss C Duffy, (Catholic representative)
Mr Andy Lawton, (Parent representative)

Co-opted Non-Statutory Members:

Ms Fiona Barclay, (Teacher)
Mr Mike Thomas, (Teacher)
Ms Barbara Reagan, (Teacher)
Mrs Jona Ellis, (Governor)
Mrs Ann Burn, (Headteacher)
Mr M Galloway, (Further Education)

Date: Tuesday, 16 May 2006

Time: 6.00 pm

Venue: The Guildhall, York

AGENDA

Members are reminded that, should they wish to call in any item on this agenda, notice must be given to Democracy Support Group by 10 am on Monday 15th May 2006. Items that are called in will be considered at the meeting of the Executive to be held on 30th May 2006.

1. Declarations of Interest (Pages 1 - 2)

At this point in the meeting, Members will be invited to declare any personal or prejudicial interests they may have in the business on the agenda. A list of general personal interests previously declared is attached.

2. Minutes (Pages 3 - 14)

To approve and sign the minutes of the last meeting of the Executive Member for Education and Advisory Panel, held on 21 March 2006.

3. Public Participation

At this point in the meeting members of the public who have registered their wish to speak regarding an item on the agenda or an issue within the Panel's remit can do so. Anyone who wishes to register or requires further information is requested to contact the Democracy Officer on the contact details listed at the foot of this agenda. The deadline for registering is Monday 15th May 2006 at 10am.

Executive Member to consider the advice of the Advisory Panel upon the following items of business and to make a decision upon those items or to note the information presented, as required:

4. Service Plans 2006/2007 (Pages 15 - 368)

The purpose of this report is to seek approval for the Service Plans for council services that are wholly or partially funded from the Children's Services budget.

The annex to this report, which contains the Service Plans, is available at www.york.gov.uk (see meetings). A paper copy is available for viewing at the Guildhall, York. Please contact the Democracy Officer on the details at the foot of this agenda. Copies will be available at the meeting.

Members will be able to view the Service Plans in the Members' Library and on the Members' drive.

If you are already viewing the online version of this agenda, then the annex will be incorporated into the agenda.

5. Standard charges for the use of Residential Homes and Foster Carers, Sharing Care, Adoption and Residence Order Weekly Allowances (Pages 369 - 384)

The purpose of this report is to seek approval for the level of charges to other local authorities for the use of services within the Children and Families portfolio for residential care homes. The report also considers proposed foster care, sharing care, adoption and residence order weekly allowances for 2006/07.

6. Skills Centre Update (Pages 385 - 388)

This report advises the Executive Member of the progress being made around the development of a skills centre on the Danesgate site.

7. Admission Limits for Primary and Secondary Schools in York from September 2007 (Pages 389 - 396)

To seek approval in respect of the proposed individual school maximum admission limits for the academic year beginning in September 2007.

8. School Term Dates and Holidays 2007/2008 (Pages 397 - 404)

This report recommends term dates and holidays for the school year 2007 / 2008, and outlines the consultation responses from the Joint Consultative Group (JCG) and the Teachers' Panel.

9. Any other business which the Chair considers urgent under the Local Government Act 1972.

Democracy Officer:

Name: Rowan Hindley

Contact details:

- Telephone – (01904) 552062
- E-mail – rowan.hindley@york.gov.uk

For more information about any of the following please contact the Democracy Officer responsible for servicing this meeting:

- Registering to speak
- Business of the meeting
- Any special arrangements
- Copies of reports

Contact details are set out above.

**MEETING OF THE EXECUTIVE MEMBER FOR EDUCATION &
CHILDREN'S SERVICES AND ADVISORY PANEL**

Agenda item I: Declarations of interest.

The following Members and Co-optees declared a general personal interest in the items on the agenda :

Councillor Runciman – Governor of Joseph Rowntree School and Trustee of the Theatre Royal.

Councillor Aspden – Governor of Knavesmire Primary School. Member of the National Union of Teachers (NUT). Teacher at Norton College, Malton, North Yorkshire.

Councillor Bradley – Governor of Poppleton Ousebank School

Councillor Cuthbertson – Governor of Headlands Primary School

Councillor Hopton – Governor of Manor School, Rufforth Primary School. Her husband is a governor at Hob Moor Oaks.

Councillor Kind – Governor of Burnholme Community College; Haxby Road Primary School

Councillor Livesley – Governor of Bishopthorpe Infant School.

Co-opted statutory members

Dr GM Clayton – Governor of Applefields School

Dr D Sellick – Governor of Derwent Junior School

Mr A Lawton as governor of Canon Lee School

Co-opted non-statutory members

Ms F Barclay – ATL: Branch Secretary for City of York.

Mrs J Ellis – Governor of Burton Green Primary School

Mrs A Burn – Headteacher and Governor of Yearsley Grove Primary School.
Secretary of the York branch of the NAHT

Ms B Reagan is a teacher at Joseph Rowntree School, SENCO and
Secretary of the York Association of the National Union of Teachers.

Mr M Thomas is the secretary of the York Association of NASUWT.

City of York Council

MEETING EXECUTIVE MEMBER FOR EDUCATION & CHILDREN'S SERVICES AND ADVISORY PANEL

DATE 21 MARCH 2006

PRESENT COUNCILLOR RUNCIMAN (Executive Member)
COUNCILLOR BRADLEY (Chair of the Advisory Panel), COUNCILLOR ASPDEN (Advisory Panel Vice-Chair), COUNCILLOR KIND (Opposition Spokesperson),
COUNCILLORS CUTHBERTSON, HOPTON (For items 1-4 and 8 only), LIVESLEY and SCOTT (Advisory Panel Members)

Statutory co-opted Members

DR G M CLAYTON (Parent representative)
MR A LAWTON (Parent representative)
DR D SELICK (Church of England representative)

Non-statutory co-opted Members

MS F BARCLAY (Teacher representative)
MS B REAGAN (Teacher Representative)

APOLOGIES: MISS C DUFFY (Catholic representative)
MRS A BURN (Teacher representative)
MRS J ELLIS (Governor representative)
MR M GALLOWAY (Further Education)
MR M THOMAS (Teacher representative)

PART A – MATTERS DEALT WITH UNDER DELEGATED POWERS

91. DECLARATIONS OF INTEREST

Members declared the following general personal interests in the business in the agenda:

Councillor Runciman – Governor of Joseph Rowntree School and Trustee of the Theatre Royal.

Councillor Aspden – Governor of Knavesmire Primary School. Member of the National Union of Teachers (NUT). Teacher at Norton College, Malton, North Yorkshire.

Councillor Bradley – Governor of Poppleton Ousebank School

Councillor Cuthbertson – Governor of Headlands Primary School

Councillor Hopton – Governor of Manor School, Rufforth Primary School.
Her husband is a governor at Hob Moor Oaks.

Councillor Kind – Governor of Burnholme Community College; Haxby
Road Primary School

Councillor Livesley – Governor of Bishopthorpe Infant School.

Dr GM Clayton – Governor of Applefields School

Dr D Sellick – Governor of Derwent Junior School

Ms F Barclay – ATL: Branch Secretary for City of York.

Ms B Reagan is a teacher at Joseph Rowntree School, SENCO and
Secretary of the York Association of the National Union of Teachers.

The following interests were also declared:

Ms B Reagan declared a personal non-prejudicial interest in agenda
item 10 'Federation of Our Lady's Catholic Primary School and English
Martyrs' Catholic Primary School' as her niece and nephew were pupils
at Our Lady's Catholic Primary School. She exercised her right to remain
in the room and took part in the discussion.

Councillor Scott declared a personal and prejudicial interest in agenda
item 12 'Local Authority School Governors' as he had been nominated
for one of the vacancies and listed in the report. He left the room for this
item and took no part in the discussion.

Councillor Scott declared a personal non-prejudicial interest in agenda
item 11 'Process for the selection and appointment, removal and
suspension of Local Authority Governors' as he had been nominated for
appointment as a school governor. He exercised his right to remain in
the room and took part in the discussion.

Councillor Kind declared a personal non-prejudicial interest in agenda
item 7 'Purchasing Early Years Services through Service Level
Agreements' as she was a member of the committee supporting Bell
Farm Adventure Playground. She exercised her right to remain in the
room and took part in the discussion.

Councillor Kind declared an interest in agenda item 5 'School Budgets
and the Dedicated Schools Grant 2006/07 & 2007/08 and agenda item 8
'Children's Residential Care in York' as she was a foster carer. She had
a personal and prejudicial interest in any matter discussed relating to the
finances of foster carers. However, no discussion on such finances took
place and she took part in the discussion and remained in the room for
this item.

Councillor Scott declared a personal non-prejudicial interest in agenda
item 6 'Nursery Education Funding for three and four year olds 2006/07
and 2007/08 as his child may have taken advantage of the additional

funding. He exercised his right to remain in the room and took part in the discussion.

Dr Clayton declared a personal non-prejudicial interest in agenda item 7 'Purchasing Early Years Services through Service Level Agreements 2006/07' as he made use of the service provided by SNAPPY. He exercised his right to remain in the room and took part in the discussion.

92. MINUTES

RESOLVED: That the minutes of the last meeting of the Executive Member and Advisory Panel, held on 14 February 2006 be approved and signed as a correct record.

93. CHAIR'S REMARKS

The Chair informed the meeting that the Authority had been awarded the title of Beacon Award Authority for Children at Risk. All Officers involved in this work were thanked including Murray Rose, Pete Dwyer and Mary Cousins.

94. PUBLIC PARTICIPATION

It was reported that there was one registration to speak under the Council's Public Participation scheme.

Heather McKenzie spoke as a representative of Unison, in relation to item 8 'Children's Residential Care in York'. She had spoken at the January meeting and voiced concerns about the proposed closure of Children's Homes and her view had not changed. Staff had raised serious concerns about the loss of care and management acknowledged the risk involved. Foster care was not suitable for every child and there may not be enough long term care in the future. There had not been enough consultation with stakeholders. Concerns were raised that if a home was closed, staff and skills would be lost, and this would be a difficult decision to reverse.

95. THE CHILDREN'S SERVICES PLAN 2006 - 2009

This report invited comments on the Children's Services Plan, now in final draft form, and sought approval subject to any modifications agreed at the meeting.

Under the provisions of the Children Act 2004, Children's Services Authorities were required to prepare and publish a Children and Young People's Plan (CYPP). The purpose of the plan was 'to support the move to more integrated and effective services to secure the outcomes for children set out in Every Child Matters and reflected in the Children Act 2004'.

Officers circulated two additional documents to accompany the plan, a poster about the Children's Services Plan and a document entitled 'One in a hundred'. Members discussed the following:

- The poster would be useful to display in staffrooms as it outlined all key points.
- The Assessment for Learning was a priority and much work had been done on the system. The professional expertise of teachers was to be developed.
- It was queried how the Authority would ensure provision for all children, including those who attended non LEA schools. It was reported that there was an increasing move towards working in partnership with non LEA schools. The Authority was also responsible for children who travelled into the city.
- A priority of the plan was to introduce a mechanism for the elected young person's champion to engage with young people. There was potential for young people to be represented on three locality boards within the city, and these representatives would work closely with the young people's champion.
- The plan was commended and Members were pleased that consultation with young people had taken place.

Advice of the Advisory Panel:

That the Executive Member be advised to:

- (i) Note the comments above.
- (ii) Approve the Plan subject to any modifications agreed at the meeting.
- (iii) To request that a summary of the plan be circulated to schools and LA stakeholders.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: To meet the provisions of the Children Act 2004, under which Children's Services Authorities are required to prepare and publish a Children and Young People's Plan.

96. SCHOOL BUDGETS AND THE DEDICATED SCHOOLS GRANT 2006/07 & 2007/08

This report updated Members on the final budget proposals for 2006/07, and the provisional proposals for 2007/08, for schools and LEA services funded through the Dedicated Schools Grant (DSG).

Officers highlighted that the Schools Forum endorsed all savings proposals, except the deletion of the four part time Special Educational Needs area teacher posts. The forum were concerned about the loss of this service and agreed to fund the service during 2006/07 by taking £72k of the new funding provided for primary schools in 2006/07 for personalised learning. Officers also highlighted that the combined budgets held within the new Learning Culture and Children's Services Directorate would all support the 'Every Child Matters' Agenda, bringing together responsibility for the budgets used to provide support, care and education for the city's most vulnerable children in one place.

Members discussed the funding for the new combined secondary school for the West of York. The predicted funding required to help the transition of the schools was an initial estimate, any funding not required would be returned back to schools.

Advice of the Advisory Panel:

That the Executive Member be advised to note the report and the above comments.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: To inform the Executive Member.

97. NURSERY EDUCATION FUNDING FOR THREE AND FOUR YEAR OLDS 2006/07 AND 2007/08

This report invited Members to approve the amount per place for nursery funding to registered settings of early education for 2006/07 and 2007/08.

Key changes in provision included that from 2006 the minimum entitlement would be extended to 12.5 hours a week for 38 weeks. From 2007 there would be an increase in the free entitlement of 15 hours a week for 38 weeks, on the way to a longer term aim of 20 hours a week for 38 weeks. Parents would have more flexibility to use the free entitlement across a minimum of three days.

The following was discussed:

- The amount per place recommended by Officers was similar to the majority of other authorities.
- The majority of providers would be able to offer extra weeks.
- The birthrate was used to estimate the number of places which would be required.

- Although not all nursery places were for 38 weeks, there were enough places for 38 weeks to offer parents their choice.
- It was not thought that the increase in the number of weeks of nursery education would pressure parents into leaving their children in nursery for longer, only that it may relieve financial pressures on some parents, and was an increase in choice.

Advice of the Advisory Panel:

That the Executive Member be advised to agree the following amounts per place based on 12.5 hours per week:

- 2006/07: £502 per term for 38 weeks (£436 for 33 weeks)
- 2007/08: £515 per term for 38 weeks (£447 for 33 weeks) – minimum level, subject to review prior to April 2007

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: To fulfil the duty placed on local authorities by the School Standards and Framework Act 1998 and underpinning regulatory framework, to secure sufficient early education provision for three and four year olds.

98. PURCHASING EARLY YEARS SERVICES THROUGH SERVICE LEVEL AGREEMENTS: 2006/07

This report sought approval for the purchase of Early Years services through service level agreements. The Early Years and Extended Schools Service had a number of contracts and service level agreements with the voluntary, private and independent sectors. These were predominantly to provide programmes for play and childcare. The authority had a responsibility to secure best value in the procurement of services. It was necessary to review all services, including those delivered by partners, to ensure that future contracts met local and national outcomes and that the saving requirements for 2006/7 were met. The following was discussed:

- It was important to establish the principle of reviewing service level agreements to ensure service providers continued to meet requirements.
- Success of organisations under service level agreements was monitored through performance indicators and independent assessors.
- It was commendable that the same level of service had been provided after a significant budget reduction.

Advice of the Advisory Panel:

That the Executive Member be advised to:

- (i) Approve the proposed annual Service Level Agreement of £32k for Bell Farm Adventure Playground.
- (ii) Agree that the existing service level agreements for the financial year 2006 – 2007 be continued, with appropriate reductions in line with required budget savings, and that the services offered by the PVI in the following financial year be reviewed.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: To ensure the continued provision of Early Years Services.

99. CHILDREN'S RESIDENTIAL CARE IN YORK

This report updated Members on the implementation of the decision made through the Council budget process to close one of the local authority's children's homes. The report sought approval for the proposed statement of purpose for the new single home, approval for which building should be retained as the site for the new home, and endorsement of the approach taken to communication with key stakeholders, most notably the young people concerned and staff affected. The following was discussed:

- Members queried how certain Officers were that the trend in the reduction of long term care places required would continue. Officers reported that there was clear evidence of under occupancy of long term places, and there had been an increase in foster care places required. There was now a greater role for short to medium term care. There was a risk in reducing long term places but problems were not anticipated.
- There had been widespread consultation including the Looked After Children Steering Group where there were representatives from key agencies and other groups.
- Members discussed foster carers and how their skills and experience would increase over time. There were enough foster carers to reduce long term care.
- Comments had been made by a young person that long term care was preferential to a foster care placement, partly due to breakdown in foster care placements. Members queried if Officers were confident they could overcome such difficulties. Officers commented that placement disruption did occur. However support was available and there was high number of professional placements.

- Officers supported the view that it was not appropriate to mix short term and long term care residents.
- There may be a small number of children that may need long term residential care and need to move outside the area, the nearest such home was in Selby.
- Members were supportive of more children living with a family and a reduction in long term care, but wanted to ensure that the underlying reason for the proposals was not the need to make financial savings.
- Concerns were raised that children requiring long term care would need to move outside the area.
- It was queried how the money saved would be reinvested. It was reported that money would be reinvested back into the service and three additional professional foster beds would be provided. Money would be put towards the Pathway budget and to provide additional support in preventative work.

Advice of the Advisory Panel:

That the Executive Member be advised to:

- (i) Approve the proposed statement of purpose for the new single home as outlined at Paragraph 7 of this report.
- (ii) Approve the retention of the Wenlock Terrace building as the site for the new single home, and request that responsibility for Bismarck Street be transferred to Property Services.
- (iii) Endorse the approach taken to communication with key stakeholders, most notably the young people concerned and staff affected.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: To meet the needs of children and young people in residential care in York.

100. ESTABLISHMENT OF A TEMPORARY GOVERNING BODY FOR THE PROPOSED NEW SECONDARY SCHOOL TO REPLACE LOWFIELD AND OAKLANDS

This report sought approval for the establishment of a temporary governing body for the proposed new Secondary School to replace Lowfield and Oaklands, to oversee the transition period, to seek approval from Members on the proposed size of the temporary governing body, and to request a further report to Executive on 18 April 2006 on the appointment of temporary parent, community and Local Authority governors. The following was discussed:

- The two schools would be equally represented with three governors representing each school.
- Members suggested that that current governors of each school should be involved in the new body, but that there should also be new governors involved. It was agreed that this should be recommended to the Executive.

Advice of the Advisory Panel:

That the Executive Member be advised to:

- (i) Approve the establishment of a temporary governing body;
- (ii) Approve the proposed size of the temporary governing body;
- (iii) Request a further report to the Executive on 18 April 2006 on the appointment of temporary parent, community and Local Authority Governors.
- (iv) Recommend to the Executive that they take account of the benefits that may accrue from some appointments of governors who are not currently members of the governing body of either school.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: To ensure a governing body is in place ahead of the end of the consultation period, to prepare for the outcome and start the headteacher appointment process.

101. FEDERATION OF OUR LADY'S CATHOLIC PRIMARY SCHOOL AND ENGLISH MARTYRS' CATHOLIC PRIMARY SCHOOL

This report described the background to a joint proposal from the governing bodies of Our Lady's Catholic Primary School and English Martyrs' Catholic Primary School to federate the two schools. The report explained the statutory framework involved and invited comments on the consultation document attached at Annex 1.

Advice of the Advisory Panel:

That the Executive Member be advised to:

- (i) Comment on the consultation document attached at Annex 1.
- (ii) Support the proposal by the governing bodies of Our Lady's Catholic and English Martyrs' Catholic Primary.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: To consult the Local Authority on the proposals to federate the two schools.

102. PROCESS FOR THE SELECTION AND APPOINTMENT, REMOVAL AND SUSPENSION OF LOCAL AUTHORITY GOVERNORS

The purpose of this report was to seek guidance from Members on an agreed process for the selection and appointment of Local Authority (LA) governors, and to agree a process for the removal of LA governors. The following was discussed:

- It was a good proposal to form a structure to this.
- The disciplinary route for LA governors was different from parent and community governors. LA governors were subject to the same criteria, but would be written to and warned if they did not attend with accepted apologies for 6 months, and a dismissal would be discussed with the Executive Member.
- The process for governors should be more formal as there were surrounding liability issues, not just responsibility.
- New LA governors would be CRB checked.

Advice of the Advisory Panel:

That the Executive Member be advised to approve the proposals for new appointments, removals and suspensions processes.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: According to the DfES guidance "Safeguarding Children: Safer Recruitment and Selection in Education Settings".

103. LOCAL AUTHORITY (LA) SCHOOL GOVERNORS

This report provided information about the current position with regard to vacancies for LA seats on governing bodies, listed current nominations for those vacancies, as detailed in Annex 1, and requested the appointment, or re-appointment, of the listed nominees.

Officers updated that there were two further nominations: Mr Steven Sorby for Huntington School and Mrs Sharon Squires for Fishergate School. Members agreed that these nominations could be added. Officers reported that there were still four vacancies remaining.

Advice of the Advisory Panel:

That the Executive Member be advised to appoint, or re-appoint, LA Governors to fill vacant seats as proposed in Annex One, with the above two additions.

Decision of the Executive Member:

RESOLVED: That the advice of the Advisory Panel be accepted and endorsed.

REASON: In accordance with the School Governance (Constitution) (England) Regulations 2003.

104. CHAIR'S REMARKS

The committee thanked Dr Graham Clayton for his work as a statutory co-opted member and Parent Representative on the Education & Children's Services EMAP and Scrutiny panel, as it was his last meeting.

COUNCILLOR C RUNCIMAN
Executive Member

COUNCILLOR G BRADLEY
Chair of the Advisory Panel

The meeting began at 6:05 pm and ended at 8:50 pm.

This page is intentionally left blank

Meeting of Executive Member for Children's Services and Advisory Panel

16 May 2006

Report of the Director of Learning, Culture and Children's Services

Service Plans 2006/2007

Purpose of Report

1. The purpose of this report is to seek approval for the Service Plans for council services that are wholly or partially funded from the children's services budget.

Background

2. The planning process this year for the new Directorate of *Learning, Culture and Children's Services* has evolved in response to a number of new expectations, both local and national. Locally, changes in the corporate standard have required all service managers to provide a corporate compliance statement covering the following cross-cutting issues:
 - equalities,
 - safer city,
 - operational risk,
 - gershon efficiency and
 - competitiveness.
3. Changes in national policy have been equally far reaching. The Children Act 2004 requires local authorities to produce a Children and Young People's Plan, and Ofsted has introduced the requirement for local authorities to undertake an Annual Performance Assessment (APA) shortly after the end of each financial year. Local authorities are required to submit a self evaluation statement by the end of May to be followed by a visit from Ofsted and CSCI in July before the publication of the APA letter in September. On the basis of this letter, grades are awarded for inclusion in the authority's CPA rating published in December.
4. In York, this has been translated into a planning cycle which starts in September when the Departmental Management Team (DMT) begins the process of building a budget for the following year on the basis of priorities identified in the strategic plans and the APA statement. Between September and December, strategic priorities are finalised in the *Children and Young People's Plan* and the *Children's Services Plan*. Following agreement about the budget in January, service and group managers are required to review their performance as part of the annual

service planning exercise and to produce plans for the year ahead. Once the new financial year has started, the service review is up-dated as part of the next year's Annual Performance Assessment.

5. The approach to service planning that has evolved from this is significantly more detailed than in previous years. An annual review statement has been incorporated in the service plan itself, and the number of sections in the plan has increased to take account of corporate requirements. As a consequence, it is no longer realistic to publish all of the plans in hard copy. The plans are available on the CYC website and for viewing at the Guildhall. A number of printed copies will be available at the meeting, and a full set of plans is available in the members' library and on the members' drive. Please see the end of this report for further details.
6. The Service Plans recommended for approval at this meeting are broadly similar to last year, but include the Youth Service, which, under the new constitutional arrangements will report to the EMAP for Children's Service, and Continuing Professional Development which is now considered sufficiently significant to warrant a discrete service plan of its own. The full list of service plans is as follows:

1 School Improvement and Staff Development

- 1.1 Education Development Service
- 1.2 Continuing Professional Development
- 1.3 School Governance Service

2 Access and Inclusion

- 2.1 Access
- 2.2 Special Educational Needs
- 2.3 The Youth Service

3 Children and Families

- 3.1 Children and Families

4 Lifelong Learning and Leisure

- 4.1 Arts and Culture
- 4.2 Sport and Active Leisure
- 4.3 Early Years, Extended Schools and Community
- 4.4 Adult and Community Education

5 Resource Management

- 5.1 Finance
- 5.2 Planning and Resources
- 5.3 Information Technology
- 5.4 Human Resources
- 5.5 Management Information Service

Human Resources (HR) and other implications

7. Whilst there are no direct implications for HR arising from this report, it should be noted that the planning demands on Assistant Directors and Service Managers are increasing.

Financial Implications

8. Service Plans have been produced on a timescale that ensures they reflect the budget settlement for 2006/07.

Legal Implications

9. There is no statutory requirement for the production of service plans, though there is a strong expectation by District Audit and by inspection regimes such as Ofsted that they will be produced in order to support effective Performance Management.

Recommendation

10. The Executive Member is recommended to approve the Service Plans attached to this report.

Section 1: The service

Service Description

The Education Development Service (EDS) provides a key interface with schools. It is central to ensuring the City has a dynamic school improvement strategy which supports children and young people in accessing a high quality education. The service comprises education advisers and curriculum/phase consultants, drawing also on external consultants and partners and using the expertise of leading practitioners in schools, who provide a range of expertise which can be targeted to meet school specific needs. Within the School Improvement and Staff Development Service, EDS works very closely with the Training and Development Unit and Governance Service to promote a strategy which supports the raising of standards for children & young people of all abilities and backgrounds. Other key services, which contribute to the core work of EDS, are Management Information, ICT Client, Finance, HR, Arts & Culture, Sport and Active Leisure, Access and Inclusion and Early Years and Extended Schools.

The service has a clear sense of purpose and direction that has been consulted upon and agreed with schools and educational settings. This is documented in the LA/Schools Protocol. During this period of change, prompted by the New Relationship with Schools and the Government White Paper, *Higher Standards, Better Schools for All*, further consultation with schools will take place in order to ensure the service is able to meet emerging needs and priorities and gain the benefits of the merger with Children and Families. Maintaining a positive relationship with schools and educational settings is vital if all those involved in providing a high quality education are to contribute to a coherent approach which places children and young people's needs at the forefront. The following principles underpin this relationship and working practices:

- this is an LA where “*Every Child Matters*” and the service works in partnership with schools to ensure that the needs of every child are addressed in order to help them reach their full potential
- this is also an authority that regularly reviews the quality of its service to schools and strives towards excellence in all aspects of its work
- every school has its own distinctive identity which is celebrated and which contributes to the breadth and enrichment of learning opportunities networked across the city
- each school is entitled to tailored support appropriate to their stage of development in relation to priorities identified through robust self evaluation and analysis of performance
- all services within the department have a responsibility to challenge and support schools and settings within a culture of continuous improvement
- the expertise of senior leaders and excellent practitioners in schools is actively deployed as an important resource within the city-wide school improvement strategy
- there is a commitment to transparency based on trust, open dialogue, agreement on documented judgements and confidentiality at all times.

Section 2: Service Review

Service Review

Overall the service has had a successful year in improving its coherence, targeted intervention, support and development work. It has started to take advantage of the merger with Children and Families Service to provide a more efficient use of resources and improved impact on the most vulnerable children and families.

All members of the team are fully committed to the Every Child Matters agenda and have reviewed their working practices to address the wider issues, which support the Enjoyment and Achievement strand of this strategy.

There are now much closer working relationships, with all services contributing to school improvement. Impact is regularly reviewed through the School Monitoring Group, which is becoming increasingly effective in providing a holistic view of schools' strengths, weaknesses and needs.

The service has made a contribution to the key priority of improving the health and well-being of children and families through participation in the Healthy Schools Programme. All but 2 schools in the city are involved in this certification which is awarded when a school can demonstrate a whole school commitment to all aspects of healthy living for children and young people. Although we have not yet met the 2005 targets for the Healthy Schools Standard, we are well on track to meet the 2006 targets. This demonstrates the high level of participation of schools in promoting a healthy lifestyle. All Infant and Primary schools in York have joined the National School Fruit Scheme entitling all 4-6 year olds to a free piece of fruit or vegetable a day. This is particularly encouraging when a 2005 survey of Y7 & 8 pupils in 11 secondary schools found that less than 10% of secondary school pupils were not eating the recommended 5 pieces of fruit or vegetable per day. Significant progress has been made with pupils of all ages increasing their understanding of drug and alcohol misuse through programmes organised by consultants. These, together with high quality sex and relationships education are contributing to the overall health, well-being and confidence of young people.

Behaviour has been judged good or better in 92% of schools inspected under the 2005 Ofsted framework, although schools are still reporting concerns about the behaviour of a small minority in both primary and secondary phases. Bullying is taken very seriously by all those working with children and young people in schools. Headteachers, designated staff and governors have had training in this area and have responded well to the issues raised. The 2005 survey of Y7 & 8 pupils showed a slight decline in the number of pupils reporting incidents of bullying. However, there is still evidence that many young people are fearful of being bullied and cited it as one of their main concerns. EDS raises this issue regularly in their work with schools, particularly through the work of the PSHE and Citizenship consultant. This is also addressed through support given to student councils and training for schools in listening and responding to the voice of children and young people.

Although York continues to be a high performing authority there are areas of underperformance identified through analysis of end of Key Stage performance data, termly reviews and Ofsted reports. The Foundation Stage Profile is helping to provide baseline data on the performance of children on entry to schools. As this becomes more rigorous and reliable it will contribute to better early intervention in key areas of need, and will also help schools to track pupils' performance from an early age.

Service Review

An area which continues to be a concern is performance at the end of KS1 where York continues to be weak in comparison with the national average. Three areas identified for further action to improve these are writing, science and the quality of teacher assessment. In addition to these, a focus on the comparatively small number of pupils achieving level 3 across all subjects is an area for further action. Although there is evidence of improvement in Early Years provision across sectors, inconsistency in quality is contributing to poor performance on entry to school and through KS1. The appointment of an Early Years/KS1 Adviser, working jointly with colleagues in EDS and Early Years and Extended Schools Service, is expected to have a significant impact in supporting improvement. This, together with the development of Integrated Children's Centres, should have a positive influence on quality and range of provision and standards achieved.

The authority's school improvement strategy continues to develop as a dynamic tool to raise achievement and improve the quality of educational provision in the city. Over the last 12 months a wide range of personnel from different services, external partners and schools have been participating in broadening the range of expertise that can be offered to schools and settings. Central to this has been the extension of the Primary Leadership Programme, which has now covered 75% of schools, to be followed by the final cohort of 25% during 2006/07. The introduction of the ISP to four of the lowest attaining schools in the city has helped those schools and the service to focus on raising standards and supporting staff in developing skills and strategies to meet the needs of children in challenging schools. The development and implementation of intervention programmes for pupils with SEN is having a positive impact on the performance of this ability group. The work of the City of York Lifelong Learning Partnership on the 14-19 strategy and implementation plan has gathered momentum over the last 6 months and has reached a consensus on next steps. Collaborative working, both formally and informally, between and across schools is increasingly evident, particularly when schools are experiencing difficulties. Good examples of this are the work of Leading Edge schools, Network Learning Communities and sharing of data between groups of schools.

Progress at KS2 continues to improve in English and science with a slight dip in maths, after a significant improvement in 2004. The attainment of higher levels in these subjects, particularly in English, is an ongoing focus for development.

2005 saw the best result ever across all subjects at KS3, both at levels 5 and 6+. The continuing challenge at Key Stage 3 is to ensure there is further improvement for pupils of all ability.

KS4 also saw significant improvement in GCSE 5A*-C results and Average Point Scores. Particularly pleasing was the improvement in the number of pupils achieving a qualification of any kind. However this Key Stage does continue to be a challenge for the local authority, in particular improving the value-added performance and reducing the long tail of under-achievement.

There are now good systems for tracking performance of identified groups. This has proved to be beneficial to helping schools track those pupils with SEN and intervene appropriately. There is evidence that this is supporting earlier relevant intervention, which helps children, and young people reach their potential.

There has been significant improvement in provision for Able, Gifted and Talented pupils with all schools now having a contact person for the monitoring of provision for, and performance of this group. Improved standards at the higher level at Key Stages 3&4, together with the success of the City Summer School, Masterclasses and NAGTY membership are welcome indicators of improvements in this area.

Service Review

Schools are now able to track and support looked after children more rigorously because of the data and support available. However, although improvements are welcome, there is still some way to go in ensuring that these children get the best opportunities available. The small number in each school and across the city make it quite difficult to plot trends and benchmark results; but it also provides the advantage of key staff and departmental officers knowing individual pupils and being able to provide a more targeted response to needs. This will continue to be a key priority for the work of the service with its schools.

Improved data available on the performance of Traveller children and those from ethnic minority groups makes it easier to monitor performance and intervene appropriately, although on the whole those from ethnic minority groups perform as well or better than their peers there continues to be a concern about the performance of Traveller pupils. This is being tackled jointly by schools, the Traveller Service, Ethnic Minority Support Service and EDS.

The great majority of young people are responsible citizens who respond well to the opportunities that are provided for them to play an active part in the life of the city. The service has promoted the importance of student voice in schools. An example of success lies in the high profile work of school councils. Children and young people are increasingly engaged in debates about provision, quality of education and policy making. Over the last year, young people were involved in consultation on issues ranging from effective teaching styles for better inclusion (80 young people), through to shaping services to meet the needs of pregnant teenagers (44 young people),

Good progress is evident in transition between primary and secondary schools. The support provided for young people on transition into Year 7 was rated very highly in the recent parents' survey, with 87% of parents "agreeing" or "agreeing strongly" that the arrangements for their child to settle in were "good".

Transition to post-16 provision remains a focus for our work in order to ensure retention in education and training at the age of 17 plus. However, the strategy to tackle NEET, led by the Connexions LMC, has been very effective: at 3.8%, the NEET figure is the second best in the country.

The 14-19 Strategy has gathered momentum over the last year, underpinned by the work of the City of York Lifelong Learning Partnership (CYLLP). The 14 – 19 Pathfinder Project inspired some innovative and highly successful work in specific curriculum areas and prompted the establishment, in partnership with NYBEP, of a Business and Enterprise Forum. As the Pathfinder Project comes to an end, the challenge is to effect change across the whole city. Although work has been done to improve the quality and use of 14-19 data, increased use of reliable post 16 information, as a tool for strategic planning, is a priority for action. 33% of students now study at least one vocational qualification demonstrating an steady increase over the last three years. Further expansion will take place through the development of specialised diplomas.

As the range of vocational opportunities has expanded, the Connexions service is working hard to provide accurate, up-to-date information, advice and guidance. Impartiality of advice, particularly at the end of KS4, has to be strengthened as we work towards the implementation of a 14-19 entitlement curriculum.

There has been an improvement in the support for vulnerable groups which, nevertheless, remains a focus. Schools are more aware of their responsibilities to work in partnership with others to ensure effective support, guidance and provision can be accessed by children and young people in the care of the local authority. Provision for children educated other than at school is improving but nevertheless remains a priority for 2006/07.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
New Directorate	We need to embrace new roles, remits and working practices, ensuring effective collaborative working which secures high standards when measured against each of the five outcomes of Every Child Matters. This work will be underpinned by the extended remit of the new Training and Development Unit.	Every Child Matters/Education Act 2005
New Relationship with Schools	Help schools understand how workforce remodelling can be exploited to offer a solution to the opportunities and challenges of personalisation, vocational learning and extended schools.	New Relationship with Schools 14-19 changes 10 year childcare strategy
	It will be essential to adapt internal structures and systems to ensure the current quality of service focused on raising standards and the quality of education provided is enhanced by the SIP programme.	Implementation of SIPs programme
	The need to help schools develop rigorous self evaluation systems and use the evidence from them to inform development planning which secures improvements in standards and educational provision for all learners, including the most vulnerable groups.	2005 Ofsted framework and SEF requirements
Changes in statutory requirements	Work with schools to prepare them for the changes introduced in the Education Bill (Act) 2006 and to ensure the continuing focus on quality for all.	Education Bill (Act) 2006
DFES 14-19 White Paper "Higher Standards, Better Schools for All - More Choice for Parents and Pupils".	We need to support schools and all LA services to understand the implications of these for planning, use of resources and capital programmes in the short and longer term, whilst maintaining a focus on raising standards for young people currently in schools.	DfES Implementation Plan
Renewal of the literacy and mathematics frameworks Implementation of the Early	Ensure the team are fully up to speed and support schools to respond analytically and creatively to opportunities to review and re-design their curriculum to meet the needs of the communities which they serve.	DfES

Years Foundation Stage (EYFS)	The EYFS framework will provide an overview of the outcomes of the FS based on the early learning goals. Practitioners will require extensive, high quality professional development to ensure that the best use is made of these resources. As the EYFS is to be implemented in 2008 there is time for extensive training and professional development to be led by the EDS team	
Personalising learning	Ensure that the EDS team and other services have a common understanding of the main elements of personalisation in order to support schools in fully addressing this agenda.	DfES
Virtual learning environments	Continue to support the development of Content and Course Management Systems (CMS) and virtual learning environments (VLEs) in preparation for 2008. Work with schools to explore and identify the role of CMS and VLEs in providing pupil access to a wide range of learning resources.	DfES requirements
Significant changes in School Leadership and Management	The team needs to work more proactively with schools to identify potential leaders and then to offer programmes and opportunities for them to raise their aspirations and achieve their ambitions. A strategic approach to professional development will include opportunities to contribute to the City of York School Improvement Strategy.	Age profile of current primary headteachers Gender profile of current secondary leaders Requirement by April 2009 applicants for headship must have NPQH
School reorganisation	Expertise from within the team will be needed to support headteachers, governing bodies and colleagues in ensuring highly successful outcomes for children, young people and communities	Children's Centres West side (Secondary) Federations and amalgamations (Primary) PFI – Hob Moor

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
Outcome 1 Priority 1 To improve the physical health and well-being of all children and young people	Increase the number of schools achieving the Healthy Schools Standard	<ul style="list-style-type: none"> • Work towards the National targets by intensifying the support provided to specific schools in order to meet the national target of 50% with accreditation by Dec 2006 • Support schools to achieve Healthy School Standard • Increase the number of schools achieving Healthy School Standard • Contribute to the Schools Healthy Eating task group to monitor schools identified needs and provide support to meet the needs e.g multi-agency training, examples of good practice 	<ul style="list-style-type: none"> • Dec 2006 • Dec 2009 • Dec 2009 • Dec 2009 	<ul style="list-style-type: none"> • Jenny Philpott/Sue Foster • Jenny Philpott/Sue Foster • Jenny Philpott/Sue Foster • Jenny Philpott/Sue Foster
	Provide training for staff in order to reduce the number of young people who choose to smoke	<ul style="list-style-type: none"> • Ensure all schools include smoking education in their planned PSHE provision • Continue providing training on effective smoking education • Pilot a stop smoking support group in a secondary school 	<ul style="list-style-type: none"> • On-going • On-going~ • 2006 	<ul style="list-style-type: none"> • Clare Barrowman/Sue Foster • Clare Barrowman/Sue Foster • Clare Barrowman/Sue Foster

	Maintain a comprehensive drugs education programme	<ul style="list-style-type: none"> • Ensure all schools include drug education in their planned PSHE provision ideally based on pupils identified needs • Continue providing training on effective drugs education • From needs assessments with pupils provide schools and other professionals with data on young peoples use of drugs in York 	<ul style="list-style-type: none"> • Ongoing • Ongoing • Ongoing 	<ul style="list-style-type: none"> • Clare Barrowman/ Sue Foster • Clare Barrowman/ Sue Foster • Clare Barrowman/ Sue Foster
	Address issues of personal development for all phases through a cross-service approach to planning and implementation of training programmes	<ul style="list-style-type: none"> • Key personnel responsible for aspects of personal development will meet to plan and agree content and delivery of programme 	<ul style="list-style-type: none"> • Ongoing 	<ul style="list-style-type: none"> • Sue Foster
Outcome 1 Priority 2 To improve the emotional well-being and resilience	Co-ordinate CAMHS work within the directorate through the Educational Psychology Service, so that existing projects are evaluated more thoroughly, and best practice is disseminated more systematically	<ul style="list-style-type: none"> • Contribute to the multi-agency emotional health steering group and develop a strategic approach and action plan 	<ul style="list-style-type: none"> • 2006-2008 	<ul style="list-style-type: none"> • Sue Foster

of all children and young people	Give priority to mental health training for staff, offering services to all children	<ul style="list-style-type: none"> • Consultants through the Emotional Health Steering Group identify training needs of service professionals through partnerships and contribute to provision of training • Training and Development Unit to develop a programme of training based on identified need. Manage, monitor and evaluate success of it • Consultants through the Emotional Health Steering Group identify training needs of service professionals through partnerships and contribute to provision of training • Training and Development Unit to develop a programme of training based on identified need, manage, monitor and evaluate success 	<ul style="list-style-type: none"> • July 2007 • July 2007 • July 2007 • July 2007 	<ul style="list-style-type: none"> • Sue Foster
	Ensure that Children's Fund projects in schools that have been successful (such as nurture groups) are maintained, despite the reduction in grant funding	<ul style="list-style-type: none"> • Consultants to work with Emotional Health Steering group to identify range of activities required and to produce guidance for schools in conjunction with the Healthy School Programme • Produce and promote a resource of best practice examples • Provide training for appropriate staff across all agencies on mainstreaming successful school-based projects 	<ul style="list-style-type: none"> • April 2007 • Initial resource by Dec 2006 then ongoing • April 2007 	<ul style="list-style-type: none"> • Sue Foster • Sue Foster • Sue Foster

