DECISION SESSION - CABINET MEMBER FOR CRIME AND COMMUNITY SAFETY

TUESDAY, 4 OCTOBER 2011

DECISIONS

Set out below is a summary of the decisions taken at the Decision Session Cabinet Member for Crime and Community Safety held on Tuesday, 4 October 2011. The wording used does not necessarily reflect the actual wording that will appear in the minutes.

Members are reminded that, should they wish to call in a decision, notice must be given to Democracy Support Group no later than 4.00pm on the second working day after this meeting.

If you have any queries about any matters referred to in this decision sheet please contact Jayne Carr (01904) 552030.

4.   TARGET HARDENING FUND 2011-2012

RESOLVED: (i)   That the information on the allocation of the 2011-2012 Target Hardening Fund be noted.

(ii)   That Option 3, as outlined in paragraph 11 of the report, be approved to publicise the scheme wider to residents and organisations active in the wards so that they can make suggestions to the relevant ward committee for funding allocations.

(iii)   That the process be reviewed after a year.

REASONS: (i)   For information.

(ii)   To ensure that the accessibility and awareness of the Target Hardening Fund is improved in a timely fashion for the financial year 2012/2013. Ensuring that access to the fund is fair and equitable and in this way improving the quality and diversity of

applications to the fund.

(iii) To ensure that the allocation process works effectively.

5.   CRIME SUMMIT 2011

RESOLVED: That Option 2 – to host an annual Crime Summit in the spring of each year aimed at attracting all age groups and involving a range of stakeholders engaged in work to reduce crime and anti-social behaviour within York, be approved.

REASON: To ensure the best opportunity to gain maximum attendance and ensure that residents' priorities and concerns feature within the future delivery plans of the community safety partnership. It also demonstrates recognition of the value of localism in determining community safety service provision.
