Dear

Castlegate services for Year 11 leavers

We hope that you are enjoying the summer break and looking forward to the next stage of your career after completing year 11.

You may be very settled with your plans for this September whether it be college, 6th form, an apprenticeship or work based training. However, if you are still unsure about your plans then Castlegate can help with independent, impartial advice, guidance and support to help you make the right choices about your future.

We can also offer support when you receive your GCSE and other exam results, especially if they don't go to plan.

At Castlegate we have lots of information about post 16 options and up to date job and apprenticeship vacancies. A team of trained advisers can also help you with practical advice to help with job search and CVs and applications.

We also offer advice and support with employment issues, benefits, housing, money, health and provide confidential counselling.

Castlegate is open for appointments from 9.30am and for drop-in 1pm to 5.30pm from Monday to Friday.

Please call us for more information telephone 01904 555400, visit our website www.29castlegate.org or visit us during drop-in time.

Yours sincerely

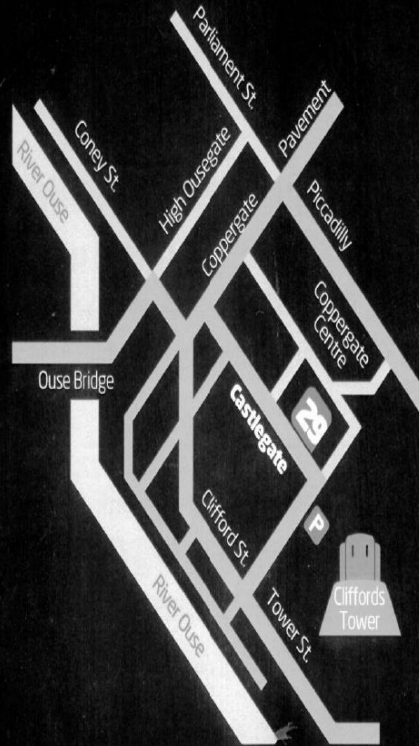

A handwritten signature in black ink that reads "S. Gennery".