<p>Outcome 1 Priority 3</p> <p>To improve the sexual health of all children and young people</p>	<p>Help secondary schools make high quality sex and relationship education available to all children and young people</p>	<ul style="list-style-type: none"> • Review the needs analysis already undertaken and develop an action plan to improve quality and provision of SRE across the city • Disseminate good practice with all schools and other professionals • Continue providing and developing training based on teachers and supporting agencies identified needs • Consultants to work with colleagues in EDS/Access and Inclusion and SEN teams to plan an appropriately differentiated programme for the delivery of SRE to pupils with SEN and vulnerable students in mainstream • Deliver the course leading to accreditation for the teaching of PSHE for teachers and community nurses • Support services that are providing sexual health drop-ins for those schools without established provision • Supporting services for pupils unable to access school based provision • Support services providing sexual health drop-ins in schools • To complete analysis of the pupils Sex and Relationship Needs assessment and use the information to develop an action plan to improve quality and provision • Disseminate good practice from the SRE needs assessment with all schools and other professionals • Action plan to improve provision and quality 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 • On-going • July 2006 • April 2007 • April 2007 • April 2007 • April 2007 • July 2006 • Dec 2006 • March 2007 	<ul style="list-style-type: none"> • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott • Jenny Philpott
	<p>Incorporate the Teenage Pregnancy Strategy in the Children's Trust (YorOK) in order to ensure that it is given a high priority alongside other related initiatives</p>	<ul style="list-style-type: none"> • Consultants to work with Teenage Pregnancy Steering group to explore enhanced approach to SRE across other services. • Continuing to develop a systematic training programme for staff in schools and settings 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 	<ul style="list-style-type: none"> • Jenny Philpott • Jenny Philpott

<p>Outcome 1 Priority 4</p> <p>To improve the health and well-being of the most vulnerable young people in the city</p>	<p>Improve access for vulnerable children and young people to trained professionals by establishing a city centre one-stop shop</p>	<ul style="list-style-type: none"> • Consultants to contribute to this initiative by being members of strategic groups of health/educational professionals. Relevant consultants to contribute to this initiative. • Consultants to contribute to training of professionals and provision in Integrated Children's Centres (ICCs) and the central city one-stop shop • CPD team to manage training requirements through new arrangements which embrace the training of all those within the city working with children 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 • Summer 2006 – 2008 and then on-going 	<ul style="list-style-type: none"> • Jenny Philpott • Jenny Philpott • Jenny Philpott
	<p>Develop a health promotion and education campaign with the Traveller community</p>	<ul style="list-style-type: none"> • Provide intensive support to identified schools with Traveller children to achieve the Healthy School Standard • Work closely with the Traveller Education Service to: <ul style="list-style-type: none"> - identify need and to provide training for the TES to support an intensive programme within the Traveller community - support delivery within the schools as appropriate, eg SRE 	<ul style="list-style-type: none"> • July 2007 • 2006/2008 	<ul style="list-style-type: none"> • Sylvia Hutton • Sylvia Hutton
<p>Outcome 3 Priority 1</p> <p>To develop excellence in leadership</p>	<p>Work with senior leaders in schools to incorporate the principles of <i>Every Child Matters</i> in the self evaluation form (SEF) and the School Improvement Plan</p>	<ul style="list-style-type: none"> • Develop and embed all aspects of the Every Child Matters agenda • In collaboration with senior leaders further develop Every Child Matters with the wider workforce 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 	<ul style="list-style-type: none"> • Margaret Francis

<p>and management for headteachers and senior leadership teams</p>	<p>Help headteachers and governors to embrace partnership working, and become community leaders</p>	<ul style="list-style-type: none"> • Raise awareness with schools on strategies to identify key providers • Support schools in forging links with appropriate partners • Ensure that all strategic and operational network groups have leadership and management as a key priority • Continue to provide accreditation for ICT Managed Service providers to ICT in schools • Maintain contact with YHGfL and ensure that current and future developments in ICT and the use of ICT to support subjects are disseminated to schools • Work with Headteachers to raise awareness of their responsibilities in promoting all partnership working and collaboration in their role as community leaders • Work with Headteachers to enable them to support governors' strategic responsibilities in promoting all partnership working and collaboration in their role as community leaders 	<ul style="list-style-type: none"> • Spring term 2007 • July 2008 • 2006/08 • April 06 – July 07 • April 06 – July 07 • April 2007 • April 2007 	<ul style="list-style-type: none"> • Margaret Francis
--	---	--	--	--

	<p>Support senior leaders in raising standards and improving leadership by introducing national schemes into the authority, such as the Intensifying Support Programme (ISP), and developing local initiatives, such as school federations and residencies by curriculum consultants,</p>	<ul style="list-style-type: none"> • Organise and deliver a range of national and local programmes to support headteachers in addressing standards and leadership development • Support headteachers and senior leaders in developing the Leading on Learning initiative • Continue to develop programmes which support all aspects of school strategic management of SEN/Inclusion • Continue to advise and support school leadership teams and subject leaders in leading and developing ICT as a strategy for school improvement and an effective learning tool • Encourage Headteachers to attend SLICT (Strategic Leadership in ICT) training courses • Joint LA/School Leadership team review visits focusing on self evaluation, with appropriate follow up action • To continue to develop the Single Contract as a means of analysing school performance and the impact of consultancy • Organise and implement a range of leadership networks with an emphasis on developing leaders of the future 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 • 2006/08 • 2006/08 • April 2006 – July 2007 • 2006/08 • 2006/08 • 2006/08 	<ul style="list-style-type: none"> • Margaret Francis
--	---	--	---	--

	<p>Identify the next generation of school leaders and provide opportunities for them to realise their potential</p>	<ul style="list-style-type: none"> • Develop and implement CPD programme targeted at Middle Leaders • Implement training and development for Senior Leaders through LA network and links with NCSL • Continue to develop programmes which support all aspects of school strategic management through support of SEN/Inclusion at middle manager and SENCO • Support the development of leadership in ICT • Building on well-established secondary CPD co-ordinators' network, promote and implement a primary model across all settings 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 • April 2006 – July 2007 • 2006/08 • 2006/08 	<ul style="list-style-type: none"> • Margaret Francis
	<p>Provide training for governors to undertake their responsibilities for school improvement,</p>	<ul style="list-style-type: none"> • Raise awareness of training programme with governing bodies at both centrally organised training events and customised school based events • Participation in a programme of LA organised courses relevant to governors' needs and responsibilities, and statutory responsibilities and identified needs in supporting school improvement • To provide bespoke support to individual governing bodies through appropriate expert support • Provide a programme of training for governors • Continue to develop governor networking 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 • 2006/08 • 2006/08 • 2006/08 	<ul style="list-style-type: none"> • Margaret Francis

	<p>Share best practice from senior school leaders, leading practitioners and partners.</p>	<ul style="list-style-type: none"> • To further develop opportunities to share best practice with schools, the VIP sector and early years settings • To continue to support the three PNS Network Learning Groups that are focussing on improving standards in Numeracy • Establish additional Network Learning Groups • Provide opportunities for dissemination of best practice in ICT through the deployment of Consultants, ASTs, Leading Teachers, Development Teachers and on-line resources • Ensure that best practice in ICT is disseminated within CSGs, NLGs and through attendance at regional and national events • Ensure that EDS colleagues remain aware of current developments in ICT, by providing updates for colleagues • Develop and extend the range of networks and forums which disseminate effective practice between secondary schools 	<ul style="list-style-type: none"> • April 2006 – July 2007 • April 2006 – July 2007 • April 2006 – July 2007 • July 2006 – July 2007 • July 2006 – July 2007 • July 2006 – July 2007 • On-going 	<ul style="list-style-type: none"> • Margaret Francis
--	--	--	---	--

<p>Outcome 3 Priority 2</p> <p>To support schools in developing a broad, relevant and flexible curriculum in order to enhance achievement and raise standards</p>	<p>Work with schools to review their curriculum in line with national requirements, ensuring the review is used as an opportunity to be more responsive to personalised learning needs</p>	<ul style="list-style-type: none"> • Support schools in a robust system of self review of curriculum provision and impact through the renewal of the frameworks • Continue to develop the links between whole-school initiatives and subject strands with specific reference to literacy, oracy, numeracy and ICT • Disseminate information and promote response to the revised Primary National Literacy and Numeracy Strategy frameworks and ICT framework • Targeted support for individual schools and settings to improve and personalise learning in MFL • Support schools in developing linkage and coherence across the curriculum including English, mathematics and ICT <ul style="list-style-type: none"> • Continue to support the QCA update group to provide a generic ICT curriculum that reflects the current society • Support the development of Content and Course Management Systems • Develop a programme of CPD which anticipates the implications of the emerging national agenda • Actively promote enriched learning opportunities through interaction with local partners and colleagues within Learning, Culture and Children's Services. 	<ul style="list-style-type: none"> • 2006/08 • 2006/08 • April 2006 – July 2007 • April 2006 – July 2007 • Establish Working Party July 2006 • Outcomes from WP to be published July 07 • Piloted April 06 • April 2006 – July 2007 • On-going • April 06 – July 07 • April 2006 • 2006/08 	<ul style="list-style-type: none"> • Margaret Francis

Any PI No. that is shown in yellow indicates that this PI is shown within the Council Plan

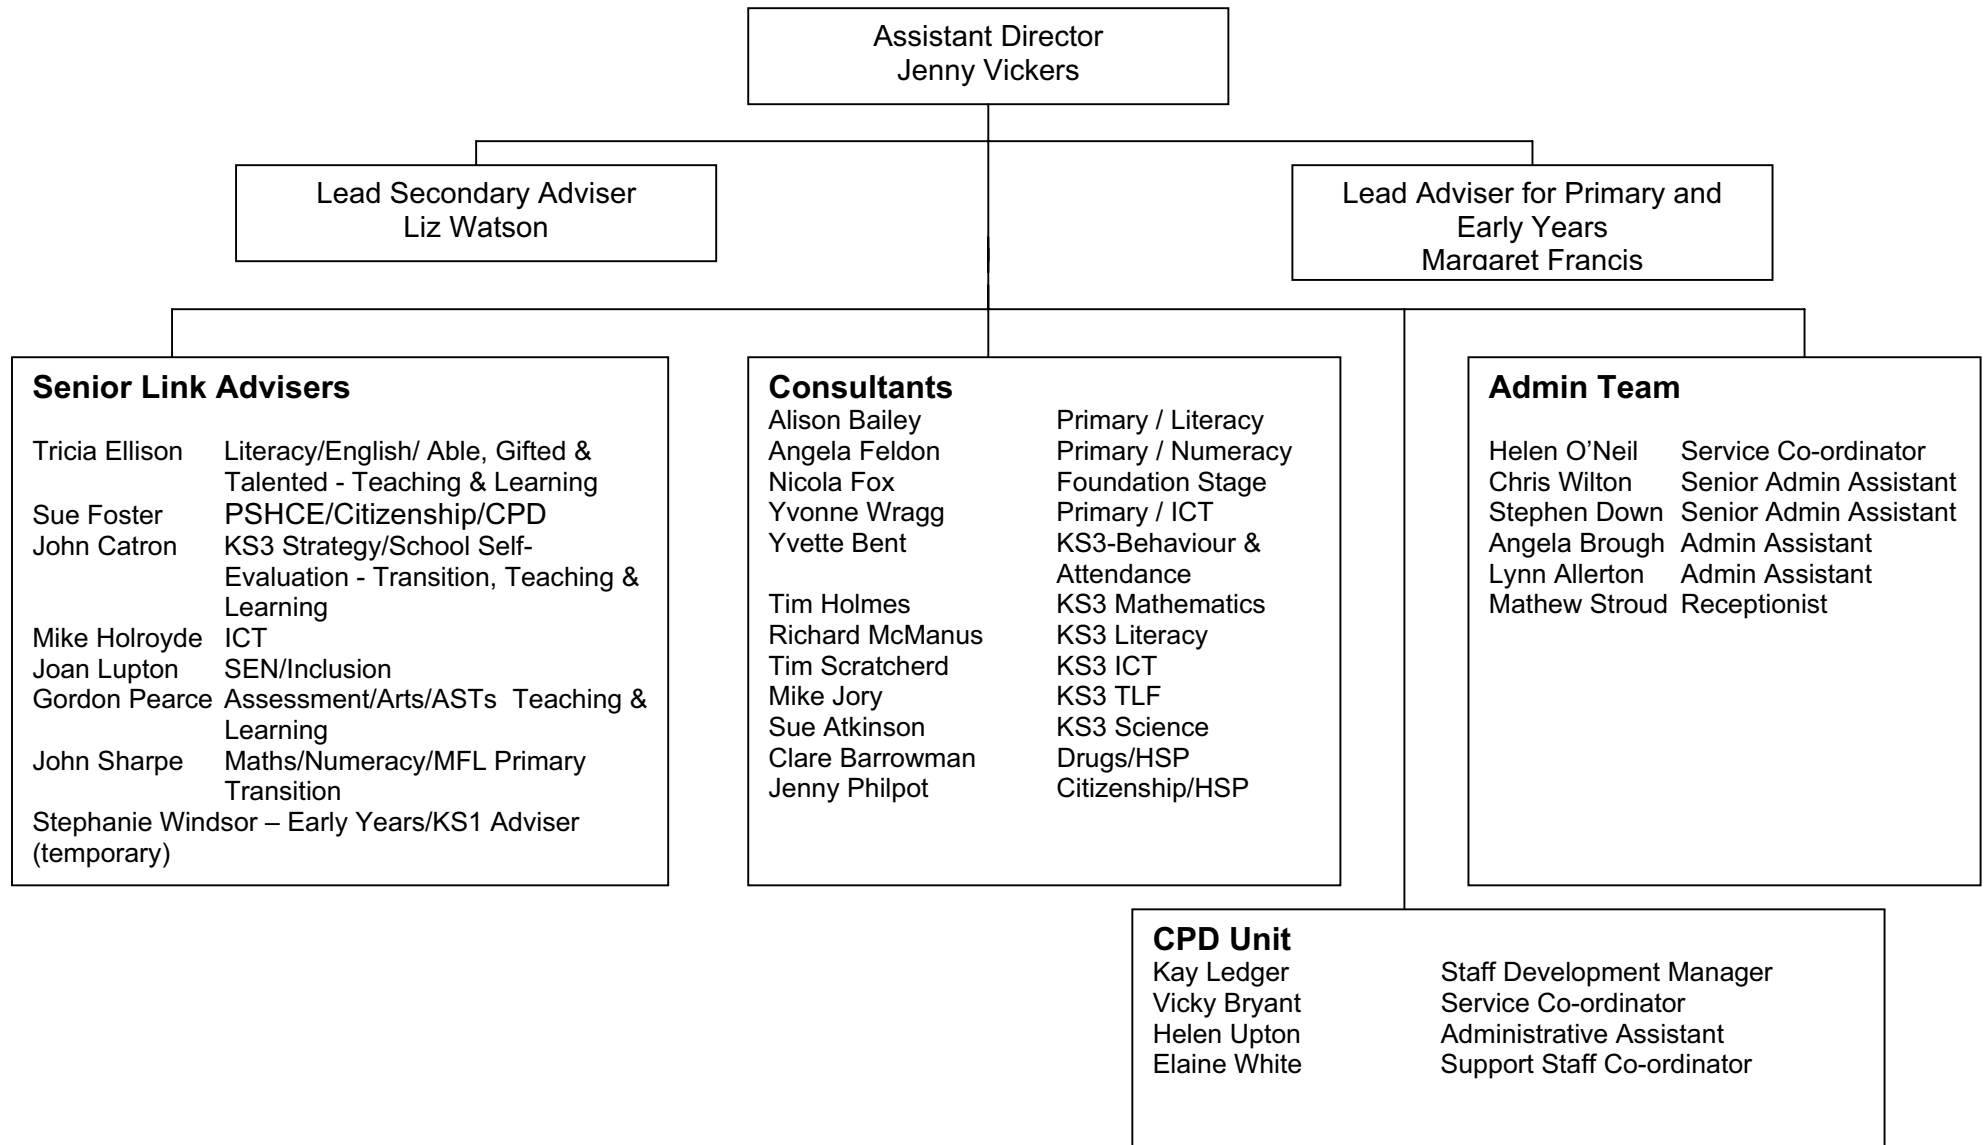

PI is lower than the lower quartile mark when comparing to available Quartile information for that year
 PI is higher than the upper quartile mark when comparing to available Quartile information for that year

Actual is better than the profile by the tolerance factor
 Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

Section 7: Human resources

Please include a full description of the staff involved in delivering your service.

Section 8: Monitoring and reporting arrangements

Monitoring and evaluation of the work of the team is undertaken through extensive formal, informal, local and national strategy systems. These ensure that all members within the team are working to agreed priorities through detailed action plans. The following mechanisms are used to track progress:

- review of NoVs by AD for (School Improvement and Staff Development) and lead phase advisers
- weekly EDS briefings and sharing of information ensures that the AD for School Improvement and Staff Development and Lead Advisers maintain an overview on school specific issues
- regular mini-team meetings to report on Key Stage and subject specific activity
- half termly School Monitoring Group Meetings provide an opportunity for senior officers from other services which impact on schools to share information and raise areas for concern
- regular focused review of the impact of intervention strategies such as ISP to ensure they are on track to gain maximum impact
- analysis of end of Key Stage performance data
- performance development interviews are used to discuss strengths, weaknesses and development needs of team members
- twice yearly completion of 'Impact Sheets'
- reports to AD/Director/Executive Member through 1:1s
- discussions with Regional Strategy Managers
- reports to other groups/partnerships
- development and implementation of locality based working which will focus on data for that particular area

Evidence from these systems is gathered and evaluated by key members of staff who then report on progress through the formal systems three times each year. A progress report is submitted as part of the departmental report to EMAP. This includes:

- a brief summary of progress against each priority
- a PI summary
- a financial statement.

Modifications are made to action plans if and when appropriate through the year.

Annex: Corporate compliance statement

Actions/Evidence	Deadline
Equalities action/s	
Through neighbourhood developments, such as the phased programme for Integrated Children's Centres, improve access to learning opportunities and services for all client groups, particularly the most disadvantaged and vulnerable.	March 2006 - September 2008
Where under performance has been identified, targeted intervention will be provided to ensure equality of access based on management information, consultation and effective involvement of stakeholders.	September 2006
Support will be targeted at those schools which are failing to provide sufficient value added for identified groups of learners at particular key stages	September 2006
Safer City action/s	
Work with the Connexions Service to ensure appropriately targeted support for learners in danger of opting out of education and training, particularly Key Stage 4 and beyond.	
Ensure there are robust procedures in place for ensuring that all adults who work with children have been cleared through appropriate child protection procedures.	
Extend the annual Bullying Survey to primary schools and take appropriate action on the outcomes.	
Continue to develop a range of strategies to improve attendance at school, particularly for those who are in danger of becoming disaffected and placing themselves at risk through truancy.	
Promote positive actions to improve engagement with learning and leisure activities within communities through the Youth Offer and Extended Schools Initiative.	
Operational Risk – red risk action/s	
Refine targeted intervention to minimise the number of schools at risk of being put into an Ofsted category.	August 2006
Improve recruitment and retention strategies to support the appointment of first class headteachers who will raise standards and improve the quality of education in our schools.	April 2006
Contribute to detailed planning schedules to support headteachers, governors and communities to agree appropriate strategies for effective school reorganisation that protects learners currently in the system and effectively manages change and guides development.	As needed
Plan quality programme for the recruitment, induction and quality assurance of SIPs to ensure they are bringing appropriate expertise which enhances the current school improvement strategy.	April 2006
Ensure that the reorganisation of EDS improves the team's capacity to drive the school improvement agenda forward.	September 2006
Implement rigorous quality assurance programmes across all providers of 14-19 education and training to ensure that all new vocational programmes are of high quality and effectively meet the needs of all learners, including the most able and the most vulnerable.	October 2006
Ensure that VLE development is implemented and that appropriate infrastructures are in place to support this development. If possible consolidate schools' VLE requirements with those of Adult and Community Education in order to enable a comprehensive approach to learning platforms in the City.	April 2008
Work efficiently, taking into account the fact that there is a tension between the delegation of non ring-fenced funding into schools and less funding at the centre, whilst still striving to deliver a high quality service and lead on innovation.	April 2006 – March 2007

Gershon – Efficiency improvement	
Restructure in EDS will take into account the loss of funding due to the introduction of the SIP programme and the reduction in Standards Fund.	March 2007
Re-training of team members as SIPs will bring some increased funding.	January 2007
Expertise of the team will be enhanced – non-cashable efficiency saving.	March 2007
Smarter targeting of available expertise to schools in greatest need (intervention in inverse proportion to success) – non-cashable.	March 2007
Increase in income from fees and charges arising from the SLAs for 2006/07.	March 2006
Competitiveness statement	
<p>To ensure efficiency and that appropriate expertise is directed at identified priorities, the following actions are taken:</p> <ul style="list-style-type: none"> • Regular value for money checks take place when reviewing the impact of the team's work. • Appropriate external consultants are commissioned to address specific improvement needs in schools. • All team members engage in professional development informed by a robust performance management system. • Benchmarking against statistical neighbours and national averages is a routine procedure to assess value for money and impact of services in key areas – finance, end of Key Stage performance in those schools identified as causing concern by the local authority or Ofsted. The quality of teaching and learning and leadership and management is tested against Ofsted criteria through detailed analysis of Ofsted reports and EDS termly monitoring visits. • Market testing exercises including parents' survey, anti-bullying survey and the annual Audit Commission survey to schools on all key services within the directorate. The agreed consultation procedures are well embedded and provide a range of evidence on the quality and impact of services provided. • Within a short time frame we respond to outcomes from consultations and evaluation of feedback through the various systems which we have in place. • Ensure that York services are maintained amongst the top LAs nationally despite low settlement 	

Service Plan for 2006/07

Service Plan for: School Governance Service

Directorate: Learning, Culture and Children's Services

Service Arm: School Improvement & Staff Development

Service Plan Holder: Sue Pagliaro

Section 1: The service

Service Description.

The School Governance Service is one of three services within the re-organised School Improvement and Staff Development service of the Learning, Culture and Children's Services directorate.

Linking closely with the Education Development Service, the School Governance Service supports the process of school improvement through effective governance in City of York schools. This is achieved through several channels:

- The provision of a clerking service to support and guide the work of the governing body, including guidance on statutory and legislative issues,
- A helpline which is accessible throughout working hours to all governors,
- A wide range of training courses on both the on-going, routine work of governing bodies and new initiatives and areas of work,
- Specific, bespoke training for governing bodies on topics of their choice
- Support in recruiting governors,
- Guidance publications covering specific areas of governing body work,
- Intensive support for governing bodies of schools where there are specific concerns,
- An annual conference open to all governors,
- A termly newsletter aimed at keeping governors up-to-date with current initiatives and development, both locally and nationally.
- Supporting the development of an independent governor voice through the newly established Viewpoint.
- Providing support for school employed clerks
- Monitoring the quality of governance across the City, intervening when appropriate and showing a commitment to improving what is "satisfactory".

Section 2: Service Review

Service Plan priorities addressed over the past year have contributed to the efficiency and quality of the service. Strategies to support the work of the team have been successful and there is a marked improvement in morale and cohesion. Additional communication on strategic issues is required to give staff a fuller picture of the work of the service, together with the opportunity to contribute to further planning and development.

The weekly, term-time-only, managed hours contracts of employment have provided the clerks with greater flexibility and are generally felt to be successful, although it may be that full-year contracts would better meet the needs of the service.

The appointment of an emergency clerk has eased the workload pressure on clerks, as has the provision additional office-based administrative support. It is a priority that this provision be maintained.

The new procedures for the administration of governor training and the way in which course information is disseminated and communicated to governors has been a cause for some concern since the start of the 2005/2006 academic year. These concerns need to be addressed, together with raising levels of general attendance at governor training.

The non-LA clerks support group has not been established, although initial responses to the proposal were encouraging. Capacity issues have been the hindering factor, and ways of addressing these need to be explored and acted upon.

The number of schools buying into the clerking service is increasing slowly. The schools already buying into the service are making greater demands in terms of clerking for committee meetings, partnership groups, joint working parties and so on. The service is therefore a major growth area despite not meeting performance indicator targets for the number of schools buying into the service.

LA governor vacancies remain consistently low and the service has been able to offer several applicants for appointment to community vacancies. However, the process for appointing LA governors needs to be more rigorous and transparent; as does the process for the removal of LA governors. This may have the consequence that governor vacancies are not filled as quickly and that PIs will need to be reconsidered.

The Audit Commission's survey demonstrated the lowering of the profile of governance over the last 18 months and the need to be more responsive to governors' and governing bodies' development needs and quality assurance

There has been a marked improvement in the attendance at Chairs' briefing sessions by both Chairs of Governors, clerks to governing bodies and other individuals.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Breadth of knowledge needed -		
ECM - Staying Safe – CRB	The safer appointments initiative needs to extend to the appointment of governors. This will be addressed for LA governors, but governing bodies should be made aware of the need to ensure that new appointees are at least checked against List 99. The governance service, with HR, needs to explore and act upon ways to support governing bodies to achieve this.	
ECM – Identify strategies for improving the effectiveness of Governing bodies	A mechanism, through GB self-review and/or an internally generated “health check”, needs to be established to help identify areas in which each governing body could operate effectively. A process of initiating support for such GBs will need to be put in place. Increasing demands on governing bodies are prompting the service to be more proactive in the help that they provide for individual governors and governing bodies.	
Headteachers’ work/life balance	The current trend is for GB meetings to be held during the evening. However, as more GBs address the issue of headteacher work/life balance it may be that this pattern will change to include day-time meetings. The impact on the service will be that clerks will need to change their work patterns. There may be further impacts on governor attendance and recruitment. Chairs of governors may need to be encouraged to be more rigorous in their approach to managing the length of meetings. There needs to be agreement on headteachers’ attendance at committee meetings and there needs to be clarification on the preparation of papers for meetings and who will do the follow up actions.	
Education Act 2005 – Foundation or Trust Status	The Education Act has implications for Governance – there will be significant changes to roles and remits and powers of governing bodies. The Service personnel will need to be well-informed of the implications of this in order to support and advise governing bodies in preparations for any changes.	
Customer satisfaction survey	It is some years since a survey was carried out. The increased	

	<p>stability in the service which has been achieved over the past year now provides a platform for the service to drive forward. A customer satisfaction survey of governors and clerks will provide a baseline to inform and drive forward a new agenda for governor support in the city. An opportunity for customers to express their wishes for areas of development.</p>	
Governing the School of the Future	The implications within this need to be addressed by the Service.	

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
Staying Safe – CRB	To ensure that correct checking procedures are being used by schools for CRB and list 99 checking of governors	<ul style="list-style-type: none"> For LA governors – paper to EMAP 	April 2006	Service Manager
		<ul style="list-style-type: none"> Ensure that schools are aware of the correct procedures 	April 2006	Service Manager
		<ul style="list-style-type: none"> To monitor schools' compliance with procedures. 	On-going	Admin team
Identify strategies for improving the effectiveness of governing bodies	Establish what constitutes an effective governing body	<ul style="list-style-type: none"> To identify a range of behaviours and procedures which would be seen in an effective governing body 	April 2006	Service Manager
	To measure the effectiveness of each governing body	<ul style="list-style-type: none"> Promote self evaluation model 	Sept 2006	Service Manager
		<ul style="list-style-type: none"> Carry out GB "health check" using measurable criteria to establish GB activity 	July 2006	Admin
		<ul style="list-style-type: none"> Offer support for, and training on, the self-evaluation process 	On-going	Service Manager
	To identify areas where support could be offered to help the effectiveness of governing bodies on specific issues/procedures	<ul style="list-style-type: none"> Use results of assessments to identify areas for further training, guidance or advice 	On-going	Service Manager
	To be pro-active in providing advice and support to individual governors and governing bodies	<ul style="list-style-type: none"> To identify ways in which we can help governing bodies to work "smarter" Ensure the new governor packs are updated regularly and include a welcome to governance meeting each term 	End of Autumn term	Team
Establish a support group for non-LA clerks	<ul style="list-style-type: none"> Improve their knowledge and understanding of key issues 	May 2006	Service Manager	

Customer satisfaction survey	Ensure customer satisfaction survey is sent to all governors and non LA clerks to identify areas for support	<ul style="list-style-type: none"> • Bi-annually develop a survey as a whole team in conjunction with the previous year's Audit Commission results • Identify necessary action through service planning and taking a team approach • Provide the results of the survey to governing bodies and develop an action plan to be sent out with the results • Review and monitor action plans through team meetings. - Any PI No. that is shown in yellow indicates that this PI is shown within the Council Plan
- PI is lower than the lower quartile mark when comparing to available Quartile information for that year
- PI is higher than the upper quartile mark when comparing to available Quartile information for that year
- Actual is better than the profile by the tolerance factor
- Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

Section 7: Human resources

Section 8: Monitoring and reporting arrangements

- Termly service review meetings inform the monitoring report and will be planned according to the monitoring timetable.
- PIs to be set by the whole team in consultation with Margi Charlson
- A customer satisfaction survey to be carried out to establish a baseline for future governor support and Service development
- Carry out a GB “health check” and initiate GB self-evaluations to identify which schools need specific/additional support relating to governance.
- Monitoring visits to GBs, including those that don’t buy back into the service, by the Service Manager could be part of this.
- Through team meetings, clerks could identify those schools in need of additional support.
- Through clerks’ performance appraisals set targets for improvement and identify training needs, linked to Service Plan priorities.

Annex: Corporate compliance statement

•

Actions/Evidence	Deadline
Equalities action/s	
<ul style="list-style-type: none"> • Include equality statement on new application form • monitor Ethnicity/disability • ensure more equitable support for LA and school-based clerks • include equality issues in recruitment training for governors • ensure part-time and family-friendly employment opportunities continue to be offered within the service. 	April 2006
Safer City action/s	
<ul style="list-style-type: none"> • Introduce a more stringent security checking system for new governors • raise governor awareness of safer recruitment processes • reinforce the governors' responsibility for ensuring a safe environment in schools • continue to provide robust health and safety training for governors 	April 2006 July 2006
Operational Risk – red risk action/s	
<ul style="list-style-type: none"> • If the number of customers drops there would be implications for the viability of the clerking service and for the employment and security of staff. • The consequences of failing to meet customer needs are that schools may choose to opt out of the service which would have a significant financial impact • Turnover of staff may lead to lack of constituency of service, with opt-out consequences and implications for quality and relationship with schools 	
Gershon – Efficiency improvement	
<ul style="list-style-type: none"> • Increase in charges to schools in line with inflation • Development and clarification of office procedures gives greater confidence in the system and less time consuming working practices • Lower grade admin support releases clerks from routine tasks, which enables them to work more efficiently and target their skills at an appropriate level. 	April 2006
Competitiveness statement	
<ul style="list-style-type: none"> • A customer satisfaction survey will confirm the value of the service, and highlight areas for improvement. 	

- | | |
|--|--|
| <ul style="list-style-type: none">• Promoting the clerking service amongst schools which currently employ their own clerk may establish new customers and give some indication of future growth.• The employment of some skilled and trained staff on casual contracts will ensure continuity of service delivery.• There is a national benchmarking exercise into which the Governance Service feeds. This gives an excellent indication of how the service compares to those in our statistical neighbour authorities, as well as nationwide.• There is a value for money analysis at the end of each financial year to ensure that the service remains competitive against external providers.• Enhancing the skills and knowledge of clerks through training ensures that they are in a position to provide a comprehensive service to governing bodies, including legal advice. | |

Service Plan for 2006/07

Service Plan for: CPD (Training and Development) Service

Directorate: Learning, Culture and Children's Services

Service Arm: School Improvement & Staff Development

Service Plan Holder: Jenny Vickers

Director: Patrick Scott

Signed off:

Executive Member: Cllr. Carol Runciman

Signed off:

Section 1: The service

Service Description.

The motivation and self-esteem of all staff working with and for children, under the auspices of the Learning, Culture and Children's Service is a high priority and to this end we are committed to recruiting a well-qualified, talented and creative workforce, and to supporting continuing professional development throughout their career. We will develop and implement a coherent strategy building on a common assessment framework of core skills, knowledge and understanding, to facilitate career pathways which will meet the varying needs of children, young people and their families. At the same time we will offer flexibility of working practices which promotes equal access to career development across the whole service.

The development of a Children's Service Training & Development Unit will ensure the delivery of a high quality, continuous, systematic and focused strategy for professional development at all levels. This strategy will seek to offer/broker/commission a wide range of accredited and non-accredited programmes in a structured and fully supported learning environment from recruitment and induction through to senior leadership and beyond, based on national standards and codes of practice. Partnership working and collaboration at all stages will be paramount.

There will be a commitment to high quality provision, active involvement and rigorous evaluation. Instrumental to the delivery of the strategy will be access to expertise available from LA Officers, school staff and from external providers. This will include Education and Social Work Leaders, Advisers, Consultants, and leading practitioners from within the Service who have proven and effective practice. Best Value principles will be deployed to ensure appropriate provision.

The strategy will support all staff across the Service and in schools in the development of professional learning communities, able to build the capacity to understand how well they are doing, to develop dynamically in relation to need and to know what they must do to improve. There will be a commitment to the development of autonomous, self-critical, self-evaluating teams supported by the Government's Common Core Framework (Every Child Matters Change for Children)

We will promote succession planning and maintain the capacity for continuous improvement. We will work to ensure all members of staff are aware of the strategies being developed nationally and encourage staff to work within Networked Learning Communities/Learning Sets.

Clear links will be made, through a collaborative approach and via existing systems, with strategic plans of staff in schools, other settings, children's workforce, integrated children's centres, children's social services team, foster carers, adoptive parents, residential care for children.

In the transition period the service will develop from a school based service based at the Eccles Building to a broader strategic children's workforce service based centrally, where the main customers for the service will be staff working within LCCS, staff in schools, settings and other agencies as appropriate.

Section 2: Service Review

Over the previous two years the CPD Service has worked hard to maximise the benefits of collaborative work with other services and external partners in order to facilitate their contribution to and their understanding of the school improvement strategy. The CPD service, as part of EDS has been proactive in establishing a culture of collaborative working, particularly across the department, to ensure that the expertise and resources available to support schools are used in a coherent, targeted way. The success of this was commented on in the Ofsted focus groups. All aspects of staff development have become the focus for the work of the CPD team and this has included a closer look at the needs of schools and the way we can facilitate this. National, regional and local programmes and initiatives are incorporated into a comprehensive package of CPD opportunities that are available to staff in schools throughout the year. A systematic review and evaluation process has meant we have been able to hone activities to meet specific needs.

Analysis of the work of the service

Priority: To support schools and the EDS in all aspects of CPD

Initiative: Extend the impact of the team in order to facilitate a smooth flow of information between EDS and schools and to further develop the role of the CPD team

- Team development involved the appointment of 2 new posts Service Co-ordinator and Support Staff Co-ordinator. These posts have provided significant additional expertise which has led to increased efficiency across all areas.
- Managing the CPD Programme – this has had a positive impact on schools with clear structures in place and systems for booking places on courses and evaluating impact.
- Support for NQTs and the Graduate Teacher Programme has been very successful with no NQT failing to meet the National Induction Standards. A partnership with an external provider EM Direct, has meant that the GT Programme has increased and been fully supported.
- Support staff have had opportunities to engage with CPD as part of the Remodelling agenda and the CPD team have offered a wide range of courses and activities to meet their emerging needs e.g. the HLTA programme, which has involved over 40 TAs, the on-line audit which has been made available to all support staff in schools and a range of other projects and initiatives both local and regional that have been set up over the last year. Feedback and evaluations suggest we have been very successful in these areas.
- Workforce Remodelling has been a key factor in developing specific programmes/activities to meet the emergent needs of schools. PPA time has been a particular challenge in many schools and working with all departments and external partners we have been able to support schools in identifying providers and looking at a range of models. This is an area of continuing need as schools are seeking to sustain the initiative over the next months and years.

Next Steps:

- The model used in EDS is to be developed and enhanced as a service across the new Learning, Culture and Children's Services to provide a structured approach to training and development of the Children's Workforce. It will involve close collaboration across all departments and with a wider range of external agencies and partners through the remit of the YorOK Board.

Proposed Remit of the Training and Development Unit will be:

- To provide a high quality comprehensive and universal professional development service which motivates and values staff working with and on behalf of children across the City of York.
- To facilitate the recruitment of a well-qualified, talented and creative workforce.
- To support all training and development needs in order to meet national, local and personal targets, including the integration of the School Improvement Partners (SIPs).
- To ensure all training and development activities are based on the Common Core of Skills and Knowledge for the Children's Workforce, the 'Common Assessment Framework' and the Every Child Matters agenda.
- To facilitate career pathways which will meet the diverse and varying needs of children, young people and their families.

In order to fulfil this remit, the Unit will:

- deliver a high quality, continuous, systematic and focused strategy for professional development at all levels within a clearly defined performance management structure.
- offer/broker/commission a wide range of accredited and non-accredited programmes in collaboration with partners.
- utilise and enhance expertise from within and outside York through its links with the YorOK Board.
- help to build dynamic teams of individuals who know how well they are doing and what they need to do to improve performance, thus ensuring a highly effective and high achieving

The Training and Development Unit will support all 5 outcomes of Every Child Matters as identified in the Children's Service Plan 2006-9.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Integrated children's centres	<p>Meet with the Integrated Children's Centres Project Manager to seek early Involvement to ensure that we are able to be both responsive to training needs and inform the strategy for the multi-agency approach.</p> <p>Contribute to neighbourhood case studies and seek to meet the training needs of adults and young people involved with the Children's Centres.</p>	Every Child Matters – Change for Children
Local departmental changes	<p>Having audited/scoped current training providers, a plan is needed to bring together core members responsible for delivering to the children's workforce. This will result in a more coherent management and administration unit for the benefit of clients.</p> <p>There is going to be a radical change to the way in which the team works in relation to the whole Children's Service. New job descriptions and responsibilities will need to be agreed, thus facilitating expansion in the future.</p>	Every Child Matters – Change for Children Children's Workforce Strategy
SIP development	Significant changes to schools and EDS as a result of the SIP programme. This will raise issues for the Service in supporting quality assurance, providing appropriate training and ensuring all involved have current knowledge and a co-ordinated approach.	NRwS
Expectations of the children's workforce – national expectations	<p>Ensure we are compliant with all statutory requirements and quality assurance systems are meeting national standards. Assessing needs and providing services through commissioning, brokering etc. and recruiting local experts.</p> <p>We will ensure that we are not simply replicating what has always been done, but meeting emerging needs in a changing environment. We will be proactive in looking for new ways of working to meet rapidly changing needs.</p>	Children's Workforce Strategy

<p>Shift in balance of funding, with more direct to schools and less at the centre and a decrease in funding which is ring-fenced for specific purposes.</p>	<p>We will need to develop effective systems of communication to ensure that school leaders are fully aware of their responsibilities to provide appropriate professional development opportunities that all members of staff are entitled to.</p> <p>Support schools to understand the importance of developing a policy and implementing a strategy which includes guidance on the allocation of funding to specific subjects, aspects, personnel to meet schools' priorities and individual professional needs.</p>	<p>NRwS</p>
<p>Quality assurance</p>	<p>We will develop systems and structures for quality assurance and implement this over a two-year period.</p> <p>There may be a need to appoint to a quality assurance post or allocate this as a significant part of someone's remit.</p>	<p>Best Value CPD – DfES document 2001</p>
<p>Career advice</p>	<p>We will begin to develop a support and advice service to meet the needs of individuals planning their career, seeking a different direction or promotion. This will be done through the creation of a database of significant experts in these areas. Using current partnership links such as NYBEP, York College & York/Durham University and York St. John, we will develop further partnerships to meet the emerging needs of the Unit.</p>	<p>LCCS and nationally the TDA</p>
<p>Web based information</p>	<p>We intend to undertake preliminary work in order to further develop the existing web base and increasingly link with external agencies.</p>	<p>LCCS Expectations of schools</p>

Section 4: Priorities/Initiatives/Actions for 2006/07

Overarching Priority:

Priority	Initiative	Action	Deadline	Responsibility
Service Specific Priority To establish a "training and development unit" to serve the CPD needs of all staff working with and on behalf of children in Learning, Culture and Children's Services in York	<ul style="list-style-type: none"> Team Development 	<ul style="list-style-type: none"> Define roles and responsibilities Extend team 	September 2006	SF

Subject to changes to meet the new structure.

Section 8: Monitoring and reporting arrangements

Reporting:

YorOK
Training and Development sub-group
EMAP
Strategy Team

Monitoring:

Surveys/evaluations/questionnaires/meet with CPD co-ordinators/liaise with service providers/represented on management boards of some providers

Take up of courses/evaluations/regularly review progress against targets/evaluation summaries/liaise with venues to ensure quality/monitor cancellations/statistics on number of schools using courses and delegates attending/taking on board other services systems for evaluating impact – good value CPD guidelines – meeting these standards. Impact sheets from advisers and consultants – how integral CPD is.

