

Cultural Quarter Public Consultation - 4th November 2008

Responses from members of the public

Question 1 Have we got the boundaries for the Cultural Quarter Right? If not where should they be?			
	The boundary is fine as it is	16	
	There shouldn't be a boundary	12	
	The boundary is not wide enough	36	It should also include: - York St John University - 29, Gillygate - 4, City Screen - 5, Guildhall & St Helen's Square - 2, Stonegate - 2, Up to Bootham Park - 1, Mansion House - 1, The Grand Opera House - 2, Clifford's Tower - 2, Eye of York - 1, Castle Museum - 1, Area where the 'Festival of Angels' takes place - 1
	The boundary is too broad	6	Exclude the Minster - 2, Exclude NRM - 5, Exclude St John's University - 5, Leeman Road - 1
	The City Walls should be the boundary	3	
	How does one put a boundary of any sort on Culture?	3	
	Not entirely sure where the boundary is	2	
Other comments			
	The boundary is not correct and liaison with the Minster Quarter should take place		
	The boundary should cover a totally new area (a small scale arts area in its own right)		
	Historical buildings in York stand out in their own right and should not be included		
	The exact boundaries are less significant than the core elements included such as the institutions, open spaces, shops, offices and restaurants etc which combine in it.		
	The boundaries are acceptable if the primary aim is to make a pitch for money; however, there may be some danger in trying to compartmentalise parts of the city centre.

The Music Rooms (owned by CYC) should be brought back into use for music & cabaret.				

Question 4 What sort of events & activities would you choose to exclude from the Cultural Quarter?			
	Late evening noisy activities (including loud music/pop concerts)	7	Large scale performances

	There needs to be some set of criteria for what to include	2	Fast food outlets
	Anything drawing massed crowds & coach parties i.e. St Nicholas Fayre	2	Foreign markets
	Gift shops	1	Cyclists
	A Boards	1	
	Other comments		
	None specifically, but no 'dumbing down' please. It is sometimes difficult not to feel that the library would quite like to get rid of their books altogether. Quite a lot seem to have been removed already to create lots of useless empty space. Please can we keep what's left of the music library?		
	Very unsure about hotel use of St Leonard's Place which might intensify development. Furthermore very heavy use of the Museum Gardens should be avoided as this is an historically significant and fragile site.		

Question 5 What sort of employment opportunities would you like to see in the Cultural Quarter?			
	Jobs in the hospitality industry (hotels, bars, cafes, restaurants)	11	Stone masonry showcase
	Jobs in the retail sector	6	Gardeners
	Jobs for stallholders/market staff	2	Any that would be available to the whole city

	There should be as many job opportunities as possible	4	
	Apprentice opportunities/sponsorship for up & coming artists	2	
	Educational employment opportunities (teaching/adult education/workshop leaders)	3	
	Employment in the creative technologies fields	1	
	Micro enterprises with a cultural dimension	2	
	NB: There was a definite emphasis on quality of employment throughout many of the surveys received.		

Question 6	How often do you think you might visit the riverfront, the gardens or any of the buildings in the Cultural Quarter?		
	Monthly or more frequently	80	
	1-6 months	4	
	7-12 months		
	Less frequently		
	Other comments		
	Calling it the Cultural Quarter would not alter how often I visit. Developing interesting events would do that.		
	Less than I do now if the 'developers' move in		
	I visit the riverfront regularly at the moment. If you decide to split it off by name from the rest of the city I might feel so offended I would stop visiting the area.		
	Surely the whole point of this is to attract visitors from outside, so what does it matter how many times residents visit.		
	I use the gardens as a thoroughfare several times each week and would hate to see them changed. They are the jewel in the crown of York & the area where I live.		

