

Update on Implementation of Recommendations from Previously Completed Scrutiny Review on Careers, Education, Information, Advice & Guidance

Summary

1. This report provides Members with an update on the implementation of the recommendations arising from the previously completed scrutiny review of Careers, Education, Information, Advice & Guidance (CEIAG). Members are asked to sign off all those considered fully implemented.

Background

2. In September 2012, in response to a scrutiny topic proposed by Councillor D'Agorne, the Learning & Culture Overview & Scrutiny Committee received a report detailing national and local developments in the provision of careers education information and guidance (CEIAG) to young people in schools and colleges.
3. In January 2013, the Committee received an update on the national developments, together with information on a recent thematic review into CEIAG carried out by The Office for Standards in Education (OFSTED) which had included visiting two schools in York. Initial feedback from OFSTED confirmed they were impressed with the collaboration between the schools and the Local Authority, in relation to CEIAG. However, the Committee recognised that if the provision of careers education differed between all schools in York, the conclusions from the OFSTED review would not represent the full picture. They therefore agreed it might be sensible to also look at the collaboration between 1 or 2 other schools and the Local Authority, in relation to CEIAG.
4. The Committee agreed to set up a Task Group to carry out the review on their behalf and agreed the following remit for the review:

'To assess the standard of CEIAG for young people in York, and where appropriate identify improvements'

5. Over a series of meetings the Task Group gathered evidence in support of the review and their draft final report was presented to the Learning & Culture Overview & Scrutiny Committee at a meeting on 18 September 2013. All the review recommendations were subsequently approved by Cabinet in November 2013.

Consultation

6. The council's Youth Support Service Manager has provided the update information on the approved recommendations – see Annex A.
7. The update refers to new careers guidance and inspiration for schools (Statutory guidance for governing bodies, school leaders and school staff) - see copy of this at Annex B.

Options

8. Members may choose to sign off any individual recommendation where implementation has been completed, and can:
 - a. request further updates and the attendance of the relevant officers at a future meeting to clarify any outstanding recommendations relating to the above reviews or;
 - b. agree to receive no further updates on those reviews

Council Plan 2011-15

9. Whilst the review did not directly support the priorities within the Council Plan 2011-15, it did support a recommendation within the Children & Young People's Plan made by young researchers that asked for careers information and advice to be age appropriate, and for increased links between businesses and education.
