

Forward Plan: Executive Meeting: 26 August 2021

Table 1: Items scheduled on the Forward Plan for the Executive Meeting on 30 September 2021

Title and Description	Author	Portfolio Holder
<p>York & North Yorkshire Road Safety Partnership – Safer Roads Strategy</p> <p>Purpose of Report To present the updated York & North Yorkshire Road Safety Partnership – Safer Roads Strategy which replaces the previous 95 Alive Safer Roads, Healthier Places Strategy which ran through to 2020.</p> <p>Executive will be asked to: endorse the York & North Yorkshire Road Safety Partnership – Safer Roads Strategy subject to final approval by all members of the partnership.</p>	Tony Clarke	Executive Member for Transport
<p>York Outer Ring Road – Phase 1 Dualling – Evaluation of Consultation and Resolution to Submit a Planning Application</p> <p>Purpose of Report To provide a summary on the outcome of the consultation process and how this has influenced the design for the Phase 1 dualling proposals. The project team will seek a resolution for submission of a planning application based on the revised proposals presented and incorporated within the report</p> <p>Executive will be asked to: note the consultation process and outcomes and approve the revised design which is now being presented as an outcome of this. Having approved the revised design, members will be asked to confirm they wish to start the planning application process.</p>	Gary Frost	Executive Member for Transport

Table 2: Items scheduled on the Forward Plan for the Executive Meeting on 14 October 2021

None currently listed.

Table 3: Items Slipped on the Forward Plan

Title & Description	Author	Portfolio Holder	Original Date	Revised Date	Reason for Slippage
York & North Yorkshire Road Safety Partnership – Safer Roads Strategy <i>See Table 1 for details</i>	Tony Clarke	Executive Member for Transport	20/7/21, then 26/8/21	30/9/21	To allow further time to finalise the draft strategy with other partners in advance of the decision on adoption.

Note: the following item has been brought forward on the Forward Plan:

<i>Title & Description</i>	<i>Author</i>	<i>Portfolio Holder</i>	<i>Original Date</i>	<i>Revised Date</i>	<i>Reason</i>
<i>York Community Woodland design plan, funding and delivery options</i> <i>(For details, see agenda)</i>	<i>Shaun Gibbons</i>	<i>Executive Member for Environment and Climate Change</i>	<i>30/9/21</i>	<i>26/8/21</i>	<i>The tree planting season runs from September to March. If the council were to wait until 30 September for an Executive decision, this would put its ambition of planting 50,000 trees by 2023 at significant risk.</i>