Question 7 Do you think you would like to visit the riverfront, the gardens or any of the buildings in the evening - in summer or in winter?			
	Yes	82	
	No	3	
	Other comments		
	Would use the area in both summer and winter		11
	Would use the area in the summer only		3
	Would use the Museum Gardens in summer more than in winter		2
	If there were a café/coffee shop open in the evening then may visit		2
	Lighting, safety & security will be important within the Museum Gardens and surrounding areas		11
	To visit in the evening there would need to be quality events		5
	In view of the success of the 'Lux Project' evening events would make an exciting addition to the city's repertoire and draw visitors in greater numbers		3
	There is a shortage of street furniture in this area		
	Unlikely to visit in the evening alone but possibly as a member of a group outing		
	Would only visit if it was not given the name of Cultural Quarter		
	Would visit in the evening but not if there were too many eating/drinking establishments		
	Please open up the riverside & gardens and make it easier for people to walk & cycle. This area is the lasting impression that all visitors have of our city.		
	As long as it didn't exclude cultural activity taking place in other parts of the city		
	This would wonderfully extend the atmosphere, attractiveness & usage of the city's resources & buildings		
	Greater diversity of evening arts. Non-alcoholic related activity and more performance space		
	I think it is crucial to use the Museum Gardens/Library/Kings Manor area. It is dying through lack of use at the moment		
	Great idea to open this area up in the evenings; if carefully done		
	Yes would use in the evenings; but I feel other places and neglected spaces are important as well		
	Night economy of York stimulated by cultural engagement is vital		
	It's crucial that the Council provide the right public environment for these developments		
	Would use in the evening. This is the time when most of the things happening in London go on.		
	Definitely in the summer when the evenings are lighter. If there were some kind of event I would be more inclined to visit over the winter		
	The riverfront should be a focus		
	There is a need to move away from alcohol - fuelled evening economy		

Annex H

	The gardens are a disgraceful mess at the moment
	I already do and the atmosphere is wonderful and natural. Anything imposed on us all would reduce York to a showpiece; a themepark for visitors NOT a home for residents.
	The observatory could be opened more frequently.
	Evening bus services need to be improved. Some services do not run at all in the evening and others are very infrequent.
	City centre car parking should also be improved
	No one can answer yes, because they are all closed and there is no idea of what there might be to see.

Question 8	Would you like to see a new river crossing from the National Railway Museum to the Museum Gardens side of the river?		
	Yes	61	
	No	14	
	Other comments		
	As well as another pedestrian/cycle bridge from North Street to Coney Street/City Screen		3
	Must be for both pedestrians and cyclists (no cars or other vehicles)		4
	Pedestrian only (no cycles)		2
	A well lit, attractive and accessible footbridge to complement the river & city would be good		3
	Scarborough Bridge and existing links could be upgraded/improved & there would be no need for another bridge		8
	There is already a bridge at either end of the gardens		2
	The existing bridge & tunnel are an eyesore		2
	A bridge would be nice but not necessary		2
	A ferry or a bridge		1
	Would like another river crossing but not necessarily from the NRM. Perhaps from the main station area.		
	Expressions of concern regarding vandalism & graffiti		
	Not sure whether it should be from the NRM. The Museum Gardens/Museum may be the best introduction to the history of York and help us get tourists to visit more. However, a bridge is right		
	Perhaps this could be achieved by linking the existing Scarborough Bridge crossing with a footbridge to the NRM which would increase footfall between the NRM and the city centre.		
	It might help develop the brown field sites behind the station - this is an ecological thing to do. A cable car would be better.		
	A very sensitive area; the vista from Lendal Bridge upriver is delightful. How would a bridge impinge on that? Where in the gardens would this cut into that peaceful area? Are we talking about just pedestrians using it? If so, this would presumably be locked at dusk or at times to be established?		
	As long as it joined the riverside lane i.e.: Judi Dench Walk - not just Museum to Museum		
	Presumably in addition to Scarborough Bridge? Needs to be high enough for the boats to go under at flood times		
	It would provide a much needed link		
	This is an essential element - as a major cross link and viewing walk		
	This would be a nice mirror image of the Millennium Bridge		
	So long as this does not mean the tunnel (Marble Arch) is ignored, this should take priority		
	We need one where the old Roman Bridge was		
	It will strike the public as unnecessary expenditure, it may be the straw that breaks the camel's back		
	It's essential to link the new and old town and to make the most of the cultural linkages		

