**Corporate Services, Climate Change and  
Scrutiny Management Committee (Calling In)**

**4 November 2024**

Report of the Director of Governance

**Called-in Item: Community contracts to support early intervention and prevention in Adult Social Care (ASC)**

**Summary**

1. This report sets out the reasons for the call-in of the decision made by the Executive on 10 October 2024 in respect of Item 7, Community contracts to support early intervention and prevention in Adult Social Care (ASC). The report also sets out the powers and role of the Corporate Services, Climate Change and Scrutiny Management Committee (Calling-In) in dealing with the call-in.

**Background**

2. An extract from the Decision Sheet published after the Executive meeting of 10 October 2024 is attached as Appendix 1 to this report. This sets out the decisions taken on the called-in item. The original report to the Executive, together with its annexes, is attached at Appendix 2.
3. The decisions have been called in for review by the Corporate Services, Climate Change and Scrutiny Management Committee (Calling-In) by Cllrs Runciman, Vassie and Hollyer, in accordance with the Constitutional requirements, and based on the detailed reasoning set out in Appendix 3 attached.

**Consultation**

4. In accordance with the requirements of the Constitution, the calling-in Members have been invited to attend and/or speak at the calling-in meeting, as appropriate, together with relevant Executive Member(s) and Officer(s).

## **Options**

5. The Committee must follow the practice for dealing with called in business set out in the Scrutiny Procedure Rules in Appendix 5 of the Constitution. After debate and all contributions have been heard, the Chair will invite each Member of the Committee to state whether they consider the core principles identified in the call-in request (Appendix 3) have been breached or not.
6. In the event of a majority of Members finding no breach, the call-in request will be immediately closed with no further action unless the Committee identifies any areas worthy of future exploration by the scrutiny function.
7. In the event of a majority of Members finding a breach, the called in decision will be referred back in full for further consideration at the next appropriate meeting of the Executive.

## **Analysis**

8. Members need to consider any breach specifically identified in the call-in request in relation to the original report to the Executive and the consequential decision made. As stated in the options identified above, the Chair will then guide the Committee on the constitutional requirements for handling the meeting and culminating in the Committee determining its position on any breaches.

## **Council Plan**

9. Any implications associated with the delivery of Council priorities for 2023-2027 are addressed in the original report to the Executive set out in Appendix 2.

## **Implications**

10. There are no known Financial, HR, Legal, Property, Equalities, or Crime and Disorder implications in relation to handling the call-in of the issue under consideration.

## **Risk Management**

11. There are no risk management implications associated with the call-in of this matter.

## Recommendations

12. Members' views are sought on the call-in request and specific breaches identified in Appendix 3.
13. Members should note the decision of the Monitoring Officer at Appendix 3, that the call-in request is determined to be partially valid and only parts 2, 4a(i) and 4c may therefore proceed.

Reason: To enable the called-in matter to be dealt with efficiently and in accordance with the requirements of the Council's Constitution.
