Report of the Deputy Monitoring Officer

Monitoring Report in respect of Complaints Received

Summary

1. This report is to update the Committee on the position regarding ongoing and recently closed complaints.

Background

2. The Joint Standards Committee is responsible for promoting a culture of openness, accountability, probity and the maintenance of high standards of conduct by members. In order to do so, it reviews all code of conduct complaints. This enables, amongst other things:
 - Monitoring overall numbers of complaints allowing comparison with similar authorities
 - Monitoring trends of increasing/decreasing levels of complaints and identifying links to key events or triggers
 - Identifying common types of complaints which may illustrate a need for enhanced training and information
 - Assessing the efficacy of sanctions imposed by noting changes in complaint numbers relating to a particular circumstance or member following previous intervention.
 - Assessing the efficacy of the complaints procedure and identifying possible improvements.

Commentary on Case Logs

Open cases

3. There are currently 2 open cases. A verbal update will be provided at the meeting.

Cases closed since last JSC

4. Four cases have been closed since the last committee meeting. Case reference 2025/10 was closed as it fell outside the code of conduct. Cases 2025/09 and 2025/12 were closed as a delay or failure to respond is not of itself capable of disrespect, or bringing the role or Authority into disrepute, therefore did not constitute a breach of the code. 2025/11 was closed following informal resolution.