Annex H

	Don't know; that's a risky/expensive idea if it wasn't planned through
	A pedestrian bridge, the design subject to an international competition
	Depending on the aesthetics of the river crossing. Would have to somehow contrast/complement the architecture of York
	Yes; but not some modern architectural monstrosity
	This is a key to the whole thing e.g. Art Gallery is only a short distance from the NRM as the crow flies but the two are a long time apart by road.
	Bridge needed from North St to Guildhall. NRM bridge would badly effect the Marygate moorings
	This would make the NRM more connected to the rest of the city centre. There could even be a cable car.
	To remove the need to use Scarborough Bridge and the road tunnel under the main railway lines (Marble Arch)
	Would need to be open 24 hours and connect to areas of activity on both sides. Modelled on the Millennium Bridge but with more resilient lighting.
	If a new footbridge to the 'teardrop' and the NRM is proposed, I would suggest that it is constructed to make the northern end a continuation of the Marygate, creating a pedestrian hub at that point where walking tourists can access the riverside via Judi Dench Way, the Museum Gardens, NRM, Marygate, the much used footpath from Clifton through St John's School and the Marygate Car Park. If at the same point, a pontoon landing was installed, floating to allow for river levels in flood, possibly with a small tourist office on it, a river shuttle of purpose built boats could be established to ferry in tourists off coaches that currently struggle into town, where there occupants have to walk in the polluted air of Gillygate to get access to the city centre.
	The City Council has a hopeless record of maintaining the white tunnel under the railway, Scarborough Bridge and the footpath beside the Post Office which does not bode good for a new bridge. A Plan to refurbish the existing would be a creative alternative. Art installations in the tunnel and a well lit and refurbished bridge would be just as good and encourage use of riverside walks. Set up a plan for proper maintenance.
	As a resident I'm indifferent but I can see that Leeman Road is a grim walk for tourists going to and from the NRM.
	A pedestrian/cycle bridge with NO steps. The siting needs to be carefully considered as it could impinge on the attractive river frontage on both sides of the river.
	The Museum Gardens must not be regarded as a thoroughfare.
	A river crossing by boat rather than bridge. If a bridge then to a design of permanent importance not to destroy 'sweep of river view'
	Not sure what the benefits would be

Question 9	Many people have commented that they dislike the name <i>Cultural Quarter</i> . What do you think it should be called?		
	Cultural Quarter is ok/I like the name	12	York West 1
	Cultural Quarter is not an appropriate/the right name	10	The Quarter 1
	Cultural Gateway	6	'City Arts Scene' 1
	Riverside/Museum' Area	1	The Heart of York 1
	York City Culture	2	Yorculture 1
	The Museum Quarter	1	York Arts 1
	St Mary's Quarter	4	York! 2
	Quartier Des Artes	1	Cultural York 1
	Cultural Ribbon	1	River Heartland 1
	Montmatre	1	Historic Core West 1
	St Mary's Abbey	1	Kings' or 'Manor' Quarter 1
	Riverfront Gardens	1	York Riversides 1
	Abbey Quarter	2	Ousebank 1
	York NNW Sector & Culture	1	Gardens Quarter 1
	Philosophical Quarter	1	Historic City of Culture 1
	Other comments		
	Concerns that the name Cultural Quarter excludes the value of the other arts venues in the city.		2
	I think it makes some people think that the project is elitist - it isn't so change the name		2
	It's not the name but the location. Culture happens across the city and confining it to a quarter is too exclusive.		
	Does it need a name? It is part of a cultural city		
	York doesn't t do Quarters. Use the word consortium perhaps, which is less geographically defined		
	Nothing. I'd give it a year & the local media would probably come up with a much better one than if you tried to find one that didn't work.		
	The name is fine, especially if it encompassed smaller sub-sections i.e. artist quarter		
	Cultural Quarter includes education, religion, arts, history, shops etc and needs a broader definition.		
	The name suggests that 3/4 of York is not cultural		
	It depends on what culture you want to focus on. The local people need to feel connected with the project		
	Happy with the concept and less concerned about the name		
	It's too generic - I think the area should have several district zones of activity - overlapping & intertwining		
	No silly cutesy names please. This is York and its been here for 2000 years!		
	Path/Trail - or an arbitrary name which encourages you to explore it		
	Quarter is an overworked term		

