### **Notice under Regulation 10: Key Decision where less than 28 days' public notice has been given**

Pursuant to Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ('the Regulations'), **I hereby give Notice** that:-

The **Executive** intends to make a Key Decision on **7 December 2017** regarding the delivery of the Lowfield Scheme

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision. The reasons why compliance is impracticable in this matter are as follows:-

Proposals to deliver the Lowfields scheme were originally contained within the report on the Housing Delivery Programme due to be considered on the same agenda. It is necessary to separate the report to give Executive the opportunity to separate the strategic direction in the Housing Delivery Programme report from the specific delivery proposals within the Lowfields report.

The Lowfields report will contain confidential financial information regarding the delivery of the scheme which could prejudice the financial interests of the council were it to be published.

The Lowfields scheme needs to be considered on the same agenda as the broader report.
