

ANNEX 5

Conditions agreed with Public Protection

Public Protection objected to the above premises licence application on the grounds of public nuisance. I have, however, mediated with the applicant and so long as the following condition is attached to the licence our objection is withdrawn:

Condition 1.

A noise management plan shall be submitted to the Local Authority for approval no later than 3 months from the granting of the variation of the premises licence. Once agreed the noise management plan shall be implemented and adhered to thereafter by any occupant.