Annex H

	I do not think it should happen. The idea is anathema to me and the whole idea should be dropped.
	I have no problem with the word 'cultural' or the word 'quarter' but the word 'The' might easily lead people to think that it is regarded officially as the only quarter with cultural value, or that it is the only one that will receive attention. Either way, it will focus attention on the culture of the 'Cultural Quarter' and away from the culture of all the other quarters in York. A number of the others also deserve attention, and particularly those within and around the city walls.
	The expression 'Cultural Quarter' is an inappropriate and misleading designation for an unrelated group of projects in one area of the city, part of which is outside the Central Historic Core.
	I think Cultural Quarter does what it says and the people of York should stop thinking they will lose their heritage if they sign up to trendy branding. If I went to any city in the world which advertised a Cultural Quarter it would be the first stop on my 'must see' list.

Question 10 Please leave any other comments that you would like to be taken into consideration	
Comments in relation to York St John University	
York St John will bring benefits. The inclusion of a vibrant centre learning would cement a concept of York as a nurturing & productive city.	2
York St John must be part of this. Universities are major cultural institutions - it would be senseless and wasteful to exclude it. They could also house a number of cultural activities.	2
I would like to see York St John University included in the Quarter. The University makes a consistent contribution to the cultural life of the city through drama & dance performances, open lectures, music & specialist interest exhibitions and events.	2
This proposal should consider other sites in the city, especially York St John University. The opportunity for international conferences, events, arenas is huge	
Each year talented, intelligent, experienced graduates of York St John Uni have much to offer York but often are compelled to leave the city to move to other areas of cultural development. York St John graduates have a very successful life as producers, artists, curators, event organisers, writers and absolutely need and have the right to be included in the Cultural Quarter. Not to be included would have	
Comments in relation to Leeman Road	
I live in St Peter's Quarter and would not like to be cut off from the city centre and I would not like Leeman Road closing to traffic to/from St Peter's Quarter and the city centre. Please do not put a new road around the back of the St Peter's Quarter. My only concern is the road	
Please think carefully about the closure of Leeman Road	
There will be strong opposition to closure of Leeman Road unless an alternative route not affecting existing residential areas is provided	
Mention was made that NRM want to divert Leeman Road to make safer access from station to NRM & bring their sites together. If this receives planning permission who will pay for this? How will this effect the existing occupants of all existing properties on the present route and York Central.	
General	
What are the thoughts regarding pedestrianising Gillygate	2
I think of Manchester's Northern Quarter. Exciting fresh and lots of independent shops celebrating real culture	2
No wheel in North Street	2
The city as a site should extend its boundaries in order to include intellectual and diverse concepts for arts and creativity	
Does this go beyond attracting tourists to York? As a city that generates culture, does it include all creators?	

