(Calling – In)**

Report of the Assistant Director, Governance and ICT

Called-in Item: City of York Local Transport Plan 3 – ‘Summarised Draft’ LTP3

Summary

1. This report sets out the reasons for the call-in of the decisions made by the Executive Member for City Strategy on 1 February 2011 in respect of a report which presented him with a Summarised Draft Full ‘City of York Local Transport Plan, 2011 Onwards’ (LTP3), as part of the procedure leading up to the publication of the LTP3 by 31 March 2011. This covering report also explains the powers and role of the Scrutiny Management Committee in relation to dealing with the call-in.

Background

2. An extract from the decision list published after the relevant Executive Member Decision Session is attached as Annex A to this report. This sets out the decisions taken by the Executive Member on the called-in item. The original report and annexes to the Executive Member Decision Session are attached as Annex B.
3. The Executive Member’s decisions have been called in by Cllrs Merrett, Potter and Simpson-Laing for review by the Scrutiny Management Committee (SMC) (Calling-In), in accordance with the constitutional requirements for call-in. The reasons given for the call-in are on the grounds that the LTP3:
 - *lacks the necessary vision and ambition that will enable the city to tackle the very real transport problems it faces now and in the coming years, including most notably ongoing and illegally high levels of air pollution and heavy traffic congestion, as well as rising CO2 emissions;*
 - *does not address the challenges to economic prosperity and quality of life posed by the problems cited in bullet one;*
 - *pays insufficient regard to the challenge of significantly improving the offer of public transport in the city, in order to address the above problems;*
 - *does not address the need for smart and cross-ticketing on buses and integrating services for cross-city journeys; and*
 - *fails to adopt the majority supported comprehensive 20mph strategy (see also item 4 call in) to significantly increase road safety and the attractiveness of walking and cycling.*

Consultation

4. In accordance with the requirements of the Constitution, the calling-in Members have been invited to attend and/or speak at the Call-In meeting, as appropriate.

Options

5. The following options are available to SMC (Calling-In) members in relation to dealing with this call-in, in accordance with the constitutional and legal requirements under the Local Government Act 2000:
 - a. To confirm the decisions of the Executive Member, on the grounds that the SMC (Calling-In) does not believe there is any basis for reconsideration. If this option is chosen, the original decisions will be confirmed and will take effect from the date of the SMC (Calling-In) meeting.
 - b. To refer the matter back to the Executive Member, for him to reconsider his original decisions. The reference back may include specific recommendations to the Executive Member. If this option is chosen, the matter will be reconsidered at a meeting of the Executive (Calling-In) to be held on 29 February 2011.