Meet as a team regularly to monitor – SF/KL and KL/team – intervene early if problems.

Summer term arrange for KL and SF to go into a number of schools and talk to the Head and CPD leader and find out about what mechanisms there are in school to monitor the impact of CPD activities – how measure it. Links to SEF.

Annex: Corporate compliance statement

Equalities action/s	
Develop a statement of intent and implement a policy which clearly embraces an inclusive approach that broadens access for a wider range of people working with children. Promote the entitlement to CPD activities for all employees within the department, schools and other settings. Through this approach there will be a guarantee of the quality of provision and equal access to training programmes provided through the Training and Development Unit. Personal career opportunities and pathways will be guided through the delivery of a service which aims to meet both personal and service priorities.	Feb 2007
The advice and guidance provided by the service to those needing to access activities/programmes and development opportunities will be reviewed and modified to ensure it meets the needs of all clients.	Nov 2007
Safer City action/s	
Develop best value principles and practices that ensure all venues are fit for purpose, have all health and safety measures in place and are regularly reviewed by a member of the team	September 2007
Training for schools on CRB checks. Ensure there is a strand within the programme which ensures all staff have access to up to date child protection training and current requirements to ensure the protection of children and staff.	Mar 2008
Operational Risk – red risk action/s	
Job descriptions are to be reviewed as part of the Council's job evaluation exercise. There is a risk to morale and the calibre of people doing the job.	Aug 2007
It will take time to ensure robust systems for commissioning, brokering/procurement of training will be established to meet the emerging needs of the wider Children's Workforce. New area – support will be needed.	
Reduction in funding streams to the centre will make strategic planning more difficult when dependent on client's response to how they use their funding for CPD – school budgets.	April 2007
Developing quality assurance systems will take time to embed and deliver secure outcomes.	September 2007
Ensure that the expansion of the service improves the team's capacity to drive forward the Children's Workforce. As the service expands to meet the demands of the children's workforce strategy there could be a gap between capacity and expectations.	September 2006
Gershon – Efficiency improvement	
We have scoped what is in existence, discussed with key people the strengths and weaknesses of what is being offered and what could be gained by a joint approach. We will develop systems that will ensure that expertise is brought into the unit to provide a high quality service to all staff in Children's Services and in schools <ul style="list-style-type: none"> • Cashable efficiency savings: Re-organise existing posts • Increase income from raising course fees for schools • Increase minimum numbers attending courses 	September 2006

<ul style="list-style-type: none">• Agree best value deals with range of venues• Negotiate best charges with training providers• Non-cashable efficiency savings: Larger team more focused and therefore more efficient• Improvement in quality of service leading to better value for money

Service Plan for 2006/07

Service Plan for: Access

Directorate: Learning, Culture and Children's Services

Service Arm: Access and Inclusion

Service Plan Holder: Murray Rose

Director: Patrick Scott

Signed off:

Executive Member: Cllr Runciman

Signed off:

Section 1: The service

Service Description.

Corporate Strategy: Improvement statements

- Reduce the actual and perceived impact of violent, aggressive and nuisance behaviour on people in York
- Improve the life chances of the most disadvantaged and disaffected children, young people and families in the city
- Increase people's skills and knowledge to improve future job prospects

Additional Council Plan Aims and Objectives

- To ensure that the care and education of young people are indivisible so that they can take advantage of the opportunities available to them to become effective learners
- To ensure that all vulnerable children and adults are supported and protected from abuse and neglect
- To encourage all children and young people to become active and responsible citizens and out schools at the heart of the communities they serve
- To consult with young people about the future of the city and about provision by the council on behalf of young people
- To ensure that the council supports children, young people and families through a range of easily accessible services that emphasise the prevention of problems
- To improve how the council plans and manages performance

The service has as its core purpose promoting access to education for all school age children within the City of York and for providing support for those young people accessing post 16 provision. Service provision includes:

- providing school places for all children, including advice and information to parents, managing admissions processes, providing home to school transport and dealing with complaints
- maintaining school attendance, by promoting good behaviour and discipline in schools, taking measures to combat truancy, including legal sanctions against parents, tackling racial harassment and by promoting anti-bullying and child protection measures
- supporting those most in need or those having difficulty accessing education, including targeted financial support for school uniforms and co-ordinating free school meals, managing charitable trust funds on behalf of the LEA, dedicated support to Traveller communities and those for whom English is an additional language, managing school exclusions and education otherwise arrangements
- supporting post 16/18 transition, through targeted work with those who are at risk of not moving into education, employment or training post-16
- supporting schools and other agencies to deliver access functions, through training and policy development.

This service improvement plan is closely linked to the Children and Young People's Plan, the Preventative Strategy, to the Children's Fund and Connexions delivery plans and to the Corporate Equalities Group. Support for the teenage pregnancy strategy is included in the service arm.

The service is based in Mill House, with a one-stop shop customer access point, and also at Danesgate in Fulford Cross. The service previously managed student loan assessments but the team delivering this service has been seconded to the DfES in Darlington for 2006/07.

Section 2: Service Review

Service Description.

Support for teenage pregnancy has been delivered through chairing the partnership board and through making staff time available from the behaviour support service. 9 out of 11 secondary schools now operate a school based sexual health clinic and a PHSE accredited programme has been delivered to 12 staff in the city. The impact of the increased teenage pregnancy funding from 2004 has not yet translated into reductions in teenage pregnancy rates although rates are still below national average.

All schools are included in the EWO child protection training programme. Staff teams are trained every 3 years and designated co-ordinators every 2 years.

Attendance levels in primary and secondary schools are at their best ever and have shown improvement over a sustained period. Termly returns from schools and improved pupil tracking tools now mean that the service can intervene more promptly than previously. The Autumn term absence returns show that secondary school absence rates fell from 7.13% to 6.84% and primary school rates fell from 4.68% to 4.53%.

Exclusions from schools increased for the second year in succession as a result of the strategy to reduce the use of managed moves and put all hard to place pupils through a city-wide protocol and placement panel. The panel has successfully returned pupils to school and has reduced the number of managed moves, although the rate of decrease in the size of the education otherwise register needs to be accelerated. Fixed term exclusions from secondary schools have risen for 4 years in succession although the number of pupils receiving 3 or more exclusions (our local indicator of vulnerability) has decreased significantly. Most pupils who are excluded are still only excluded once or twice for 1 day or for 2 days. The Team Teach training has been delivered or booked in 29 schools now and has received excellent feedback. The 4 new staff who joined the behaviour support service in September 2005 – representing 30% of the teaching team – required the management of the service to increase their support to staff induction and training.

The education otherwise register is very well maintained and fortnightly meetings across a wide range of partners delivers innovative packages to ensure that more young people access more provision. These meetings also consider the needs of those young people who may become educated otherwise if arrangements are not put in place quickly.

The co-ordinated admissions process continues to be well-managed and 92% of parents were successful in gaining places at their first choice school, a slight reduction from last year. Only 1% of parents had their child allocated to a school they had not expressed a preference for.

The new transport responsibility in the Access team has delivered the predicted efficiency savings of approximately £100,000. A new IT system will require further staff training and new contracting arrangements may require some time to bed in but the service is confident that it can maintain the improved efficiency levels within the function.

There are more new arrivals of children for whom English is a second language than in previous years. The EAL service is developing packages for schools to use and is increasing its welfare and induction function.

Traveller pupils continue to make progress but also continue to under perform when compared to their peers. The TESS operates now as a 0-19 service.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
2 nd phase of national Teenage pregnancy strategy	Move towards more targeted work and to work with younger age groups	National guidance
Local safeguarding Board	Review of subgroups from previous ACPC arrangements – particularly the review of training for child protection	National guidance
Respect agenda	Increased focus on positive activities for young people	National guidance
14-19 implementation plan	The need to make full time provision for all young people out of mainstream settings	Local policy
Youth matters	The green paper sets out the likely entitlement for all young people and the need to consult with them about service design and delivery	National guidance
Targeted youth support	The green paper sets out the arrangements for integrating services working with young people with additional needs	Local pilot
Education White paper	This sets out the expectation that secondary schools will have funding devolved to them to manage the provision for all children out of school from September 2007	National strategy
Education and inspection Bill	This will bring about changes in admission arrangements, behaviour policies and exclusion law	National policy

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
To improve the emotional well being and resilience of all young people	To mainstream the successful Children's Fund projects	<ul style="list-style-type: none"> Allocate staff time from behaviour support service to manage aspects of programme 	April 06	HBS
To improve the sexual health of all children and young people	Incorporate the teenage pregnancy strategy into the children's trust	<ul style="list-style-type: none"> Establish a commissioning post within the children's trust unit 	April 06	AD

Section 6: Financial resources

1. Richard Hartle will provide an insert for this section. However, it is essential that you provide him with high quality information to explain any shift in resources.

Section 7: Human resources

Section 8: Monitoring and reporting arrangements

This section will probably be the easiest to complete. You need to include details about:

1. The service plan is used with Access managers at their regular meeting cycle with the Assistant Director. Each manager meets with the AD at least once per month but as frequently as 3 times per month. Each manager also brings relevant sections of their detailed work plan to these meetings. The outcome of these meetings is recorded in the thrice annual reporting cycle.
2. A formal progress report on all actions and performance targets set out in this plan will be submitted to EMAP in <date>, <date> and <date>. This report will be tabled at the relevant meeting of Strategy Team in advance of the three reporting points each year.
3. Planning arrangements for individual vulnerable pupils are monitored fortnightly.
4. Surveys are conducted with service users (young people at the PRUs, parents at the PRUs and schools for the EMSS).
5. Termly meetings are held for the PRU management committee

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
<p>Equalities action/s</p> <ul style="list-style-type: none"> • The EAL service will increase staffing in order to ensure that new arrivals to York are given improved support to access education. • Revised EAL arrangements will ensure coherent entitlement to service provision for each national Curriculum year group • Young people with social and emotional needs will be given speedier access to full time education after they have been excluded from school • Young people with special educational needs and/or disabilities will be given support to become independent users of public transport • Increased monitoring and intervention will take place to reduce the impact of racial harassment 	<p>June 2006</p> <p>August 2006</p> <p>September 2007</p> <p>March 2007</p> <p>ongoing</p>
<p>Safer City action/s</p> <ul style="list-style-type: none"> • Improved information sharing will be used to target interventions for all young people who are out of school. More young people will be moved into positive activities • Truancy patrols will be maintained with the police • Service teams will co-ordinate activity with the police through joint action groups 	<p>September 2007</p> <p>Ongoing</p> <p>September 2006</p>
<p>Operational Risk – red risk action/s</p> <p>Please list (in bullet point format), any actions you are taking to address any red areas of operational risk that you may have identified. Please refer to the specific section in the service planning guidance which provides details of how to complete an operational risk template.</p> <p>If you have identified a red-risk issue, but do not have sufficient resources or capacity to tackle it over the next 1-3 years, you should still list these out in bullet point format – explaining that you are aware of the risk, but do not have sufficient resources to take action to mitigate their potential effect on your service.</p>	<p>When do you expect to complete the action or improvement?</p>
<p>Gershon – Efficiency improvement</p> <ul style="list-style-type: none"> • Improved transition arrangements for children with EBD moving to secondary school will reduce the current rate of failure. Each pupil failing to transfer successfully costs the authority approx £50,000 per year. The improved arrangements are at no additional cost but should prevent 1 failure each year. • Targeted support to maintain vulnerable children in school will save on additional placement costs. Schools have agreed to a 50% reduction in children out of school which will prevent budgets overspending • Improved transport management systems will reduce transport costs 	<p>September 2006</p> <p>September 2007</p> <p>September 2008</p>

Competitiveness statement

Please provide a statement to demonstrate that your service is competitive. This might be examples of one or more of the following:
Education otherwise costs in York average £5,000 per pupil per year. DfES publish national figures of £12,500 per year

- Tendering or procurement exercise for all or part of your service provision.
- Delivering services in partnership.
- Market testing exercise which, through evidence, showed that your service was delivering value for money – ie it is economic (low service costs), efficient (producing good levels of service for the money spent) and effective (is performing well in comparison).
- Benchmarking: comparative performance and costs with other authorities or like-for-like organisations

Service Plan for 2006/07

Service Plan for: SEN Services

Directorate: Learning, Culture and Children's Services

Service Arm: Access and Inclusion

Service Plan Holder: David Waite

Director: Patrick Scott

Signed off:

Executive Member: Cllr Runciman

Signed off:

Section 1: The service

Service Description.

Corporate Strategy: Improvement statement

- Improve the life chances of the most disadvantaged and disaffected children, young people and families in the city.

The Service contributes directly to the following corporate aims:

Corporate Aim 2: Improve opportunities for learning and raise educational achievement for everybody in York.

Corporate Aim 5: Work with others to improve the health, well being and independence of York residents.

Corporate Aim 6: Ensure that all Council services are accessible and inclusive, and build strong proud local communities.

Corporate Aim 8: Transform City of York Council into an excellent customer-focused 'can do' authority.

The purpose of the Service is to ensure the best possible quality of education and outcomes for all children and young people with special educational needs within the context of a fully inclusive educational system.

The work of the Service also supports the five Every Child Matters outcomes, within the context of the government's SEN Strategy 'Removing Barriers to Achievement', The Children Bill ('Every Child Matters'), and the National Service Framework for Children.

The Special Educational Needs Service comprises the Educational Psychology Service, the Inclusion Support Service, the SEN Co-ordination Service, and the Parent Partnership Service. The principal customers of the Service are children and young people. The Service regards their best interests as its paramount objective, both in working directly with children and their families, and in its general advisory and support work with schools, Children's Services and other agencies.

The Service aims, therefore, to promote the well-being, personal development and education of children with special educational needs through the provision of high quality assessment, advice, intervention and designated special provision to meet identified needs. The Service provides direct support and intervention for approximately 580 children with statements of SEN, and approximately 1100 children with SEN but without statements.

The Educational Psychology Service promotes the education and personal development of children through the application of psychological assessment, advice and intervention. The Inclusion Support Service provides specialist advice and teaching for children with special educational needs. These children may have learning difficulties, physical difficulties, sensory impairments or be unable to attend school for medical reasons. The SEN Co-ordination Service has particular responsibility for the Statutory Assessment process, including provision and review arrangements, and for the Parent Partnership Service. It also provides administrative support and co-ordination for the other SEN services.

Section 2: Service Review

Service Review.

In the academic year to August 2005, the service provided advice to the Local Authority for 39 children undergoing Statutory Assessment. 100% of reports were provided within the specified time limit of 6 weeks. There has been a significant reduction in the number of Statutory Assessments requiring completion. There has also been a 25% reduction in the number of Statements held over the last 4 years and the current figure stands at 1.5% of the 0 – 19 population. Delegation and devolvement of SEN funding for schools has been the major factor in reducing dependency on Statements as a means of resourcing teaching arrangements for children with SEN in mainstream schools. We are now seeing the impact of successful strategic policy development and implementation.

The Education Psychology service continues to manage complex individual case work, but many schools are now using their EP service time allocation to support strategic developments, group interventions or project based activity. Feedback from schools continues to be positive. The Annual Audit Commission Survey of schools scores all SEN services very positively.

Analysis of outcomes for low attaining pupils across the City using Fischer Family Trust methodologies indicates that the academic year 2004/5 was the best so far with particularly strong gains being made for children in Key Stages 3 and 4. This is a welcome development and is linked to the delegation of SEN funding to schools to allow for earlier intervention.

ISS is increasing its work with special schools within the city, including training staff in Moving and Handling pupils with a physical disability or medical needs and supporting pupils with a sensory impairment. The Inclusion teacher for Autism works closely with the AST for Autism in Hob Moor Oaks and liaises with the ASC specific classes within both schools. This partnership work will develop as the two special schools begin to increase their outreach work so that support for children will be seamless across services, with the needs of the child placed firmly at the centre of service design. The service is contributing to the development of an integrated service for children with disabilities.

Key strategic developments have also included the development and delivery of monitoring and evaluation procedures for children with SEN, linked to the delegation of SEN funding through the schools forum. This is now entering its third and final phase. Revised SEN criteria for Statutory Assessment and School Action Plus have been published. The development of interventions around emotional literacy, including psychological resilience, and peer mediation and peer support programmes at both primary and secondary schools have become core functions of the service. The development and implementation of the Early Support Programme has been very effective and the service will work to secure funding to continue the activity beyond the duration of the grant.

The Service delivers extensive accredited training programmes for service providers covering the 0-19 age range. Programmes have supported training for Teaching Assistants working with children with speech and language difficulties.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Every Child Matters / Change for Children	Significant potential impact on multi-agency working and organisational structures. Realignment of service delivery in support of the 5 Outcomes	National
Workforce reform and training routes for educational Psychologists	Three year training will require changes in employment arrangements and possible regional consortiums to commission training using top sliced funding from the previous national scheme	National
Restructure of SEN budgets	Realignment of service delivery to take account of reduction in EP and ISS base budget but off set by other funding sources.	Local
Amalgamation of Early Years SEN Services	Pre-school teaching and Portage now single service and there is a need to review the organisation of other early years SEN provision.	Local
SPRU report on integrated services for children with disabilities	Reorganisation of SEN services, alongside health and social care services	Local
2 nd phase of SEN review	Redefining boundaries between special schools and local authority support services	Local

Section 4: Priorities/Initiatives/Actions for 2006/07

SEN

Outcome 1: Being Healthy in York

Priority	Initiative	Action	Deadline	Responsibility
1: To improve the physical health and well being of all children and young people (Outcome 1.1)	To introduce new DfES policy on medicines into schools and EY settings	<ul style="list-style-type: none"> To liaise with CYC Health & Safety Officer and colleagues from EY and Health to assist in writing local policy based on the DfES policy. To be familiar with document and assist in its dissemination and implementation 	Summer 2006	Teamleader for PD & MN Team
	To encourage pupils with SEN to participate in physical activities	<ul style="list-style-type: none"> To work with colleagues from Leisure and the Disability Sports Coach. To encourage pupils to enjoy physical activities within school alongside their peers. To plan activities on an individual or group basis within schools or within private gyms and sports clubs if this is more appropriate. To explore opportunities for accessing sport on a regional and national basis as appropriate. To investigate outdoor centres that are fully accessible and advise schools regarding day and residential visits. 	Ongoing	PD & MN and Sensory Teams
2: To improve the emotional well-being and resilience of all children and young people (Outcome 1.2)	Implement the 'Psychological Resilience' project as commissioned by CAMHS Executive as part of the Preventative strategy	<ul style="list-style-type: none"> Publish Circle Time curriculum materials Disseminate to schools Evaluate outcomes of pilot phase Disseminate findings though publication and conference presentation 	Summer 2006 Autumn 2006 January 2007 Easter 2007	Specialist Senior Educational Psychologist (JL)

Section 6: Financial resources

Section 7: Human resources

Educational Services - Special Needs

Section 8: Monitoring and reporting arrangements

1. it is intended to develop a three year planning cycle for SEN Services. An away day for the SEN Management Team (Head of SEN Services, Senior Adviser (SEN), Principal EP, Head of Inclusion Support Service, Education Officer SEN) has been arranged for 12 May 2005 to consider and agree a three year action plan to implement SEN Services' priorities and initiatives. Decisions will also be made about the monitoring and recording of progress. This is likely to be via the monthly SEN Management (SENMAN) meetings with an agreed long-term work programme linked to a clear recording and reporting system.
2. A formal progress report on all actions and performance targets set out in this plan will be submitted to EMAP in <date>, <date> and <date>. This report will be tabled at the relevant meeting of Strategy Team in advance of the three reporting points each year.
3. The report will provide the following:
 - A brief summary of progress against each of the priorities in the service plan;
 - A Performance Indicator summary for SEN Services;
 - A financial statement similar to the current quarterly reports.
4. Customer feedback will continue to be sought by a variety of in-house and external means including the Audit Commission Survey of Local Schools, individual service surveys (e.g. Portage, Parent Partnership), termly planning meetings with schools (EPS and ISS), consultative groups (e.g. Inclusion Strategy Group and subgroups, SEN Criteria working party, Special School Headteachers Group, Headteachers and Chairs of Governors briefings, SENCO Forums, Schools Forum, JCG etc.), course evaluations, data on appeals, complaints and use of mediation, Annual Review reports, and meetings with individual parents and organised parent groups (e.g. AIM). In 2006 – 2007 we also intend to commission research on the impact of dual placements to inform further local developments in this area of work.

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
<ul style="list-style-type: none"> • Implement phase 2 of the strategy to improve access to schools • Monitor and report on progress for pupils with SEN – 2nd phase • Record pupil level data 	March 2007 March 2007 ongoing
Safer City action/s	
Raise the educational attainment of children who are looked after	March 2007
Operational Risk – red risk action/s

Section 1: The service

Service Description.

York Youth Service is based on a philosophy about the development of young people towards "autonomy", not simply their containment, guidance or diversion into activity. It aims to support all young people as they make their transition into adulthood. Through assessed need the service will make the appropriate interventions for the appropriate duration.

York Youth Service will;

- Actively involve young people in the development of the service at all times.
- Provide places where young people can meet, which are safe, accessible, and open at times and places that young people want.
- Create opportunities for young people to participate in different activities, including: arts; drama; sport; peer education; residential; citizenship; international experiences and voluntary action through which they can develop their knowledge, abilities, skills and interests.
- Offer a variety of experiences through providing a diverse range of provision that recognises and celebrates the diversity of the young people of the city.
- Support young people in making informed decisions about their lives by providing access to information, support and counselling services.
- Advocate for and with young people to ensure they are able to play their part in planning and decision-making that affects their lives and the concerns of the wider community.

Young people aged 13-19 years are the main users of the service, with a significant number of young adults up to the age of 25 receiving specialist support. A number of adults who volunteer also benefit from working with in the service. A strong partnership culture exists with other agencies and services, and local communities are also indirect partners.

Following reorganisation in April 2005, the service is well placed to meet the challenges of *Youth Matters*, which is the Government's policy paper for delivering the Every Child Matters outcomes and priorities for teenagers. The policy proposes an integrated approach to delivering services and we are committed to working with partners to ensure improved opportunities, progression and outcomes for all young people.

Our main priorities for 2006/07 will contribute to the reform of young people's services and include:

- High quality advice and information to young people through the provision of a one-stop information shop.
- A pathfinder targeted youth support service, to be piloted in York West and focussed on the most vulnerable and hard to reach young people.
- Establishing, with partners, an integrated young people's support service to be delivered through area teams and piloted in York West and York South.
- Contributing to the proposed 'Youth Offer' so that young people have clearly defined opportunities to participate in constructive activities, volunteering and personal development.
- Ensure the active involvement of young people at every level and activity.

York Youth Service aspires to be: *The Best of Partners.*

Section 2: Service Review

Review of Action Plan 2005/06		
Priority	Initiatives	Progress on Actions
Build a strong principled led culture as the foundation for the new service.	<ul style="list-style-type: none"> • Develop Principles of Practice Framework. • Foster self performance management. • Young people's entitlement. • Efficient and effective service. 	<p>Framework developed and operating. Review pending.</p> <p>Team action plans developed with personal contributions set.</p> <p>Entitlement statement reaffirmed and information updated.</p> <p>Team meetings, supervision and PIG established. Annual conference supports change.</p>
Improve the quality of youth work practice across the Service.	<ul style="list-style-type: none"> • Implementation of the Curriculum. • Establish and implement new QA framework. • Address equality and diversity issues. • Improve the quality of buildings. • Deliver appropriate activities and services. • Improve IT and MIS. 	<p>Curriculum monitored through MIS reports. More required.</p> <p>QA framework established but observation visits not applied. Good practice shared through meetings and conference.</p> <p>Equal opps training in place – further development required.</p> <p>Buildings improved and city centre building identified.</p> <p>Street based delivery enhanced (URBIE2 and detached). MIS will measure effective interventions.</p> <p>New IT hardware installed at 4 centres and YES base. Agreed use of Connexions database for key staff. Youthbase unable to work on Council system – new programme being explored.</p>
Increase opportunities for young people's active involvement.	<ul style="list-style-type: none"> • Implement new planning process at unit level. • Ensure young people have a voice & opportunity to influence decisions. • Improve young people's progress and success. 	<p>Not yet achieved due to staff vacancy.</p> <p>Variable outcomes achieved – new voice and influence coordinator will develop 2006/07.</p> <p>Developing area with more opportunities for accreditation. BVPI not met.</p>

Priority	Initiatives	Progress on Actions
Contribute to the development of inter-agency working.	<ul style="list-style-type: none"> <li data-bbox="504 336 884 403">• Contribute to the ConneXions Partnership. <li data-bbox="504 649 865 716">• Develop partnerships with schools and colleges. <li data-bbox="504 784 865 918">• Establish an innovative partnership with voluntary and community sector provision. <li data-bbox="504 963 842 1008">• Promote volunteering. <li data-bbox="504 1086 865 1187">• Contribute to the development of Children's Trust. 	<p data-bbox="903 336 1377 616">Multi-agency city centre base identified. NEET figures reduced. 2 areas/centres to be pilots for IYSS. Key involvement in strategies dealing with mental health, teenage pregnancy, youth offending, drug and alcohol abuse, homelessness and other youth issues.</p> <p data-bbox="903 638 1295 739">Key developments in some schools. Overall more can be achieved.</p> <p data-bbox="903 784 1364 929">Voluntary youth work sector set up with 'Voluntary Youth Champions Group' linked to VOX. Services commissioned where appropriate.</p> <p data-bbox="903 952 1343 1064">York MV supported but more can be developed. New volunteer protocol established.</p> <p data-bbox="903 1086 1377 1232">The service has actively engaged with developments at strategic level and in the plans for workforce development and training.</p>

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Youth Matters	<ul style="list-style-type: none"> • Development of integrated youth support service (IYSS) • Co-located teams where appropriate. • Targeted support to most vulnerable and hard to reach (TYS). • Youth work commissioned by Children’s Trust. • Contributing to the Youth Offer. • Ensure young people are fully involved in proposals that affect them. 	DfES
Change for Children - Every Child Matters - 5 Outcomes	<ul style="list-style-type: none"> • Contribute to initiatives that help to improve the health of young people – access to sport and recreation; quality information, support and counselling on sexual health, substance misuse, healthy eating and mental health; coordinate the one-stop shop initiative. • Engage in strategies to ensure young people are safe – YorOk database and CAF; lead professional; anti-bullying strategy; crime and anti social behaviour. • Help young people to enjoy and achieve – Extended Schools; increase accredited programmes; expand PAYP to each area; reduce NEET; 14-19 Education Otherwise strategy. • Support young people to make a positive contribution – Youth Offer; Voice and Influence initiatives; IYSS; YYS; citizenship and volunteering opportunities; mobile resources to tackle anti-social behaviour; speedier referrals to Network 2. • Assist young people to achieve economic well-being – training programmes for 14-19 year olds; Young York Award; post 16 retention; early identification and intervention of those likely to drop out; one-stop shop; IYSS and YYS; U-project. • Support to frontline services – budget and new funding streams; joint training; improve MIS; impact assessments; voluntary sector contribution; APA and JAR; links with schools and colleges. 	Children’s Services Plan

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
Being Healthy Contribute initiatives that help to improve the health of young people	Improve the physical health and well-being of young people. (Children's Services Plan Outcome 1/1)	<ul style="list-style-type: none"> Working with partners we will ensure all young people have access to 2hrs of sporting activity and 2 hrs of other constructive activity each week. Each youth service area will provide a programme offering a wide range of experiences and safe places to meet in. Up to date information will be available in all youth provision to outline opportunities across the city. 	Ongoing from 1/4/06	Officers Team Leaders
	Improve the emotional well-being and resilience of young people. (1/2)	<ul style="list-style-type: none"> Continue to provide high quality support, information and counselling through YES/one-stop shop and maintain appropriate referral routes. Ensure access to mental health training for staff. 	Ongoing November 2006	ISC Team Leader Training Co-ord
	Improve the sexual health of young people. (1/3)	<ul style="list-style-type: none"> Contribute to Teenage Pregnancy Strategy by offering impartial confidential service through the YES/one-stop shop and area-based provision. Provide health worker in each of the 5 areas. Ensure access to sexual health training for staff. 	Ongoing May 2006 July 2006	ISC Team Ldr Teen Pregnancy Co-ord Youth Officer Training Co-ord
	Improve the health and well being of the most vulnerable young people. (1/4)	<ul style="list-style-type: none"> City centre one-stop shop established to improve access to services. Access or referral to a wide range of health services through integrated approach across areas. Continue to assist and deliver support to individuals through nurture groups and chill out clubs at local level. Ensure access to substance misuse training for staff. 	October 2006 Ongoing Ongoing Ongoing	IYSS Project Board Team Leaders Team Leaders Substance Misuse manager

Priority	Initiative	Action	Deadline	Responsibility
Staying Safe Engage in strategies to ensure young people are safe	Ensure safeguarding of young people is of the highest standard. (2/1)	<ul style="list-style-type: none"> • Make more use of the YorOK database and ensure staff are trained in its use. • Introduce Common Assessment Framework as appropriate. (Linked to TYS pathfinder) • Pilot the Lead professional proposal through the TYS pathfinder. • Pilot the 'Sliding Care Model' through TYS pathfinder. 	Ongoing September 2006 September 2006	Children's Trust Unit Officers Officers
	Protect young people from bullying and discrimination. (2/2)	<ul style="list-style-type: none"> • In conjunction with young people all provision will design and adopt anti-bullying and anti-discriminatory policies building on the Respect Charter. 	September 2006	Team Leaders
	Minimise the impact of crime and anti-social behaviour on young people. (2/3)	<ul style="list-style-type: none"> • Engage in inter-agency collaboration to reduce the adverse effects of drugs and alcohol misuse. • Seek further funding to extend mobile provision and crime reduction projects (e.g. Urbie, Network2 and Momentum on 2 wheels). • Work with Safer York to develop strategies to engage with young people at risk of offending. 	Ongoing	Officers and Team Leaders
Enjoying and Achieving	Develop a broad, relevant and flexible curriculum in order to enhance achievement and raise standards (3/2) and Contribute to making learning enjoyable, purposeful, relevant and challenging for every young person. (3/3)	<ul style="list-style-type: none"> • Increase the range of opportunities for young people's contribution and learning to be accredited. 	September 2006	Curric. & accred. co-ordinator
		<ul style="list-style-type: none"> • Extend the PAYP programme to cover 5 areas. • Contribute to the 14-19 learning strategy. • Contribute, where appropriate to the Extended Schools developments. 	July 2006 Ongoing Ongoing	Youth Officer Head of Service Team Leaders
		<ul style="list-style-type: none"> • Ensure a wide programme of opportunities for young people to enjoy and achieve is embedded in all area action plans. 	September 2006	Team Leaders and coordinators
		<ul style="list-style-type: none"> • Extend the reach of Duke of Edinburgh's Award. 	September 2006	D of E Coord

	Raise attainment amongst target groups. (3/10)	<ul style="list-style-type: none"> • Work with Connexions to reduce those young people described as NEET. • Develop strategies and specific programmes to meet the needs of identified young people for whom alternative education is required. 	Ongoing from previous years. April 2006 and ongoing	Youth Officer and key staff Youth Officer
Making a Positive Contribution	Contribute to the Youth Offer. (4/1)	<ul style="list-style-type: none"> • Establish an integrated youth support service through collaboration with key partners. • Contribute to the pathfinder TYS initiative in the York West area. • Develop provision in order to contribute to specific elements of the Youth Offer 	April 2008 September 2006 Ongoing	Head of Service Head of Service Team Leaders
	Encourage young people to become active and responsible citizens and to consult with them. (4/2)	<ul style="list-style-type: none"> • Contribute to the implementation of the Hear by Right standards. • Ensure that opportunities are provided across the service for young people to have a voice and influence decision making at all levels. • Access additional funding to develop initiatives to create volunteering opportunities. 	Ongoing Ongoing Ongoing	Officers Voice and Influence Coord. Officers
	Reduce the number of young people involved in crime and anti-social behaviour. (4/3)	<ul style="list-style-type: none"> • Increase the URBIE mobile resource and outreach provision, on the basis of need, to tackle anti-social behaviour and support young people to access activities and services. • Ensure speedier referrals to Network 2, YISP and the Island. • Maintain and extend the Momentum on 2 Wheels and skate park projects. • Extend the PAYP project to 5 areas 	May 2006 Ongoing September 2006 July 2006	Youth Officer Officers Officers Youth Officer
	Achieving Economic well-being	Develop vocational learning as an entitlement for all 14-19 year olds. - Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

Section 7: Human resources

Subject to amendment after April 2006

Section 8: Monitoring and reporting arrangements

An improved database will be introduced from April 2006, which will provide all the baseline requirements for detailing the work of each element of provision, recording and assessing individual young people and collating citywide data to monitor, defend and evaluate our service. Having ready access to this data at city wide, area and local level will enable us to show the achievement and benefits of youth provision. Relating up to date information about provision to current data about local needs can strengthen the case for developing, and increasing support for local provision.

Termly Reviews provide a tool for each area, unit or project to review the work it has undertaken in the previous term and use this to plan the approach it will take in the next term. It will support the delivery of youth work by providing time for reflection and planning. A proforma is sent to the unit containing the centrally processed data for the term. The termly review would happen after the last session of each term. Feedback from young people about the previous terms activities and plans for the next term would need to be gained before this session. Line managers will give support to staff in completing the termly reports/action plan.

Annual Review provides units with a tool to look more strategically at their provision, identify their needs and aims for the coming year. It provides a mechanism by which unit plans are linked to the plans for the service as a whole, and the contribution of units is recognised. All staff in the area team would be involved in discussion and completion of the report and Information from this will be used to inform strategic planning.

A formal progress report on all actions and performance targets set out in this plan will be submitted to EMAP in May, October and February. This report will be tabled at the relevant meeting of Strategy Team in advance of the three reporting points each year.

Progress will also be reported to Connexions LMC, Children's Joint Management Group, and Government Office Y&H on an annual basis. An annual audit of baseline data is also required by the National Youth Agency.

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
<ul style="list-style-type: none"> • The youth service will ensure that provision is accessible to all young people. • The service will, through its equalities team, provide additional support to young people from different ethnic groups and those with special needs. • In service training will include opportunities for staff to gain an understanding of the issues affecting minority groups and practical solutions to ensure inclusion. 	<p>April 2006</p> <p>Ongoing</p> <p>Ongoing</p>
Safer City action/s	
<ul style="list-style-type: none"> • The Positive Activities for Young People programme will be extended to all 5 areas in the city. • The URBIE mobile vehicles will be extended to more localities through additional funding to work with young people who are not accessing services. 	<p>July 2006</p> <p>May 2006</p>
Operational Risk – red risk action/s	
<ul style="list-style-type: none"> • None identified 	
Gershon – Efficiency improvement	
<ul style="list-style-type: none"> • The establishment of an Integrated Youth Support Service and merging with ConneXions will have an impact on improving efficiency in future years. 	<p>April 2008</p>
Competitiveness statement	
<ul style="list-style-type: none"> • Ofsted judged the service to be satisfactory value for money. • The annual National Youth Agency Audit places the service in the top quartile in most measures, benchmarked against all local authority youth services. • The service strives to work in partnership with a wide range of agencies and organisations, including the voluntary and community sector, to ensure improved outcomes for young people and value for money. 	

Service Plan for 2006/07

Service Plan for: Children and Families

Directorate: Learning Culture and Children's Services

Service Arm: Children and Families

Service Plan Holder: Peter Dwyer

Director: Patrick Scott

Signed off:

Executive Member: Cllr Carole Runciman

Section 1: The service

Service Description.

This service works at any one time with approx 1200 children and young people in the city whose needs or situations require specialist intervention. The service provides a range of interventions designed to assist families and protect children and young people "in need" within the community under the provisions of the Children Act 1989; Children Act 2004 and Adoption and Children Act 2002.. Working in partnership with others these include assessment, case/care management, child protection investigations, family support packages, adoption support, individual and groupwork etc. Social work teams are based at our main Ashbank, Hollycroft and Heworth sites. When children are assessed as being at serious risk of abuse the service takes lead roles on interagency child protection planning. Under Section 47 of the Children Act staff of the service undertakes child protection investigations whose outcomes could result in registration on the local Child Protection Register and/or court approved compulsory protective interventions to remove children from their parents' care. The service is likely to be involved in some 20-30 sets of care proceedings at any one stage. Such legal proceedings are highly complex and resource intensive. For 2005/6 it is anticipated that in excess of 180 Section 47 investigations will be conducted and at Jan 2006 49 children's names were on the register. The three family centres at Clifton, Holgate and Heworth together directly support approximately one hundred families in need or experiencing difficulties. Additionally the family centres also offer group work for parents and open sessions for children and families from the wider community. Increasingly the work of the family centre is becoming integrated with service provision through Sure Start and the new Childrens Centres. The Children and Families service provides care & accommodation for children & young people looked after by the local authority under the provisions of the Children Act 1989 and the Adoption Regulations. A range of direct care services are provided to care for these children including residential children's homes & a Family Placement Service with approx 82 foster carers including within it a professional fostering scheme. The majority of children and young people looked after are placed with foster carers or in other family settings. At January 2006 145 children and young people are looked after in mainstream short term or permanent fostering placements. Of these around 86% are placed with foster carers or in other family settings with the remaining 14% in residential care. A further 8 places are available in another specialist home to provide residential respite care for children with profound disabilities and in total approximately 100 children benefit from this as well as from the family based respite care service for children with disabilities. The service in line with the requirements of the 2000 Children (Leaving Care) Act supports approx 124 young people in some cases up to the age of 24 who have been either previously in the care of the authority or have been identified as vulnerable young homeless. The overall service operates within a clear legislative framework and interventions by the service are in situations often described as Tier 3 and 4 where the authority has a statutory responsibility to act. The service benefits from having a Quality Assurance arm providing an arms length reviewing service and training and development service. The identified role of all local authorities in leading the children's agenda results in clear strategic and operational responsibilities for children and young people being located within this service.

Section 2: Service Review

Reflecting on 2004/5 it is greatly reassuring to note the progress made in completing the vast majority of the planned actions in our service plan for the year. This progress has been made in the context of the service arm moving from Community Services to help form the new Directorate of Learning, Culture and Children's Services. The plan had been reported to EMAP on two occasions and was used as a key prioritising and monitoring tool within the section during the year. As regards progress against key priorities we can distinguish between process and outcome based priorities. When looking at **process based priorities** we can easily identify

- Preparation for the relocation of 2 family centres in local integrated children's centres has progressed smoothly through active role with key partnerships locally and citywide. Holgate and Clifton centres will be relocated during 2006 and staff groups are committed to and supportive of the development and the opportunities it creates.
- The movement to Electronic Social Care records and our pilot work on the Integrated Children's System has been challenging but further progress has been made and the authority is well ahead of most in responding to this national requirement.
- Research from the University of York on developing recommendations for the further integration of children's disability services is now complete. In cooperation with the Trust the division is keen to embrace the next phase of implementation.
- National Independent Reviewing Officer Guidance has been implemented in full with new job-plans and processes established. Training of all staff completed and practice benefiting as a result. A designated paediatrician for looked after children for health needs assessments has been recruited who started in September 2005 and is already making a positive contribution. This also enables agreements about health needs reviews being undertaken by health visitors and school nurses to be progressed
- The profile of our Equality strategy work has been enhanced with Equality Impact assessments being completed for the whole division.
- As a result of an ACPC audit, activity thresholds for Referral & Assessment team involvement have been re-confirmed and assessment statistics on work undertaken by the team are most encouraging.
- A partner group has been established to review arrangements for the undertaking of Young Carers Assessments.
- Improved availability of service information: Children & Families' Web content reviewed and enhanced (BVPI 157 standards)
- The service has developed a high quality Service "Training & Development strategy" and progress as part of that is being made in establishing better training records & explicit core training requirements.
- New support service developments with local Housing Association increasing support to care leavers and the young homeless.
- The internal AD led HR Review Group continues to promote flexible working opportunities, e.g. home working & job swaps; PDP / Supervision completion rates continue to be high and we have piloted a team based stress management tool in 2 teams.
- Health and Safety strategy has been reviewed and re-prioritised.

When looking at specific **performance outcomes** we can also positively report

- York is the top performing authority in the country for the % of children adopted from care – those adoptions are also proving successful and are completed within national timescale targets.
- York increased performance during the year in key areas including the completion of health assessments and personal education plans for looked after children.
- We increased annual placement stability; and reduced offending by looked after children.
- York reduced its care population by over 10% during the course of the year and reduced by 50% the numbers of children living in outside of the city fostering and residential placements
- Key child protection indicators on reviewing and allocation of work were also enhanced

The overall result of such continued progress was a highly positive feedback in the APA assessment with a score of 3 for children's social care and 4 (excellent) prospects for improvement for the service. However the nature of the work and the demands placed particularly on unitary authorities by the challenging and developing agenda cannot permit complacency and the following **key areas for improvement and development** have been identified.

