- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:

 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

In addition to elected Councillors, chief officers can also take key decisions in line with the Officers Delegation Scheme as set out in Schedule 3, Part 3 of the Council's Constitution

What information does the Forward Plan contain?

Each issue entered in the Forward Plan lists:

- The history of the issue in relation to the Forward Plan
- What consultation will be undertaken prior to a decision being made
- The name and contact details of the chief officer responsible for the issue and the forthcoming report
- The date of the meeting at which a decision is due to be taken
