Notice under Regulation 10: Key Decision where less than 28 days' public notice has been given

Pursuant to Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ('the Regulations'), I hereby give Notice that:-

The **Executive** intends to make a Key Decision on **25 June 2020** regarding **City of York Council Recovery and Renewal Strategy**.

Purpose of Report: To present the plan which provides an overarching guide to the approach City of York Council will take to shape the recovery and renewal in York over the next 12 months.

The Executive are asked to review and confirm they are happy with the approach and approve the strategy.

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision. The reasons why compliance is impracticable in this matter is that the current unique circumstances and changing environment meant the specific nature of the report was not confirmed prior to the notice period. The report remains key in facilitating a decision on the council's plans for recovery from the coronavirus pandemic.