1. We must seek improvements in our completion rates for initial and core assessments. Our new ICS system whilst electronically based is criticised for being unnecessarily time consuming and bureaucratic. Now out of the pilot phase we need to shorten and ease completion without losing their outcome focused nature. Progress here will also need to be reflected in changes in other key documents. We need the technology to enhance practice and not distract from face to face contact. At the same time we need to balance assessment completion rates with achieving high quality outcomes and achieving strong family engagement in the assessment process. The staff survey reported concern from staff in this area and we will respond by implementing a "reducing bureaucracy" initiative.
2. We have a major recruitment and retention difficulty in our Referral and Assessment Service – the place where experience is most vital. We need to understand better why and implement actions to address.
3. We have in common with other LA children's social care sections significant budget pressures. Some of these are historic but action nonetheless is required. We need to reshape our services for support of disabled children to provide more cost effective, flexible and closer to home provision. We need to continue to increase local placements whilst at the same time reducing further the in care population; we need to ensure legal costs are more effectively contained; we need to reduce current use of agency staff. We need to manage the risks involved in the planned closure of one of our residential units to ensure this does not either adversely impact on the lives of young people, lose the skills evident in the workforce or result in the increased use of external placements. Part reinvestment options under development need to robustly ensure they provide suitable local placement choice and maintain the drive of reducing the care population.
4. Whilst the building blocks for improving the educational outcomes of our looked after children are in place we still fall short of the national targets. This may be for reasons beyond our control but we need to be doubly sure this is the case and take action if not. Educational support and the level of that provision is also crucial to the achievement of overall stability in our placements and work to enhance the overall range and intensity of educational input must be a priority.
5. The results of this year's staff survey are of value. Based on a relatively small sample (30%) and showing performance usually ahead of the rest of the authority, the findings still represent a need for us to ensure that our performance as a people based and dependent service is enhanced. Reviews of feedback routes and communication strategies need to be prioritised as part of this process. Whilst staff feedback is important the views of our customers should also be heard. After the somewhat limited value of national PSS survey of young people in 2005 more local opportunities will need to be created to target consultation activity during the next year.
6. Our performance against key priorities and national indicators needs to be maintained. If we continue our success in reducing the overall looked after children then inevitably those in care for longer periods will increasingly be the young people with most challenging needs. Achieving or even maintaining current good outcomes with this group will be a significant step forward.

In addition to the work already identified above the service will need to ensure capacity is there to grasp opportunities or respond to new national prerogatives. These are identified in more detail in the "drivers for change" section (Section 3) of this plan.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Adoption and Children Act 2002	Implemented incrementally, 2006 will see enhanced responsibilities falling to the division to ensure improved post adoption planning and support services for all involved in the adoption process.	DfES
Green paper on LAC	A Green Paper on looked after children is anticipated in Spring 2006. Key themes likely to be around education of looked after children; placement stability etc.	DfES
Social Problems and Policy Conflicts	The growth within society of the misuse by adults of drugs and alcohol has a direct impact upon this service arm as the particularly the complexity and potentially the volume of cases warranting protective interventions could increase. The welcomed higher profile paid to issues like Domestic Violence could impact significantly on the referrals to the service. Additionally the more authoritative interventions of other services to tackle nuisance and anti-social behaviour and rent arrears could result in enhanced pressures on the delivery of the current service.	
New “Working Together” Guidance	The transition from ACPCs to Safeguarding Boards by April 2006 is locally well in hand. Details of the expectation of the new Board were provided in the early release of Chapter 3 of the new Working Together document. The full “Working Together” final version which describes expectations of interagency child protection working will be published by April 2006 and could carry significant implementation issues.	DfES
Electronic Social Care Records	The expectation of the use of electronic social care records by Jan 2006 for the recording of our work and assessments of children and young people in need was met in York but despite our ICS pilot status ESCRs present ongoing strategic and operational challenges. Considerable system development, training and partnership implementation issues remain. Local staff survey highlighted staff concern about increasing bureaucracy and paperwork in role deflecting from direct practice and reducing job satisfaction.	DfES
Integrated Services Agenda: <ul style="list-style-type: none"> ✓ Children Centres Development ✓ Integrated Youth Support 	National expectations surrounding the growing development of integrated children’s centres providing a range of education and family advice and support services locally. York is required to have 8	DfES

✓ Integrating Disabled Childrens Services	in place by 2008 and likely to have additional resources/expectations for further number by 2010. Clear implications for the existing services within this service arm that contribute to that agenda. Similarly integrated Youth – Connexions service and the planned city based one stop shop and the quest for more integrated services for disabled children positively impact on this service arm.	
Placement Strategy and Budgetary Constraints	A combination of changing patterns in the looked after children population; success of our local placement strategy and budget pressures within the authority and section bring with them challenges and opportunities to further reshape resource provision to achieve required economies. Closure of a residential unit with some reinvestment into professional fostering and support services planned for July 2006.	2006/7 Budget Round
National Fostering Allowances	National consultation underway January – April 2006 with the intention of delivery on the power within the 2004 Children Act to set a national fostering allowance rate. This is likely to be confirmed from July 2006 and will carry with it inevitable implications on the local authority to review and amend its payment structure accordingly.	DfES
Workforce Development and Staff Consultation Feedback	The children national workforce development agenda is a significant one with implications both for the social work profession and the wider children’s workforce agenda. The section will need to be equipped to engage and respond to this programme. In addition the section needs to respond to key messages arising from both staff survey feedback and any other staff consultation work undertaken.	DfES/Local

 FGCC : Family Group Conf Coord

Section 8: Monitoring and reporting arrangements

This Service Plan itself has been produced following a series of consultation opportunities and the engagement in as many members of staff in the section as possible. The service plan has built from core planning activity within the section and incorporate any feedback received on the service throughout the year. Actions specifically identified in this document all have a Named Lead from a member of Children's Management Team (CMT). This will enable the action to be timetabled into future meetings of CMT but also incorporate the action into work plan/appraisal process for those managers. The Plan will be approved at a meeting of the Executive Member Advisory Panel and be then updated and reviewed by the same forum at key stages through the year.

As in previous years internally this Service Plan will also be cascaded into work plans for teams/groups of teams. The reviewed internally developed format for work plans enables clarity on service priorities to be cascaded and appropriate contributions to those priorities maximized. This year all work plans will have key performance targets for the section cascaded to a team level. Those work plans will be produced with the full inclusion of all of the staff group and clear linkages between those work plans and this Service Plan will as a result be possible. Work plans will be completed by end of June 2006.

Key PIs will be monitored through key management forums and the overall process overseen by the Service's Performance Management Group. Specific targets against Staff based improvements will be overseen by the Service's HR Resource Group. Full use of QPR and ICS will maximise improvements in access to performance information. Autumn 2006 will see a further major planning event for all managers within the service where reviews of 2005/6 progress across all sections will be a key activity as part of planning for 2007/8.

Financial reporting and monitoring through CMT will remain a monthly key priority. Included in the plan is a stronger emphasis on specific consultation activity during the course of the year. Reporting on key performance to external interests eg Commission for Social Care inspection/Ofsted will continue through regular business meetings; performance submissions eg OC2 and the APA process.

This Plan contributes to implementation of the priorities identified within the Directorate Plan and the overarching strategic plan for Children and Young Peoples Services for the city.

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
Update the Staff and Carer Guide to Working with and Caring for Children and Young people from Minority Ethnic Communities	March 2007
Improve Management and Planning Information on a Partnership Basis to help in strong debate on take up of services by minority communities	March 2007
Ensure all user groups have appropriate access to interpretation services for for key interventions by the service	March 2007
Safer City action/s	
Maintain the improvements in reducing the offending rates of Looked After Children	Oct 2006
Complete review of practice with the police in responding effectively to young people missing from care	Oct 2006
Actively engage with partners to plan interventions aimed at addressing the prevalence or risk of ASB/crime by young people	Ongoing
Operational Risk – red risk action/s	
The closure of a childrens home carries with it significant achievability risks which could result in significant budgetary pressure – the risk is reduced by targeted reinvestment and a whole service approach to reducing the looked after population	July 2006
The relocation of some services into colocated/integrated delivery Arrangements could impact on the level in the short-term of demands on that service – this risk is reduced by clear eligibility criteria, good management and strong communication systems being in place	From April 2006
The transition to electronic records system and implementation of a raft of new documentation and processes has impacted adversely on performance in some – plans need to be progressed to remedy this situation if negative impact on key PIs/inspection results are to be avoided.	July 2006
Gershon – Efficiency improvement	
The reshaping of our resource provision and movement to greater reliance on fostering placements is projected to reduce unit costs for children in care in York from current £608 per week to £560 per week	March 2007
The relocation of key aspects of service provision has potential to achieve either efficiencies in accommodation/managerial and operational input or the retargeting of existing service provision to earlier more cost effective forms of intervention	March 2009
The movement to electronic social care records has potential if implemented fully to achieve “non cashable” improvements by reducing the bureaucracy of current case management/processes and thereby enhance direct interventions with the public	March 2007
Competitiveness statement	
Children’s services and social care within it are subject to annual integrated inspection arrangements. In the 2005/6 Annual Performance Assessment the service arm received highly positive feedback scoring a 3 (out of 4) for current provision and a 4 (out of 4) for its prospects for even further improvement. This places the authority in the top quartile of assessments of local authority’s children’s social care. The inspectors recognised in their feedback that this performance had been achieved in the context of the authority having one of the lowest spends per head of population in the country.	

Service Plan for 2006/07

Service Plan for: Arts and Culture

Directorate: Learning Culture and Children's Services

Service Arm: Lifelong Learning and Culture

Service Plan Holder: Gill Cooper

Director: Patrick Scott

Signed off:

Executive Members: Cllr Carol Runciman, Cllr Keith Orrell

Signed off:

Section 1: The service

Service Description.

The purpose of the Arts and Culture Service is to serve local communities, creating opportunities for all York residents to learn, enjoy, participate in and appreciate all forms of the arts. We also provide the events organisation and support for the Lifelong Learning and Culture section of the directorate. We are focussed on five primary goals:

- Increasing public participation in the arts and cultural activities
- Ensuring that every child has access to a high-quality arts education
- Strengthening local communities through active participation in the arts.
- Working through partnerships to make York more eventful and
- Supporting artists and arts organisations to develop

To achieve our goals we are building on and developing partnerships at local, regional, and national level with government agencies, educators, arts organisations, regional funding bodies, entrepreneurs, local community groups and individual artists. We continue to work towards improve access, both physical and social, to the arts.

We continue to provide the facilitation for the cultural element of the Local Community Plan and this year will be heavily involved in the development of a new Cultural Strategy for the city, helping to shape the cultural elements of the Local Development Framework. The Arts and Culture Service supports the corporate objectives through:

- Working within Lifelong Learning and Culture to provide arts and creative opportunities for children, adults, professional artists, arts organisations and communities, through projects, events, festivals, funding and development advice
- Working within schools and early years settings to provide curriculum support to school staff, training opportunities across the arts, programmes of cross arts/ cross school projects with professional arts organisations, performance and exhibition opportunities, Instrumental / vocal tuition in schools and tuition in all the performing arts at two Performing Arts Centres.
- Working with partners such as Creative York to promote the Arts and Creative Industries in order to maintain and develop tourism, new media and a strong economic and creative environment.
- Working in partnership to develop the events programme, community arts work, the cultural and creative industries and the physical environment for arts activities across the city
- Working with City Strategy and Economic Development to create safer more eventful public spaces and develop an accessible public arts policy for this historic city.

Arts and Culture work with a wide variety of customers from children and local communities through to artists, entrepreneurs and regional agencies. The service is based at Mill House.

Section 2: Service Review

Service Description.

Since its restructure in 2004/5 Arts and Culture have had three interlinked teams working to deliver its service plans objectives; Arts Education, Arts Action York and Cultural Events Team. As well as having distinct areas of responsibility cross team and cross directorate working have ensured an effective contribution to the performance of the directorate.

Arts Education has seen the numbers of pupils taught in vocal/ instrumental lessons rise consistently and our LEA percentage of pupils taught remains above the national average (York 11% National 8% DFES). The Wider Opportunities pilot was a success with schools rating the provision very good or excellent. However there is still a marked reluctance for school funds to be used in this manner, something which direct devolvement of these funds to schools seems not to alleviate, and this will remain an concern in the next year as more DFES Standards Funds are distributed this way. We will be working closely with schools and LEA Finance to support the effective use of these funds. If successful we will continue to more than meet our commitments under the DFES/DCMS Music Manifesto.

Provision at Performing Arts Centres is more of a mixed story with numbers not growing as fast as predicted and the take up of ensemble provision through the extended schools programme only just hitting their target. Adult education provision remains strong, helped this year, through the partnership with St. John's University College and SAA-UK to provide Bollywood Dance Classes (following the very successful Bollywood Fever Community show during Dance Week). We are just completing a review of PAC provision and will be undertaking some pilot testing of the recommendations next term.

Consultant support in over 50 schools last year was rated as good or very good (98%) and satisfactory in the remaining 2%. In addition their contribution to Every Child Matters agenda through projects, festivals, events and community arts work should be acknowledged. This year has also seen the team work closely with EDS ICT consultants to develop film and digital media as an additional art form accessible to school pupils.

Arts Action York, our community arts team funded in partnership with ACE:Y, continues to go from strength to strength. The whole team have out performed targets for community participation. Since their inception they have undertaken over 60 projects directly linked to the corporate and directorate objectives. Training programmes and support networks for artists have been established and a key element in a lot of the work they undertake is the building of a community's capacity to take the work forward and develop their own provision without AAY's continued input. Space 109 has grown out of this approach as has many single business artists. They have also been working closely to support the Festivals element of our work especially York Live and Sightsonic.

Research work jointly with North Yorkshire Council on Voluntary Arts in the sub region is due to report in May. Community Arts research funded by the York Adult Learners Forum will report in June and from both of these pieces of work will come recommendations that we will take forward in a further application for funding to ACE:Y to be submitted within 2006/07. They continue to lever in over £60,000 of additional funding to support arts activities in the city. Through AAY's work on the community element of the regional Illuminate programme they received national recognition through their award for BIG Draw, one of only 5 national winners. The sheer scale and range of

Service Description (continued).

their work has been putting some strain on the administrative support for Arts and Culture and although additional resources through the reorganisation of the business support unit in Lifelong learning and Culture are currently being considered this is still something that will need to be addressed in the coming year.

The Cultural Events Team has led the city's development of [York@Large's](#) City of Festivals initiative, and our own festival provision of York Live, Dance Week and Sightsonic have all received positive evaluations. A rise in the number of residents who find the city more vibrant and cosmopolitan reflects the Cultural Events team's achievements. The team, with a large number of partners, helped to organise the celebrations of the 400th anniversary of the thwarting of the Gunpowder plot. EDU analysis of the economic benefit of GF400 and Renaissance: Illuminating York estimated that there was £1.27M boost to the local economy.

The team have also been supported in the last 12 months by a substantial injection of funds from the regional "Illuminate" urban cultural programme. This funding ceases in October 2006 but the demand created by both this and 'City of Festivals' is such that we are already under considerable budget pressure in this area of our work. A joint bid with North Yorkshire to Yorkshire Forward for additional festival support has been delayed because of Yorkshire Forward's revised internal criteria and timetable, and the need to review the proposed business model in the light of these. We have started to work more closely with other council funders of events and festivals; York Area Tourism Partnership, Science City York and the City Centre Partnership, to develop a more strategic approach to the council's spend in this area of activity. This, coupled with the development of the AAY bid to ACE:Y, will require a review of our current resources and structure.

Our income target for events has not been obtained this year due to a variety of factors: Ascot, while successful for the city as a whole, reduced our section's earning ability in relation to the Knavesmire, changes to licensing laws and charges have made events organisers more risk adverse and the siting of the Big Wheel at the NRM, rather than on CYC land, have all contributed to lower income earned. However, our Events Officer is currently reviewing business development proposals to reverse this trend. The popular appeal of the Ice Rink, the Streets Alive activity in the city centre and the success of the VE day celebrations are already resulting in new activity in the coming year.

Across the whole service we have been closely with other directorates in the council and external partners. We have also been involved in the Renaissance: Illuminating York programme bringing new public art and lighting to the city. The most memorable of these being the "Heart of Yorkshire" by Patrice Warrener, which lit up the west face of the Minster. But the artworks on the façade of York City Arts Gallery, and the public response to Dancing in the Streets also deserve honourable mentions. This work continues with a programme of public art featuring in the current York Lighting proposals being submitted to Yorkshire Forward. Sightsonic, our work with the Hospital, Gateway to the Quarter and SureStart will see a continuation of Public Art work in the city.

Joint working through NYCOG (North Yorkshire Cultural Officer Group) has undertaken research in the area of Festival and Events, Voluntary Arts and Creative Industries. All of these are now very close to reporting their findings and the recommendations of this research will have to be considered carefully in relation to our future development. In addition the success of the urban cultural programme 'Illuminate' across the five key cities in the region will, alongside the regional Major Events Strategy, start to shape a regional agenda in this area.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Sub Regional Investment Strategy for Culture	Investment in 5 Key Cities cultural agenda may require a more regional operation to this part of the service. There would be staffing and resource implications of possible bids to Yorkshire Forward on Events and Festivals and Creative Industries Network	Yorkshire Forward/ NYCOG
Devolvement of Standards Fund money for music to schools	Possible reduction in level of instrumental provision in schools due to loss of economy of scale and because the budgets would not be ring fenced Wider Opportunities teaching model becoming the more common method of instrumental provision in Primary schools with knock on effects to teaching staff in the service.	DFES
Loss of External funding support	Both Urban Cultural Programme and Arts Council funding for our activities will drop out this year. While a further bid is being developed with ACE:Y the UCP money ceases. Both factors will require a review of the allocation of staffing and resources	ACE:Y UCP
Council Budget pressure	Continued squeezing of financial resources will need to be reflected in the reprioritisation of the services activities	Council Budget
Safer and Stronger communities/ CPA priorities	The agenda of increasing community participation needs to be re emphasised in our work and in the evaluation of that work. The activities of the whole team in increasing participation and how that is measured will need to be a key element of our team planning	LAA and CPA
Preparing a Cultural Strategy for York	Concern over capacity issues of the service to contribute effectively, review and reprioritise its own work.	LL&C plan

Section 4: Priorities/Initiatives/Actions for 2006/07

Please note abbreviations Arts Action York = AAY

Arts Education Team = AET

Cultural Events Team = CET

Management Team = MT and consists of Gill Cooper, Alison Goffin, Peter Boardman, Emily Harvey and Lyn Fox

Outcome1	Initiative	Action	Deadline	Responsibility
Making York More Eventful				
Facilitate, plan and support a citywide programme of festivals and events that makes the city and its local neighbourhoods more vibrant.	Promote York @City of Festivals as an established and highly visible brand with events organisers and Tourism Bureau and Yorkshire Tourist Board. Brand our events within this to raise awareness.	<ul style="list-style-type: none"> • Develop robust Festivals evaluation process with First Stop York • Plan calendar for the provision of a regular programme of events, concerts & performances throughout the city • York @ Large to discuss future priority areas for Festivals. Follow-up work with First Stop York etc. • Produce a review priority of Festival and future funding for York @Large • Produce, in partnership, a marketing strategy for the city's cultural offer 	<p>May 2006</p> <p>Annual rolling</p> <p>By June 2006</p> <p>June 2006</p> <p>September 2006</p>	<p>Peter Boardman</p> <p>CET</p> <p>Peter Boardman</p> <p>Peter Boardman</p> <p>Management Team</p>

	Develop a festivals office function to work with regional agencies, council colleagues and with events promoters and organisers to develop world-class events in the city.	As a festival office function	Annual rolling	CET
		<ul style="list-style-type: none"> • Develop the www.yorkfestivals.com website in line with Y @ L priorities and best practice in safety and event management 	Ongoing	CET
		<ul style="list-style-type: none"> • Co-ordinate Events Network meetings 	Ongoing	Liz Topi
		<ul style="list-style-type: none"> • Work with potential events promoters to bring new activities to York 		
		At city level	Ongoing	CET
		<ul style="list-style-type: none"> • Complete and distribute the venues audit as part of infrastructure support 	September 2006	Gill Cooper
		<ul style="list-style-type: none"> • Support work on a Major Events Strategy for the city 	Ongoing	Gill Cooper

Outcome 2				
Engaging in Learning	Initiative	Action	Deadline	Responsibility
Increase the opportunities for formal lifelong learning and culture in a range of cultural settings	Develop clear service arm performance indicators which set a base line for engagement in formal learning (base period August 2004 – July 2005)	<ul style="list-style-type: none"> • Develop framework/audit of existing provision (tap into existing assessments used by schools) • Set clear baseline performance targets/indicators 	By January 2007 Annual Rolling programme	Alison Goffin MT
	Extend the use of learning tasters at events and festivals	<ul style="list-style-type: none"> • Work with event and festival promoters to include sessions in their programmes • Incorporate learning opportunities into the programmes for York Live, Dance Week and SightSonic • Work with Adult Education (Claire Douglas) to develop a strategy increase participation in performing arts through taster sessions. 	Ongoing Ongoing June 2006	CET/ AET CET/AET Alison Goffin /Michelle Silby
	Explore the potential to develop full cost programmes	<ul style="list-style-type: none"> • Undertake detailed budget exercise for specific courses, with a view to implementing in September 	By September 2006	A Goffin
Provide opportunities for people to take their first step back into learning	Run taster sessions as part of a number of city wide education and cultural events	<ul style="list-style-type: none"> • Work with event and festival promoters to include sessions in their programmes 	Ongoing	CET
	Ensure that progression routes are available and explicit at informal learning events and activities	<ul style="list-style-type: none"> • Provide relevant information and advice re learning pathways at all festivals, workshops and public participation events 	Review October 2006	MT

	Work with community groups and organisations to develop programmes that target groups and individuals that currently do not participate	<ul style="list-style-type: none"> • Run projects/events with community groups and organisations as part of the programmes for York Live, Dance Week and SightSonic • Evaluate existing learning opportunities and develop contacts to facilitate pathways for progression. (<i>E.g. work with Future Prospects on digital media projects</i>) 	Ongoing Review June 2006	CET/AET Emily Harvey
Contribute to the development of a citywide learning culture	Develop partnership working with professional cultural organisations to improve the range of learning opportunities in the cultural sector	<ul style="list-style-type: none"> • Facilitate partnerships with Professional Artists/ Arts organisation via <ul style="list-style-type: none"> • Arts Service projects • Arts Education Outreach Network Meetings • Artists in Schools database • Working with 'Higher York' and FE/HE providers • Partnership work with Theatre Royal • Work with regional arts organisations (<i>E.g. Yorkshire dance</i>) • Develop partnerships with York Choirs (<i>E.g. York University, Ebor Singers</i>) • Maintain overview of provision and needs for training for community artists. (<i>E.g. AEON, community arts research project</i>) • Develop partnership with St Johns Film & TV department to allow them to engage with schools and teachers 	Annual Rolling	MT Colin Jackson AET Colin Jackson Michelle Silby Tim Brooks Emily Harvey / Alison Goffin Alison Goffin

Provide support to schools and contribute to the extended schools programme	Develop a portfolio of one off and long term programmes to be used as enrichment activities for schools	<ul style="list-style-type: none"> • To promote and support a creative learning agenda through a role out of the Wider Opportunities programme to develop creative teaching • Roll out a programme of new Wider Opportunities initiatives to cover a wider range of instruments taught. • Undertake training of all teachers to deliver Wider Opportunities • Increase Wider Opportunities provision • Develop new instrumental initiatives for whole class music through percussion • Undertake budgeting exercise to calculate real costs to schools • Research implementation of Arts Award programme, to be run with external partners 	Ongoing	Alison Goffin
			Sept 2006	Alison Goffin
				Sept 2006
			Sept 2006 Jan 2007	Sharon Brown Alison Goffin
			Summer 2006	Alison Goffin
			Summer 2006	AET
	Enhance out of hours sports support by extending the sports partnership network to all schools in the city	<ul style="list-style-type: none"> • Advice to Active Leisure • Develop working partnership with Partnership Development Managers 		Michelle Silby Consultant Team
	Develop an extended schools providers training programme	<ul style="list-style-type: none"> • Plan a CPD training programme in collaboration with EDS and Sue Foster • Plan a CPD training programme in collaboration with Active Leisure • Support staff, artists and volunteers to deliver more varied and higher quality creative arts activities. (<i>E.g. GRAB scheme and extended schools training programme</i>) 	Starting July 2006	Alison Goffin Michelle Silby Vanessa Langford

Outcome 3				
Being healthy	Initiative	Action	Deadline	Responsibility
Promote and increase the range of and access to High quality opportunities to encourage a culture of inclusive participation and healthy lifestyles	Review our direct provision of services to ensure it only fills market gaps	<ul style="list-style-type: none"> Disseminate York NHS Trust Arts Strategy Promote participation in creative arts projects as an effective vehicle to achieve better health and well-being Review findings of Mental Health and Arts Study and draw up implementation plan for recommendations Develop projects to help combat isolation and degeneration in older people. (<i>E.g. world music concerts in residential homes, Walmgate memories song writing and drama workshops</i>) 	July 2005 Annually rolling September 2006 June 2006	Gill Cooper/ Emily Harvey Emily Harvey Emily Harvey Emily Harvey
	Resource PE, school sport and a range of healthy schools activity through a cross service team of consultants	<ul style="list-style-type: none"> Promote consultants work with Healthy School initiatives Input to head teachers briefing, or raise awareness through briefing sheet Promote Arts as a vehicle for physical and mental well-being Target consultant school support towards PRU's or exclusion facilities 	Ongoing	Alison Goffin AET Alison Goffin
	Work with the NHS and community partnerships to promote participation in creative arts projects as an effective vehicle to help achieve better health and well being	<ul style="list-style-type: none"> Active participation in the NHS Trusts Arts and Environment group Partnership advice and support to oversee an agreed programme of public art work in the hospital. (<i>E.g. Cancer Care Centre</i>) Active participation in the small projects group at York District Hospital Secure funds to support arts/bioscience youth project (<i>E.g. Pulse</i>) 	Annual rolling As required As required June 2006	Gill Cooper/ Emily Harvey Emily Harvey AAY Emily Harvey

	Resource officer time to support the progress and work of the two city school sports partnerships and promote the dance element of the two Performing Arts Colleges.	<ul style="list-style-type: none"> • Ensure the work of specialist schools is linked with relevant city wide strategies such as the Community Plan, the Arts and Creative Industries Plan and the strategy for Active Sport and Leisure • Through the work of the Dance Consultant support the Royal Ballet Partnership schools • Develop a programme of work with the performing arts colleges supporting their dance provision • Evaluate the dance provision at Performing Arts Centres • Work with Sports and Active Leisure to improve the quality of Dance teaching in all phases in schools. • Encourage participation in Dance Week and Dance Festival by Performing Arts Colleges, to showcase standards 	Annual rolling By July 2005 September 2005 onwards September 2005 Annual rolling June 2006 / November 2006	Alison Goffin Michelle Silby Michelle Silby Sharon Brown/ Michelle Silby Michelle Silby AET
Build the capacity of the city's voluntary sector to enhance facility and activity provision	Identify opportunities to lever in external funding for development programmes and utilise existing resources in a way that enhances the provision through the voluntary sector	<ul style="list-style-type: none"> • Support voluntary groups in applying for external funds. (<i>E.g. Baseline, Art and About, Age Concern, YUMI</i>) • Produce action plan from the recommendations of the NYCOG Voluntary Arts research 	As required August 2006	MT Gill Cooper
	Support voluntary networks with guidance on legislative procedure. E.g. child protection	<ul style="list-style-type: none"> • Manage small grants programme and ensure good practise by grant recipients. 	Annual Rolling	Emily Harvey
	Expand the type and level of support for a wide range of voluntary organisation networks	<ul style="list-style-type: none"> • Offer project management and development advice. (<i>E.g. finding a voice, Art and About, Gravity Control, Bright Sparks</i>) 	As required	MT

Ensure that our own Leisure Facilities are accessible and fit for purpose	Redevelop the council's sport and active leisure sites in line with the priorities identified in the Active York investment strategy	<ul style="list-style-type: none"> • Consultant input to new performing art builds in schools 	As required	AET
	Promote, through the extended schools programme the use of schools as local recreational facilities	<ul style="list-style-type: none"> • Trial new Performing Arts Centre activities at strategic location across the city • Trial after hours clustered instrumental tuition 	Summer 2006 September 2006	Sharon Brown Alison Goffin
	Promote libraries and parks as sites for community relaxation and psychological wellbeing	<ul style="list-style-type: none"> • Explore the possibility of Tai Chi classes 	January 2007	Michelle Silby
Provide sources of information to promote participation in active and healthy lifestyles	Resource a cross service directory of active leisure provision through web based technology and other media	<ul style="list-style-type: none"> • Input in Active Leisure's new dance and sports directory • Input into Yortime 	Ongoing Ongoing	Michelle Silby MT
	Utilise libraries and Children's centres as hub sites for healthy living information	<ul style="list-style-type: none"> • Circulate Arts Education information (PAC, Bollywood etc) to all libraries 	Ongoing	Publicity and Promotions assistant

Outcome 4				
Making a Positive Contribution to Local Communities	Initiative	Action	Deadline	Responsibility
Work with communities to help them develop and direct their own opportunities for lifelong learning and culture.	Connecting and organising voluntary groups to help develop their own opportunities and support existing activities in their own community.	<ul style="list-style-type: none"> To work with the Millennium Volunteers to establish a volunteer events support team. Support care / community staff in developing arts skills and confidence to deliver more creative projects with their groups. (<i>GRAB scheme, development with grant funded groups, Space 109</i>) Advice to artists and voluntary groups 	Ongoing Annual rolling Annual Rolling	Kirsty Halliday Emily Harvey All
	Facilitate and support the formation and development of strong community groups able to manage their own opportunities	<ul style="list-style-type: none"> Developing artists support networks. (<i>E.g. Loose Connections, film and digital media artists forum, ROTA, Open Studios</i>) Support work at 109 Walmgate 	May 2005 Ongoing	Vanessa Langford/ CET Gill Cooper/ Dave Fleming
	Design more programmes that bring disparate communities together	<ul style="list-style-type: none"> Co-ordinate projects with a geographical focus involving diverse interest groups. (<i>E.g. Clifton and Hob Moor children's centres, Hull Road Park consultation, basement media project</i>) Co-ordinate themed projects engaging varied groups within the city and beyond. (<i>E.g. Lytnet Media Camp, Army Welfare</i>) Develop creative community consultation techniques and projects. (<i>E.g. Children's Centres</i>) 	Ongoing	AAY

	Encourage schools to develop broader provision encapsulating their cluster groups and communities	<ul style="list-style-type: none"> • Work with Theatre Royal and J Catron on PET transition project • Work with MEG students to develop composition project with Canon Lee and feeder primaries • Support All Saints 'Creative Arts Day' for transition • Develop performances by feeder primaries in their secondary schools. • Encourage Wider Opportunities instrumental groups to work closely with secondary schools on music projects/concerts 	<p>May 2006</p> <p>June 2006</p> <p>May 2006 September 2006</p> <p>Summer 2006</p>	<p>AET</p> <p>Tim Brooks</p> <p>AET Tim Brooks</p> <p>Alison Goffin</p>
Undertake the improvements in Service provision suggested by the CPA action plan and the council's Equality Plan	Continually undertake cultural diversity training for all staff	<ul style="list-style-type: none"> • Plan as part of Service Training programme 	June 2006	Alison Goffin
	Ensure that resources and book stocks available within Lifelong learning and culture are culturally diverse	<ul style="list-style-type: none"> • Review resource boxes for school use 	Annual rolling	AET
	Update and monitor the breadth and balance of activity programming at cultural facilities and services that we support and provide	<ul style="list-style-type: none"> • Review and evaluate programme 	Quarterly	MT
	Implement the Equalities Impact assessments	<ul style="list-style-type: none"> • Review progress and integrate into work plan 	May 2006	MT
	Use the existing diversity networks to inform and influence our work	<ul style="list-style-type: none"> • Liaise with YUMI, Centre for Global Education and others • Active participation on Cultural diversity steering group 	Ongoing	CET Vanessa Langford

Improve access to cultural activities, facilities and information.	Address access issues in our cultural facilities through community consultation and subsequent development briefs	<ul style="list-style-type: none"> • Work with planning to develop inclusive development briefs 	Ongoing	Gill Cooper
	Champion equality standards at existing and new third party cultural venues. Ensuring legislation is met through build specifications and service provision	<ul style="list-style-type: none"> • Review provision through SLA client meetings 	Ongoing	MT
	Ensure partner organisations understand their responsibilities in improving access.	<ul style="list-style-type: none"> • Offer advice to partner organisations on effective inclusion in formal education • Offer advice and support as part of small grants programme – terms and conditions of grants 	As required As required	AET Emily Harvey

Outcome 5				
Taking a Pride and Pleasure in the Environment	Initiative	Action	Deadline	Responsibility
	Commence the regeneration and improvement of Hull Road Park	<ul style="list-style-type: none"> Collaborate with Parks Dept on planning and funding bid. Develop community consultation projects to inform Park improvements. 	Summer 2006 By December 2006	Emily Harvey Emily Harvey
	Produce an over arching city wide Parks and open spaces strategy	<ul style="list-style-type: none"> Work with Parks and Open Spaces to review and produce the strategy ensuring a voice for the arts 		MT
Encourage residents to enjoy using and taking pride in the city's parks, open spaces, allotments and rivers, improving their quality, accessibility and the range of activities available in them. (LL&L 5.2)	Improve existing and develop new facilities to encourage people to visit their local open spaces.	<ul style="list-style-type: none"> Work with partners (voluntary / statutory) to develop community recycling programmes Evaluate the 2005 programme and produce revised programme roll out for city's parks and open spaces 	Annual rolling June 2006	Emily Harvey Liz Topi
	<i>Undertake cross departmental initiatives to improve participation rates</i>	<ul style="list-style-type: none"> Work with Parks and Open Spaces staff to develop their Summer Programme of events Distribute information across LL&C re our artists databases 	April 2006 June 2006	Vanessa Langford MT
	Run a summer music programme at Rowntree Park and evaluate this pilot to secure a fuller events programme for open spaces in the city	<ul style="list-style-type: none"> Develop a database of music providers to be included in this programme. Work with Parks and Open Spaces staff to develop their Summer Programme of events 	May 2006 April 2006	Tim Brooks Liz Topi

	Produce a protocol for events and activities in the parks and open spaces which informs and encourages people to use their local open space	<ul style="list-style-type: none"> • Make more frequent use of the major open spaces in the city for animation and events. • Review events protocol with parks and open spaces team after 12 months • To work with visiting groups of young artists to provide a range of performances in schools and public spaces. 	Annual rolling January 2007 Annual rolling	MT Gill Cooper/ Liz Topi Alison Goffin/ Sharon Brown
Provide Education and learning opportunities for schools and the wider community to increase their involvement and awareness of the environment.	Run Key stage 1 and 2 activities for schools	<ul style="list-style-type: none"> • Identify performance opportunities for schools through one-off workshops or Festivals • Target a 'Live Arts' Week at environmental awareness • Work with Parks and Open Spaces to identify opportunities for joint/collaborative working within the curriculum 	Ongoing June 2006 By September 2006	AET Alison Goffin AET
	Offer activities as part of <i>holiday activity schemes</i> Including working with partners such as the Yorkshire Wildlife trust	<ul style="list-style-type: none"> • Develop creative consultation techniques to support development of exterior and grounds of new children's centres. (<i>E.g. holiday and out of school activities</i>) 	Ongoing	Vanessa Langford
Improve the appearance and vitality of the urban public spaces	Encourage ownership of public spaces through creative consultation and active participation in Public Arts projects	<ul style="list-style-type: none"> • Work with York Songlines steering group to develop a public consultation programme • Maintain active involvement in Gateway. (<i>E.g. via Film and media projects, curating material</i>) • Manage consultations and public arts projects for Children's centres. (<i>E.g. Clifton and Hob Moor</i>) <p>Manage consultations and public arts projects for Parks and open spaces. (<i>E.g. Hull Road Park, Tang Hall Community Centre</i>)</p>	March 2006 Ongoing October 2006 October annually	Gill Cooper All Dave Fleming Emily Harvey
	Develop ideas for, and a programme of, contemporary public art in the city through the Renaissance Group	<ul style="list-style-type: none"> • Liaise with Renaissance to programme a Sightsonic community public art work • Actively participate in the Renaissance project steering group • Actively advocate the work of the renaissance project to all funding partners and the community 	October 2006 November 2006 onwards	Peter Boardman Gill Cooper Gill Cooper

	Work with the council's Planning section on development briefs to encourage the appropriate consideration for public art and design in the city's major new developments	<ul style="list-style-type: none"> • Work to promote York Songlines concept • To work in partnership to review and revise the Public Arts Strategy and secure additional funding from section 106 funds. • Through York @ Large, to lead on or contribute to debates and initiatives (e.g. Local Development Framework) 	March 2006 Ongoing	Gill Cooper MT
	Utilise the mobile street sports unit to promote neighbourhood based urban sport and play opportunities	<ul style="list-style-type: none"> • Work with Sports and active Leisure to develop dance opportunities with 'Dance Bus' • Create a training workshop programme to promote healthy activities 	Ongoing September 2006	M Silby M Silby
Raise awareness of York's role and impact on the wider environment (LL&L 5.5)	Engage targeted community groups in discovery and exploration of their history and local environment	<ul style="list-style-type: none"> • Work on new initiatives with the Inspiring Learning for All team • Continue to support the cultural diversity project Extend previous Viking festival project. • Develop and support older peoples history projects. (E.g. <i>Walmgate memories; song-writing, Age concern film and photography</i>) • Support cultural diversity 'roots' projects. (E.g. <i>Finding a voice story telling and Voices refugee drama</i>) 	From July 2005 Ongoing Ongoing Ongoing	MT MT/ Vanessa Langford Emily Harvey Vanessa Langford
	Work in partnership with the ARC Community Archaeologist to develop community involvement in their local environmental heritage.	<ul style="list-style-type: none"> • Include in the revitalised arts education and Outreach Network • Develop performance/workshop opportunities for primary schools through Viking Festival 	Ongoing Annual February	Emily Harvey/ Alison Goffin Alison Goffin

 Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

Section 7: Human resources

Section 8: Monitoring and reporting arrangements

Monitoring of the action plan will take place through MT meeting, in section team meetings and in individual performance management. Regular review of actions plans is already built into the self-assessment cycle.

The service employs a range of evaluation and review procedures for its activities including customer evaluation, artist evaluation, external reports, parent comment forms, parent feedback and ongoing project evaluation built into the projects.

Meeting	Timing	Description	Staff
Management team	Fortnightly	Monitoring of main service functions Forward planning and main decision making forum Prioritisation of work and resources Budget monitoring and project planning	Gill Cooper Lyn Fox Peter Boardman Alison Goffin Emily Harvey Plus other staff as appropriate
Section team meetings	Varies but usually fortnightly	Main tool to monitor plans and actions at section level. This feeds into the self assessment cycle and planning cycle	AAY AET CET
Admin team meeting	Monthly	Monitoring and development of systems to support service delivery.	Admin team plus senior managers as appropriate
One to one meetings	Fortnightly	Review of actions identified in plans plus day to day overview of projects or operational issues	Head of service with Senior managers
Personal Development Reviews	Annual with six monthly review	Individual will line manager or peer reviewer to develop individual contributions to the achievement of the Service aims	All Staff
Project specific meetings	Varies	Project planning and implementation meetings. Review of project. Includes external partnerships	Appropriate staff and partners
Service Managers Meetings	Monthly	Lifelong Learning and Culture issues discussed and prioritised	Service Managers in Lifelong Learning and Culture

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
<ul style="list-style-type: none"> • Improve access to existing arts provision and provide a more diverse arts programme. Work with partners to improve access by black and ethnic communities to cultural provision and provide a more diverse arts programme. • Continually undertake cultural diversity training for all staff • Ensure that resources available within Arts and culture are culturally diverse • Update and monitor the breadth and balance of activity programming at cultural facilities and services that we support and provide • Work with our SLA clients to ensure DDA compliance • Use the existing diversity networks to inform and influence our work at the planning stage • Undertake Equalities training especially in areas off weakness e.g. gender imbalance in instrumental provision 	<p>Review of data collected May 2006</p> <p>Induction Plus June training By September 2006</p> <p>Ongoing review</p> <p>Rolling client meetings</p> <p>September 2006</p>
Safer City action/s	
See Section 7 above for targeted work with timetables on Safer York. In addition work on the public realm infrastructure and Lighting proposals for the city will support the creation of a safer city.	

