Parking Enforcement

- Costs of service / Income generated - scope to improve? Can we offer services to private land owners?

- Activity across entire local authority area - How many enforcement officers do we have, how many fines issued, which areas of their city are they issued in, how often are Res Park zones visited. *A view of this over the last 5 - 10 years would be helpful for identifying trends.*

- Position on pavement parking

- Consistency of enforcement (seen officers apply different limits to Double Yellow Lines)

- Hotline performance - how many reports logged, how many of these received visits in a timely manner (or at all)

Out-of-hours drop in provision due to over-stretched Police unable to prioritise parking
