THURSDAY 17TH MAY 2018**

ADDENDUM TO COUNCIL AGENDA ITEM 3

Update :

As set out in the report at paragraph 58, it remains the case that discussions are ongoing with Natural England. Since the Council Report was published, Natural England has responded in relation to the Local Planning Authority's previous draft Habitats Regulation Assessment, and they considered further work was required. They have now been provided with the latest updated draft Habitats Regulation Assessment which the Local Planning Authority's consultant considers to be adequate.
