Members considered a report which invited them to seek any necessary amendments to the draft Full Local Transport Plan for 2011 onwards (LTP 3) before recommending it to Full Council for approval.

The draft Full LTP3 had been published on the Council's website, and circulated to Executive Members, as Annex A to the report. It had been prepared on the basis of national policy and guidance, local policies and strategies, an extensive evidence base, and three phases of consultation. Updates on progress, and the results of consultations, had been reported to Decision Sessions of the Executive Member for City Strategy throughout the preparation process.

Having noted the contents of the report, and the comments of the Labour Group Spokespersons on this item, it was
