CABINET FORWARD PLAN

What is the Cabinet Forward Plan?

The Cabinet Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated monthly on or around the 14th of each month and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Cabinet can collectively take as set out in Part 3 of the council's constitution
- which any Cabinet Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

In addition to elected Councillors, chief officers can also take key decisions in line with the Officers Delegation Scheme as set out in Schedule 3, Part 3 of the Council's Constitution

What information does the Forward Plan contain?

Each issue entered in the Forward Plan lists:

- The history of the issue in relation to the Forward Plan
- What background documents are available
- What consultation will be undertaken prior to a decision being made
- Who you can make representation to, and how
- The name and contact details of the chief officer responsible for the issue and the forthcoming report
- The date of the meeting at which a decision is due to be taken
- The implications and level of risk to the Council should the recommendations within the report be accepted
- The wards which will be affected by any decision taken

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Keyword: Environment; Be significant in terms of its effects on communities;

Item Type: Cabinet Decision - of 'Normal' Importance

Title of Report: Waste Management and Minimisation Strategy 2012 - 2015

Description: Purpose of report: To provide an update on work undertaken to meet the aims of the strategy and focus the development of the strategy 2012-2015 in response to current position, trends, legislative changes and economic pressures.

Members are asked to: Note the strategy's focus on Zero Waste York as the driver for future policies and service provision. Approve the direction of travel 2012 -2015. Note the update on the work undertaken by waste services.

This report was put back from January to February to allow additional budget proposals to be investigated further as they would impact on aspects of the strategy and would need to be included in the strategy. The report was then slipped to March because, as part of the budget savings, there was a need to review three major policies which would have a material effect on the future waste strategy and time was required to complete these policy reviews.

Implications All Implications

Level of Risk: 04-08 Regular monitoring required

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or

equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.
