4. Consideration of Objections to an Advertised Proposal to Introduce a Residents Priority Parking Area on the Danesmead Estate

Resolved: That Option 4 be approved: to implement an amendment to the Traffic Regulation Order to introduce a new residents priority parking area on the Danesmead estate to operate from Monday to Friday, 9am to 5pm (to be allocated the zone number R63), to be implemented with a lesser restriction than advertised to give 30 minute parking for non-permit holders. This is subject to obtaining authorisation from the Department of Transport (DfT) for the required regulatory signage.

Reason: To progress the majority views of the residents consulted by removing long term non residential parking but still allowing parents/carers of York Steiner School the requested time limit for pick up and drop off and allow short term customer parking for the business outlets.
