EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

FORWARD PLAN ITEM

Meeting: Executive

Meeting Date: 15/11/17

Item Type: Executive Decision - of 'Normal' Importance

Title of Report: Refresh of Housing Revenue Account Business Plan

Description: Purpose of the report: This is an annual refresh of the 30 year business plan.

The Executive will be asked to agree the amended plan and finances.

This item has been deferred from the Executive meeting on 28 September to 19 October 2017. Following the election in June there has been some uncertainty that means it would be prudent to put the revised plan back to October.

As part of the Housing business plan review, there is a need to review the depreciation methodology as the self financing transitional arrangements are coming to an end. We are seeking external assistance to do this piece of work and to allow time for this to happen it has been necessary to further defer this item to the Executive meeting on 15 November 2017.

Title of Report: A Further Phase of the Older Persons' Accommodation Programme: deciding the future of Windsor House Older Persons' Home

Description: Purpose of Report: To provide Members with the results of the consultation undertaken with the residents, relatives and staff of Windsor House residential care home to explore the option to close the home with current residents moving to alternative accommodation, and for Members to make a decision about whether to close Windsor House. The context for this decision is that the Older Persons Accommodation Programme aims to meet people's changing needs for accommodation with care, and in-particular the needs of those with dementia and the demographic challenges faced by the city, through delivering additional Extra Care accommodation and new, good quality, residential and nursing care accommodation.

Executive will be asked to: Make a decision about whether to close Windsor House residential care home and, if a decision is made to close it, require that residents' moves to their new homes are carefully planned and managed in line with the Moving Homes Safely protocol. Should a decision to close be made, the report will also seek agreement for the future use of the site.

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than

£100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Making Representations: The confidential annex will deal with matters relating to the valuation and sale of land at Burnholme and is kept confidential in order to protect the commercial interests of the authority should the proposed sale not proceed and they wish to pursue a sale to another purchaser.

Process: Consultation process: The Older Persons' Accommodation Programme has been the subject of extensive stakeholder and public engagement and this continues. Proposals for the provision of sports pitches at Askham Estate have been the subject of discussion with the neighbouring landowner, the current land user, local football clubs, the Football Federation and Sport England.

The plans and proposals at Burnholme have also been the subject of extensive public and stakeholder consultation and engagement. Patients and stakeholders of the three GP practices affected by the Burnholme Health Centre will be engaged, as will the neighbours and other stakeholders of the Burnholme site.

Consultees: The users and potential users of the current and new sports pitches, local residents and other stakeholders. The users of the current health facilities and neighbours, local residents and other stakeholders of the proposed new facilities.

Title of Report: Delivering the Lowfield Scheme

Description: Purpose of the Report: To present proposals back to Executive in line with the Executive decision of 7th December 2016, to seek a developer/s or alternatively for the Council to undertake development for housing of approximately 8 acres on the Lowfield Site.

Members will be asked to: To consider proposals to deliver housing on the Lowfield site as part of the Housing Delivery programme which will be considered at the same Executive meeting.

Regulation 5 and 10 notices as to why it has not been possible to give 28 clear days' notice of the intention to make the Key Decision or the intent to hold part of a meeting in private have been posted, but in summary, it has not been possible to give 28 clear days' notice of the intention to make the Key Decision for the following reasons:-

Proposals to deliver the Lowfields scheme were originally contained within the report on the Housing Delivery Programme due to be considered on the same agenda. It is necessary to separate the report to give Executive the opportunity to separate the strategic direction in the Housing Delivery Programme report from the specific delivery proposals within the Lowfields report.

The Lowfields report will contain confidential financial information regarding the delivery of the scheme which could prejudice the financial interests of the council were it to be published.

The Lowfields scheme needs to be considered on the same agenda as the broader report.

Title of Report: Inclusion of Land Adjacent to 17-21 Piccadilly in the Lease to SPARK:YORK

Description: Purpose of report: This report relates to a small piece of land adjacent to 17-21 Piccadilly which the council recently purchased from Yorkshire Housing. The purchase of the land was approved by the Executive Member in 2015, as although the council benefited from a right of access across it, the formal acquisition increases the council's future development value of the whole site. Following the conclusion of legal negotiations with Yorkshire Housing the purchase completed in September 2017.

In November 2016, the Executive approved offering Spark:York a short term tenancy of 17-21 Piccadilly until the end of June 2020 to operate a pop-up development for start-up businesses. This is to animate the site and drive footfall in to the Castle Gateway regeneration area whilst the area masterplan and site's future development options are approved, planning permissions achieved, and delivery models agreed.

The purpose of this report is to recommend the inclusion of the small piece of newly acquired land in the red line boundary of the lease of 17-21 Piccadilly to Spark:York. This will formalise their existing right of access to 17-21 Piccadilly, and would also facilitate improved disabled access to the completed Spark:York scheme. It would also transfer responsibility for its upkeep from the council to Spark:York for the duration of the lease, reducing the council's liability.

The Executive Member will be asked to: Include a small piece of adjoining land which the council recently acquired from Yorkshire Housing within the lease of 17-21 Piccadilly to Spark:York.
