Describe the steps you intend to take to promote the four licensing objectives:

General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

- 1.Staff Training: Ongoing training on licensing rules, underage sales, disorder, and child safety. Training records maintained.
- 2. Challenge 25: Strict ID checks for anyone under 25. Clear signage and trained staff to enforce policy. 3.DPS & Operations: Updated Operating Schedule. DPS actively manages alcohol sales and receives regular training.
- 4. Security: CCTV covering key areas with secure footage storage. Roller shutters for added protection. 5. Compliance & Policies: Follow laws and procedures on underage sales, disorder, and safeguarding. Liaise with authorities.
- 6.Ongoing Review: Regularly update policies, training, and conduct internal checks for compliance.

b) The prevention of crime and disorder

CCTV: Install a CCTV system covering entrances, exits, and key areas. Footage will be securely stored and retained per legal requirements. Door Policy: Enforce a strict door-close policy, especially at night, using a Night Service Window to control access. Clearly communicate this to staff and customers via signage and reminders.Licensing Hours Display: Clearly display up-to-date licensed hours where visible to customers. Crime Prevention Notices: Post visible warnings about potential crimes such as theft. Alcohol Refusal Policy: Do not serve alcohol to intoxicated customers. Train staff to recognise and act on signs of intoxication. Illegal Substances: Maintain vigilance to deter illegal drug use and cooperate with authorities on any incidents. Staff Training: Provide ongoing training in customer behaviour management to ensure a safe and respectful environment.

c) Public safety

Lighting: Ensure sufficient internal and external lighting to enhance visibility and deter crime. Regularly inspect and maintain all fixtures. Staff Training & Compliance: Provide comprehensive and refresher training on public safety, hygiene, and environmental health regulations. Ensure staff follow all safety procedures. Underage ID Checks: Enforce a strict ID policy for anyone appearing under 25. Train staff to verify acceptable IDs and identify fakes. Log Book/Recording System: Maintain a detailed log (physical or digital) to record inspections and safety checks. Keep it up to date and available for authorised inspection under the Licensing Act 2003. Premises Maintenance: Regularly inspect all areas and installations (e.g. doors, lighting, electricals, HVAC) for safety and function. Document all maintenance and repairs. Emergency Preparedness: Maintain an up-to-date emergency plan. Train staff in emergency response and conduct regular drills. Health & Safety Audits: Conduct regular audits to identify hazards and ensure compliance with health, hygiene, and occupational safety standards. Record and act on findings.

d) The prevention of public nuisance

To minimise noise and disturbance to nearby residents, the following measures will be implemented: Notices: Clear, visible displayed to remind customers to respect neighbours and keep noise to a minimum. Deliveries: All deliveries will be scheduled during appropriate hours, avoiding night-time operations. Delivery staff will be instructed to work quietly and efficiently.

Customer Behaviour: Staff will politely discourage customers from gathering or speaking loudly outside, especially at night. Signage will also support this message.

Lighting: Lighting will be positioned and screened to avoid glare and light spillage, using directional fixtures to reduce disturbance to neighbours. Waste Management: Sufficient waste bins will be provided and regularly emptied to prevent overflow and noise from disposal activities.

e) The protection of children from harm

To protect children from harm, the following measures will be in place: Challenge 25 Policy: Clear signage will be displayed at the entrance and near alcohol displays. Staff will request valid ID (e.g., PASS card, driving licence, or passport) from anyone who appears under 25. All staff will be trained on the policy and ID-checking procedures. Staff Training: All staff will receive training on the legal requirements for selling age-restricted products, how to check ID, and how to respond when ID is missing or invalid. A Training Record Book will be maintained for reference and compliance.Log Book: A log book or digital system will record age-check incidents and actions taken, available for inspection under the Licensing Act 2003. Compliance Checks: Regular checks will be carried out to ensure policy adherence. Log entries will be reviewed to identify training needs and address issues promptly to prevent underage sales.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of original documents, sted above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a chare code from the service should submit copy documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
