EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact ?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less. Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Meeting: Executive Member for Environment

Meeting Date: 09/01/17

Item Type: Executive Member Decision - of 'Normal' importance

Title of Report: Steps Towards a Single Health & Safety (H&S) Organisation - Options for Change

Description: Purpose of Report: The Joint Head of H&S for York and North Yorkshire Councils has spent time reviewing and implementing best practice across both H&S services. To ensure resilience and best use of resources staff have started working informally as one workforce so resources and skills can be moved/shared across both services.

On 9th May 2016 the Executive Member for Environment agreed the establishment of closer organisational arrangements supported by formal secondment agreements for City of York Council (CYC) staff to North Yorkshire County Council (NYCC) supported by an service level agreement (SLA) to ensure that the form, resilience and quality of H&S service received by CYC is at least maintained if not improved. In November 2016 he will receive a progress update report to ensure progress is as expected and delivering planned benefits of closer working.

It was agreed in May 2016 that this arrangement would be short term to last no more than a year, and during this time an options paper and business case will come to the CYC and NYCC Executives to set up a formally constituted shared organisation with the options around the various service delivery models available to do so, including 'no change'. It is planned to bring the options paper to the Executives in January 2017.
