EXECUTIVE FORWARD PLAN

What is the Executive Forward Plan?

The Executive Forward Plan is a list of all non-key and key decisions the Authority intends to take during the next four month period. The Plan is updated weekly, every Monday and is available to view on-line at www.york.gov.uk

What is a non-key decision?

For the purposes of the Plan, a non-key decision is defined as a 'decision of normal importance' which:

- the Executive can collectively take as set out in Part 3 of the council's constitution
- which any Executive Member can take individually in line with the Council's Scheme of Delegation

What is a key decision?

A key decision is defined as a decision which is likely:

- to result in the Council incurring expenditure, or making savings, which are significant having regard to the Council's budget for the service or function to which the decision relates i.e.:
 - make a saving of more than 10% of the budget for a particular area - or be more than £500,000
 - require spending that is more than 10% of the budget for a particular area - or be more than £500,00
- to be significant in terms of its effects on communities

Such 'key decisions' can only be taken by the Executive, unless they have been **specifically** delegated to an Executive Member or Officer, or unless the Leader or Chief Executive is exercising their urgency powers.

What information does the Forward Plan contain?

In relation to each issue entered on the Forward Plan, there are details of:

- the date on which or time period within which the decision will be taken;
- the wards affected;
- how to make representations on the issue in hand; and
- what the consultation will be taking place, where applicable.

If I have a query about an entry on the Forward Plan, who do I contact?

Wherever possible, full contact details are listed in the individual entries in the Forward Plan. If you are unsure how to make contact or have any general enquiries about the Forward Plan, please ring Democratic Services on Tel No. 01904 551031

Implications

Level of Risk:

Reason Key: A decision which is likely to result in the Council incurring expenditure, or making savings which are significant having regard to the Council's budget for the service or function to which the decision relates. The savings or expenditure are significant if they are equal to or greater than £500,000 or equal to or greater than £100,000 where the savings or expenditure exceeds 10% of the budget for the service plan area whichever is the less.

Expenditure in excess of these levels will not constitute a key decision if such expenditure is made as part of the implementation of a decision which itself was a key decision e.g. the award of a contract.

Making Representations:

Process: Each library investment project will be subject to public and stakeholder consultation

Meeting Date: 13/01/22

Item Type: Executive Decision - of 'Normal' Importance

Title of Report: Extension of Contract for Long-Acting Reversible Contraception

Description: Purpose of Report: To seek Executive approval to extend the provider's current Long-Acting Reversible Contraception ("LARC") Services, by directly awarding a brand new contract for provision of the same for a further two years to June 2024 without re-advertising the service through tender exercise under the Public Contract Regulations 2015 ("PCRs" or the Council's Contract Procedure Rules ("CPRs").

The Executive will be asked to:

- Award the direct award of a brand new LARC Services contract to NIMBUSCARE for 2 years without first carrying out any competitive tender or request for quotes under the PCRs and/or CPRs
- Sign off the financial envelope on the combined budget of £888,692.75

Lead Member: Executive Member for Health and Adult Social Care

Lead Director: Director of Public Health

Contact Details: Sharon Stoltz, Director of Public Health, City of York

sharon.stoltz@york.gov.uk

Implications

Level of Risk: 04-08 Regular **Reason Key:**

monitoring required

Making Representations:

Process: Within CYC procurement, finance and legal colleagues have been consulted and their full comments are included in the main report.

Consultees:

Finance: Support the extension of current contract with Nimbuscare. LARC recharges are based on activity and there is currently sufficient budget to cover the cost.

Procurement: Support the ambition to achieve a fully integrated sexual health provision across the city which would mean commissioning both LARC and the Integrated Sexual Health Service through one procurement exercise. In order to achieve

this goal alongside the inclusion of the ICS commissioning requirements for LARC then procurement supports the extension of the contract through the submission of a waiver for the contract period 1st July 2022 to 30th June 2024.

Legal: Wish to help facilitate a LARC service solution for Public Health to meet service need. Supportive of long term intention to incorporate LARC services into integrated sexual health system.

Legal team advice here however that proposed direct award arrangement subject of the report does not comply with competition requirements required by the Public Contracts Regulation 2015 ("PCRs"). As such, if approved, we would highlight that there is a resulting risk of legal challenge to the Council, and that and the decision to carry out the technically non-compliant direct award process will be in the public domain. Decision makers would need to be content with the risk and the public nature of PCR non-compliance.

Title of Report: Hostile Vehicle Mitigation Measures

Description: Purpose of Report: To update on the project to install hostile Vehicle Mitigation Measures to give protection to York's footstreets during pedestrianised hours in line with the advice received from the Police and Counter Terrorism Unit.

The Executive will be asked to:

- Note the final location of security measures.
- Approve the carrying out of the procurement process to engage contractors to supply, install and maintain the scheme.
- Note the progress on removing the remaining exemptions other than emergency services that allow vehicle access to the footstreets during pedestrian hours.

Meeting: Executive

Meeting Date: 13/01/22

Item Type: Executive Decision - a 'Key Issue' - decision with significant effects on communities

Title of Report: The Groves – The future of the Low Traffic Neighbourhood trial

Description: Purpose of Report: The report provides an update on work to develop a community plan for the Groves area. As part of the development of the community plan an Experimental Traffic Regulation Order (ETRO) was made in September 2020, preventing traffic from travelling through the area whilst retaining vehicular access for all properties. As the ETRO is coming to an end the report will provide feedback from both the community consultation and the formal ETRO consultation.

The Executive will be asked to consider the objectives and the impacts of the Experimental Traffic Regulation Order in the Groves and the Groves community plan and to determine the next steps and any permanent changes to Traffic Regulation Orders.