Operational Risk – red risk action/s	
No red risk areas identified in risk assessment.	
Gershon – Efficiency improvement	
Work of the CET and AAY team are leveraging in additional resources and economic benefits for the city	2005/6 £60,000 for AAY EDU estimate of GF400 bringing in £1.27M
Improved allocation of Teaching resources taken as budget saving across 2005-2007	£12K
Competitiveness statement	
<ul style="list-style-type: none"> • DFES Music Survey 2005 put the music service provision in the top quartile for value for money • Tendering process for Banners cut costs by nearly 50% 	

Service Plan for 2006/07

Service Plan for: Sport and Active Leisure

Directorate: Learning, Culture and Children's services

Service Arm: Lifelong learning and Culture

Service Plan Holder: Jo Gilliland

Director: Patrick Scott

Signed off:

Executive Member: Cll Keith Orrell

Signed off:

Section 1: The service

Service Description.

The overall aim of the service is to use sport and active leisure to make a valuable contribution to the way people live their lives. To use it as a tool in particular, to increase physical activity rates and in turn, encourage participation in healthy lifestyles.

It is also recognised that the delivery of the service will have a contributory impact on lifelong learning and educational performance, creating safer and stronger communities and promoting economic regeneration.

As such the Service focuses its resources and planning on achieving 2 high level KPI's

- Increasing the % of adults (16yrs+) participating in at least 30 mins moderate intensity sport on 3 or more days each week
- Increasing the % of school aged children (5-16yrs) participating in at least 2hrs high quality PE and School sport each week both within and beyond the curriculum

These measures are linked into national CPA and PSA targets, and Government health, sports and education strategies. At a local level they are integral to both the council Plan, the Lifelong learning and culture plan, and Children's services plan. They are also locked into the Local strategic partnership through the Healthy city board and York @ Large.

In order to achieve progress with these KPI's, service delivery falls into 7 broad areas:

- Establishing and managing quality facilities and developing a shared understanding of future needs;
- Increasing participation and promoting health and wellbeing particularly to those who are less active;
- Providing co-ordinated information support about active leisure pursuits;
- Creating a sports development framework inclusive of pupil based schooling and lifelong learning, and providing pathways through foundation to excellence dependent on aspiration and ability;
- Developing good working partnerships;
- Consulting with citizens customers and communities; and
- Continuously improving standards.

and the staffing of the service is structured into 4 themed teams to ensure this delivery happens:

- Strategy and planning
- Facilities management
- Physical activity and community sport
- PE and School Sport

These teams are supported at the top by a senior management team and across the service by officers with expertise in administration, marketing and communication, IT and performance management. Whilst focusing on distinct areas of service delivery, the 4 teams are by no means mutually exclusive, and work in collaboration on a range of projects.

The core service is based at Back Swinegate but has a significant outreach function within schools and the wider community. The facilities team are also situated in sites around the city including Edmund Wilson Swimming pool, Yearsley swimming pool and Oakland's sports centre.

Section 2: Service Review

Service Description.

The service has undergone extensive change during the last two years. In 05 the facility and development teams came together under Lifelong learning and culture and in Jan 06, the two teams restructured to form a holistic Sport and Active Leisure team. Additionally, we are now able to provide a full PE and school sport service (which has been skeleton in the last 2 yrs due to staffing changes) and have been fortunate to access external grants which have enabled staffing appointments with regards to health and wellbeing projects.

All of these changes have had a significant impact on the way the service functions and in response to the changes we have set up 4 thematic teams to deliver the service plan from April 06 onwards :

- Strategy and planning
- Facilities management
- Physical activity and community sport
- PE and School Sport

At the same time, extensive budget savings which were made from the Service have impacted on our ability to continue to provide the same level and quality of activity in certain areas. 4 staff members were either lost or reassigned to different teams and 1 other has been retained only by increasing income generation targets and utilising operational budget. We are currently managing to retain the level of service, however any further budget pressures will significantly effect service capacity.

These issues withstanding, the service has still made significant progress in the last year. Some of the hi lights are :

- Working with the Active York partnership, we successfully delivered 4 sports zone conferences, developed action groups and have written the first phase of the zonal development plans. The citywide plans have been informed by our analysis of pitch and facility audits and our section 106 planning requests are now significantly more consistent as a result of these strategies.
- The Street Sport York unit was successfully launched .The vehicle and staff have made an significant impact on ward based activity schemes and the project has been formally commended by Sport England as an example of innovative and best practice use of Active England funding.
- The Oakland's sports project is nearing completion after £1.8million investment. September will see the official launch of the new pitch, climbing wall, Dance studio, fitness suite and community area.
- The city again entered a full range of squads in the North Yorkshire Youth Games in May and Over 4000 youngsters have taken part in our schools rugby and athletics development programmes over the last year.
- The growth of our healthy lifestyles work has included the step-o-meter challenge (over 1000 CYC employees took part), Cardiac swim sessions in partnership with the PCT, Walking for health programmes and traveller swim sessions at our pools
- The start of the 2nd school sports partnership in the city ensuring that all schools are now included, bringing with it an additional £190k funding pa for York schools.
- The national CPD programme for PE have started to be rolled out , training primary and secondary teachers as well as school support staff. With 100% satisfaction and impact ratings from these courses we have been commended by DfES. This has been made possible by the appointment of a PE and School Sport consultant within the team

- We have been successful in agreeing LPSA 2 targets with OPDM, DfES and DCMS. Physical activity coordinators have been appointed and are ready to begin work in the coming year to increase physical activity rates for adults across the city.
- We have also secured funding (approx £32k pa) for 1 FT and 5 PT community sports coaches in York for the next 3 years. This includes a disability sports coach who will work with both schools and adult groups.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Inclusion of culture block in CPA framework	Whilst the service views the inclusion of Sport and active leisure in the CPA framework as a positive way forward, it has shifted some of the delivery focus and resources (financial and staffing) towards the compliance with statutory PI's. There are 11 new facility based measures	CPA
LPSA 2 targets	2 targets have been set in relation to the health and wellbeing outcome. This will focus the team on delivery against these targets and has prioritised budget resources and staffing structures.	LPSA2
Local Area Agreements	Sport and Active Leisure has a significant role to play in many areas of the emerging LAA's. In particular those in relation to health and stronger communities.	LSP
PESSCL	The national PE school sport and club links strategy continues to guide the way in which we support schools and fund activities which improve the quality of PE and school sports programmes in York. It is the major funding channel for both DfES and DCMS, without which we would not be able to continue the work of the schools team	DfES / DCMS
Active York strategy	The Active York "Making a difference- a blueprint for change" is the single most influential local strategy guiding the work of the team. Whilst on one hand our work drives the development of the strategy, on the other it sets the parameters for our work programmes eg our investment in facilities is now driven by the Active York auditing and analysis, our planning consultation is linked to the zonal process and our sports and physical activity development is linked into the zone plans Our involvement in this process is also tied into the National single system for sport which incorporates our links to the county sports partnership and the community sports networks	Active York → York @ Large → Without walls Sport England → Yorkshire Sports Board
Pools strategy	An element of the above "active York" plan, the strategy for retention, refurbishment and replacement of our pool stock over the next few years will have a significant impact on the business planning of the service and the level of provision for both sport and health activity. This will have the biggest impact on our achievement of KPI's	Active York Capital budget

Section 4: Priorities/Initiatives/Actions for 2006/07

SMT – Senior management team

Community – Physical activity and community development team

PESS – PE and school sport team

IT – Information manager (LL&C admin team)

Strategy – Strategy and planning team

Facilities – Facilities management team

Marketing – marketing Officer

All – All teams

Priority	Initiative	Action	Deadline	Responsibility
LL&CP Outcome 1: Making York More Eventful				
Facilitate, Plan and support a citywide programme of festivals and events that makes the city and its local neighbourhoods more vibrant (LL&CP 1;1)	To provide partnership support to community sport and active leisure events	<ul style="list-style-type: none"> Rationalise support and capacity for existing and new events against service targets Work with partners to define support for existing community events eg. Race for life, swimathon, age concern charity walk 	2006/07 2006/07	Community
	To attract and provide partnership support to regional / national / international sport and active leisure events held in York	<ul style="list-style-type: none"> Identify potential for community engagement in high profile sporting events which are hosted within the city or are deemed by sport England as “mega events” Be part of Yorkshires strategic support and community engagement plans for the 2012 Olympic games Develop York’s action plan for community engagement with 2012 Olympics Provide support to high profile sports events that the professional sports clubs attract to the city Continue to support associated young peoples activities linked to York 9's rugby festival Support existing, and identify new competitive events, to be hosted by council run facilities eg national canoe polo gala 	2006/07	All
			2006/07	SMT
			Mar 2007	All
To ensure, sport and active leisure events are integral to the City’s festival and events programme	<ul style="list-style-type: none"> Support sport and active leisure events as part of the festivals programme (in particular festival of the river) Work with the festival officers to ensure coordination and promotion of Sport and Active leisure events 	2006/07 (July 2006)	Community	
		2006/07	Community	

Develop and support a diverse programme of cultural activities accessible to all, targeted at those communities with low participation rates. (LL&CP 1;2)	Increase the opportunity for residents and communities to lead, plan and enjoy sport and active leisure events and activities through focused work with targeted groups and communities	<ul style="list-style-type: none"> Attract and support events to York which target under participating groups and communities eg girls schools football festival, regional boccia event and wheelchair athletics events 	2006/07	All
		<ul style="list-style-type: none"> Support for Inclusive Fitness Initiative in York 	2006/07	Community & Facilities
		<ul style="list-style-type: none"> Ensure our facilities are fit for purpose to attract and host such events 	2006/07	All
		<ul style="list-style-type: none"> Use high profile sports events as a catalyst for community engagement eg world cup 06 Continue "Swim York" gala as a celebration of achievement for those young people attending the learn to swim programmes 	Feb 06	Facilities
Increase the opportunities available for young people to take part in a range of events (LL&CP 1;3)	Work with schools and partners to provide inclusive play and school sports events and competition within the extended schools programme	<ul style="list-style-type: none"> Sustain the schools athletics / cross country and rugby development programme of events 	2006/07	PESS
		<ul style="list-style-type: none"> Support wide range of competitive school sports opportunities and taster events through York and district schools athletic association (YDSAA), National governing bodies (NGB's) and School sports partnerships (SSP's) 	2006/07	PESS
		<ul style="list-style-type: none"> Work with schools and voluntary sports clubs to develop York squads for North Yorkshire Youth Games (NYYG) 	May 06	Community & PESS
		<ul style="list-style-type: none"> Provide Officer lead for organization of NYYG Where appropriate provide access to council leisure facilities for school competitive events and encourage voluntary sports facilities to host schools sports activities 	May 06 2006/07	Facilities & PESS

Priority	Initiative	Action	Deadline	Responsibility
LL&CP Outcome 7: Staying Safe				
Develop activities that help to ensure communities are safe	Increase the number of open access areas for informal sports activity	<ul style="list-style-type: none"> • Identify needs within zonal and citywide development plans for informal recreation space • Address needs through new development and / or community use agreements at existing sites 	2006/07	Strategy

(LL&CP 7;1)	Work with partner agencies to increase the number of young people participating in targeted sports programmes	<ul style="list-style-type: none"> • Ensure Sport and Active Leisure is embedded in LAA (stronger communities) • Develop activity plans with partners such as Youth offending team, PAYP, Connexions, Network 2 and schools access and inclusion teams • Develop citywide make space strategy in conjunction with the Youth Service • Ensure Street Sport York steering team includes community safety partners and info is disseminated to ward committees 	May 06 2006/07 2006/07	Community
	Work with partners to increase the number of volunteers working on targeted sports programmes (within home office guidelines)	<ul style="list-style-type: none"> • Implement Step into Sport community programmes • Work with sports clubs to recruit, retain, and reward quality assured volunteers • Utilise York Cares volunteers for Street Sport and other sport based activities 	2006/07 2006/07	PESS Community
Make improvements to the environment that will make open spaces and leisure facilities more secure (LL&CP 7;2)	Upgrade council leisure Facilities to make the working environment safer for staff	<ul style="list-style-type: none"> • Continue to work with PSO's and encourage them to keep visiting centres during problematic times • Ensure reception areas are covered by CCTV 	2006/07	Facility
	Upgrade council leisure Facilities to make the environment safer for users	<ul style="list-style-type: none"> • Work with partners to establish minimum standard of security for each council run facility • Develop safety of facilities using CCTV, appropriate fencing, and lighting • Facilitate the upgrade of outdoor pitches and sports grounds (both public and on school sites). Improve playing surfaces, access and lighting 	2006/07 2006/07 2006/07	Facility Strategy
Reduce fear of crime (LL&CP 7;3)	Provide regular conflict training for frontline staff	<ul style="list-style-type: none"> • Continue to deliver training for facility staff • Continue working under "safer York" scheme 	2006/07	Facility

To put secure Child Protection procedures in place in respect of our services and those we work with (LL&CP 7;4)	Encourage and support voluntary sports clubs to gain national clubmark standards and work within minimum operating standards	<ul style="list-style-type: none"> • Provide accredited Child Protection Awareness Training and advice for developing appropriate policy • Provide opportunities for SLA and project grant funding <i>only</i> for clubs actively working towards clubmark accreditation 	2006/07 2006/07	Community
	Ensure all coaches on the Yorksport coaches database and working on CYC programmes are CRB cleared and hold appropriate qualifications	<ul style="list-style-type: none"> • Revise checking procedures and recruitment to council run programmes • Ensure facility managers keep training matrix up to date for all staff and review quarterly • Ensure process is consistent with schools based coaches programmes 	2006/07	PESS Facility PESS
	Ensure robust child protection policies are adhered to at all council leisure facilities	<ul style="list-style-type: none"> • Keep policy documentation updated • Keep all coaching, crèche, play scheme and centre staff up to date on child protection training and are aware of internal referral procedures 	2006/07	Facility

Priority	Initiative	Action	Deadline	Responsibility
LL&CP Outcome 8: Infrastructure Planning				

<p>Lead the city in creating strategic plans for the provision of cultural facilities (LL&CP 8;1)</p>	<p>Establish citywide sport and Active leisure facility investment strategy based upon comprehensive assessment of current provision and future need. Provide advice based upon Active York Strategy</p>	<ul style="list-style-type: none"> • Continued updating of facilities and pitch audits • Link city audit to Sport England Active places power programme • Embed analysis of supply and demand of sport facilities and pitches into zone and citywide plans • Work with all providers to improve access to and quality of pitches and facilities based upon above analysis • Link Sport and Active Leisure strategy to open spaces strategy, Facility investment plans and planning process. • Advise clubs and developers over the design, use and location of sports facilities based on these strategies • Provide Sport and Active Leisure guidance for York Central, Heslington East and other strategic planning developments • Provide “watching brief” for developments involved in public enquiries • Advise planners on inclusion of sport and community amenities in other city developments • Provide strategic advice for swimming facilities “partnerships”. Work with York University to provide city facility with community access and that responds to the aquatics development plan 	<p>2006/07</p>	<p>Strategy and SMT</p>
<p>Deliver investment in the key priorities (LL&CP 8;2)</p>	<p>Secure investment in the key priorities identified in the city’s sport and active leisure plan</p>	<ul style="list-style-type: none"> • Use citywide plans to prioritise funding applications and justify investments to funders • Deliver targeted facility development through granting 106 funding for zonal priorities • Extend the use of grant finder database for CYC and community projects • Actively pursue funding for city projects with Active York support 	<p>2006/07</p>	<p>Strategy and SMT</p>

	Secure planning permission for a community sports stadium	<ul style="list-style-type: none"> • Advise on design requirements • Negotiate with planners and land holders to find suitable site and infrastructure • Support community consultation on site and design • Provide advice and support for professional sports clubs 	2006/07	Strategy and SMT
Improve the quality and access to local cultural facilities (LL&CP8 ;3)	Develop and implement facility focused projects identified in the sport and active leisure strategy zone plans	<ul style="list-style-type: none"> • Support zones to continually update zone plans and prioritise facility needs • Target local funding at these priorities eg 106, ward committee funds • Help raise the profile of small community facility needs and the use of existing facilities • Provide officer support for zone delivery of prioritised projects eg Dunnington access programme 	2006/07	Strategy & Community
	Support investment in and development of Community accessible sport and active leisure facilities on school based sites	<ul style="list-style-type: none"> • Advise schools on general access principles and implications of extended use of sites eg community use agreements, bookings policies, initiating school community links and how to attract users • Manor School – work with education planning to plan sports facilities on new school site • Continue to support development and activity programmes at Burnholme Community college • Complete analysis and review at end of Yr 2 for All Saints School. Encourage and advise for future years of operation and guide towards financial self sustainability • Work with education planning to support appropriate community development at Rufforth, Knavesmire, and Fulford and Huntington schools. Provide support for future plans. 	2006/07 Mar 07 2006/07	Strategy & Community Facility and community Strategy and community

Priority	Initiative	Action	Deadline	Responsibility
LL&CP Outcome 9: The Support Needed to Achieve the Outcomes				
To attract additional resources for lifelong learning and culture through a successful programme of bidding for external funding (LL&CP 9,1)	Identify opportunities to increase funding for the sport and active leisure programmes including those in conjunction with other LL&C services and council departments	<ul style="list-style-type: none"> • Work with funding bodies to ensure available funding is directed towards specific priorities identified in the Active York strategy and zone development plans • Draw down government funding for PESSCL strategy implementation • Identify and bid for funding to support facility based programmes eg ASA everyday swim pilot • Develop marketing and sponsorship strategies to generate funding for individual projects 	2006/07	Strategy and SMT PESS SMT SMT & Marketing
Invest in Council land and buildings (LL&CP 9;2)	Provide substantial investment in the council's swimming pools, Oaklands and athletics facility. Guide redevelopment of Kent street site	<p>Pools</p> <ul style="list-style-type: none"> • Complete DDA works at Edmund Wilson and Yearsley pools • Resolve structural issues for gym at Edmund Wilson Pool • Carry out feasibility study for preferred new pool at Oakland's • Carry out planning and feasibility process for joint pool provision at York University site <p>Oaklands</p> <ul style="list-style-type: none"> • Complete £1.8million refurbishment of sports facilities • Continue to develop phase 4 plan for site <p>Huntington stadium</p> <ul style="list-style-type: none"> • Complete Refurbishment of Huntington Stadium utilising CARP funding <p>Kent street site</p> <ul style="list-style-type: none"> • Act as client for Absolute Leisure during tenancy agreement of auditorium • Continue management of pool building site until handover to Barbican Venture 	Sept 06 May 06 Sept 06 Sept 06 Sept 06 Dec 06 June 06 2006/07 2006/07	Facility & Strategy & SMT

To make ICT services more widely available and provide access to services on line (LL&CP 9;3)	Improve the Lifelong learning and culture web presence on the council website	<ul style="list-style-type: none"> • Make identified improvements to the Sport and Active Leisure web pages • Continuously review content and accuracy of page information 	Aug 06 2006/07	Marketing officer
	Utilise ICT to develop booking system connecting a range of leisure sites and other services	<ul style="list-style-type: none"> • Consolidate phase 1 of central booking system for all CYC leisure facilities in the city. • Upgrade to Version 8.5 • Phase2 - to have online bookings and payments for all CYC facilities and events. • Develop robust evaluation of system and utilise reporting systems for performance recording, financial and programme management purposes • Evaluate call flows from new phone system to review usefulness of automated messages • Continue to offer booking service to internal / external customers eg schools out • Continue to play lead role in the North East user forum to develop Torex retail system • Represent North East at national annual development forum • Work with "Access to services" team to understand implications of One stop shop • Draw up development plan to conform to above 	Sept 06 Sept 06 Mar 07 July 06 Sept 06 2006/07 2006/07 2006/07 2006/07 2006/07	Facility and IT
	Turn Yorkcard into a smartcard	<ul style="list-style-type: none"> • Contribute to discussions re options for one resident card which will offer benefit and use at all LL&C sites 	Jan 07	SMT & IT

To ensure continuous improvement in our services (LL&CP 9;4)	Development of performance management framework for sport and active leisure in line with departmental protocol and systems	<ul style="list-style-type: none"> • Redefine holistic service PI's against outcomes • Coordinate and commission appropriate user and impact surveys to define baseline. • Better use existing and ongoing assessment information eg EIA, asset man plans, customer surveys • Identify individual PI's for team members • Identify resources to allow increased levels of monitoring • Ensure framework is developed in line with CPA / TAES / other strategy requirements as well as service needs • Set reporting procedures to link to EMAP process 	<p>April 06 2006/07</p> <p>2006/07</p> <p>April 06 April 06</p> <p>2006/07</p> <p>2006/07</p>	<p>SMT SMT & Marketing SMT</p> <p>SMT SMT</p> <p>SMT</p> <p>SMT</p>
	Implementation of Quest benchmarking for facility management and sport and active leisure development in line with industry models	<ul style="list-style-type: none"> • Identify resources to run QUEST benchmarking • Agree action plan to implement QUEST. Prioritise sites and work up methodology • Complete self assessment process • Draw up improvement plans for each facility and development teams and work towards standards 	<p>May 06 Jun 06</p> <p>Sept 06 Sept 06</p>	<p>SMT SMT</p> <p>All All</p>
To create a learning organisation (LL&CP 9;4)	Build staffing capacity to deliver a quality sport and active leisure service and support service arms neighbourhood working approach	<ul style="list-style-type: none"> • Capacity forecast and Identify skills required to deliver service programmes • Consolidate new service structures and roles • Support neighbourhood pride unit with support and delivery of sports elements of action plans 	2006/07	SMT
	Establish staff development needs and challenge learning practice	<ul style="list-style-type: none"> • Formalise communication and PDR processes • Prioritise staff training plans which meet service objectives and individual needs • Identify dedicated training budget • Monitor performance against service plan and outcome based achievements 	2006/07	SMT

	Provide structured and progressive opportunities for staff CPD	<ul style="list-style-type: none"> • Implement 12 week ISRM induction plan at sites • Link to revised holistic service induction programme • Develop training opportunities which link facility, community and schools teams • Continue trainee duty manager roles as learning opportunities for other staff • Offer training opportunities to multi skill staff • Identify new and creative formal and informal learning opportunities for staff both internally and in conjunction with external partners • Work with ISRM Yorkshire to develop free CPD programme. York to host 1 event per year • Utilise TLMS user group and TLC group as training opportunities 	2006/07	SMT
	Develop programme to promote team integration, and shared vision across facility and development functions of service. Also to develop cross service working with other teams	<ul style="list-style-type: none"> • Re programme team meeting structures and open communication channels to all staff • Ensure communication of vision, work themes and celebration of successes extends across service functions and to other service arms and external partners • Integration of policies and procedures 	May 06 2006/07	SMT

Priority	Initiative	Action	Deadline	Responsibility
Service Review Priority : Resource management				
Improve financial and resource management systems	Prioritise budgets against service outcome areas	<ul style="list-style-type: none"> • Work with finance to redevelop budgets around new outcome focussed plans • Realign budget management to delegated officers • Redefine realistic financial targets for facilities in relation to new service climate • Maximise external funding to reinvest in developmental work • Link budget monitoring to quarterly performance management (service impact) 	2006/07 April 06 April 06 2006/07	SMT

	Ensure sustainability of service equipment and resources	<ul style="list-style-type: none"> • Identify required resourcing for vans and operational equipment • Investigate funding streams from joint usage of resources • Investigate funding streams from sharing of staff expertise 	2006/07	SMT
	Develop integrated business management planning for facilities and development functions of service	<ul style="list-style-type: none"> • Create detailed financial business plan for all council leisure sites and forecast future years • Review audit / cash management procedures in line with new booking system 	2006/07	SMT

Section 5: Measures

Sport and active leisure currently report on the following indicators *. Some of the indicators previously reported, have been removed due to their increasing inappropriateness to measure the impact of the service or because the measure is obsolete.

New impact measures have also been suggested in line with the regional plan for sport in Yorkshire, the re-evaluation of the CPA culture block framework, and the need to measure the progress of the Active York strategy. These are shown in *italics*. We are still waiting to determine the statutory requirements to report on these measures and will investigate the methods of research needed to gain a baseline figure during 2006/2007 if required.

Some of these measures will be reported on a three year cycle and are collected on our behalf by sport England / Mori as part of a national "Active People" survey. The baseline for this survey will be available in Nov 2006 and progress monitored in Nov 08. In addition, so that we have an indicative figure in the intervening years we will also provide an annual estimate gained from our own surveys. It must be noted that whilst indicative, we will not be able to directly compare the annual and three yearly figures due to the different validity and methodology of the research.

- PI is higher than the upper quartile mark when comparing to available Quartile information for that year
- Actual is better than the profile by the tolerance factor
- Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

Section 7: Human resources

Section 8: Monitoring and reporting arrangements

The restructure of the service in January 06 follows the amalgamation of the two service functions (facilities and sports development) in 2005. Work began last year on redefining the needs for an integrated performance management framework. Priority for this year is the continued development of this framework

This will include : clarification of roles and responsibility, Line management functions, service planning and evaluation, PI monitoring in relation to CPA and APA requirements, systems for Performance development reviews, team meetings and communication. This service plan is integral to this framework and will form the basis of individual work programmes and project development groups.

The service will follow the departmental system for formal monitoring of this service plan. A formal progress report on all actions and performance targets set out in this plan will be submitted to EMAP three times per year (as well as being tabled at the relevant meeting of Strategy Team in advance of the three reporting points each year.)

The format of the report will include

- A brief narrative summary of progress against each of the priority in the service plan
- An updated PI summary for the service targets
- A financial statement flagging up revenue and capital expenditure against service budgets

During the year, topic based reports will be submitted to both LL &H and Education EMAP as well as regular briefings with the executive member for each of these portfolios

The service has committed to undertaking accreditation through QUEST and TAES. This is characterised by continuous Self assessment and when ready an external verification. We are however, only just embarking on this process and as such timescales for this monitoring are yet to be set.

Additionally, whilst impact against the service outcomes will be reported through KPI's, and the process detailed above, we will also be monitoring our direct impact through user surveys at our facilities, customer forums, residents opinion surveys and questionnaires such as Talkabout. We will attempt also to define the impact of the service on outcomes which we are not directly tasked to effect eg educational attainment, and community safety.

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
• Work wit PACT to produce equality action plans for all centres	Jan 07
• Completion of DDA project at Yearsley Swimming pool	June 06
• DDA work to Edmund Wilson swimming pool or planning for new pool	End 2006
• Employ fixed term disability sports coach	April 06 – Mar 08
Safer City actions	
• Develop activity plans for young people in conjunction with community partners eg connexions, YOT, PAYP, Network 2	ongoing
• Provide accredited child protection awareness training and advice for developing appropriate policies in community sports clubs	ongoing
• Support clubs to gain national clubmark awards and work to minimum operating standards	ongoing
Operational Risk – red risk action/s	
• Closure of facilities due to maintenance or H&S – reduces service delivery and Impacts on business plan	
• Reduction in Government funding currently supporting 5 staff posts and operational budgets – service areas will cease to run	
Gershon – Efficiency improvement	
• Refurbishment / replacement of Edmund Wilson Swimming pool in next 2 yrs reduce running cost for facility	
• Reduce financial support for All Saints school (help it to become self sustaining through increased activity and income generation)	Mar 07
• Increased service delivery through project grant funding and SLA's with community groups	ongoing
• Utilise CYC resources as partnership funding to draw down external grants	ongoing
Competitiveness statement	
• Tendering for facility refurbishment (Barbican, EWSP, YSP, Huntington stadium, Oakland's)	
• Undertaking QUEST benchmarking process for facilities and development teams	Sept 06
• Building capacity through partnership working eg Active York	ongoing

Service Plan for 2006/07

Service Plan for: Early Years and Extended Schools Service

Directorate: Learning, Culture and Children's Services

Service Arm: Lifelong Learning and Leisure

Service Plan Holder: Heather Marsland

Director: Patrick Scott

Signed off:

Executive Member: Carol Runciman

Signed off:

Section 1: The service

Service Description – Early Years and Extended Schools

The service works to a number of targets, which closely link to:

- Education Act 2002
- National DfES Sure Start objectives set out in policy documents including the Five Year Strategy for Children and Learners and the Ten Year Childcare Strategy
- Local council targets set corporately in such plans as:
 - Single Education Plan
 - Lifelong Learning and Leisure Plan
 - Children's and Young People's Plan
 - The York COMPACT
 - Without Walls
 - Comprehensive Performance Assessment (CPA)
 - City of York Council Plan

Our Service Plan this year has been built around the DfES Outcomes Framework, as featured in the Every Child Matters Green Paper. The 5 Outcomes are:

- | | |
|----------|------------------------------|
| 1 | Be Healthy |
| 2 | Stay Safe |
| 3 | Enjoy and Achieve |
| 4 | Make a Positive Contribution |
| 5 | Achieve Economic Well-being |

We have tried to match our Service Priorities to these Outcomes in Section 2.

The main customers for our service include:

- Children and young people aged from 0-21 years
- Parents & carers
- Voluntary, Independent and Private providers of care, education, play and leisure
- Every school
- Local communities
- Agencies and Organisations

The service was set up in 2000 and has continued to grow, gaining an ever wider remit. During this time it has been awarded 5 national awards, the most recent being a Sure Start Partners in Excellence Award recognising the excellent provision we are striving to offer within York. In 2004, we received a 1 in the local authority Ofsted inspection and were rated a popular service by schools, thus demonstrating our commitment to delivering a high quality service to all partners, stakeholders and service users.

The work of the team is based around the following main areas:

Consultation - the service regularly consults with its service users and client group including children and young people in order to inform better practice.

Partnerships - the service works in close partnership with agencies such as Health, Community Services, the Children's Trust and Sure Start. We have worked in partnership with the DfES and other authorities and with bodies such as Oxford university. We are the lead agency for the management of the former EYDCP now in York renamed the Early Years and Extended Schools Partnership. Extended Services in York are being built on the shared community partnerships we have developed around every school.

Communication - the service aims to maintain existing and develop new and innovative internal and external communication structures.

Support the service offers support and advice to all schools and other providers within the city to ensure quality play, care, education and leisure opportunities for children, young people, families and the wider community, for example ensuring that current legislation requirements from Ofsted and the like are met.

Additional support for ethnic minority groups, those with special needs and difficult to reach families - the service provides outreach work and specified development workers to enable all aspects of the work to be truly inclusive.

Workforce development - the service aims to maintain and further develop structures which recruit and support practitioners working in education, care, play and leisure in line with national initiatives and standards.

Sustainability - the service has undergone Scrutiny and best value and works to ensure that budgets are used wisely. The service also supports schools and other providers to ensure sustainable quality services.

Monitoring - the service regularly monitors and evaluates its work in order that all work undertaken is rigorously scrutinised. We have also commissioned outside evaluations (links to Single Education Plan and Lifelong learning and leisure plans)

Evaluation

The service aims to support reflective practice as an ever-learning organisation through systematic and ongoing internal evaluations. External evaluations have also been commissioned.

Service Development

The service was formed in 2000 and was extended and renamed in 2004. It is critical that the service regularly revisits its rationale and structures to meet new challenges whilst continuing its culture of innovative and creative ways of working.

Section 2: Service Review

Service Description.

City of York has 53 primary schools, out of which only 19 have education nurseries. The remaining education, childcare and play places are provided by the private, voluntary and independent sector. City of York's Shared Community Partnership policy is the vehicle for extending school services. The former EYDCP, now a consultative body – the Early Years and Extended Schools Partnership (EYESP) retains its places sub-group, which is the forum which ensures new provision is sustainable. The Ofsted profile – Education (S122) and Care (Children Act) show that old or listed buildings in which many of the PVI sector work, affect Ofsted results, particularly where settings have little or no outdoor provision. Many settings are being encouraged to move on to school sites where this is appropriate, and this is an effective way of alleviating this concern.

The Ofsted Local Early Years Profile for 2003 – 2005 showed that out of a total of 151 local authorities, York ranked:-

2nd for Multiple Day Care S122 inspections

3rd for Childminding inspections

11th for Out of School Day Care Children's Act inspections

38th for Full Day Care S122 inspections

45th for Sessional Day Care Children's Act inspections

51st for Multiple Day Care Children's Act Inspections

58th for Independent School S122 inspections

61st for Creche Day Care Children's Act inspections

89th for Full Day Care Children's Act inspections

Based on the Ofsted Education Standards, under section 122 Inspection, the majority of settings are judged to be generally good. There are no settings judged to be unacceptable with only 3% having a significant weakness. The strengths of the settings are their partnerships with parents and the quality of teaching, where the largest majority are judged as being generally good. The weakness in many settings is in mathematical development in knowledge and understanding of the world, particularly information technology. Development workers will support the training for practitioners in this area using the Sure Start ICT resource box. Training is being developed which will support work already being offered to practitioners to further their knowledge on how to observe children in childcare and education settings. This is also supported by the York Quality Assurance scheme where practitioners are signed up to 'Steps to Quality'.

Under the Children Act Ofsted Inspections, there are no settings that are unsatisfactory and there is an even 50/50 split of good or satisfactory judgements. The strengths of settings showing working in partnership with parents to be good, with the management of children's behaviour as another area where groups are working well. The weaknesses in the settings show child protection having some unsatisfactory judgements. These relate to three settings. Steps have already been put in place to improve development worker support in this important area and the expectation is that all development workers will be trained to level 3 in child protection.

In comparison with other local authorities, between April 2004 and March 2005, there are no settings considered to be unacceptable in their delivery of the Foundation Stage curriculum. This is slightly better than the national average of 0.8%. There were also fewer settings in York who had significant weaknesses (3%) as opposed to the national average (7.3%). This is also an improvement in the figures from last year where there were 3.8% having significant weaknesses in York, however, the national figure has

Increased slightly from 7.2%. York also scored well on the number of settings judged to be generally good; the national average in England is 58.2% and the average for York is 73.5%. This has meant a rise in the number of settings judged to be very good in York, from 15.4% in the previous year to 23.2% in year ending March 2005. This is still less than the national average of 34% but shows the impact of the support and guidance development workers have provided. The appointment of the Early Years Advisor this year will allow very close working arrangements between the Early Years and Extended Schools Service and the Education Development Service. A working group has been established, including staff from SEN services, to ensure continuity and co-ordination of quality practice across all sectors.

The two main priorities for this year are:

To ensure there are no settings with significant weaknesses.

To address this, development workers visit settings regularly and frequently to support staff on a one to one basis. Good relationships are already in place based on mutual trust and respect to support the planning of activities based on children's current ability and understanding. They advise practitioners to use resources and environment effectively to support children's learning. This strategy is proving successful as the data suggests.

To raise the number of settings rated as good

The authority has previously identified that leadership and management in the settings is the most appropriate aspect through which to raise quality in a learning culture. The 'Key Elements of Effective Practice' initiative, and a training programme for Leadership and Management will focus on settings linked to the Children's Centres to begin with, providing flagship settings for other settings to aspire to. It has been suggested that one Quality Assurance Scheme should be used for all childcare providers on some Children's Centre sites, and to link the scheme to the roles of others who may work with young children, for example family centre workers and health visitors. This would provide a strong framework for all practitioners to follow continuous professional development based on reflective practice.

Multi-agency training, in partnership with others and an improved Training Directory and outreach work will further develop this agenda. The service regularly updates its performance monitoring, and has in the past met or exceeded all 15 local performance indicators and 29 Government targets. This year's updated performance indicators centre around the transformation of the service from an Early Years Service to an Early Years and Extended Schools Service.

- a. We are working to ensure that any future planning is co-ordinated with other department initiatives and that we base future activities on firm statistical evidence as well as anecdotal evidence. Databases to collect such information are being developed with reference to databases held by other departments.
- b. We continue to ensure that management of the service includes 100% induction and appraisals.
- c. We base future work on consultative exercises with schools, settings and service users.
- d. We ensure that our targets for quality places for care, education and play for every child in the city whose family wants one are met through strict planning based on statistical evidence and in partnership with planners.
- e. We use the Transformation Fund to train the existing workforce in the PVI sector and to enable this sector to pay higher wages to those staff with graduate or post graduate training in teaching or child development.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
10 Year Childcare Strategy	Sustaining target number of places for children in care / education / play	DfES
5 Year Strategy for Children and Learners	Ensuring quality outcomes through support for every setting and to recruit and train setting staff	DfES
Every Child Matters	Ensuring all outcomes and priorities are met	DfES
Extended Schools Agenda	Ensuring DfES training targets and strategies are met through Shared Community Partnerships	DfES
Childcare Bill	Developing information and guidance services	DfES

Please stick to the following instructions in completing this section:

1. Use Arial font size 11 in completing the boxes.
2. Please use this section to summarise the key national policy changes and local priorities and initiatives that might impact on the work of the service (no more than 1 side of A4)
3. You may wish to include reference to national legislation and policy documents, corporate initiatives (such as the Local Area Agreement, or policies on competition, on equalities and the local community plan) and directorate plans (arising out of the priorities in the strategic plan towards which you may have made a major contribution).

