6. 20MPH SPEED LIMIT PETITIONS FOR SOVEREIGN PARK AND DODSWORTH AVENUE

RESOLVED: The Executive Member for City Strategy agrees to:

- i) Note the relative priority of the petitions set out in the table (annex A of the report) in relation to other petitions and requests received.
- ii) No further action being taken at the current time in relation to Sovereign Park but that it is retained on the list for possible implementation when higher priorities have been addressed and resources become available.
- iii) Note that Dodsworth Avenue is currently being considered through the speed review process, requests officers to provide an update on progress at a future Executive Member Decision Session and to update residents on the progress being made by including a briefing note in the next Heworth Ward Committee newsletter.

REASON: To progress requests and petitions against the agreed criteria and in priority order and to enable those requests that do not comply with key elements of the criteria to be considered through other processes.
