13. Proposed 12 Month Pilot for the Payment of 'Golden Hellos' and 'Golden Handcuffs' to Social Workers in the Referral & Assessment Team in Children's Services

Members considered a report that asked them to approve a 12 month pilot for the payment of 'golden hellos' and 'golden handcuffs' to social workers in the Referral & Assessment team in Children's Services.

The Head of Human Resources explained the reasons for this proposal and confirmed there were regional and national shortages of staff to work in these roles and the cost of providing short term cover through agency workers caused a significant financial pressure. He went on to explain that a "golden hello" was an amount paid to an employee as an inducement to take up employment with a particular employer and a "golden handcuff" was an amount paid to existing employees as a means of holding on to key employees and increasing employee retention rates.

Members discussed the proposals put forward and noted that a 'golden hello' payment of £2500 (pro-rata for part time) would be payable to all new starters, as a one off payment, on the successful completion of the probationary period and a 'golden handcuff' payment of £2500 (pro-rata for part time) would be paid to all current staff in the Referral & Assessment Team.

Following discussions on the financial implications and questions from Members, officers confirmed:

- This process had been successful in other Local Authorities, when used alongside other strategies to recruit to these posts where there was a national shortage of workers.
- They would continue to engage student social workers.
- They would monitor the pilot and would bring back an update to this committee and to the relevant Executive Member Decision Session.
- Further discussions would take place with trade union colleagues and appropriate staff prior to implementing these payments.
- The payment would be recovered in full, should a member of staff leave the authority within one year of the agreement.

- 50% of the payment would be recovered, should a member of staff leave within two years of the agreement.

Members considered the impact this proposal would have on the department and agreed implementation would need to be handled vigilantly.

Resolved: That the payment of 'golden hellos' and 'golden handcuffs' to social workers in the Referral & Assessment team in Children's Services for a 12 month pilot period, be agreed.

Reason: To support the recruitment and retention of social work staff to stabilise the R&A team.

15. Pension or Exit Discretion

Members considered a report which detailed expenditure associated with a pension or exit discretion in accordance with Council policy.

The background and detailed case surrounding the proposal was contained in the business case attached as a confidential annexe to the report.

Following a detailed discussion Members showed some dissatisfaction on the content of the business case and requested officers ensure future reports put forward consider the potential specific implications for service delivery and detail proposals for how this will be managed.¹