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
Consultation Priority 8	Consultation with local communities	<ul style="list-style-type: none"> Through Extended Schools audit, raise awareness of the need for each Extended School to assess community needs. Through the Extended Schools action plan, consult with all schools to show a pathway to address gaps in provision Consult widely on Integrated Children's Centre's Quality Scheme Actively consult with users and partners to ensure service development, making best use of resources, taking into consideration and supporting sustainability, and having an effective feedback process for children and young people to show that their views count. 	<ul style="list-style-type: none"> May 06 Nov 06 Nov 06 	<ul style="list-style-type: none"> Policy & Planning, CIS, Deputies, ESRC's, Heather, Rosy, ESRA All section heads

PI is lower than the lower quartile mark when comparing to available Quartile information for that year

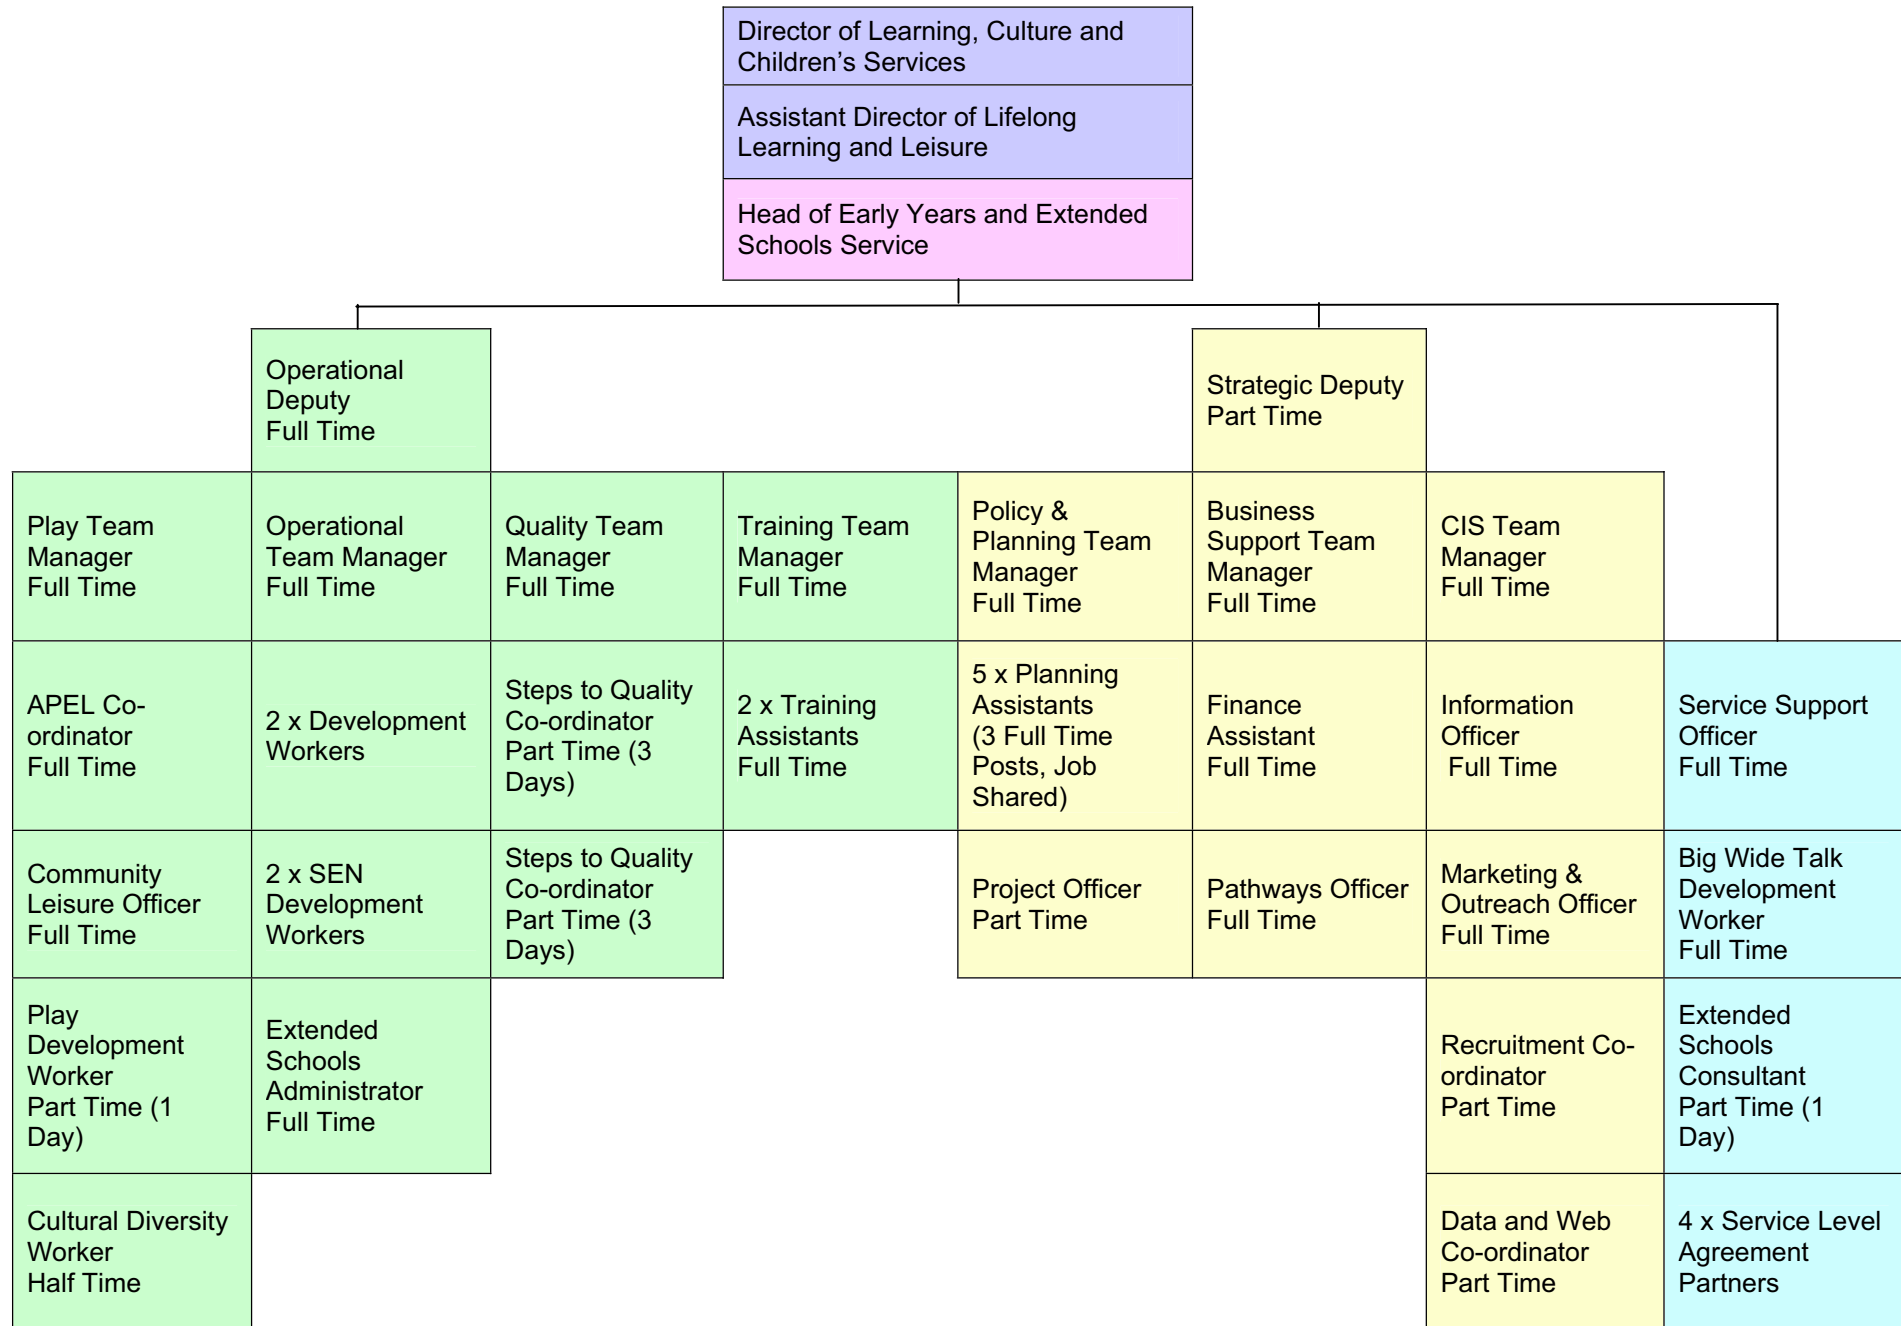

PI is higher than the upper quartile mark when comparing to available Quartile information for that year

Actual is better than the profile by the tolerance factor

Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

Section 7: Human resources

Section 8: Monitoring and reporting arrangements

1. The Service Plan will be used to monitor progress in the following ways:
 - Each section head will hold fortnightly meetings with their own section
 - The Head of Service will hold fortnightly meetings with the section heads
 - The Head of Service will attend fortnightly 1:1 meetings with the Assistant Director
 - Weekly team briefing sessions will take place
 - 4 away days per year will take place with the entire team
 - 4 away days per year will take place with the EYESP
 - Informal briefings between the Head of Service and the Director will take place regularly
 - Informal briefings between any members of the team / the section heads / the deputies will take place

2. A formal progress report on all actions and performance targets set out in this plan will be submitted to EMAP in May, September and February. This report will be tabled at the relevant meeting of DMT in advance on the 3 reporting points each year.

3. In addition the service will collate:
 - Action plans from every school and its Shared Community Partnership
 - CIS audit of provision
 - Policy and Planning impact and implications
 - Quarterly reports for DfES
 - DfES audit of provision
 - Questionnaires to every provider
 - Consultations with families, children and groups
 - Training evaluation forms
 - Monitoring of PI's.

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
<ul style="list-style-type: none"> • To work with SEN service to ensure data base of settings is developed inclusively • To ensure each Shared Community Partnership continues to have a supported Area Senco and that each setting has a senco. • The service has made strong links with the Traveller's Education Service in order to improve access by this group of stakeholders . Marketing and recruitment to target all ethnic groups within the City of York Council • Play team and development workers to ensure services open to all users and discrimination eliminated. Training to enable settings to be aware of this agenda and work to eliminate discrimination. • All staff to be supported equally. Recruitment and retention of staff to actively support a wide representation of gender, ethnicity and educational needs. 	Ongoing
Safer City action/s	
<ul style="list-style-type: none"> • Street sport and play activities are the main aspects of our plan which will support Safer City priorities. The extended schools agenda of using schools outside the normal school day and for 52 weeks of the year by providing rich and varied activities for communities will enhance this agenda. 	Ongoing
Operational Risk – red risk action/s	
<ul style="list-style-type: none"> • Staff vacancies must be filled as otherwise the work load becomes unsustainable. DFES continue to add to targets and outcomes expected of Early Years Services and the extended schools agenda is one of the largest initiatives in recent years as it involves making relationships sustainable across the whole city. Early Years continues to be the second largest growth industry in the country. • The Early Years and Extended Schools structure to be revisited to meet these challenges. 	Ongoing May 2006

Gershon – Efficiency improvement	
<ul style="list-style-type: none"> • Savings are made each year • We are able to charge for consultation which is asked for by other authorities 	Ongoing
Competitiveness statement	
<ul style="list-style-type: none"> • To undertake a review of the Service level agreements • To continue to work in partnership with the PVI sector and maintained and other agencies • To continue to benchmark our service with other authorities 	July 2006 Ongoing Ongoing

Service Plan for 2006/07

Service Plan for: Adult and Community Education

Directorate: Learning, Culture and Children's Services

Service Arm: Culture and Lifelong Learning

Service Plan Holder: Charlie Croft

Director: Patrick Scott

Signed off:

Executive Member:

Signed off:

Section 1: The service

Service Description.

Please provide a description of the service that you provide and the working environment within which it operates. This should include:

The City of York Council Adult and Community Education Service (CYC-ACES) is a LEA direct provider of learning opportunities primarily for adults age 19 and over. It is located within the City of York Council's Education and Leisure directorate within the Lifelong Learning arm.

ACL and FE programmes directly funded by the LSC. The former includes discrete funding for Family Learning. FE funding has been maintained at previous 2005/06 levels but funding for ACL will reduce by £60k for the academic year 2006/07.

Key partners include:

- Future Prospects, who provide a 'one-stop' information, advice and guidance and enrolment service in the city
- The seven secondary schools in which the adult education centres are based
- Surestart partnership with Family Learning
- The Library Service in developing the concept of library learning centres

The service mission is:

"To provide opportunities for everyone to be part of a thriving learning community, particularly focusing on participation by people who have had the least benefit from the education system so far"

In summary, this service aims to provide:

- A wide range of good quality learning opportunities that support local, regional and national priorities to stimulate demand for learning and promote a culture of lifelong learning
- 'First-rung' learning that is accessible and promotes social inclusion through the provision of shorter, flexible, part-time programmes delivered in local community venues
- Support to learners by way of an informal, student-centred ethos that is appropriate to the adult status of learners, particularly those who are returning to learning, and gives them the self-confidence to progress to further learning and the further development of skills
- Skills for Life programmes and key skills in literacy, numeracy and ICT
- Support to parents, particularly in more disadvantaged areas, in raising the achievement of their children in learning

Funding for the service is in the form of core and project funding from the Learning and Skills Council, and in Family Learning from a variety of sources including Surestart, and the Childrens' Trust. This adds a complexity to the service in needing to meet targets that are set externally.

The service continues to operate in a very uncertain environment. It has to plan to respond to national, regional and sub-regional priorities alongside trying to respond to the wants and needs of learners. Alongside the uncertainty of funding sources, there is additional pressure to raise fees for some programmes so that learners contribute more to their learning than they have in the past. This is particularly true in programmes that could be characterised as being learning for personal development.

Section 2: Service Review

Service Description.

A major development in 2005/06 was the LSC's decision to end the FE franchising arrangement with York College and directly fund the service's FE programme. This, combined with the long-term absence through illness of the information manager, caused the service to contract with Tribal Technology to provide a managed service. The Tribal consultants are helping to ensure that management information systems are put on a firm footing during the first year of direct funding for FE.

The service undertook a review of its management structure in response to changing priorities and members approved a reorganisation of management roles in November 2005. Priorities included:

- Consolidating and growing Family Learning and Skills for Life provision. The restructure included the creation of a number of new posts and some existing temporary posts being made permanent. Family Learning and Skills for Life is the fastest growing area for the service.
- Eliminating dual roles to bring a clearer focus to curriculum management and operations management. The restructure created a new post of operations manager to ensure that centre and curriculum operations are fully standardised and made to work more efficiently. Centre administrators were upgraded to centre co-ordinators and the 0.2 curriculum support tutor roles were enhanced to 0.4 curriculum manager and curriculum co-ordinator roles.
- Consolidating ICT provision and embedding e-learning. The restructure created a full-time manager with responsibility for ICT (including e-learning developments across the service), supported by a 0.4 curriculum co-ordinator.

The service management team, now consisting of the head of service, strategic manager quality and staff development, operations manager, curriculum manager (ICT) and curriculum manager Family Learning/Skills for Life, continues to meet at least once a month to agree the strategic direction of the service and undertake forward planning and service development.

Further work with the library service has included proceeding to the next stage of submitting a capital bid to the LSC to fund a new library-learning centre at Acomb. It was also agreed that "Learning Connections" will transfer to the LEA and be jointly managed by adult education and libraries from April 2006. This will further extend the range and mode of delivery of IT and other first step provision offered by the service and locate more programmes in existing library learning centres.

There was an ALI quality monitoring inspection visit in July 2005 following which it was reported that 'the quality of provision has improved following implementation of the post-inspection development plan' (see full service SAR quality assurance report).

Information related to performance is attached as Annex 1

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
LSC National funding priorities	Focus on Skills for Life and priority learners means that funding available for adult learning is shrinking, and the service is having to be more targeted. This means that the service has to recruit more learners to hit increasingly difficult targets.	LSC Policy documents
Changes in funding for FE programmes	This effects many of the shorter programmes that the service has traditionally run, such as first aid and basic food hygiene. This will mean that these courses are unlikely to run.	Managing the balance and mixed of provision
Reduction in funding for Skills for Life programmes	This will result in a loss of funding of some £20K each year to basic skills. Whilst this will not be a net loss to the service it means that the service will have to recruit more learners onto programmes to make up the funding. Costs will therefore rise.	AS above
Reduction in ACL funding	The reduction of some £60k of funding is going to have an effect on the ability of the service to offer the range and number of programmes that it currently does. Some effort is going to be made to make up the funding in learner fee income but this is going to be challenging.	Indicative funding allocation.
Expectations of increases in fee income to all learners	This is going to be challenging for the service, as fee levels are relatively high currently. The LSC are going to expect learners to pay more toward their courses, especially those where the course content does not support the key objectives of the LSC and the national skills strategy.	Planning for success

Section 2: Priorities/Initiatives/Actions for 2006/07

Outcome1	Initiative	Action	Deadline	Responsibility
Making York More Eventful				
Facilitate, plan and support a citywide programme of festivals and events that makes the city and its local neighbourhoods more vibrant.	Promote York @City of Festivals established and highly visible brand events organisers and the T Board. Brand our own events with to raise awareness.	<ul style="list-style-type: none"> • Ensure that Learning Festival is branded as part of this initiative 	April 2006	AG

Outcome 2				
Engaging in Learning	Initiative	Action	Deadline	Responsibility
Increase the opportunities for formal lifelong learning and leisure in a range of cultural settings	Develop clear service arm performance indicators which set a base line for engagement in formal learning (base period August 2004 – July 2005)	<ul style="list-style-type: none"> Contribute to the development of baseline by providing timely data as requested 	April 2006	LK
	Extend the use of learning tasters at events and festivals	<ul style="list-style-type: none"> Review the current events and activities particularly Family Learning week Continue contributing to and leading on the Learning Festival in partnership with Learning City 	May 2006	LB/LS
	Implement the concept of Library learning centres offering community based learning facilities	<ul style="list-style-type: none"> Work closely with the Library Service to develop the use of libraries as adult education venues Support and lead capital bids for resources as become available 	Sept 2006	Management team
	Run learn direct programmes across the libraries network	<ul style="list-style-type: none"> Make a bid for the new contract, following the learndirect tendering process 	April 2006	AG with FW Libraries
	Explore the potential to develop full cost programmes	<ul style="list-style-type: none"> Look at programmes that have the potential to generate large amounts of fee income and ensure that these are available across the city Develop the full cost languages programme currently with CCP and explore how that might be spread to other companies and employers Explore the potential of just after work programmes in the central library Develop a programme of full cost weekend master classes for student progression 	April – June 2006 June 2006 July 2006 Sept 2006	Curriculum Managers and Operations manager AG All

Support residents into work by improving Skills for Life	Develop a whole service arm approach to Skills for life	<ul style="list-style-type: none"> • Run training to other services within the service arm on Skills for Life awareness • Train frontline library staff on skills for life awareness training 	Dec 2006	LB/AG
			Sept 2006	LB/LC
	Deliver the LPSA2 priority of improving literacy, numeracy and employability skills in York	<ul style="list-style-type: none"> • Identify and recruit staff to the programme • Explore how the services current activities can support the aims and targets of the project • Develop a model of referral that is clear and simple • Identify appropriate resources to ensure that the project targets can be delivered. 	April 2006	AG/LB
			May 2006	Steering Group
			May 2006	Steering Group
	Implement the Vital Link initiative (enhancing the reading experience for adult learners through libraries.	<ul style="list-style-type: none"> • Support the implementation of the vital link by being an active partner in the initiative with the library service 		Management team
Provide opportunities for people to take their first step back into learning	Run taster sessions as part of a number of city wide education and cultural events	<ul style="list-style-type: none"> • Continue to support the learning festival 		All
	Ensure that progression routes are available and explicit at informal learning events and activities	<ul style="list-style-type: none"> • Work with other providers and the learning and heritage network to develop progression routes for suitable programmes 	March 2007	AG with FW
	Work with community groups and organisations to develop programmes that target groups and individuals that currently do not participate	<ul style="list-style-type: none"> • Develop a series of programmes specifically targeted at improving employability skills and learn to learn skills • Continue to work with Surestart to develop targeted programmes • Ensure that Family Learning is a key element within the development of children's centres. 	July 2006	MC
			Ongoing	LB
			Review July 2006	LB/AG

Contribute to the development of a citywide learning culture	Place learning at the core of libraries, archives and museums through implementing 'Inspiring learning for all' – the national vision for learning and access	<ul style="list-style-type: none"> Contribute to the development of Inspiring Learning for All as appropriate 		AG
	Implement the relevant recommendations from the Heritage and Learning in York report	<ul style="list-style-type: none"> Implement any actions relevant from the report that are complementary to service priorities 	Review July 2006	AG
Increase accessibility to learning through the use of technology	Share development of the learning platform	<ul style="list-style-type: none"> Work closely with Libraries to see how they will make use of the learning platform. Work with Future Prospects to see how students on the IT in the Community courses can make use of the resources on the web site. See action in outcome 9 	July 2006 July 2006	RL RL
	Identify and work with excluded groups to bridge the digital divide	<ul style="list-style-type: none"> Work closely with Future Prospects and IT in the Community to identify groups who need support and then put on programmes to support them 	Oct 2006	RL/AG
	Ensure that services have industry standard equipment/resources to deliver learning	<ul style="list-style-type: none"> Ensure that resources from funding via infrastructure funding are used across all areas of the service 	Review October 2006	RL
	Ensuring people have the appropriate e skills/IT skills to access eLearning	<ul style="list-style-type: none"> Explore how eLearning resources can be used more effectively in Family Learning Promote the use of the ICT flexible learning centres to all students in the service 	Jan 2006	RL/LB/LC

Outcome 3				
Being healthy	Initiative	Action	Deadline	Responsibility
Promote and increase the range of and access to High quality opportunities to encourage a culture of inclusive participation and healthy lifestyles	Ensure cross service Health and Well being programmes are embedded in the strategic plan for Active York	<ul style="list-style-type: none"> • As initiative 	Sept 2006	SD/MB
Provide sources of information to promote participation in active and healthy lifestyles	Ensure that all information on programmes that are health related are promoted effectively	<ul style="list-style-type: none"> • Continue to promote healthy and active lifestyle message through Health and Well Being Programmes 	March 2007	SD/MB

Outcome 4				
Making a Positive Contribution to Local Communities	Initiative	Action	Deadline	Responsibility
Work with communities to help them develop and direct their own opportunities for lifelong learning and culture.	Facilitate and support the formation and development of strong community groups able to manage their own opportunities	<ul style="list-style-type: none"> Review the current curriculum offer to see if there are opportunities to develop programmes to support this area of work. 	Sept 2006	SD/AG
	Address language and DDA requirements be ensuring service information is provided in accessible formats.	<ul style="list-style-type: none"> Make sure that information in brochures and other material used is available in a variety of formats Ensure the DDA considerations are taken into account when developing the learning platform Review enrolments and induction procedures to ensure that they are not discriminating against particular groups 	Sept 2006 Oct 2006 June 2006	AG/AW/MC RL AG/SD

Outcome 5				
Taking a Pride and Pleasure in the Environment	Initiative	Action	Deadline	Responsibility
	Offer courses for adults on how to make the most of your allotment garden	<ul style="list-style-type: none"> Work closely with the allotments team to develop programmes that encourage the development of knowledge and skills for first time allotment holders and tenants. 	May 2006	SD/MB

Outcome 8				
Infrastructure Planning	Initiative	Action	Deadline	Responsibility
Improve the quality of and access to local cultural facilities	Support the development of Children's centres to ensure high quality learning facilities for adults	<ul style="list-style-type: none"> ▪ Work with Children's Centres to ensure that appropriate spaces are provided to facilitate high quality adult learning 	Ongoing	LB
	Develop a network of community learning centres including schools, libraries and heritage attractions	<ul style="list-style-type: none"> • Work with the library service to take advantage of any capital bidding opportunities 		AG

Outcome 9				
Support needed to achieve the outcomes	Initiative	Action	Deadline	Responsibility
Attract additional resources for LL&L through a successful programme of bidding for external funding	Work jointly with other LL&L services or council departments to develop bids or funding initiatives.	<ul style="list-style-type: none"> Secure funding for the flexible learning centres to ensure the mix of learning styles can be offered Actively seek opportunities for other funding sources including developing a full cost model 	April 2006	AG
			July 2006	AG
Develop appropriate terms and conditions for staff within the service	Embed annualised hours contracts within Skills for Life and Family Learning.	<ul style="list-style-type: none"> Identify staff with weekly teaching hours above 8 and consult with them on the introduction of new contracts Implement new contracts with staff as above 	July 2006	AG/LB
			Sept 2006	AG/LB
	Look at the potential to develop annualised hours contracts across other areas within the service	<ul style="list-style-type: none"> Identify staff in other curriculum areas who teach more than 8 hours per week and consult with them on the introduction of new contracts 	July 2006	AG/CMs
	Review the contracts and terms of conditions for the staff transferring to the council from learning connections	<ul style="list-style-type: none"> As Initiative 	Sept 2006	AG
To make ICT services more widely available and provide access to services on line	Develop an on line booking system for all part time adult education programmes across the city	<ul style="list-style-type: none"> Establish the current position with the development of an on-line booking system Review following above and establish the costs 	July 2006	AG
			July 2006	AG

	Develop a learning platform	<ul style="list-style-type: none"> • Continue the work on developing Moodle as the Learning Platform for the service in line with the action plan • Establish the overall strategy for the further development of the platform and how this is going to be taken forward once the funding is finished • Explore the potential of other services and partners using the platform – implement the actions that arise from this. • Explore income generation potential 	Ongoing review in Oct 2006	RL
			July 2006	AG/RL/All
			Jan 2007	RL/AG
			Feb 2007	RL/AG
	Improve the Lifelong learning and <i>Culture web</i> presence on the council website	<ul style="list-style-type: none"> • Establish the responsibility for this area within the job description of the Service Administrator • Continue to work with the web team to ensure that information on adult education 	June 2006	AG
			June 2006	AG
To ensure continuous improvement in our services	To ensure that quality improvement is a continuous and effective process, in line with the common inspection framework	<ul style="list-style-type: none"> • Develop an effective OTL procedure for the flexible learning centres • Continue to monitor OTL across the service to ensure that adequate observations are taking place • Develop an effective QA procedure for all contracted or partnership provision • Implement RARPA across all non accredited programmes • Continue to develop high quality venues to support adult learning by Reviewing the current building that the service uses 	Sept 2006	MC/RL
			Sept 2006	MC
			Sept 2006	MC
			June 2006	MC
			July 2006	SD
	To ensure that data and management information is used to inform planning and service development	<ul style="list-style-type: none"> • Develop a MIS strategy and action plan to ensure effective and efficient use of data • Develop a cycle of data information to use in the planning of programmes • To identify trends in data that could be used to inform planning 	July 2006	LK
			July 2006	MC/LK
			July 2006	MC/LK

CENTRAL TEAM MILL HOUSE**

CYC ACES

Operations Management Structure

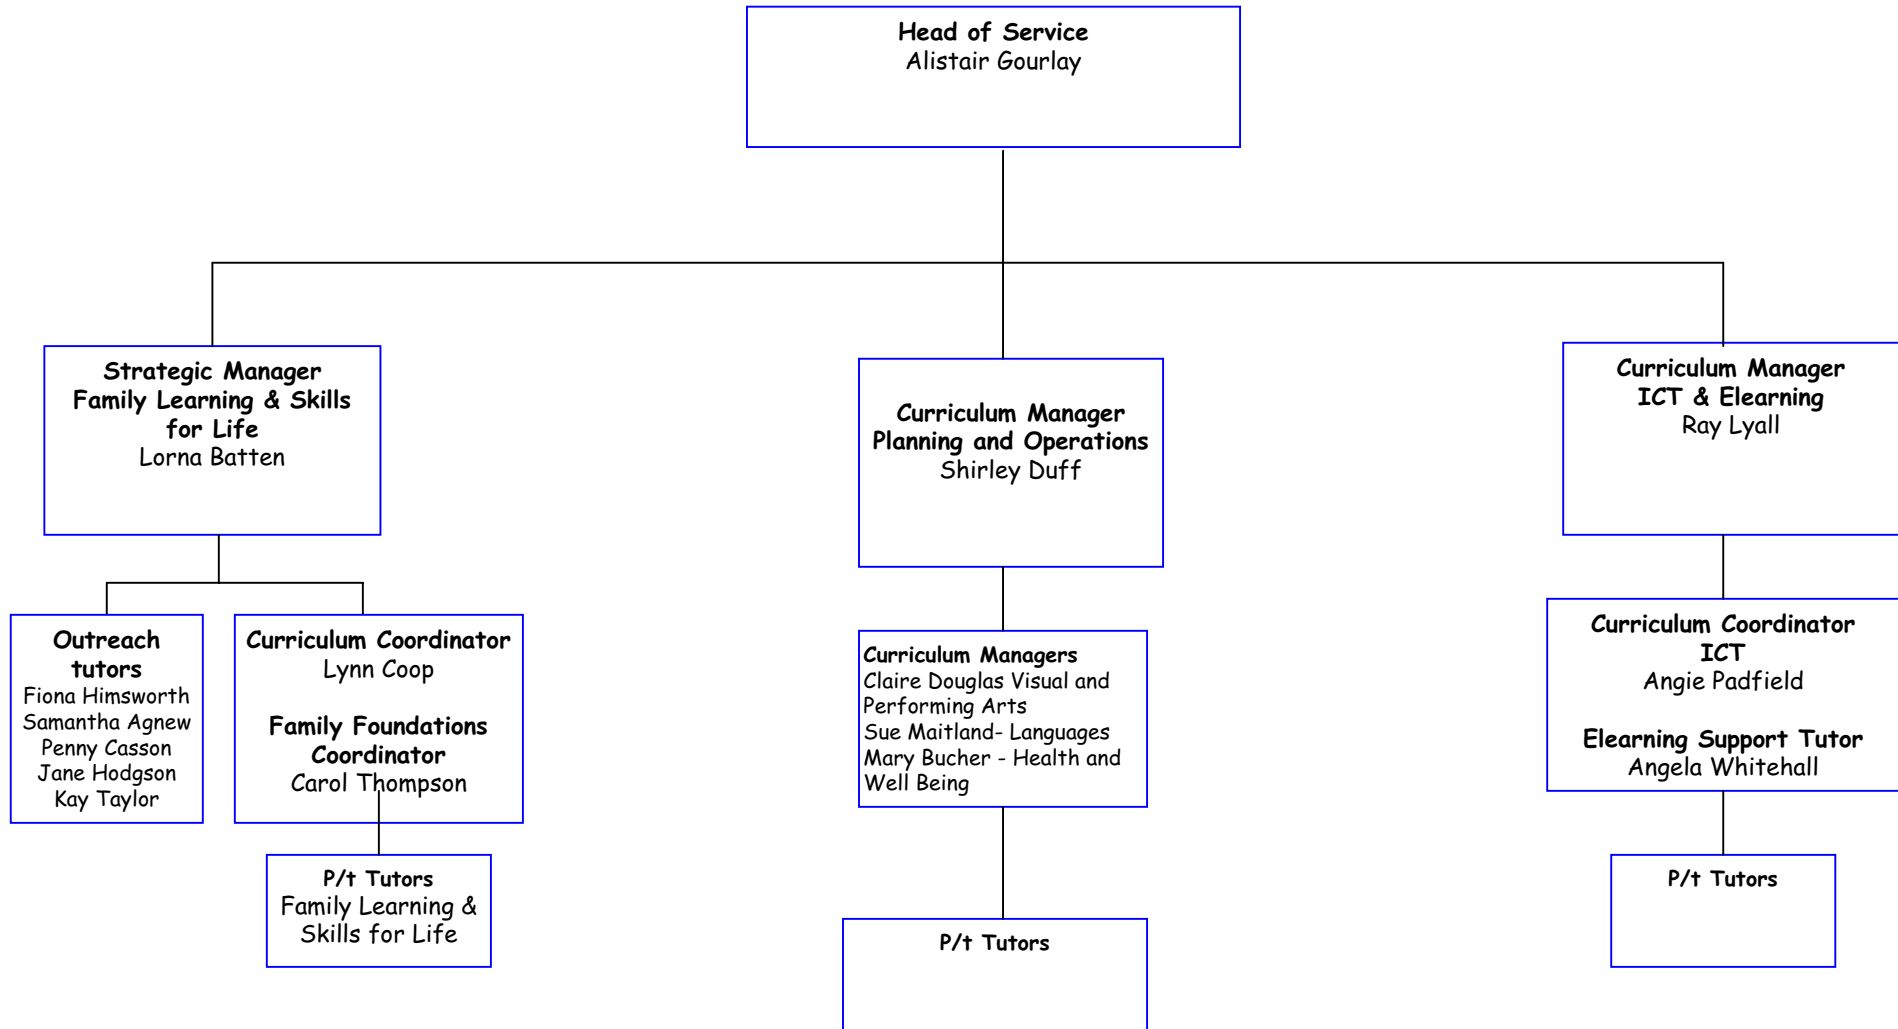

Annex 2

CYC ACES

Curriculum Management Structure

Annex 2

Section 8: Monitoring and reporting arrangements

Section 5: Monitoring and Reporting Arrangements

Monitoring of the action plan will take place through Management Team meeting and in Quality Improvement Team meeting. Regular review of actions plans is already built into the self-assessment cycle.

The service monitors all programmes through an end of course questionnaire and through attendance and retention monitoring. For longer programmes that are over 20 weeks an early impressions questionnaire is used to gain feedback and to allow managers to take early action if required.

Meeting	Timing	Description	Staff
Management team	3 weekly	Monitoring of main service functions Forward planning and main decision making forum	All senior managers
Quality Improvement team	Monthly	Main tool to monitor Quality Improvement plans and actions in curriculum plans	Curriculum managers QA Manager
Admin team meeting	6 weekly	Monitoring and development of systems to support service delivery.	QA manager Planning and Operations manager
Strategic Meeting	One per term	Review major actions within plans and check progress against action plans.	All senior manager. Curriculum managers
One to one meeting	6 weekly	Review of actions identified in plans including service planning actions	Head of service with Senior managers
E-learning team	3 per year	Review actions in the E-learning strategy	HoS, QA Manager, ICT Manager
PDR	Annual with six monthly review	All staff monitored by QA manager	QA Manager
Curriculum Action planning review meeting	June December	Meeting to discuss and update actions in the plan and formally sign off actions	HoS and QA manager with each curriculum manager.

Most of the actions in the plan are underpinned by a more detailed work programme. The service is developing a method of signing off actions so that there is a permanent record for audit and inspection purposes.

Annex: Corporate compliance statement

Actions/Evidence	Deadline
Equalities action/s	
Continue to expand the work with marginalized and disadvantaged communities, particularly targeting those learners who do not have a skills for life qualification.	This is ongoing and no deadline can be set
Continue to expand ESOL provision in response to the influxes of new workers into the area.	See above
Safer City action/s	
Continue to develop a range of classes for older learners during the day	Sept 2006
Expand the use of library buildings for adult and community education as safe places for communities to learn.	Sept 2006
Operational Risk – red risk action/s	
Fee income target is not achieved and therefore there is not sufficient funding to support the infrastructure of the service.	Nov 2006
The contract for Learndirect is not secured and therefore insufficient funding is available for flexible learning centres, which will lead to staff redundancies.	May 2006
Gershon – Efficiency improvement	
The service is planning to increase the level of fee income that it collects to replace lost grant to the service. It is planned that this will be an increase on 05/06 of 20k. This will go some way toward covering the shortfall in funding for the service as a result of grant reductions.	March 2007
Competitiveness statement	
<p>The service operates within a Learning City Framework with each organisation delivering programmes that match its strengths. We work with a number of partner organisations including schools and libraries to maximise the use of their premises.</p> <p>The service tenders each year for the learning for life brochure for printing. In house design of the brochure is provided free of charge to the service by York College.</p> <p>The services provides funding to Future Prospects to provide an enrolment service, that can handle both telephone, and face to face service which we would not be capable of providing.</p> <p>Whilst we have made no specific benchmarking with other local authorities (the benchmarking services are too expensive to take advantage of), the last time a national benchmarking exercise was carried out our cost per learning hour were average.</p>

4. The self-assessment process

A template of self-assessment questions and sources of evidence is provided for managers who are responsible for writing self-assessment reports. The template is based on the five key questions of the Common Inspection Framework. Evidence that can be used for self-assessment is collected throughout the year from sources such as observation reports, learner satisfaction questionnaires and the learner and tutor summative assessments of individual learner progress that go to curriculum managers.

Added to this is the data on participation, retention and achievement provided by the service's information manager.

Curriculum managers use all the data available to draft their area of learning reports. Other tutors in the area of learning team who undertake observations, internal moderation and mentoring roles may also contribute to the first draft. A series of validation meetings are held and then the final area of learning reports are submitted and development plans are updated. The area of learning reports inform the content of the leadership and management reports, including contributory sections on quality assurance and equality of opportunity.

In theory, at the same time that this process is taking place, the three-year development plan and one-year service action plans are being reviewed. Until now however, most of this has happened after the self-assessment report has been written. The aim in future is for each of these processes to feed into the other.

Service Plan for 2006/07

Service Plan for: LCCS Finance

Directorate: Learning, Culture and Children's Services

Service Arm: Resource Management

Service Plan Holder: Richard Hartle

Director: Patrick Scott

Signed off:

Executive Member: Cllr Carol Runciman

Signed off:

Section 1: The service

Service Description.

The overall purpose of LCCS Finance is to ensure that the financial resources are available to implement the policies and priorities of the department in the most cost effective way and to ensure the right balance between supporting and challenging departmental services and schools.

For Finance the key objectives of the service are to:

- Manage the annual budget cycle for the Children and Leisure Portfolio areas encompassing budgets with a turnover of over £250m.
- Report on revenue & capital budget monitoring throughout the year to the LCCS Management Team and to Elected Members.
- Complete the annual statement of accounts, including all government and corporate returns.
- Allocate appropriate resources as agreed by the council to all maintained schools in York.
- Provide a traded service to schools consisting of training, budget advice and assistance with financial statements.
- Monitor the financial performance of all maintained schools and report to the Director and Members as appropriate.
- Provide other budget managers with appropriate information to enable them to meet their stakeholder's expectations.
- Contribute to the delivery of corporate initiatives.
- Provide advice and information to enable senior managers and Members to plan for and realise their strategic objectives.
- Ensure that the financial activities of the department and schools conform to statutory and corporate regulations and standards, including the council's financial regulations.
- Provide training to budget managers within the Directorate

Service Plan 2006-07

Section 2: Service Review

The former Education and Leisure Finance has worked to develop and secure the financial management systems operating across the department. The former department had robust internal financial management with sound budget management processes in place. Recent years have seen significant improvements in the accuracy of revenue and capital monitoring and forecasting. This needs to be maintained and enhanced in the new directorate.

A strong relationship has been developed with the Schools' Forum. The success of the Forum has been recognised by OfSTED and the Audit Commission survey. The Forum has:

- Steered the successful delegation of SEN resources
- Implemented a major review of the local schools funding formula
- Overseen the annual budget process
- Analysed and commented upon the level of balances held by York schools
- Lobbied central government on funding issues
- Consulted over the future of key service contracts (catering, cleaning, grounds maintenance)

Termly briefings with all Headteachers have provided a valuable opportunity to discuss emerging budget pressures and to share early analysis of budget settlements.

The Finance team has restructured to respond to the needs expressed by schools. Service development has included: school bursar programme, training routes for Accounting Technicians and developing the school business manager programme. More schools are buying into the increased level of services offered.

Significant new financial management challenges have been addressed. In 2005/06 these have included the implementation of a new school funding formula, accounting for PFI, a new national funding regime for schools, the Financial Management Standard in Schools (FMSiS), changes in the way early years, SureStart, children's centres and adult education are being funded, the integration of children's social services and the monitoring of a large and complex capital programme. Key spending pressures for 2006/07 are likely to be out of city placements, home to school transport, centrally retained LA services funded from government grants which have now been frozen, the consequences of the ceasing of the Safeguarding Children Grant and reductions in LSC funding for adult education.

However the service continues to operate with limited capacity. This restricts the teams ability to respond to development requests. Delivery depends upon the good will and professionalism of key staff.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Council budget pressure and Gershon Efficiency	All service areas will be reviewing budgets requiring support and advice. Efficiencies for schools are embedded within existing programmes, not measured by local authorities or schools but school will still require significant support and training..	www.hm-treasury.gov.uk/Documents/Public_Spending_and_Services/publicservice_performance/pss_perf_table.cfm
FMSiS	Will increase workload of the strategic elements of the service, i.e. identifying elements which can be created centrally then rolled out to schools for efficiency, training review and restructure, review of SLA. Workload and responsibilities for team members likely to increase.	National directive www.dfes.gov.uk/valueformoney/index.cfm?action=financeManagement.Default&ContentID=70
Extended Schools initiative	Will require a new SLA, additional training for team members and rollout of detailed guidance for schools.	National directive www.teachernet.gov.uk/teachers/issue39/primary/news/Extendedschools/
Remodelling	Remodelling the workforce has already impacted on schools but as the remodelling process will be used to allow schools to identify ways forward which meet the needs of their pupils and local communities there is likely to be additional impact on school finances and so the service as it continues to evolve.	National directive www.teachernet.gov.uk/wholeschool/remodelling/
Continuing DfES review of education and school funding	Embedding new system and responding to consultations on changes already being proposed. Changes introduced mean additional training for schools and the team, reviewing practices, school budgeting tools under review, time required in schools to support need.	National directive www.teachernet.gov.uk/management/schoolfunding/
Creation of the new directorate	Integration of budgets and all financial systems plus support for other services as they come together	Local priority

Section 4: Priorities/Initiatives/Actions for 2006-07

Priority	Initiative	Action	Deadline	Responsibility
Support Needed to Deliver the Outcomes				
Priority 1: To develop high quality leadership in the directorate at all levels, capable of managing the change to Children's Services	Continuing integration of budgets and other financial management arrangements for the new directorate	Review departmental support budgets and recharges	Aug 06	RH
		Departmental budget monitoring review – integrate former community services and chief execs areas	Sep 06	KF
		Review departmental ordering processes – purchase orders etc.	Mar 07	tbc
		Review FMS cost centre structure – re new directorate and DSG changes	Aug 06	RH
Priority 2: To provide effective support for staff in making changes to the way in which children's services are delivered	Review the Financial Training offered to schools	Focus training on procedures as well as IT skills, i.e. CFR and Financial Regulations.	Mar 2007	LB
		Consider how we can best support schools in accessing external funding	Mar 2007	LB
	Implement new team structure	Complete recruitment to all posts	Sep 06	RH
Priority 3: To ensure that the use of resources is driven by	FMSiS: Raise awareness and equip school staff and governors to meet the Standard.	Create and deliver initial training course for staff and governors	March 2007	LB
		On-going training of staff and governors	March 2007	LB

policy and that, wherever possible, funding is channelled from crisis management to early intervention		Regular update information to be disseminated to LA personnel	March 2007	LB
	Raise awareness of Centre for Procurement Performance with schools	Training for Finance teams	Sept 2007	LB
		Contribute to regional meetings	March 2006	LB
		Share best practice with schools	Sept 2007	LB
	3 Year budgets for schools	Liaise with EDS colleagues to investigate how the finance plan can be more closely aligned to the SIP	Mar 2007	LB
		Review SLA with implementation of three year budgets	Dec 2007	LB
	Delivery of 2006/07 savings and growth items	Regular monitoring of progress	On-going	KF
	Consider opportunities for redirection of DSG resources to early intervention	Review S52 statement in light of new funding regime, DSG etc.	Sep 06	MB
	Medium Term Financial Planning	Continue to develop the departmental medium term budget	On-going	RH
	DfES Consultation on funding regime from 2008/09 onwards	Consider the consultation proposals including supporting the schools forum	Jul 06	RH
LMS Scheme review in light of DfES consultation	Consider the consultation proposals including supporting the schools forum	Jul 06	LK	
Priority 5: To establish systems for transacting business that are focused on the needs of the customer and capable of responding to the needs of communities	Electronic communication with schools	Identify appropriate areas for e-communication	Sept 2006	LB
		Develop systems to facilitate consultation with schools and MIS	March 2007	LB
		Implement e-Comm systems	Sept 2007	LB
		Collaborate with NCSL to set up a York Bursars' area on their Talk2Learn network.	Dec 2007	LB
		Work with CPD Manager to consider best way forward.	Dec 2007	LB
	Review processes for funding transfers to schools	BAFS and remit system FMS codes School notification etc	Mar 07	LK

		Review school loans scheme in light of DSG and prudential borrowing		
Priority 6: To establish systems for transacting business that are focused on the needs of the customer and capable of responding to the needs of communities	Equip school personnel with knowledge and skills to manage finances of extended schools' activities.	Provide schools with financial guidance to structure processes to ensure financial propriety.	Sept 2006	LB
		Provide training to school staff and governors	Dec 2007	LB
Provide support to other corporate and departmental initiatives				
	CPA use of resources	Provide financial support and advice	On-going	RH
	Westside review			RH
	LPSA2			Tbc
	Integrated Children's Centres			Tbc
	Youth Service agenda for change			KF
	Oaklands Sports Centre Partnership			RH

- Any PI No. that is shown in yellow indicates that this PI is shown within the Council Plan
- PI is lower than the lower quartile mark when comparing to available Quartile information for that year
- PI is higher than the upper quartile mark when comparing to available Quartile information for that year
- Actual is better than the profile by the tolerance factor
- Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

1. Richard Hartle will provide an insert for this section. However, it is essential that you provide him with high quality information to explain any shift in resources.

