Subject: RE: Access for All Small Schemes Funding

Dear Jane,

Thank you for your email, which I received this morning. Please be advised that the Access Improvements to York Station Project has been delayed such that city of York Council will not be seeking to draw-down the Access for All Small Schemes Grant awarded for this financial year.

I trust you will be able to find another project that may benefit from the grant this year instead.

Yours sincerely,

Ian Stokes

Subject: Access for All Small Schemes Funding

Dear Ian

I wrote on 8 February requesting updates on the York Station Small Schemes project. I note from our files that you wrote to Neil Priest on 1 December informing him that the project was unlikely to be completed within this financial year and that a deferred application may be submitted in a following year.

Could you please confirm whether or not this decision has been taken because we have had several inquiries about whether we have any funding left for this year, and it may still be possible to allocate this funding to some other Small Schemes.

Regards

Jane Linehan