	How does this fit in with other plans for the city centre. Improvements/enhancements must be co-ordinated to avoid conflict of interest
	This is all wonderful but I don't want my Council Tax paying for it. Also no more shops. It should aim to include the whole city, you really can't chop a piece off and call it the 'Cultural Quarter' in the long run
	It needs further explanation about what it means in practice and how it will relate to the other proposals for the city centre, especially transport and movement
	This is a wonderful idea and could put York on the map as a sophisticated European city, adding to its current status as an historic tourist destination. Please maintain momentum, energy and commit to the highest cultural and artistic values
	Key to understanding the links between economic & cultural development in the UK & in Europe (training/skills/education & culture/economic development are key to success)
	I am very interested in cultural activities happening in Briar House resources (at Club Chambers in Museum Street) - next door to the Healing Clinic
	The idea is excellent. Tourism is our future & this should maximise our take from tourism. It returns the area to what it was pre-car and will make York much nicer. Commerce in York Central. Please do not let petty quarrels derail it. We need to pedestrianise St Leonard's - don't shy away from this.
	Keep up the good work - York is getting better all the time
	20 mph speed limit, more dedicated cycle ways, sort out the chaos around the railway station taxis, short stay car park
	Make every effort to retain a new York Wheel in, or near the re-designed grounds of the NRM
	As a resident I am not 100% in favour of a designated Cultural Quarter. I have answered the questions as though it were a done thing.
	Please ensure that the fine-tuning of the concept takes account of what has been achieved by the Minster Quarter and the nascent wider York Quarters approach
	Let's hope that this initiative bears fruit and assists York to gain World Heritage Status
	Get as much opinion as you can - London is good! Work experience in the stained glass workshop would be great. I asked a year ago when I arrived in York & got the cold shoulder. What about the sculpture yard? There are no galleries in the main shopping area which cater for modern art as it is in mainstream capital cities. Students & young people will not benefit from this exclusion of new, fresh, avant-garde creative media. If you look at London you see this on the street level and York needs to encourage this, for example Artspace near Clifford's Tower
	If nothing else, let's get the cyclist/pedestrian river crossing
	A Cultural Quarter must be based on the principle of social inclusion
	Review of traffic to see how the environment can be made more civilised and less harmful to health

	Art Gallery needs more space for pictures
	I do not like the idea of removing the railings from the Museum Gardens. Where will the archives be situated when the Art Gallery takes over this space. I support the idea of being able to walk through an opening between the Art Gallery and King's Manor
	Like the NRM plaza plans, don't pedestrianise St Leonard's Place, don't need new bridges, I would be happy for York St John University to be in as would add to education/employment offer
	Need to be forward thinking to bring funding for the Cultural Quarter area... to be one of the best most imaginative cities in Europe. Need cohesive arguments to focus the minds of fundholders. Need a bus station - circular buses round centre of York
	This looks like an exciting mixture of forward thinking and as a recent resident in York I admire the vision. I am concerned that there was no mention of the York Wheel in the coverage in The Press on 24th October as I believe this will be a critical decision with exciting future prospects.
	Development of night time economy
	Include redesign of Museum Gardens
	What will be the consistent that identifies the area as the Cultural Quarter? I.e. a specific type of paving, signage. It is difficult to envisage what it would look like.
	All of York has a 'cultural identity' - this idea looks like an opportunity to create a sort of exclusion zone. Certainly everything within the city walls and up to 100m outside should be thought of as really special. BUT we neglect areas such as Tang Hall, Bell Farm, Fulford and Heworth at our peril. It looks like an excuse for opportunists to jump on the bandwagon. Put residents first.
	Must be positive about investment. Not sure about carving up the City into Quarters - it is too small
	A lot of money is going to be spent. Use some of this to repair what we already have. The White Swan Hotel in Piccadilly; the Council has backed away from this for far too long. Micklegate is a beautiful historic entrance to this town and is now run down and a disgrace, full of loud drunks who make residents' lives a misery. The numerous areas in the town where residents live and visitors never see. The visitors may be important but there would be no town for them to visit if it wasn't for the citizens who work to provide this revenue. Please get a sense of the really important facts in this dreadful plan.
	The area is perfect already. This Cultural Quarter is artificial.
	The Ouse is an under-utilised transport resource. It could be used as a green alternative to buses or park and ride
	Would a Cultural Quarter devalue the value of cultural aspects of York outside the proposed boundaries?
	You seem to assume that all will favour the general idea. We have not yet heard much about it, but so far I am opposed to the very idea, for several reasons. One potential reason is that the more it is promoted, once established, the more it will have the effect, I think of marginalising cultural things not located in the 'quarters'. 2 universities, City Screen, Ancient Music Centre, Opera House etc to their loss. The whole idea is bogus, pretentious and naff in a city like this. People come to York to see an important old city which has evolved organically over the centuries, not a theme park of consumptionism. By all means let the various elements prosper but let each stand on its own 2 feet.