Section 7: Human resources

Learning, Culture and Children's Services Finance - Staffing Structure (from April 2006)

Section 8: Monitoring and reporting arrangements

Monitoring of the action plan will take place through the weekly team leaders meeting, in section & team meetings and in individual performance management. Regular review of departmental budgets and section PIs is already built into the quarterly monitoring cycle.

Meeting	Timing	Description	Staff
Team Leaders	Weekly	Monitoring of main service functions Forward planning and main decision making forum Prioritisation of work and resources Budget monitoring and project planning	Richard Hartle Mike Barugh Katherine Finnie Linda Brook Libby King AN Other
Education and Leisure Finance Team meeting	Monthly	Main tool to monitor plans and actions at team level.	All staff
Sub-team meetings	Varies	Main tool to monitor plans and actions at sub-team level.	Schools Traded team School Funding team LL&L/RM team A&I/C&F team SI&SD/CP/SF team
One to one meetings	Fortnightly	Review of actions identified in plans plus day to day overview of projects or operational issues	Head of Finance with team leaders
Personal Development Reviews	Annual with six monthly review	Individual will line manager to develop individual contributions to the achievement of the Service aims	All Staff
One to one meetings	Fortnightly (KH) Bi-monthly (PS)	Strategic priorities discussed and agreed. Review of progress and operational issues. Strategic overview.	Richard Hartle with Kevin Hall or Peter Stead

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
<p>Add in bullet point equalities actions for your service that you intend to deliver over the next 1-3 years. These could include changes or improvements in service which:</p> <ul style="list-style-type: none"> • improve access by particular stakeholders. • reduce or eliminate discrimination • support staff equalities <p>Please check any relevant departmental or service Equalities Impact Assessments (EIA)</p>	When do you expect to complete the action or improvement?
Consider as part of future LMS funding formula reviews	On-going
Provide financial support and advice to enable other services deliver actions e.g. accessing external funding	On-going
Safer City action/s	
<p>Add in bullet point actions you intend to deliver over the next 1-3 years that support the Council's Safer City priority of reducing crime/anti-social behaviour and making York a safer place to live.</p> <p>These might support Community Safety Plan and section 17 actions plans. They may also include changes or improvements that address issues that have come out of a Safer City audit.</p> <p>Alternatively, you might want to include actions you identified from the service planning process (i.e. service changes or improvements that help reduce crime and/or improve safety in York).</p>	When do you expect to complete the action or improvement?
Provide financial support and advice to enable other services deliver actions e.g. accessing external funding	On-going
Operational Risk – red risk action/s	
<p>Please list (in bullet point format), any actions you are taking to address any red areas of operational risk that you may have identified. Please refer to the specific section in the service planning guidance which provides details of how to complete an operational risk template.</p> <p>If you have identified a red-risk issue, but do not have sufficient resources or capacity to tackle it over the next 1-3 years, you should still list these out in bullet point format – explaining that you are aware of the risk, but do not have sufficient resources to take action to mitigate their potential effect on your service.</p>	When do you expect to complete the action or improvement?
Reviewing new directorate's budget monitoring procedures	Sep 06
The service continues to operate with limited capacity. Service delivery depends upon the good will and professionalism of key staff.	

Gershon – Efficiency improvement	
<p>Please list (in bullet point or table format) any efficiency improvements your service intends to make over the next 1-3 years. These can be 'cashable' and/or 'non-cashable' efficiency improvements.</p> <p>A completed example of both has been provided to help you. Where applicable, financial amounts should also be provided.</p>	<p>When do you expect to achieve the efficiency improvements by?</p>
<p>The restructure of the finance service from April 2006 is expected to generate a cashable efficiency saving of £5k in 2006/07</p>	<p>Apr 06</p>
Competitiveness statement	
<p>Please provide a statement to demonstrate that your service is competitive. This might be examples of one or more of the following:</p> <ul style="list-style-type: none"> • Tendering or procurement exercise for all or part of your service provision. • Delivering services in partnership. • Market testing exercise which, through evidence, showed that your service was delivering value for money – ie it is economic (low service costs), efficient (producing good levels of service for the money spent) and effective (is performing well in comparison). • Benchmarking: comparative performance and costs with other authorities or like-for-like organisations <p>Schools traded service operates in a competitive environment as schools are able to purchase this support from any provider – take has increased by more than 100% since 2001</p> <ul style="list-style-type: none"> • - Market testing exercises such as the annual Audit Commission (AC) survey to schools to ensure VFM and effectiveness. • - National benchmarking of service through AC schools survey • - Evaluation of training programmes through CPD feedback system ensures effectiveness of service <ul style="list-style-type: none"> - Carry out and respond to user feedback through surveys

Section 1: The service

Service Description.

Please provide a description of the service that you provide and the working environment within which it operates. This should include:

- A brief purpose statement outlining the key purpose and function of your service
- The link with corporate and departmental strategic plans
- The main customers for your service
- Any other relevant details about the nature of the service

Plans for education in York are all derived from the achievement of eleven outcomes. These are the five outcomes required by 'Every Child Matters' with the remainder being local requirements to support those outcomes. Individual priorities under each of those outcomes demonstrate how these priorities and the vision statement that informs them will work in practice.

The main thrust of the work of the Planning and Resources Service is to support these priorities by providing the following services:

Business Support

Central administrative support service to Education and Leisure staff, providing an office accommodation management and fault reporting service, including Health and Safety. The team drives the aims for good and improving communications within the department, and with schools, colleagues across the Council and with external bodies as well as managing and co-ordinating the democratic process.

Contract Monitoring

Offer a monitoring service to schools for catering, cleaning, caretaking and grounds maintenance and the monitoring of the operational element of the PFI contract.

Planning and Development

Continuing development and implementation of the Education Asset Management Plan and schools capital programme, using formulaic allocations and bidding for other funds where opportunities arise.

Policy

Planning school places, admissions policy, production of the School Place Planning element of the Single Education Plan, support to the Local Admissions Forum and management of the School Organisation Committee.

Section 2: Service Review

Service Description.

Please provide an analysis of the work of your service paying particular attention to performance against PIs, APA judgements, contribution towards the outcomes, progress since previous year (no more than 2 sides of A4). Services making a contribution to the Children's Services Plan should summarise here the draft submission that they will make to the APA to be completed in May 2006.

Outcome 1: Being Healthy

- School meal menus meet or exceed the Nutritional Standards with reduced fat, sugar and salt content
- Travel plans supported at ** schools

Outcome 6: School Place Planning

- Updated conclusions and recommendations accepted by SOC and LAF
- Action plans on 25%
- Section 106 funds under improved control
- Contributed to the successful launch of the Extended Schools Initiative, including the handbook, DVD and guide to schools.
- Working with a range of colleagues and funding streams to develop the identified ICCs.
- Feasibility study on Tang Hall Primary undertaken
- Admission limits
- Partnership arrangement in place for school cleaning and caretaking contract.
- 2 of the new PFI schools operational with HMCC due to open after Easter.
- Further round of departmental accommodation moves accomplished.

Outcome 8:

- AMP data and criteria updated.
- New AMP handbook published and distributed.
- Access audits completed, recorded and used to inform access improvement works.
- All 3 TCF bids successful, bringing over £22m of new funding into the City
- 2 construction partnerships in place
- AMP data submitted to DfES successfully validated

Outcome 9:

- milk subsidy returns now submitted by email
- limited low-budget CAD package used to generate school floor plans where changes have been made to the building layout.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Restructured directorate	Changing ways/places of working to respond to directorate changes and requirements, including working with external partners, multiple funding streams, cross-boundary co-operation etc.	'Every Child Matters' structural and operational requirements
Children's Service	Additional responsibilities for Children's Service buildings	
Integrated Children's Centres	Requirement to work with colleagues across the Directorate to deliver a further 5 CCs within time and budget	
Extended Schools	May bring many more conversion and change of use projects forward Will change the way school capacity and viability are measured and judged	DfES requirement for all schools to offer at least core extended services by 2010
Other Govt policy	Work required to ensure readiness to deliver BSF and the Primary strategy Manage school organisation implications of the White Paper Gershon – I don't know how this will work, but get the feeling that it could be cuts in wrapping paper	DfES criteria Education Act 2006 Gershon efficiency savings
Capital programme	Capacity to deliver programme within time and budget approvals, working with the restructured Property Service Different ways of working as more of the programme is delivered via construction partnerships and then a move to a framework partnership.	Local approvals 'Rethinking Construction' and DfES regs

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
Outcome 1: Being healthy in York				
Priority 1: To improve the physical health and well being of all children and young people	Improve the quality of school meals by establishing a School Initiatives Fund, increasing the amount of money spent on food and training kitchen staff	<ul style="list-style-type: none"> Targeted School Meals Grant, in conjunction with Kitchen Improvement funding earmarked by the LA, used to promote healthy eating. Ensure that the views of schools are reflected in the negotiation of school meals price and contract arrangements Work with contractor to ensure menus reflect new guidelines on Nutritional Standards in school meals, including nutritional breakdowns and 3-week menu cycle. 	Ongoing	BK
			March 2007	BK
			September 2006	BK
	Work with schools and other colleagues to support activities that promote healthy lifestyles	<ul style="list-style-type: none"> Continue work on healthy eating promotion in co-operation with the Healthy Schools Co-ordinator. Work with colleagues in highways and schools to contribute towards school travel plans that reduce car dependence and encourage walking and cycling. 	Ongoing	BK
			Ongoing	AE/MO'C
Outcome 3: Enjoying and achieving in York				
Priority 8: To provide support for schools working to extend provision beyond the normal school day	Support the next phase of the Extended Schools Strategy	<ul style="list-style-type: none"> With the other Extended Schools Remodelling Consultants, deliver the remodelling training to all York schools and their partners Ensure the capital programme scoring criteria adequately reflects the needs of school buildings to respond to becoming extended schools 	March 2007	MET
	Support the development of		July 2006	AE/MO'C/MET

Priority	Initiative	Action	Deadline	Responsibility
	Integrated Children's Centres	and/or Integrated Children's Centres		
Outcome 5: Achieving Economic Well-being				
Priority 1: To develop vocational learning as an entitlement for all 14-19 year olds	Establish the 14-16 vocational skills centre at Danesgate to provide supported training opportunities for up to 150 vulnerable young people before they move on to education, employment and training opportunities	<ul style="list-style-type: none"> Continue to work with the Skills Centre steering group to successfully translate the training outcomes required into a new facility that can deliver those opportunities. Work with colleagues to respond to identified need for facilities to provide vocational training in other locations 	March 2009 Ongoing	CMcC/MO'C/MET P&D team
The support that is needed to deliver the outcomes				
Priority 5: To establish systems for transacting business that are focused on the needs of customers and capable of responding to the needs of communities	Improve the way in which the CYC website provides information about children's services.	<ul style="list-style-type: none"> Contribute to the delivery of the CYC Customer Contact Centre Support the consolidation of a complaints procedure across the new Directorate Contribute to the presentation of LCCS on CYC, LCCS and YorOK websites Develop a LCCS communication group based on intranet use 	Ongoing September 2006 March 2007 September 2006	AL/PR AL/PR AL/PR AL/PR
Priority 6: To create a firm foundation for the delivery of effective services	Establish 8 Children's Centres to serve the areas of greatest disadvantage in the City. Make the best possible use of school buildings	<ul style="list-style-type: none"> Work with colleagues to develop buildings that deliver the required facilities within the available budget at each of the remaining CCs. In the role of ESRC, encourage and support schools to offer extended services and achieve 	December 2009 March 2007	P&D MET

Priority	Initiative	Action	Deadline	Responsibility
	to serve the needs of communities	<p>at least the core offer by 2010</p> <ul style="list-style-type: none"> • Develop a bidding process that allows students to make a direct contribution to change in their schools by access to the capital programme. • Formalise and document the priority of accessibility by producing an access statement for every capital project. • Provide recycling facilities within capital projects where that is appropriate. • Create a process that ensures all building changes are reflected in the database. 	<p>April 2006</p> <p>Ongoing</p> <p>Ongoing</p> <p>September 2006</p>	<p>MO'C</p> <p>CMcC</p> <p>P&D</p> <p>JW/P&D</p>
	Help schools make the necessary modifications to their buildings and working practices to provide extended services.	<ul style="list-style-type: none"> • Review the AMP criteria to ensure the need for extended schools is reflected 	<p>April 2006</p>	<p>P&D/MET</p>
	Complete the review of secondary education in the west side of the City and begin implementing proposals.	<ul style="list-style-type: none"> • Implement the decision of the School Organisation Committee and the Manor Governing Body with regard to the future of secondary education in the west of the City. • Work with colleagues in the schools, Council and Diocese to provide buildings fit for the new schools 	<p>September 2007</p> <p>September 2009</p>	<p>MET</p> <p>MET/P&D</p>
	Support re-organisation of primary education where necessary, including moves to merge and federate schools where there are clear benefits.	<ul style="list-style-type: none"> • Continue to support existing federations, seeking funding to enable a further move to amalgamation where appropriate. 	<p>ongoing</p>	<p>MET</p>

Priority	Initiative	Action	Deadline	Responsibility

Section 6: Financial resources

Section 7: Human resources

Please include a full description of the staff involved in delivering your service.

Section 8: Monitoring and reporting arrangements

This section will probably be the easiest to complete. You need to include details about:

1. How you will use the Service Plan within the service to monitor progress (e.g. monthly service meetings?) and how you will record progress (at what level of detail and in what format)
2. You will need to outline the departmental system for formal monitoring of service plans ('A formal progress report on all actions and performance targets set out in this plan will be submitted to EMAP in <date>, <date> and <date>. This report will be tabled at the relevant meeting of Strategy Team in advance of the three reporting points each year.)
3. In this section, you should also list any other work that you will be undertaking during the year to assess the impact that your service has. This might include impact assessments, surveys (perhaps of the views of young people), research activity and so on.
 - Weekly Managers Meetings and monthly Team Meetings, outcomes noted
 - Regular Service Planning and Review days for whole team
 - Regular progress meetings on every project
 - Monthly capital programme review
 - Regular progress meetings on every project
 - Monthly capital programme review Regular progress meetings on every project
 - Monthly capital programme review
 - Quarterly reporting on the capital programme to EMAP
 - Regular reports to each meeting of SOC and LAF
 - Audit Commission annual survey of schools
 - Monthly PFI contract monitoring meetings
 - Termly monitoring of other contracts
 - Annual contract client satisfaction surveys

Annex: Corporate compliance statement

This section will require you to complete a standard proforma (2 pages max.), demonstrating your compliance with corporate policies on:

- Risk management
- Gershon savings and competition
- Equalities
- Community safety (section 17)

Actions/Evidence	Deadline
Equalities action/s	
<p>Add in bullet point equalities actions for your service that you intend to deliver over the next 1-3 years. These could include changes or improvements in service which:</p> <ul style="list-style-type: none"> • improve access by particular stakeholders. • reduce or eliminate discrimination • support staff equalities <p>Please check any relevant departmental or service Equalities Impact Assessments (EIA)</p>	When do you expect to complete the action or improvement?
<ul style="list-style-type: none"> • Introducing pupil choice in the capital programme • Access Statement for every project 	July 2006 September 2006
Safer City action/s	
<p>Add in bullet point actions you intend to deliver over the next 1-3 years that support the Council's Safer City priority of reducing crime/anti-social behaviour and making York a safer place to live.</p> <p>These might support Community Safety Plan and section 17 actions plans. They may also include changes or improvements that address issues that have come out of a Safer City audit.</p> <p>Alternatively, you might want to include actions you identified from the service planning process (i.e. service changes or improvements that help reduce crime and/or improve safety in York).</p>	When do you expect to complete the action or improvement?
<ul style="list-style-type: none"> • 	
Operational Risk – red risk action/s	
<p>Please list (in bullet point format), any actions you are taking to address any red areas of operational risk that you may have identified. Please refer to the specific section in the service planning guidance which provides details of how to complete an operational risk template.</p> <p>If you have identified a red-risk issue, but do not have sufficient resources or capacity to tackle it over the next 1-3 years, you should still list these out in bullet point format – explaining that you are aware of the risk, but do not have sufficient resources to take action to mitigate their potential effect on your service.</p>	When do you expect to complete the action or improvement?
Gershon – Efficiency improvement	
Please list (in bullet point or table format) any efficiency improvements your	When do you

<p>service intends to make over the next 1-3 years. These can be 'cashable' and/or 'non-cashable' efficiency improvements.</p> <p>A completed example of both has been provided to help you. Where applicable, financial amounts should also be provided.</p>	<p>expect to achieve the efficiency improvements by?</p>
<ul style="list-style-type: none"> Negotiate fee rates for the capital programme to achieve better value 	<p>March 2007</p>
<p>Competitiveness statement</p>	
<p>Please provide a statement to demonstrate that your service is competitive. This might be examples of one or more of the following:</p> <ul style="list-style-type: none"> Tendering or procurement exercise for all or part of your service provision. Delivering services in partnership. Market testing exercise which, through evidence, showed that your service was delivering value for money – ie it is economic (low service costs), efficient (producing good levels of service for the money spent) and effective (is performing well in comparison). Benchmarking: comparative performance and costs with other authorities or like-for-like organisations 	

Service Plan for 2006/07

Service Plan for: ICT Client Services

Directorate: Learning, Culture and Children's Services

Service Arm: Resource Management

Service Plan Holder: Laura Conkar

Director: Patrick Scott

Signed off:

Executive Member: Carol Runciman

Signed off:

Section 1: The service

Service Description.

The service's purpose is to ensure that ICT's pivotal role as a transformational technology key to delivering efficient services becomes entrenched in the strategic and operational activities of the directorate.

The Service is involved with both the strategic and operational aspects of ICT within the Directorate and the wider council but places particular emphasis on supporting schools and integrated children's centres. The service writes the ICT strategy for the Directorate which links into the Corporate IT strategy.

Clients include:

- All Departments within the Directorate
- Schools/ Children's Centres
- ICT Providers

ICT Client Services consults with stakeholders through the Education Information Technology (EDIT) group and the Broadband Operations Group, which are respectively strategic and operational groups with representation from schools and managed service providers.

Section 2: Service Review

Achievements in 2005/06 include:

- Further round of accreditation of ICT providers successfully completed
- Further content for the Broadband network purchased on behalf of schools
- Revised Directorate ICT strategy completed
- 7 IT Development bids for important new systems in the Directorate agreed as part of corporate development plans
- Successfully supported St Barnabas school through ICT procurement for new PFI build
- Supported the ICT requirements of the PFI builds
- Provided in-house support and advice to Education planning team regarding a number of school builds requiring ICT provision.
- Provided schools and internal partners e.g. (Surestart and Family Centre) with ICT advice and support.
- Provided ad hoc technical support for various directorate systems (EBS, Secure Data Transfer, Email) as responsibility for troubleshooting these CYC systems is complicated within schools and therefore not supported by corporate IT&T.
- Project Managed infrastructure changes at St Paul's Nursery, Tang Hall, Knavesmire and Portage Service

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Integrated Children's Services	<ul style="list-style-type: none"> ▪ Increased customer base for the service e.g. ICT Client Services providing ICT advice and support for SureStart and Family Centre clients based in new children's centres 	Every Child Matters, Directorate's Children's Services Plan
Stronger emphasis on IT strategy from Central Government	<ul style="list-style-type: none"> ▪ Directorate's IT Strategy becomes of increasing importance ▪ Stronger emphasis on ICT delivering service improvement therefore ICT Client Services role in developing new IT bids and project management becomes increasingly important 	Transformational Government - Enabled by Technology (Cabinet Office)
Improving provision of ICT in schools and children's centres	<ul style="list-style-type: none"> ▪ Increasing demand from schools for advice and project management of ICT infrastructure issues. ▪ Increasing demand for new builds to be specified for new technologies and for the service to engage with contractors and other key departments 	Building Schools of the Future (DfES) E-strategy - Harnessing Technology – Transforming Learning and Children's Services (DfES)
Stronger emphasis on accreditation of IT services and on ensuring that clients have an understanding of procurement regulations	<ul style="list-style-type: none"> ▪ The service will initiate new accreditation procedures for cabling and electrical suppliers and support providers for Interactive Whiteboard facilities. 	Becta accreditation of managed services, new standards for quality and safety

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
<p>Supporting Schools Integrated Children's Centres and other clients</p> <p>(Priorities 1, 2 and 3 in Resources section of Children's Services Plan)</p>	Effective Broadband Service	<ul style="list-style-type: none"> • Develop new services on the Broadband network if standards funds are available • Encourage education based projects over the National Education Network, e.g. Videoconferencing and content sharing • Monitor and ensure that the Broadband level of service remains high • Meet with stakeholders (contractors and end-users) on a monthly basis to review and develop services through Review Meetings and Broadband Operations Meetings • Ensure training for use of cachepilot takes place • Bring other CYC users onto the Broadband network (Youth Service/ Integrated Children's Centres) • Investigate the security implications and practical implications of CYC admin traffic over the Broadband Network. <ul style="list-style-type: none"> ○ Pilot Spam filter for school email ○ Pilot fobless Nfuse admin connection for school admin machines ○ Pilot new filtering systems • Manage the broadband budget 	<p>By November 06</p> <p>Monthly</p> <p>By March 06</p> <p>By April 06 By May 06</p>	LC/LF/ Contractor and Corporate IT

	Accreditation and benchmarking of ICT Providers	<ul style="list-style-type: none"> Scheduled benchmarking of accredited ICT Providers Investigate the possibility of accrediting other support services such as Audio Visual and Interactive Whiteboard support providers Investigate pre-tendered cabling and electrical contractors 	1st March 06 1st June 06 1st September 06 1st December 06 By December 06	
	ICT Advice to customers	<ul style="list-style-type: none"> Provide schools and CYC staff and departments with ICT advice on a reactive and proactive basis (face to face, telephone support and electronically) Peripatetic ICT Advice to schools through a series of scheduled visits (including advice on range of issues including data security and protocols, ICT infrastructure, recycling of electronic equipment, etc) Team meetings with EDS colleagues to plan ICT developments such as learning platforms, which have both pedagogical and technical implications. 	As required Weekly Monthly	
	Supporting new builds – ICT requirements	<ul style="list-style-type: none"> Commissioned work from Education Planning (e.g. Rufforth, New Earswick etc) Non-commissioned work arising from schools and other customers asking for the Service to take a Project Management approach in delivering an ICT component (tendering and assessment, commissioning of cabling work etc) 	As per project plans	

	Ad-hoc technical support of ICT systems deployed at schools and Adult Education Centres (As this is not supported by Corporate IT)	<ul style="list-style-type: none"> • EBS • Secure Date System • CYC Email • Technical fault resolution and mediation where responsibility for fault is unclear 		LF
E-Government (Priority 2 in Resources section of Children's Services Plan)	Improving electronic Communications	<ul style="list-style-type: none"> • Supporting the Directorate's Business Manager in developing pages for schools on the corporate website. • Encourage the uptake of the ICS system by the Directorate, in all communication formats 		AL, LC, LF, JK
	ODPM Priorities pertaining to Learning, Culture and Children's Services	<ul style="list-style-type: none"> • Ensure that Service Manager's delivering these ODPM targeted services are provided with sufficient IT support and project management up to commissioning phase. 		

<p>Business Efficiency for the Directorate</p> <p>(Priority 4 in Resources section of Children's Services Plan)</p>	<p>Maintain and develop the Directorate's ICT strategy in line with changes in legislature and new requirements</p>	<ul style="list-style-type: none"> • Ensure that adequate arrangements are in place to support the teams and ICT systems from Children Services both in Directorate buildings and in extended schools. • Incorporate changes to the IT bids budget and additions to the Directorate SLA as a result of the need to support a larger number of devices and systems • Investigate the lack of central support for peripheral Council sites such as schools and children's centres and encourage the deployment of appropriate resources to these sites to meet this shortfall and a rethink of council strategy to include schools as key council buildings • Attend the IMS corporate meetings (integrating Data Protection, FOI, and other legislative requirements) 		
	<p>Project Management (PM) and Quality Assurance of Projects</p>	<ul style="list-style-type: none"> • ICT Procurements in new schools and new procurements of IT in existing schools • Project Management of existing IT bid projects and any new IT bids • Quality Assurance of a number of existing projects through representation on project board (CPD, Youth Service, Transport etc) 		

	Directorate IT Representation duties	<ul style="list-style-type: none"> • Arrange for the reorganisation of the network structure to enable greater partnership working between the departments in the directorate • Inform users of important corporate developments, outages etc • Authorise new users, new ICT requisitions, changes to profiles etc and act as the link point between the end user and Corporate IT Support services • Attend monthly corporate meetings and represent the interests of the Directorate 	Daily Monthly	
Staff Development and Service Development	<p>Staff Appraisals including identification of training and development opportunities</p> <p>Maintain standards for Health and Safety</p>	<p>Send LF on First Aid at Work course</p> <p>Attend the BETT 2006 show</p> <p>Ensure that team and others involved in specific projects are aware of Health and Safety responsibilities</p>

Section 6: Financial resources

Section 7: Human resources

IT Officer:

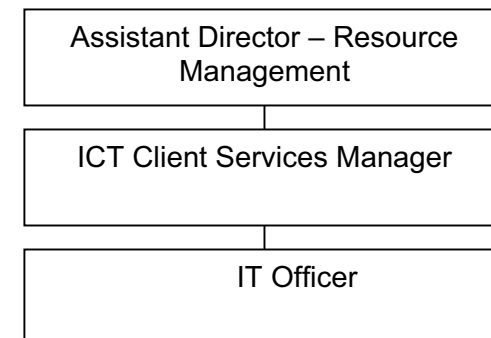

Main Purpose of the Job

The role involves providing support for the ICT Client Officer through:

- Providing IT advice to schools including regular visits to schools
- Providing project management support for IT Developments within the Directorate.
- Providing technical support for internal ICT requirements
- Supporting the department with corporate projects such as Access to Services and the E-Government agenda.

Core Responsibilities

1. Assist in the planning and management of IT projects through all stages of the system life cycle.
2. Business Analysis tasks including definition of requirements, preparation of feasibility reports and system/service specifications.
3. Manage software evaluation and selection pilot projects.
4. Assist in providing consultancy advice to schools on ICT infrastructure issues.
5. Provide first line support on specialised LEA systems.
6. Assist in the resolution of day to day IT service issues in the LEA and schools, liaising with internal and external service providers as required.

Section 8: Monitoring and reporting arrangements

- Service Planning Monitoring Reports – quarterly monitoring of service progress against key actions
- Service Planning – annual documentation of activities for the year ahead
- Informal daily team meetings
- Formal team meetings/ Line management meetings (actions minuted)
- Quarterly and Annual PIs – monitored
- Annual Audit Commission results
- Becta returns

Annex: Corporate compliance statement

Actions/Evidence	Deadline
Equalities action/s	
Regular interactions with stakeholders through monthly meetings such as the Broadband Operations Meeting, which provides the opportunity for schools to feedback directly to the LEA on ICT and Broadband issues.	
Increase frequency of peripatetic ICT service visits to schools in order to increase clients' access to our service	March 06
Safer City action/s	
Ensure that all current accredited ICT providers meet health and safety guidelines	Completed in initial accreditation
Ensure that schools receive regular reminders of relevant ICT issues such as data security, and physical security of ICT equipment venues for provision of ICT teaching	To be included as a regular feature in the ICT newsletter schools
Operational Risk – red risk action/s	
The service has no red risks (see page 15)	
Gershon – Efficiency improvement	
ICT Client Services is a strategic service and is not traded.	
Non-cashable savings – by introducing further accreditation to services such as cabling and audio visual services we will be helping schools to make savings.	December 06
By regularly receiving benchmarking information about managed services as part of the accreditation process we make savings on time it would otherwise take to compile and compare statistics about these companies	
Competitiveness statement	
<p>ICT Client Services introduced the concept of locally accredited ICT Managed Services using the national Becta Accreditation framework as a starting point. Other Local Authorities have asked City of York to share this best practice with them so that they can roll out similar accreditations.</p> <p>ICT Client Services is made up of only two team members. Given these limited resources it still manages a large range of clients and activities</p>

Section 1: The service

The HR Service's purpose is to support, advise and guide managers and Headteachers on all aspects of people management. The aim being to provide professional and practical solutions around the recruitment, deployment, development and management of staff that allows schools and central services to function as effectively as possible to secure successful outcomes through high quality staff.

A wide range of services is provided including day-to-day processing of activity around staff recruitment, variations and leavers, which is provided by a dedicated HR administrative team with close links to schools and service managers. In addition the service also provides a professional HR advisory service supporting managers and Headteachers with a variety of HR matters from large scale organisational / cultural change issues to individual case work.

The HR Service also operates a dedicated Teacher Supply Agency solely for schools within the LEA, allowing focus on quality assurance and the professional development of this valuable resource to schools.

In addition the Service also works closely with the Workforce Reform Project Manager to implement the National Agreement on Raising Standards and Tackling Workload which includes specific HR related work.

Our Customers:

All Services (in particular Service managers) within the Learning Culture and Children's Services Directorate

All 69 Schools in the City of York (as a traded service via a Service Level Agreement)

Critical Service Links:

The Trade Unions and professional associations representing all types of staff employed in schools and the Directorate. This requires regular consultation with the five main teaching unions via the Teachers Panel and with UNISON and GMB via the Departmental Joint Consultative Committee. This work allows for effective policy development for HR issues in schools and the directorate and maintains a good employee relations climate.

Payroll Service the work of the HR Service is intrinsically linked to that of the payroll service and good levels of communication and co-operation are vital for the success of both services.

EDS and CPD – There is overlap in the work of HR with both of these services and regular meetings maintain appropriate levels of communication and joint working on common issues

Section 2: Service Review

A fully staffed HR Team has been established in 2005/6 providing essential support to all service managers, headteachers and governing bodies.

The Audit Commission's Survey of Schools 2005 recorded a continuing improvement in schools' perceptions of LA support in the quality of professional HR advice to schools. Although the rating for administrative support for HR processes was less satisfactory the increasing progress in this area can be evidenced against the structured Improvement Project targets.

The workforce reform programme has been implemented successfully. An audit of all schools in the city is currently being conducted. Over the last twelve months, high quality HR support has been provided for a wide range of new initiatives, notably;

- the introduction of including a unified scheme for pay, grading and terms and conditions of classroom support staff (circa 800 staff, less than 15 appeals)
- the introduction of Teaching and Learning responsibilities - the new framework for reward and remuneration for teaching staff
- advice and training for schools to prepare for the implementation of PPA time.

The HR team have further supported Schools and Services dealing with a range of challenging issues:

- Service cuts in the 2006/7 LA budget leading to staffing reductions
- Falling rolls leading to redundancies in schools
- School reorganisation such as Federations, Closures or Merger
- Implementation of new staffing and management structures across the Directorate
- Introduction of Job Evaluation across the directorate

Recruitment and Selection practices in schools have been reviewed in light of Richard report recommendations. Procedures established to strengthen safe systems and integrate DfES Safeguarding Children recommendations have been agreed with the Teaching unions. Comprehensive guidance specifically for recruitment of Headteachers has been developed in collaboration with EDS colleagues.

There has been a marked improvement to Long-term Sickness statistics. This has been achieved by a combination of intervention and support from HR Advisors and the introduction of dedicated support within the HR team to focus on this PI.

HR have provided comprehensive guidance to schools for inclusion in the CYC Guide for Extended Schools and Integrated Children's Centres. Although this provides a sound basis for schools to move forward from, there is further scope for a more proactive HR approach to supporting the development of extended schools.

Other areas for improvement and development are

- a continued focus on the PI relating to completion of contractual documentation within a required timeframe- this challenging target will need to be tackled in the context of further demands on administrative resources following the additional responsibility for Children's services.
- specific action in addressing recruitment and retention issues in the directorate
- the need to work closely with the new EDS Training and Development Unit to support the provision of a management development programme for the directorate.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
Integrated Children’s Services	We will need to support change management processes to achieve new roles, remits and working practices, and engage in collaborative working across Children’s Services city-wide.	Childrens Act/Children’s Workforce Strategy
Job Evaluation	Undertake the role of communicator from Corporate centre to Services and mediate between Corporate Centre and Schools to ensure process of evaluation is understood on fully engaged in by all parties.	Corporate HR Strategy
School reorganisation	Expertise from within the team will be needed to support headteachers, governing bodies and colleagues in ensuring highly successful outcomes for children, young people and communities	Children’s Centres West side (Secondary) Federations and amalgamations (Primary) PFI – Hob Moor
Workforce Reforms Implementation Strategy	Further commitment from HR to support schools in the maintenance of contractual reforms and the development of mechanisms and cultural change to support Work-life balance in schools	STP&C document

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
To improve recruitment and selection practices, to ensure safe systems are in place that lead to high quality staff appointments (Supports priority 2)	To embed safe recruitment practices in schools and the directorate in the light of the Richard Report's recommendations	<ul style="list-style-type: none"> • Prepare and deliver briefings and training to Heads, Governors, school administrators and Service Managers on new procedures • Review procedures in line with forthcoming Age Discrimination legislation • Review and revise HR internal processes around CRB clearances in line with emerging DfES revised guidance 	SpringTerm and ongoing October 2006 May 2006	SR, LT, RJ JS SR/MB
	To raise awareness of the support available to schools for Headship recruitment and selection	<ul style="list-style-type: none"> • Revise guidance for Headship R&S in collaboration with EDS • Embed use of new material and documentation developed to support Governors in making Headship appointments • Evaluate effectiveness of new material on outcomes of Headship recruitment 06/07 	May 2006 Spring/Summer term 2006 January 2007	LT/SF MB/LT/JR JS
To develop a recruitment and retention strategy for LCCS to address emerging areas of concern (Supports priority 2)	Review and revise data collection and analysis regarding recruitment and retention	<ul style="list-style-type: none"> • Establish current position and review data collection methods • Implement a revised system for managing recruitment and retention data • Analyse and model data on recruitment and retention to identify current problems and future trends 	Summer term 2006 December2006 April 2007	LT/RJ/JB LT/RJ/JB LT/JB
	Develop a framework for developing initiatives to address current and forecast difficulties	<ul style="list-style-type: none"> • Model potential strategies for improving recruitment and retention in the short and long term. • Liaise with CPD unit to develop approach to promoting LCCS as a desirable place to work 	December 2006 December 2006	TBC in partnership with EDS and CPD

Section 1: The service

MIS Mission Statement

“To provide a range of quality information along with the skills and tools to effectively use that information in a way which will have a direct positive impact on the life chances of children and young people in York.”

Service Description.

The Management Information Service (MIS) was established in 2001/02 as a result of the growing demand for management information, performance information and electronic service delivery. Since this period, demand has continued to grow with an even greater need for high quality, joined up information to enable effective evaluation and planning. The move to an integrated children's service as part of the Every Child Matters agenda continues this trend but will also have a more fundamental impact on the MIS team with an expansion in both size and remit.

From April 2006, the MIS team will take on the information functions relating to children currently managed by Community Services. This will include, for example, children in care, those on the child protection register and other children in need. The service will also expand to improve the support given to other services across the department, the support given to schools and the collection of a wider range of information as part of the DfES move to a termly data collection. The service will also play a key role in acting as an information hub, collecting and providing a wider range of multi agency information (based around the 5 ECM outcomes) from across the city through our work with partner organisations.

In order to achieve this, the MIS team will be split into 3 areas: Performance Management (incorporating Children's Social Services), School Performance and Management Information. The team will also expand from 6 to 10 posts, led by the Head of MIS. Critically, the MIS team will also move from Standards and Quality to the Resource Management service arm to reflect the extended remit and additional support to other services. The analysis of school and pupil performance will of course continue to be a key focus for the team and the service will work closely with EDS and schools to improve the high quality data, support and training packages currently offered.

Service Objectives (2006/07)

The key priority for MIS in 2006/07 will be to adapt to and shape the fundamental changes which are currently taking place both locally and nationally. As outlined above, these include:

- The move to an integrated children's service
- The development of the Every Child Matters agenda and the 5 outcomes framework
- Preparation for the Annual Performance Assessment (APA) and the forthcoming Joint Area Review (JAR) and Comprehensive Performance Assessment (CPA) in 2007
- The need for greater intelligence based service delivery

Section 1: The Service (cont)

The service is already undergoing a significant realignment to meet the new agenda for change. As a result, the work of the MIS team will continue to focus around the 6 core themes outlined below:

1. Improving the integration of information systems and information sharing across the department including links with schools, other council departments and external partners
2. Supporting other departments in developing information systems and intelligence led approaches to strategic decision making
3. More focused support for schools and in particular, on improving the way schools and school staff use information
4. Transforming performance management through the continued development and application of a new IT system
5. Maintaining the quality of data provision to support children's social services through the period of management and database transition
6. Supporting the move to integrated children's centres and locality based service delivery through the provision and use of high quality joined up data

Customer Focus

The change in remit for the MIS team will, of course, mean a change in our Customer base. The service is already building key relationships with social workers and group managers from community services and has increased its work with partner organisations across the city. Our expanded 'key customer base' will include:

- schools (headteachers, senior leaders, teachers)
- EDS (Advisers, consultants and SIPs)
- social workers and social services practitioners
- service and group managers
- departmental data contacts
- Directorate and Corporate Management Team
- Council Members
- York parents and residents
- Partner organisations (strategy and data contacts, practitioners)
- DfES and DoH

Links to Local and National Priorities

The MIS works on both a proactive and reactive basis. In many areas of work, for example school improvement, we believe that we offer schools a cutting edge and innovative service which has a direct impact on teaching and learning. Much of this work has been pro-active working with small numbers of schools to develop simple but sophisticated data and analytical solutions. However, a significant amount of the work the service undertakes is reactive based on school requests or DfES requirements.

In all case, the service operates within a broad framework where local and national priorities shape future actions. In particular this year many actions are linked to the Children's Services Plan (2006-2009) which itself is based on the 5 ECM outcomes for children and young people – being healthy, staying safe, enjoying and achieving, making a positive contribution and achieving economic well being. Some other actions, whilst not directly linked to the five main outcomes, will underpin many of the initiatives which make up the Children's Services Plan or are specific to service and corporate requirements.

Section 2: Service Review

The actions and priorities addressed over the past year have contributed to significant improvements in the quality of service offered by the MIS team. Last year's plan outlined the need to start the process of realigning the service and plan for future change with particular emphasis on widening the range of data held and support provided.

Successes in 2005/06

Last year, the MIS team worked extensively with a number of services to improve information systems. In particular, the integration of the SEN and pupil databases has led to a more streamlined and less bureaucratic system for collecting SEN data from schools along with better quality information to enable improved service planning and evaluation.

The MIS team also worked with the Access team to introduce the new admissions system which offers improved handling of admissions, the ability to send electronic admissions data to other Local Authorities, improved functionality and the potential for online admissions applications.

Both these projects have improved the use of data and service delivery to the customer and are blueprints for how MIS can work with other services to improve intelligence based delivery in the future.

Similarly, two significant projects undertaken last year - the city wide survey of parents and the provision of PANDA training to schools - also highlighted both service improvement and the direction of future work. The survey of parents and carers addressed the need for improved feedback from customers as part of school self evaluation process and was a departure from the type of analysis usually undertaken by MIS for schools. With a response rate of 33% and excellent feedback from schools, the survey has been a great success with a second survey planned for 2007. Access to this type of data is critical for both schools and the department and is fundamental to both Ofsted school inspection and JAR. The project also shows how the service can add value through expertise and economies of scale.

The PANDA training programme delivered to schools in the autumn term was the largest and most comprehensive training package yet delivered by MIS with 41 out of 50 primary attending the sessions. Feedback on the training was excellent and as a result, similar style programmes are planned for next year incorporating Raise online, Fischer Family Trust data and a 'back to basics' programme.

Other significant developments this year included the production of an online data calendar which has simplified and improved the collection of information from schools, the production of information schedules which bring together a range of multi agency data in one 'data hub' and the establishment of head teacher primary and secondary data groups to steer the work of the service.

Section 2: Service Review (cont)

Areas for improvement

It is also recognised that there are a number of areas where resources will need to be redeployed in order to achieve further improvement and meet service priorities. This is reflected in the 2006/07 Action Plan and includes the following:

- Improvements in multi agency data gathering and use of data
- Improved use of Geographical Information Systems
- Improvement in the quality of 14-19 data
- Improvement in staff induction and development procedures

Audit Commission Schools Survey

The results from last year's Audit Commission schools survey were again very encouraging with the service scoring highly in all three categories. For the two main questions – the quality of information management and support for schools using performance data – the service ranked first and third in the England respectively. The support to schools for data collections also improved on last years excellent performance with a score of 1.46 (LA's own question). The 2006/07 action plan outlines how MIS will continue to work closely with schools and further improve the quality of support it provides. The plan will also incorporate an additional AC survey question relating to the quality of data on Looked After Children. Improvement in this area will be a priority for the service.

