

Proposal to provide a Vehicle Activated Sign in advance of the chicane arrangement to remind any drivers going too fast, that they are within the 30mph speed limit

Proposed extension of 30mph speed limit with appropriate signing, to form a village gateway, incorporating red surfacing, 30 mph roundel, 30mph signs and fencing on either side as illustrated in the photograph (bottom right)

'Dragon's Teeth' Markings to encourage drivers to slow down at the start of the 30mph limit

Proposed red stripes on the road to alert drivers of the reduced speed limit ahead
