A screenshot of a 'Community Emergency Plan' form. At the top left is a banner image showing emergency scenes (fire, flood, etc.) and the 'nylrf' logo. Below the banner is a blue button labeled 'Community Emergency Plan'. Underneath are three input fields: 'Parish/Ward/Town:', 'Last Review Date:', and 'Lead Contact:'. At the bottom of the form is a row of six small thumbnail images: a red stop sign, a man's face, a fire, a person walking, a fire, and a flooded area.

What do these Emergencies have in Common?

Working together, to improve and make a difference

How does this link in with your community?

The screenshot shows a web form for a 'Community Emergency Plan'. At the top left is a banner image with the Nylrf logo (North York-Lake Simcoe Regional Fire Department). Below the banner is a dark blue button with the text 'Community Emergency Plan'. Underneath the button are three input fields: 'Parish/Ward/Town:', 'Last Review Date:', and 'Lead Contact:'. At the bottom of the form is a horizontal row of six small square images: a stop sign, a person's face, a fire, a person walking, a fire scene, and a road.