	Where is the publicity about this proposal? Where did the idea come from? Who is funding it?
	Jorvik, St Giles, Clifford's Tower and especially the Castle Museum should be included in the Quarter. A museum/part of a museum should be given over to science & engineering displays and demonstrations, particularly of renewable, appropriate & sustainable technologies.
	The Museum Gardens are one of the jewels in York's crown and must be protected at all costs. They are primarily and uniquely botanical gardens with historic and religious ruins. They are presently enjoyed by very many people of all ages and backgrounds for the ambience that results. Greatly increased through traffic could cause irreparable damage. Regular opening after dusk, without substantial security would lead to damage, vandalism and other anti-social behaviour.
	Parking and traffic flows must be solved and implemented at a very early stage.
	When considering this plan, future development of the whole city needs to be taken into consideration so that eventually the whole city is included - not separate areas. A proper pedestrian area would be nice with safe cycle routes across the city separate from pedestrians should be provided and adequate arrangements made for the elderly and less-abled. Shop mobility is not satisfactory as not all people can manage the vehicles and they are not suitable for inside shops etc.
	There is a lot of culture in the city as a whole and it seems unfair to call some things 'cultural' and, by implication, some things not. The Cultural Quarter as currently defined seems fairly narrow and doesn't allow for a forward-looking all inclusive 'culture' in York. Also hazy on what included and what not and confusing relationship (if one at all) with Minster Quarter.
	A horticultural centre should be sited in St Mary's Abbey Precinct/behind the Art Gallery as part of the proposals for the York Cultural Quarter
	Fundamentally a good idea which deserves serious support and is important to York's future
	Reinstate Guy Fawkes City Centre celebrations
	You cannot call this the Cultural Quarter. What you are saying is the rest of York is culturally inferior to this area. You are also saying that one part of the city is culturally better than the rest. People come to York for the city walls, the Jorvik Centre, the Castle Museum, Clifford's Tower, the Early Music Centre all of which will be outside the cultural centre of York if you adopt this name. After going to the meeting we went for a meal at a restaurant which overlooks the Minster. they did not know about this Cultural Quarter idea even though their restaurant would be in the area. Should you not have told them?
	We need to be given more information on paper not a single afternoon of crowded jostling stands
	Whose idea was it to signpost the 'Minster Area' instead of 'Minster'?
	York would benefit from extending its evening attractions and shopping to create a more relaxed, cosmopolitan atmosphere.
	Consider a stand alone area. I went to Berlin & came across a really unique small area of art studios/galleries/cafes. Consider ways in which York St John could contribute - community arts - or have already contributed to the city

	<p>The only factor these projects have in common is that all are seeking funding to expand their operations. Such a qualification does not of itself justify the description 'cultural'. The misnomer has given rise to the misunderstanding amongst local people (and one aspiring participant) that only these attractions comprise the 'Cultural Quarter'. The label implies that the many other 'cultural' offerings in the City such as Clifford's Tower, the Castle Museum, Fairfax House, the Jorvik Centre and so on are excluded and do not qualify as 'cultural'. This is clearly nonsense and the implication must not be allowed. In either context, the inclusion of York St John University as part of a cultural quarter is not justified and the organisation should not be included. The designation 'Cultural Quarter' should be dropped. It is an artificial construct which has no credible meaning and devalues a large part of the City's built environment.</p>
	<p>There is already an initiative called the York Quarters Project that would be a natural partner for this.</p>
