

CONSULTATION SUMMARY

RESIDENTS' VIEW	NUMBERS	OFFICERS' COMMENTS
AGAINST, citing not enough spaces	16	The combined effect of the cycle lane scheme and these parking changes would result in a net loss of 1 residential parking space.
AGAINST, citing no justification	4	Although there have been no accidents at these locations in the three year period considered (Jan 2012 - Dec 2014), residents report a series of near misses. Poor visibility is blamed.
SUPPORT the scheme	3	Officers welcome the support for the scheme.
EXTERNAL ORGANISATIONS		
North Yorkshire Police	No comment	
WARD MEMBERS		
Cllr Denise Craghill	The consultation should include all households in the res parking scheme that will be affected.	Officers included all such households.
Cllr Janet Looker	Wants to get an agreement to remove parking on the right coming out of Agar St. Road safety measures should take precedence.	Officers agree with this aspiration.
Cllr James Flinders	Has no objection to the proposals.	Officers welcome this view.

Note : six respondents commented that they were opposed to the inclusion of cycle stands. Some even believed that the main purpose of the scheme was to provide cycle parking.

However, one respondent wanted to see a second cycle stand added at each location.
