Webcasting of Public Meetings

Please note that, subject to available resources, this public meeting will be webcast including any registered public speakers who have given their permission. The public meeting can be viewed on demand at www.york.gov.uk/webcasts.

5. Active Travel Crossing Request Evaluation and Prioritisation Methodology (Pages 17 - 80)

This report proposes an updated active travel evaluation and prioritisation methodology which puts greater emphasis on need (including destinations) and potential future usage, it also puts forward a methodology for prioritising requests for dropped kerb crossings independently of the crossing evaluation.

The report also proposes to put all historic requests, including those rejected using the previous assessment methodologies, through the first stage of the proposed new assessment methodology (Sense Check) to quickly identify sites which are not appropriate, or can be dealt with by other work programmes, as a means of simplifying the task of tackling the significant backlog of requests.

6. City Centre Anti-Terrorism Traffic Regulation (Pages 81 - 124)

This report provides an update on the process and consultation of developing a proposed Anti-Terrorism Traffic Regulation Order (ATTRO). This was an approved action from the report presented to the Executive in October 2023, for consideration of changes to the City Centre Traffic Regulation Order.

The report also provides a recommendation on future actions in relation to the proposed ATTRO.

7. Urgent Business

Any other business which the Executive Member considers urgent under the Local Government Act 1972.