Section 3: Drivers for Change

Driver	How might this affect our service?	Source
New Relationship with Schools	Data will need to be adapted to ensure that SIPS have access to high quality school data which give clear messages about school and pupil performance and requires limited training and support. This may mean using more basic standardised reports which are available to all LAs.	Implementation of SIPS programme
	MIS will need to help schools to develop rigorous self evaluation systems and use the evidence from them to secure improvements in standards and educational provision for all learners, including the most vulnerable groups.	2005 Ofsted framework and SEF requirements
DfES 14-19 White Paper “Higher standards, Better Schools for All – More Choice for Parents and Pupils”	Re-evaluation of data currently provided to schools will take place. Extended analyses to include other providers of 14-19 education. Influence the data agenda for 14-19 provision in York.	DfES Implementation Plan
DfES requirements	Additional resources will be required to collect an extended set of data from schools on a termly basis and to support schools during this process.	Data Collection exercise
	Planning required for the collection of pupil level nursery data for 3 and 4 year olds in 2008 as well as PRU/alternative pupil level data in 2007. The implementation of Raise online will require significant additional support for schools including guidance and training. It will also have a significant impact on the annual analysis of question level data.	Implementation of Raise online
Improving systems for children’s social services data	Further development of Raise required. Migration and archiving of data from ISIS. Support and training to Social Workers on new system.	Local
Intelligence based service delivery	Significant additional support in systems development, data collection, quality of data and use of data required by other services. MIS will need to provide this support.	Local
Improved multi agency systems	MIS will play a leading role in establishing and developing city wide protocols and systems for sharing/analysing a range of multi agency data.	ECM, JAR, Local

Section 4: Priorities/Initiatives/Actions for 2006/07

Priority	Initiative	Action	Deadline	Responsibility
O6P4	Integrate existing Education and Leisure and Children and Families Services information functions	<ul style="list-style-type: none"> Review and align current Children's Services performance Management Framework with existing Education and Leisure system 	April 2006	MC
		<ul style="list-style-type: none"> Put in place programme to build up knowledge of children's social services processes, systems, protocols, culture and key issues within current MIS team 	July 2006	RW/MC
		<ul style="list-style-type: none"> Ensure effective induction for staff transferring to MIS 	July 2006	RW/MC
		<ul style="list-style-type: none"> Archive Children's Social services data currently held in ISIS system into new database 	Dec 2006	MC/RK
		<ul style="list-style-type: none"> Migrate existing referrals on ISIS system to RAISE system and test data, reporting and analysis functions 	Dec 2006	MC/RK
		<ul style="list-style-type: none"> Develop links between Raise and Pupil database to enable improved access and sharing of information 	Mar 2007	MC/CP/RK
		<ul style="list-style-type: none"> Develop and undertake RAISE refresher training programme for social workers and senior managers 	July 2006	MC/RK

<p>Support service/group managers in understanding, analysing and using data effectively at a strategic level whilst ensuring that major information systems meet current core information requirements and future demands.</p>	<ul style="list-style-type: none"> Assess the data needs and capabilities of services within the department and agree a project support plan to work with individual services (areas covered to include data collection, quality of data, access to data, use and understanding of data, data systems) 	July 2006	RW/MC/CP/YW
	<ul style="list-style-type: none"> Work with individual services to improve key areas outlined in data assessment 	Ongoing	All
	<ul style="list-style-type: none"> Hold half day event to demonstrate services offered and information held by MIS including the pupil database, key datasets and associated systems 	July 2006	RW/MC/CP/YW
	<ul style="list-style-type: none"> Improve updating of pupil database to ensure that it meets user requirements under the new ECM framework 	Ongoing	CP/RW
	<ul style="list-style-type: none"> Work with ESWs to improve access to and use of pupil level tracking data 	Oct 2007	CP/BD
	<ul style="list-style-type: none"> Review the case for re-bidding for funding to procure the Pupil Support Services module to link to the pupil database and re-bid/plan for PSS if case exists 	Aug 2006	RW/CP/ME/CW
	<ul style="list-style-type: none"> Develop school profile system to bring together a range of data from across the department on individual schools 	Sep 2006	RW/AT
	<ul style="list-style-type: none"> Continue to develop use of AVCO secure data transfer system across the department 	Ongoing	AT

	<p>Undertake and support an analysis of local needs to inform strategic planning, APA and JAR, ensuring that Performance Management systems are 'fit for purpose' and meet departmental, corporate and national requirements</p> <p>(is this about needs of services or needs of children)</p>	<ul style="list-style-type: none"> • Pilot 'mock data inspections' of services/initiatives in line with the JAR framework of inspections • Gain and implement 'best practice' use of data for JAR through visits to other LAs and conferences • Set up Quality Assurance system for Performance Indicators to ensure robust and accurate collection processes • Review use of QPR with a view to phased implementation and replacement of existing excel based PI system • Support Libraries in use of PI data and the creation of an effective PM framework to ensure readiness for CPA. 	Spring 2007 – Autumn 2007	MC
			Ongoing	MC/RW
			May 2006	MC
			Nov 2006	MC/RK
			Aug 2006	MC

	Extend collection of data from schools	<ul style="list-style-type: none"> • Plan, undertake and support secondary schools in the production of the new May and September school census. • Plan, undertake and support primary schools in the production of the new termly school census. • Investigate new technologies to enable the central pupil database to be updated from school MI systems on a more regular • Respond to DfES proposals on workforce level data collection and work with directorate and corporate colleagues on strategic implementation in January 2008. • Start the process of planning and piloting the collection of pupil level 3 and 4 year old nursery data in 2008. • Start the process of planning and piloting the collection of pupil level data for PRUs and 'Education otherwise' pupils • Undertake review of support for PIVATS data collection with the potential to takeover support 	<p>April 2006 – October 2006</p> <p>Sep 2006 – Oct 2007</p> <p>Sep 2006</p> <p>Ongoing</p> <p>Sep 2006</p> <p>Sep 2006</p> <p>July 2006</p>	<p>CP</p> <p>CP</p> <p>CP/RW/AT</p> <p>CP</p> <p>CP/NM</p> <p>CP</p> <p>YW</p>
	Build on work undertaken in the Education Development Service by providing information to other services in formats which support and inform strategic planning and service delivery	<ul style="list-style-type: none"> • Explore front end delivery systems for accessing LS data for use by all departments 	Ongoing	RW/CP/AT

	Create a one stop shop for management of information about children and young people	<ul style="list-style-type: none"> Establish information sharing group and set up city wide information hub to access a range of multi agency data Establish an information profile of the city based on a range of key indicators Develop use of GIS as a tool for the geographical analysis of neighbourhood data 	Dec 2006 Dec 2006 Dec 2006	RW/MC RW/MC RW/JW

						2.00	Profile				1.75	Profile								
MIS6	% of schools meeting deadlines for MIS data collection exercises included in the department's Data Calendar	Richard Wyborn					Actual				85%	Actual				82%	84%	86%		
							Profile				80%	Profile								
MIS 8	The quality of the information you receive from your council about looked-after children in your school (Audit Commission School Survey Question 3.24)	Richard Wyborn					Actual		2.50		2.50	Actual				2.30	2.10	1.90		
							Profile						Profile							

Any PI No. that is shown in yellow indicates that this PI is shown within the Council Plan

PI is lower than the lower quartile mark when comparing to available Quartile information for that year

PI is higher than the upper quartile mark when comparing to available Quartile information for that year

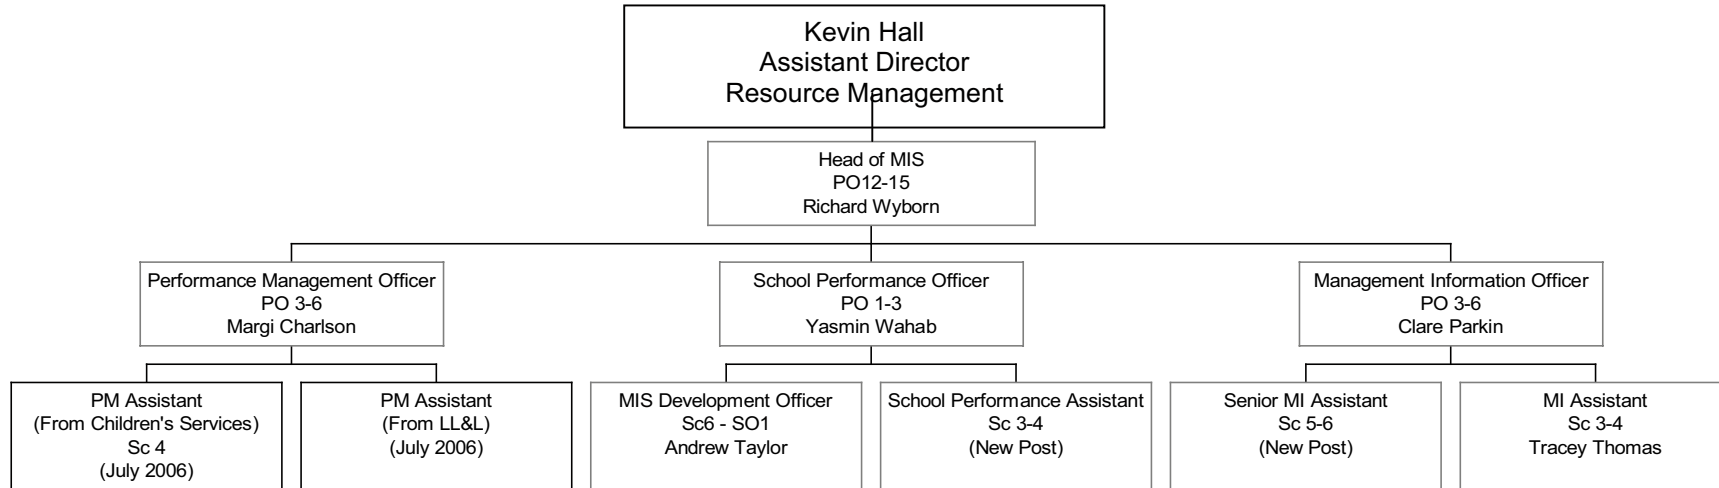

Actual is better than the profile by the tolerance factor

Actual is worse than the profile by the tolerance factor

Section 6: Financial resources

1. Richard Hartle will provide an insert for this section. However, it is essential that you provide him with high quality information to explain any shift in resources.

Section 7: Human resources

Performance management

Key Functions

- Development of performance management information systems to meet local and national need (significant increase in workload due to integration and local/central priorities)
- Quality assurance, analysis and dissemination of extended range of performance management data including children's services and multi agency data (significant increase in workload due to integration and local/central priorities)
- Support service managers to improve intelligent use of performance management data (increase in workload to meet LA priority)
- Development, maintenance and extension of information schedules for intelligence led service delivery (significant increase in workload due to integration and local/central priorities)
- Coordinate the production of strategic plans (new)

School and Pupil Performance

Key Functions

- Provision of basic attainment and achievement data to all schools, Advisory Service and other users
- Support to schools and EDS for using and interpreting increasing amounts of data central to new Government policies (Significant increase in workload)
- Development of a new range of information and data tools to meet the needs of ECM, NRwS and SSE (new area of work to meet national framework)
- Development of information and information tools for accessing and interpreting data by other services and agencies (increase in workload to meet LA priority)

Information management

Key Functions

- Strategic management of Information systems across department (new)
- System administration and database management across department (new)
- Collection, processing, analysis and provision of statutory and non-statutory data from schools and other agencies (significant increase in workload due to new data collections)
- System/data support to schools (telephone support, guidance notes, training notes, visits) (increase in support due to new data collections)
- System/data support to other LA services including the development of underlying systems to improve intelligence based service delivery (increase in workload to meet LA priority)

Section 8: Monitoring and reporting arrangements

Structure of meetings and links to service planning

MEETING	TIMING	DESCRIPTION	STAFF
TEAM REVIEW	Quarterly	<p>2 x half day sessions 2 x full day sessions</p> <p>Sessions include:</p> <p>Formal team review of progress made against service plan initiatives (Using Project Work Plan sheets)</p> <p>Identification of future priorities and re-prioritisation of actions</p> <p>Identification of barriers to successful completion of actions and analysis of external drivers</p> <p>Team issues & team building</p>	All MIS staff
Strategy Meeting	Twice Monthly	Once a month - review of progress against service plan actions	Head of MIS, Performance Management Officer, Management Information Officer, School Performance Officer
Team Meeting	Twice Monthly	<p>Feedback on key events/meetings</p> <p>General service plan issues in line with items discussed in ELSM and EDS Meetings</p>	All MIS Staff
One-2-One Meetings	Monthly	Review of progress against service plan actions using Project Work plan sheets.	Head of MIS + 3 Officers; 3 Officers + respective team members
Performance	Annual with 6	Links personal review and development with service plan objectives	Head of MIS + 3

Development Review	month review		Officers; 3 Officers + respective team members
Induction programme for new staff	When applicable	New staff gain understanding of service objectives (service plan) and links between personal targets and service/organisation actions	

Monitoring Progress

- Progress against service plan actions and targets are monitored on an ongoing basis through a formal structure of meetings (from strategic team meetings held on a quarterly basis to one-to-one meetings held each month). Progress and priorities are discussed in all meetings and work plans are revised as necessary.
- Progress on each specific action is recorded on a 'Project Work plan Sheet' which is updated by the lead person for that particular project/action. These sheets are used in one-2-one meetings/strategy meetings/team review meetings as a basis for discussion and ultimately for updating the service plan.
- Formal updating of the service plan and reporting of progress against actions will take place every 6 months.

Measuring Impact

In order to reduce bureaucracy, the service does not routinely survey schools to gauge customer satisfaction. The main indicators of impact and customer satisfaction, therefore, are through the Audit Commission (AC) School's Survey. The service includes 5 AC survey questions in its suite of Performance Indicators.

Reporting to EMAP

A formal progress report on all actions and performance targets set out in this plan will be submitted to EMAP in line with corporate standards. The report will include:

- A brief summary of progress against each of the priorities in the service plan (identifying significant work that has been completed, but also signalling up delays).
- An updated PI summary (see section 3)
- An updated financial statement (see section 4)

Annex: Corporate compliance statement

Actions/Evidence	Deadline
Equalities action/s	When do you expect to complete the action or improvement?
Produce analyses to support evaluation of specific groups (including vulnerable groups such as looked after children, low attaining pupils, pupils with SEN, FSM pupils, minority ethnic groups etc. This data will be used by a variety of stakeholders to identify, monitor and target individuals and groups of pupils.	Ongoing
Safer City action/s	
Provide data to support improved attendance at school, particularly for those pupils who are in danger of becoming disaffected and placing themselves at risk through truancy.	November 2006
Operational Risk – red risk action/s	
Provide data to refine targeted intervention programme to minimise the number of schools at risk of being put into an Ofsted category.	September 2006
Ensure the reorganisation of MIS improves the team's capacity to meet the ECM agenda and continues to drive the school improvement agenda forward	March 2007
MIS ability to provide the level of resources required to respond to the proposed DfES collection of workforce data without significant impact on service delivery. Uncertainty around scale and timing which are still to be confirmed by DfES.	Ongoing
Gershon – Efficiency improvement	
Improved efficiency through greater development of joined-up information systems, improved data collection processes and better use of high quality information to drive service improvement	Ongoing
Plan for move to part traded service to schools in 2007/08	March 2007
Competitiveness statement	
<ul style="list-style-type: none"> - Market testing exercises such as the annual Audit Commission (AC) survey to schools to ensure VFM and effectiveness. - National benchmarking of service through AC schools survey - Evaluation of training programmes through CPD feedback system ensures effectiveness of service - Carry out and respond to user feedback through surveys - Use Primary and Secondary data groups as 'sounding boards' for focusing future work 	

Executive Member for Children's Services and Advisory Panel

16 May 2006

Joint Report of the Director of Learning, Culture and Children's Services and Director of Resources

Standard charges for the use of Residential Homes and Foster Carers, Sharing Care, Adoption and Residence Order Weekly Allowances

1. Purpose of Report

- 1.1 The purpose of this report is to seek approval for the level of charges to other local authorities for the use of services within the Children and Families portfolio for residential care homes. The report also considers proposed foster care, sharing care, adoption and residence order weekly allowances for 2006/07.
- 1.2 This report does not constitute an overall review of the level of allowances paid by the authority. Such a review was undertaken in 2004 with recommendations being implemented in 2005 in the context of anticipated national changes being introduced. National consultation is currently underway to establish a minimum level of such allowances as permissible through a section of the Children Act 2004. A further report and recommendations will be brought to Executive Member once any national minimum level of such payments have been set.

2. Background

Standard weekly charges for Residential Care Homes as shown in Annex A:

- 2.1 A source of income for Children & Families is derived from charges to other local authorities for purchasing services such as North Yorkshire Social Services Department who purchase residential and day care places for individuals who continue to be their responsibility. Many of this group of people are either resident in, or regular users of, residential and non-residential services.
- 2.2 There is a requirement for the department to set a standard charge for other authorities and to set a maximum charge payable by residents. The estimated number of other local authority service users and full charge payers is as follows:

<u>Service</u>	<u>Number of Users</u>
(i) Residential Homes for Children with Learning Disabilities (The Glen)	2
(ii) Residential Homes for Children (19 Wenlock Terrace and 51 Bismarck Street)	0

- 2.3 The power to raise charges is contained in Section 22(2) of the National Assistance Act 1948. The proposed charges are derived from a calculation set by national guidelines issued to local authorities. The calculation of the charge for an individual place is based on the estimated expenditure and occupancy throughout the year of the service concerned. The charges also include the increase for pay of 2.95% and other services of 2.3% where appropriate, local authority management and support to these services and a charge to represent the value of the property in which the service is based in the form of an asset rental.

Foster Carers Weekly Allowances and Skill Premiums as shown in Annex B:

Minimum payment for foster carers

- 2.4 A basic allowance is paid for each child/young person in placement. Payments are calculated on a weekly basis, according to the age of the child. Each carer also has a skill level which is decided by the placement services manager by reference to the amount of experience or training they have. Due to budget constraints it is proposed that these allowances should only be inflated by 2.3%.
- 2.5 Foster carers are also paid a weekly carer's skill premium. These premiums are calculated with reference to an appraisal of the carer's skill level. It is also proposed to increase these premiums by 2.3%.
- 2.6 Following the agreement of the Placement Strategy for Looked After Children agreed by the Executive Member in October 2002, a specialist scheme was established which enhances the recruitment and retention of foster carers, who look after young people with exceptionally complex needs often arising from emotional and behavioural difficulties or severe physical disability. Foster carers are specifically selected for the new scheme to be matched with specific young people. It is also proposed that the weekly carer fee for the care of the young people on this scheme be increased by 2.3%. This is incorporated into the shaded area at the foot of the lower table in Annex B.

Additional Foster Carers Weekly Allowances as shown in Annex C:

- 2.7 In addition to the allowances detailed above and shown in Annex B further allowances are paid to foster carers. A further week's allowance is payable for birthdays and Christmas, and a further three week's allowance will be payable for holidays taken during the year. Additional allowances are shown in Annex C. Again it is proposed that the 2005/06 allowances are uplifted by 2.3%.

Weekly Adoption Allowances and Residence Order Allowances as shown in Annex D:

- 2.8 A weekly allowance to some adoptive carers is paid in recognition of their particular financial circumstances, or when a disabled child is adopted or possibly to encourage the adopter to take a sibling of a child already adopted. To determine whether an allowance should be paid to an adopter a financial assessment is carried out using the DfES suggested assessment model.

- 2.9 A small number of children in our care are subject to residence orders which replaced custodianship in 1991. A residency order means that the birth parents retain parental responsibility but the carer gains parental rights. As with adoption, a financial assessment of the carer is undertaken to determine whether an allowance should be provided.
- 2.10 There is now a new legal order, a Special Guardianship Order, that carers can apply for, by which they gain parental responsibility and are able to override the parental responsibility of others (such as the child's birth parent) in day to day matters. Under legislation, Special Guardians must be offered support services, including financial support, if requested, subject to the same financial assessment as adopters. It is proposed to increase adoption and residence order allowances by 2.3%. Annex D shows the revised allowances for 2006/07.

Sharing Care Allowances as shown in Annex E:

- 2.11 Sharing care is provided for disabled children who attend a temporary carer on either a day care or overnight basis, in order to give the parent or regular carer a break. Again it is proposed to increase sharing care allowances by 2.3%. Annex E shows the revised allowances for 2006/07.

Rounding

- 2.12 The figures shown for all weekly allowances contained in Annex's B to E inclusive have been rounded to the nearest figure in whole pence that can be divided exactly by 7. This is done so that the weekly allowances can easily be converted into daily amounts when processing payments.

3. Consultation

- 3.1 As indicated at the outset of this report the DfES is currently conducting a consultation about establishing a national minimum rate of payment for foster carers. This consultation runs until the end of April, with a government response expected by July. The proposed 2.3% increase in the council's fostering payments for 2006/7 has been discussed with the York Area Foster Carers' Association (YAFCA). The Association is unhappy with the proposal and continue to seek levels of allowances as recommended by the Fostering Network. These are significantly higher than the governments current draft proposed rates or the % year on year increase proposed in this report. The Association has been advised that the year on year increase proposed in this report is an interim response by the authority and the matter will be considered again but only when national consultation is completed and nationally required levels of allowances are finally announced.

4. Options

- 4.1 There are no alternative options regarding the standard weekly charges for residential care homes as shown in Annex A. There is a legislative requirement that the charges are calculated following national guidelines provided to all local authorities. In arriving at the figures quoted the guidelines have strictly been followed.
- 4.2 There are a number of options for setting the foster care, sharing care and adoption allowances as shown in Annex's B to E inclusive as the authority has

the discretion currently to set the rates at whatever level it deems appropriate and affordable. These could include:

- Option A would be to increase the foster care, sharing care and adoption allowances to the amounts proposed within this report.
- Option B would be not to increase the foster care, sharing care and adoption allowances but leave them at the 2005/06 rates or to increase them by less than the amounts proposed within this report.
- Option C would be to increase the foster care, sharing care and adoption allowances by more than the amounts quoted within this report.

5. Analysis

5.1 The following tables provides further analysis of the available options:

5.2 Foster Care, Sharing Care and Adoption Allowances

	OPTION A	OPTION B	OPTION C
Options	Increase allowances to the amounts quoted in this report.	Leave allowances at 2005/06 rates or increase them by less than the amounts quoted in this report.	Increase allowances by more than the amounts quoted within this report.
Pros and Cons	Foster carers and those people involved in adoption and sharing care schemes would expect a minimum increase in allowances in line with inflation.	By leaving the allowances at 2005/06 levels or by increasing them by less than the proposed amounts the council's expenditure will be reduced. We also risk losing foster carers who may be dissatisfied with no increase or a very small increase to their allowances.	By increasing the allowances by more than the amounts proposed we may improve the retention of foster carers and could also attract new people into these schemes. However, the increased expenditure would not be in line with budgetary constraints.

6. Financial Implications

Foster Care, Sharing Care and Adoption Allowances

- 6.1 If option A is chosen there will be minor impact to the council's budgetary constraints. As a guide the proposed 2.3% increase in allowances would mean increased expenditure of approximately £30k during 2006/07.
- 6.2 If option B is taken instead of option A the council would reduce its expenditure in terms of allowances given but this could lead to the possibility of losing foster carers.

6.3 If option C is decided upon there would be financial implications as the allowances would be over and above the budget available for these services.

7. Legal Implications

7.1 The standard weekly charges for residential care homes as shown in Annex A must be amended in line with the National Assistance Act 1948. The Chartered Institute of Public Finance and Accountancy (CIPFA) Financial Information Service book shows that “residents in accommodation managed by the local authority are expected to pay at the maximum, the ‘standard’ charge fixed by the local authority (section 22(2) of the 1948 Act), or where the resident satisfies the authority that he/she is unable to pay the standard fixed rate, a lower rate based upon the resident’s ability to pay.”

7.2 The relevant items of legislation regarding the allowances paid to carers as shown in Annex’s B to E inclusive are The Foster Placement (Children) Regulations 1991 and The Adoption Support Services Regulations 2005. However, as shown in the CIPFA Financial Information Service book, “there is no nationally recommended local authority scale of allowances payable.”

8. Human Resources (HR) and Other Implications

8.1 This report does not make any recommendations in respect of staffing and changes in structure or job plans so there are no HR implications.

9. Recommendations

9.1 The Executive Member is recommended to approve the following changes with effect from 2 April 2006:

- (a) the standard weekly charges for residential care homes as shown in Annex A.
- (b)
 - the foster carers weekly allowances and skill premiums shown in Annex B.
 - the additional foster carers weekly allowances as shown in Annex C.
 - the weekly adoption allowances and residence order allowances as shown in Annex D.
 - the sharing care allowances as shown in Annex E.

Executive Member for Children's Services 16 May 2006 and Advisory Panel

Report of the Director of Learning, Culture and Children's Services

Skills Centre update

Purpose of Report

1. This report advises the Executive Member of the progress being made around the development of a skills centre on the Danesgate site.

Background

2. In November 2005, members were advised of the developments planned for the Danesgate site, including the building of a vocational skills centre, primarily for 14-16 year olds who needed targeted and personalised approaches to work-related learning to improve their likelihood of progression into post-16 provision. The building costs for the centre are being largely met by a successful targeted capital fund grant provided by the Department for Education and Skills (DfES) and with some devolved capital grant funding.
3. The project is overseen by a project board and a steering group of partners, both of which are chaired by the Assistant Director (Access & Inclusion). The steering group has been very valuable in ensuring that the development is thoroughly integrated into the strategic plans of partners and providers within the overarching 14-19 education and training strategy. The steering group has a work plan which includes consultation, stakeholder engagement, the development of an appropriate curriculum and extended use of the facilities.

Progress

4. The Executive Member for Resources confirmed the retention of the Danesgate site for educational use in January 2006. This allowed the development to enter the planning phase. Consultation events have been held within the ward, including an open meeting for residents, and the community has also been engaged through representation on the management committee for the site. The informal consultation has been generally positive, although residents will await the formal planning process and the more detailed plans before they can accurately quantify what impact, if any, the development may have on them.
5. The Learning and Skills Council for North Yorkshire funded a stakeholder consultation programme, including young people from the city's schools. The outcome of the consultation has helped to refine some aspects of the scheme, giving greater clarity over how the skills

centre will fit into the overarching 14-19 education and training strategy and ensuring that there is widespread support for the vocational areas on offer.

6. A further consultation event took place on April 28th as a part of the city's 14-19 education and training strategy development day. The workshop provided at this event allowed partners, stakeholders and other parties to be updated with progress and contribute to the overall shape of the scheme.
7. The steering group has produced a brochure about the centre to use in any future publicity. The first major use of the brochure will be in early June, when the steering group are hosting a business breakfast for local employers and others who might be able to support the development of skills in the young people using the centre. Already a number of large local firms have expressed an interest in the development of the centre.
8. The timetable for the development is as follows:
 - April 2006 Planning application submitted
 - August 2006 Go out to tender
 - November 2006 Construction begins
 - September 2007 Handover
9. In order to move forward the work plan, the current work-related learning budget includes an element for staffing and consultancy support. This will give the steering group the temporary capacity they require to deliver the scheme effectively.

Financial implications

10. The current budget for work-based learning delivered through the Access & Inclusion service arm is £181k for 2006/07. This currently covers all of the fees paid to external partners to deliver work-related learning programmes and the support required to sustain young people in provision. The current provision is part time for almost all young people accessing partners' programmes.
11. Following approval from the Schools' Forum to redirect funding within the Dedicated Schools Grant, the approved budget is set at £231k for 2007/08 and this will allow for increased provision for young people. The new centre will contribute to this increased service with all revenue costs contained within this new budget level. Previously, the DfES assessed local authorities on the performance against the delivery of full time education to permanently excluded pupils. They now recognise that this measure does not take into account the large number of young people nationally who are not excluded but who do not attend school. The government's aim is full time education for all young people, regardless of where they are placed or why they are out of school.
12. The DfES have recommended that each local authority establish a 'collaborative' with their secondary schools from September 2007. The

‘collaborative’ is a mechanism whereby the secondary schools have more influence over the number of places purchased in provision for pupils with emotional difficulties in order to ensure that all pupils out of school are able to access 5 days each week of alternative provision. York secondary schools Headteachers have been informed of this recommendation, which will be progressed from the already well-established protocol for hard to place pupils operated jointly by the secondary schools and the local authority.

13. The aim is to develop a formula based approach to funding that will sit alongside the main schools’ funding formula. Any proposed revised funding formula will need to be brought to the Schools’ Forum for consultation and to the Executive Member for approval.

Legal implications

14. There are legal implications associated with this report.

Human Resource implications

15. Currently, partners provide education and training for young people on their own premises or through accredited employers. The local authority purchases provision from those providers and employs staff to monitor the welfare and progress of the young people. The skills centre will be run and managed by the local authority but there will be three groups of staff within the centre. The first group will consist of staff specifically employed to work in the centre and this group is likely to consist of a centre manager and some administrative support. The second group will consist of local authority staff already working with these young people but who currently support them in partner institutions. For these staff there will be no change in the nature of the work, and therefore the skill set or qualifications required but there may be a change in base and line management. The third group will consist of staff time bought in from partner organisations, such as York College. The local authority will formally contract with partners to deliver specific vocational programmes within the centre. These staff will continue to be employed by their host organisation but will work under the day to day supervision of the centre manager. This will require a formal protocol to be agreed between the partners and the local authority.

Recommendations

16. The Executive member is recommended to note this report and the arrangements set out in it.

Report of the Director of Learning, Culture and Children's Services

Admission Limits for Primary and Secondary Schools in York from September 2007

Purpose of Report

1. To seek approval in respect of the proposed individual school maximum admission limits for the academic year beginning in September 2007.

Background

2. Admission limits are important because they relate to the maximum number of children who are able to enter schools (reception in primary and infant schools, Year 3 in junior schools, and Years 7 and 12 in secondary schools).
3. It is the duty of the admissions authority to carry out a consultation each year on admission limits and arrangements. In the case of maintained schools, the admission authority is the Local Authority (LA), whilst in Voluntary Aided schools it is the governing body of the school in question.
4. In their role as admissions authorities, LAs must also consult other LAs with whom they share a border. For City of York LA, these are East Riding of Yorkshire Council and North Yorkshire County Council.
5. The School Admissions Code of Practice, published in January 2003, requires that consultation takes place and final determination of admission limits and arrangements should be made by 15 April 2006 for the academic year beginning in September 2007.

Consultation with other Local Authorities

6. Both East Riding of Yorkshire and North Yorkshire LAs were consulted and had no comments to make on City of York's proposed admission limits.

Consultation with Schools

7. Following last year's successful pilot, the LA undertook an informal round of consultation in the autumn term 2005 in order to enter into early discussions about any proposed changes to admission limits. In

the spring term of 2006, schools have been formally consulted on admission limits and arrangements for admissions in **September 2007**.

8. The results of the consultation are shown in Annex 1. The Annex includes several changes proposed by schools.

Primary Schools Analysis

Acomb Primary School

Proposal

9. Reduce admission limit from 45 to 30.

Analysis

10. Acomb Primary School has requested a reduction in the admission limit due to the steady decline in numbers attending the school in recent years and the financial strain being placed on the school by admissions in the range of 33-38 pupils. Reducing the size of the school to one form of entry will assist school organisation and budget management.
11. There are normally more than 30 children living in the catchment area, but historically over a third of the children attend other schools, with approximately 20 attending Acomb Primary. It is anticipated that reducing the admission limit to 30 will still allow the school to accommodate all children who live in the catchment area who wish to attend the school. If this proves not to be the case, the Admission Authority would still expect the school to provide sufficient places for all children in the school's catchment area.
12. Children who live outside of the catchment area will continue to be entitled to apply for a place at the school in accordance with the admissions policy, although it is possible that fewer of these children will be able to gain a place due to the reduction in admission limit. Several other local schools will continue to have sufficient capacity to provide options for parents.
13. The school currently has 10 rooms suitable for general teaching purposes, which will leave a surplus of spaces, assuming class sizes of 30. The LA will therefore expect the school to designate space no longer needed for curriculum teaching for extended school or community use.

Recommendation

14. Members are asked to approve the request to decrease the admission limit from 45 to 30. The school will be expected to work closely with the admissions authority through the next admissions round in order to monitor the impact of this change. The admission limit will be reviewed again next year.

Tang Hall Primary School

Proposal

15. Reduce admission limit from 60 to 30.

Analysis

16. The majority of children in the catchment area serviced by the school attend neighbouring schools. There has been an average of 30 Reception children living in the catchment area over the last three years. Of these, only about a third seek admission to Tang Hall Primary School, although numbers are increased by up to 15 children who attend the school from outside the catchment area.
17. There are a number of local housing developments that might have a marginal impact on admissions at the school. However, these housing developments are not likely to cause a significant increase in admissions at the school, due to the proximity of other schools and the types of dwelling involved. Some of the developments in question have yet to begin construction, and those that have, are unlikely to start providing pupils until 2008/09 at the earliest.
18. Tang Hall Primary School has been identified as a future Integrated Children's Centre. Reducing the admission limit will also reduce the capacity of the school, improving the levels of surplus space and enabling areas to be redesignated for Children's Centre use.

Recommendation

19. Members are asked to approve a reduction in admission limit as the school will be able to meet the projected demand for places should the admission limit be set at 30. The progress of local housing can be assessed in time for the next round of admission limit determination in 2006/07 (for admissions Sept 2008).

Yearsley Grove Primary School

Proposal

20. Reduce admission limit from 70 to 60.

Analysis

21. There is an average of 50 Reception children living in the catchment. Of these, some 30 have sought and gained admission to the school. The school currently attracts large numbers of children from the Haxby Road School catchment area. Conversely, a significant number of children who live in the Yearsley Grove Primary School catchment area attend Huntington Primary School.

22. Reducing the admission limit to 60 will assist the school in organising infant classes.
23. The capacity of the school has reduced from 471 to 360 due to recent decommissioning of classrooms and further changes of use. Due to the use of space at the school, a reduction in the admission limit will not affect the capacity of the school.

Recommendation

24. The request from the school is in line with local demographic trends and infant class-size legislation. Members are therefore asked to approve the decrease in admission limit from 70 to 60.

Bishopthorpe Infant/Archbishop of York's CE Junior Schools

Proposal

25. Increase both admission limits from 50 to 60.

Analysis

26. During last year's consultation round, Bishopthorpe Infant School requested an increase in the admission limit. At that time it was felt that further analysis and discussion was needed between the Infant and Junior Schools and the LA before any firm decisions could be taken. This extra work has now taken place and both the Infant and Junior Schools have submitted requests.
27. Bishopthorpe Infant and Archbishop of York's CE Junior Schools reside in a catchment area which usually contains between 45 and 55 Reception age children. The Infant School normally admits 95% of these, but also attracts children from the Dringhouses, Copmanthorpe and Woodthorpe Primary Schools catchment areas.
28. In increasing their admission limits to 60, both schools have indicated their wish to become 2 FE schools. The Infant School has recently built a new library/ICT resource extension (where there was none previously) which will enable it to accommodate above 50 children more comfortably.
29. Increasing the admission limit will increase the Net Capacity of the infants from 153 to 170, and the capacity of the Junior School will rise from 200 to 210.

Recommendation

30. Members are asked to approve the increase in admission limit at both the Infant and Junior Schools so that the schools can admit up to 60 pupils each.

Carr Junior School

Proposal

31. Reduce admission limit from 90 to 70.

Analysis

32. Carr Infant School, which occupies a site adjacent to the Junior School, has an admission limit of 70, and admits 50-60 Reception children every year. These intakes are reflected at the Junior School, which also admits between 50 and 60 children.
33. The schools admit around 60% of the total number of children living in the catchment area, with a significant number of catchment children entering Poppleton Road Primary School.
34. There are a number of new housing developments in the catchment area. These are unlikely to put the school under pressure if the admission limit is decreased, mainly due to their proximity to other schools and the types of accommodation involved.
35. Reducing the admission limit will decrease the Net Capacity from 321 to 288.

Recommendation

36. Members are asked to approve the reduction in admission limit. Forecast numbers at the Infant school suggest that reception classes will not exceed 60 for the foreseeable future.

Clifton Without Junior School

Proposal

37. Increase admission limit from 70 to 90.

Analysis

38. The catchment infant school (Rawcliffe Infant) has an admission limit of 90 with over 80 Reception age children living in the catchment. Large numbers of in-catchment Reception children are lost to Lakeside and St Wilfrid's RC Primary Schools each year, but additional family-based housing in the catchment is likely to increase admissions at both the Infant and the Junior Schools. Increasing the admission limit at the Junior School will enable the school to admit additional pupils more easily.
39. Clifton Without Junior has the physical infrastructure available to support intakes of 90 children. Increasing the admission limit of the Junior school will increase the Net Capacity from 280 to 287.

Recommendation

40. Given that Clifton Without Junior has the physical space to support an intake of 90 children, members are asked to recommend an increase so that the school can accommodate all children transferring from Rawcliffe Infant School.

Financial Implications

41. There are likely to be no direct financial implications for the LA resulting from determination of admission arrangements for September 2007. Some of the proposed changes will, however, assist schools with classroom organisation and budget management.

Legal Implications

42. Under the Education Act 2002, Admission Authorities are required to consult annually as appropriate on the admission limit, and on admission arrangements for admission to school. Admission authorities must then publish details of both. City of York Council publishes these annually in the Guide for Parents.
43. The School Admissions Code of Practice sets out guidance regarding school admission arrangements and came into force on 31 January 2003.

Recommendation

44. Members are advised to approve the proposed admission limits for the academic year beginning September 2007 as detailed in Annex 1.

*Voluntary Aided Schools - set their own admission limits

Meeting of Executive Member for Children's Services and Advisory Panel

16 May 2006

Report of the Director of Learning, Culture and Children's Services

School Term Dates and Holidays 2007/2008

Summary

- 1 This report:
 - recommends term dates and holidays for the school year 2007/2008,
 - outlines the consultation responses from the Joint Consultative Group (JCG) and the Teachers' Panel.

Background

- 2 For community and voluntary controlled schools, responsibility for setting the school term and holiday dates rests with the local authority. Voluntary Aided schools have the discretion to set their own term dates, but do not usually depart significantly from the pattern established for other schools in the authority.
- 3 It is a statutory requirement that schools are open for 190 days in the year. Teachers are required to work for a further 5 professional development days. Under current arrangements, the term dates and holidays decided by the Local Authority allow for the full 195 days. Individual schools are free to decide on the timing of the 5 Professional Development Days which are usually added to the beginning and end of terms.
- 4 The LGA continues to campaign for the Standard School Year, and, last year, asked local authorities to consult again on a pattern of term and holiday dates that ignored Easter and would produce a more even pattern of terms and holidays. The subsequent consultation in York was inconclusive. Most of those responding felt that there was a strong case for change in order to standardise the length of school terms, but there was no obvious consensus around any of the proposed alternatives and there was a strong feeling that no single authority should set its term and holiday dates in isolation from its neighbours.
- 5 Because Easter falls in March, 2007/08 presents the same difficulties in setting the dates for school holidays as 2004/05. It was felt that little would be gained by embarking on another consultation about the Standard School Year proposed by the LGA, not least because both North Yorkshire and East Riding are proposing to take a more traditional approach. Copies of the consultation documents issued by both authorities are attached as Annex 1.

6. Nonetheless, the authority is required to consult with the professional associations and chooses to consult with JCG. At a meeting on the 6 April, the Teachers Panel reiterated its dislike of short terms and split weeks, but accepted that there was no reasonable alternative to the pattern proposed in this report. Similar observations were made at the JCG where the importance of aligning dates with neighbouring authorities was acknowledged. The term and holiday dates proposed for schools in York are attached as Annex 2. In previous years, the Easter holiday has included the week before Easter Sunday. For 2007/08, it is proposed that schools remain open for that week, closing only for Good Friday which is, of course, a bank holiday.

Financial Implications

7. There are no financial implications arising from this report.

Legal Authority

8. Under s.21 of the Education (No.2) Act 1986, as amended by s.115 of The Education Reform Act 1988, it is the duty (stated in the school's articles of government) of the LEA, in the case of a county or controlled school, or governing body of an aided or special agreement school, to determine the dates when schools terms and holidays are to begin and end.

Recommendation

9. The Executive Member is recommended to approve the pattern of school terms and holidays for 2007/08 proposed in Annex 2, subject to agreement with the Teaching Associations.

- Shaded areas denote holiday dates. Darker shading denotes UK public holidays
- This pattern of dates identifies 195 days when teachers are available for work. Five of these days will be training/professional development days for teachers and pupils will not attend on these days. Each school determines when the training days take place and individual schools should be contacted to ascertain their particular dates when pupils will not attend.

- Shaded areas denote holiday dates
- This pattern of dates identifies 195 days when teachers are available for work. Five of these days will be training/professional development days for teachers and pupils will not attend on these days. Each school determines when the training days take place and individual schools should be contacted to ascertain their particular dates when pupils will not attend.
